EDWARD THE SEVENTH, &c., &c., &c.

To all to whom these presents shall come—GREETING:

WHEREAS the lands hereinafter mentioned are Dominion Lands within the meaning of the Dominion Lands Act, and are of the class designated in that Act and known as School Lands.

AND WHEREAS in and by a certain Instrument or document bearing date the Sixteenth day of March in the year of Our Lord One thousand nine hundred and nine and made under and in pursuance of the Irrigation Act, authority has been given to

The Southern Alberta Land Company, Limited

for the construction of certain works therein and in the memorial of the said

The Southern Alberta Land Company, Limited

dated the Twenty seventh of October in the year of Our Lord One thousand nine hundred and eight and the plans filed in connection therewith in the Department of the Interior at Ottawa, particularly described and shown.

AND WHEREAS the acquisition and possession of the rights and privileges hereinafter mentioned and intended to be hereby granted is necessary in order to the construction, maintenance and operation of the said works.

AND WHEREAS our Governor-in-Council considering that the value of the school lands as an endowment for the purposes of education will be greatly enhanced by the establishment of a system of irrigation, has given authority for the granting free of charge to persons constructing irrigation ditches, canals or works, of licenses of occupation of any school lands which may be required for the right of way or other purposes of such ditches, canals or works.

NOW KNOW YE, that by these presents we do grant unto the said The Southern Alberta Land Company, Limited hereinafter called the grantee, its successors and assigns, owners of the said works, the full right and liberty to construct, maintain and operate in accordance with and for the purposes indicated by and in the memorial and plans aforesaid as the same have been finally approved by The Honourable the Minister of the Interior, the said works hereinbefore referred to, through, over and upon the South West and South East quarters of Section Eleven, Township Fourteen, Range Nineteen West of the Fourth Meridian, in the Province of Alberta, in Our Dominion of Canada, as shown on the attached plan and containing an area of Twelve and sixty nine hundredths acres and Seven and thirty-nine hundredths acres, respectively, more or less

and also the full and free right and liberty to and for the grantee its successors and assigns all and every person and persons for the benefit and advantage of the grantee its successors and assigns, from time to time, and at all times with their agents and servants, and workmen, horses, carts and other persons and things requisite to enter into and upon the said works for the purpose of repairing and amending the same, and into and upon the lands adjoining the same on either side thereof, so far as may be necessary for that purpose

TO HAVE AND TO HOLD the same unto the grantee its successors and assigns aforesaid so long as they shall have the right under the Irrigation Act, to maintain and operate the said works or any part thereof.

PROVIDED ALWAYS, and this grant is subject to the following conditions namely:—

1. That if at any time hereafter the right of the grantee its successors or assigns, under the Irrigation Act, to construct or to maintain and operate the said works or any part thereof, shall for any reason cease and determine, or if the grantee, its successors or assigns, shall at any time hereafter abandon the said works or any part thereof, or cease to maintain and operate the same or any part thereof for the purposes for which the right to maintain and operate the same is hereby granted then and in each and every such case these presents and the grant thereby made, shall immediately become and be null and void, either wholly or as to such part as the case may be.

2. And that the location of the said works upon, over and across the said lands and the quantity of land required therefor shall be subject to the approval and decision of Our Minister of the Interior or his successor in office for the time being, or of such officer or person as he or his successor in office may nominate or appoint for that purpose, and such approval and decision shall be final.

3. And that a declaration in writing under the hand of Our said Minister of the Interior or his successor in office that there has been a breach of condition or a forfeiture, entire or partial, hereunder, shall be final and conclusive to all intents and purposes whatsoever.

4. And that the grantee, its successors or assigns, shall not erect or construct any fence or fences, on or along the said works.

Department of the Interior

A.S. Canada. File #92779 3.L.

Ottawa September 23rd, 1914.

TO HIS ROYAL HIGHNESS

THE GOVERNOR GENERAL IN COUNCIL:

The Undersigned has the honour to report as follows:-

The Order in Council of the 20th February, 1914, authorizes the Minister of the Interior to issue a License of Occupation to The Canadian Western Natural Gas, Light, Heat & Power Company Limited of the land required for the Right of Way of the Pipe Line for the conveyance of Natural Gas across the South West quarter of Section 29, Township 21, Range 29, West of the 4th Meridian.

The Memorandum to Council on which the Order in Council is based also sets forth that the Minister is of opinion that it would be in the public interest to allow The Canadian Western Natural Gas, Light, Heat & Power Company the Right of Way across School Sections for the purpose of constructing Pipe Lines for conveying Natural Gas, and as the Undersigned is of opinion that it is important that general authority be granted for that purpose, he recommends that he be authorized to issue a License of Occupation to any Company of the land required in School Sections for the Right of Way of Pipe Lines for the conveyance of Natural Gas in all cases

where

it is considered

And Whereas ~~the Governor in Council considering~~

that great public benefit will result from the distribution
construction of the said works and the distribution of petroleum and
natural gas, and it is also considered that the value of the school
lands as an endowment for the purposes of education
will not be impaired, it has been decided by the Minister of the Interior
to granting ("free of charge" or as the case may be) to
the said Company constructing and maintaining pipe
lines, of licenses of occupation of any school
lands which may be required for the right of
way of such pipe line

Gentlemen, -

In connection with the plan filed by you in support of your application for a License of Occupation of the land required for theRight of Way for a pipe line to convey Natural Gas across the South West quarter of Section 29, Township 21, Range 29, West of the 4th Meridian, I beg to inform you that on making Requisition for the issue of the License of Occupation it is pointed out that no measurement is given on the plan from the South West corner of the quarter-section to the point where the centre line of the Right of Way intersects the Southern boundary of the Section.

I, therefore, return the plan and I shall be obliged if you will have the required measurement supplied and then forward the plan here.

MEMORANDUM

Referring to your memorandum of the 9th July, addressed to Mr Steers, and your letter of the 1st February last, herewith, it appears from the latter letter that the plan of paper, immediately above the same was returned to the Company for the purpose of having the additional information, which I required as per my memorandum of the 15th January last, added thereto. The plan has now been returned and I cannot understand the changes that have been made thereon. None of the measurements given are exact, in fact in some cases, very much but according to the scale of the plan, and before the patent, in this case, can be issued, it will be necessary that the Department be furnished with an accurate plan showing the length of the centre line and connections of the ends thereof with the South-west corner of the quarter section, along the Southern and western boundaries thereof. In its present state the plan is useless. The patent cannot be issued until this has been attended to.

MEMORANDUM:

OTTAWA, 2rd September, 1915.

Mr. Scarfuri,

Re your memorandum hereunder.

In your memorandum of the 15th of January last you stated that it would be necessary that the measurement from the south west corner of the quarter section to the point where the centre line of the right of way intersects the boundary should be given, and you added that you thought that this was the only discrepancy in the plan.

The plan was returned and has since been received by the Department with the measurement required given. I understand, however, that the measurements in general are not satisfactory.

Under the circumstances, I think it would be better if you dictated the letter yourself, showing exactly where the measurements are incorrect and what is required.

Sir:-

Referring to the Departmental letter of the 1st February last, transmitting for approval a plan of the pipe line across the south-west quarter of section 25, township 21, range 29, west of the 4th. Meridian, and your reply thereto of the 8th February. I beg to say that the changes made on the plan are not understood in this department. In checking over the said plan, it is found that none of the measurements shown thereon agree with the scale. What the department requires is a plan on linen, showing the exact position of the centre line of the pipe line, together with the width taken for the right of way, on either side of the said centre line, and the connections from the same, at its two extremities, along the southern and eastern boundaries of the quarter section, to the south-west corner, and a statement of the area involved.

The paper print of the plan is returned to you herewith, kindly furnish the new plan as soon as possible.

Madam,-

I beg to remind you that rental is now owing on your coal large of the East ½ of the North East ¼ of Section 19, Township 7, Range 15, West of the 4th Meridian, described North No. 147 ... down to the 15th November, 1916, amounting to $37.50, with arrears of rental to the 15th of November, 1916, amounting to $37.73, and also interest on the rental and arrears unpaid from the 15th of November last to the date that payment is received here at the rate of 5%.

I am, therefore, to request that you will pay this amount within thirty days of this date and also file a return of all coal mined for the period between the 30th of September, 1916, and the end of the present month, and pay royalty on the merchantable output of the mine at the rate of five cents per ton.

If payment is not made within thirty days of this date, as above stated, the Department will be required to cancel this lease and hold you responsible for all rental, interest and royalty owing on this lease down to the date of cancellation.

Dear Mr. Moss,-

On the 15th November, 1913, Coal Berth No. 147 was issued in favour of Selah McAdow of Milk River, comprising the West half of the North East Quarter of Section 29, Township 2, Range 15, West of the 4th Meridian.

Encl.

The lessee subsequently died and the district Court at Lethbridge directed that the lease be transferred to his widow, Lulu McAdow.

It would appear that since the lease was issued no rental has been paid. Mr. Collins sends me the enclosed memorandum and asks whether I know of any reason why the lease should not be cancelled.

Will you kindly report whether a mine was ever in operation on this leasehold, and whether you recommend the lease for cancellation. Reports by Mrs. McAdow up to the 30th September, 1916, show that no operations were carried on.

On the 11th of November, 1912, a lease issued in favour of Selah N. McAdow for the coal mining rights in the west half of the North East ¼ of Section 30, Township 2, Range 15, West of the 4th Meridian, and was afterwards transferred to Hulu McAdow, Widow, as Executrix of the Estate of the late Selah N. McAdow and is still recorded in her name in this capacity.

No payment has been made on account of either rental or interest for a number of years, though repeated requests have been made for same, and on the 6th of May last I submitted a memorandum to Mr. Finnie, our Inspecting Engineer, asking him if he was aware of any reason why the lease should not be cancelled.

Mr. Finnie, therefore, addressed a letter to his Mining Engineer at Calgary asking him to investigate the case, and I am now in receipt of a letter addressed to Mr. Finnie by Mr. Ross in which he points out that Mrs. McAdow stated that she understood the lease was cancelled sometime ago, that she knows very little about same and is desirous of having it cancelled now; that from inquiries made in the district the mine was never opened and Mr. Ross, therefore, recommends cancellation proceedings.

I presume we may, therefore, cancel this lease and notify Mrs. McAdow that she will be held responsible for all rental and interest owing on same down to the date of cancellation.

Referring to Coal Berth No. 147, comprising the West half of the North East quarter of Section 29, Township 2, Range 15, West of the 4th Meridian, recorded here in your name, I now beg to inform you that, on the strength of a report received from Mining Inspector Ross of Calgary, Alberta, the Department has cancelled this lease as on the 12th day of September, 1919.

While the lease has been cancelled, the Department, as trustee of the School Lands Endowment Fund, cannot relieve you of your liability of rental and interest owing down to the date of cancellation, amounting to $383.06 rental and $43.05 interest.

I am, therefore, to request that you will be good enough to forward this amount to this Department at the earliest possible date, in order that the account may be closed.

The Deputy Minister
of the Interior.

Memorandum:

In April, 1907, Messrs. Short, Cross and Biggar, Barristers of Edmonton, were advised that their client Mr. Thomas Lake would be given a period of sixty days from that date within which to pay the first instalment of the purchase price of 320 acres of coal mining lands situated on Coal Creek in unsurveyed territory in the Province of Alberta, and they were further advised that owing to the land being in unsurveyed territory the Department was unable to guarantee that a patent would be issued in favour of the purchaser, even although payment were made therefor in full, but that in the event of its being found impossible to issue such a patent, a refund would be made of the amount paid on account of the purchase price.

Payment has since been made of the purchase price in full, and Mr. Lake has assigned to Messrs. Dickson, McKay and Gould an undivided one-quarter interest in the location in question.

The Township in which this tract is situated has now been subdivided, and the recorded owners thereof were asked to advise this Department what particular legal subdivisions they consider the tract in question should embrace, and they have now made their selection. On the plan underneath will be found outlined in yellow the tract originally staked

out

out by Mr. Lake, and hatched in red the lands which the recorded owners of this tract have selected by legal subdivisions of a section to cover the area so staked out. It will be observed that these tracts nearly coincide.

The difficulty is, however, that 240 acres of the tract in question conflicts with Section 29, which is School Lands, but since this location was purchased and paid for in full before Section 29 became School Lands, the Department would appear to have no other course but to confirm the sale of the tract in question, notwithstanding the fact that it has now become School Land.

The School Lands Branch might, I think, be asked whether it would be possible for them to select other lands in lieu of the 240 acres acquired by Mr. Lake prior to survey.

Respectfully submitted,

MAY 16 1921

Sirs,

Re Part S.W.¼ of Sec 11, Tp 44, Rge 23 West 4.

I am in receipt of your letter of the 14th instant enclosing one copy of Quit Claim Deed conveying the Part S.W.¼ of Sec 11-44-20 West 4th from E. N. Vold and J. Havensborg to Francis J. McKenna, Farmer, of Calmo, Alberta, and one copy of authority to send contract to Mr. McKenna.

I am returning these documents to you herewith, and in regard thereto beg to give you the following information.

Your Quit Claim appears to convey the wrong land, as the land mentioned therein was purchased by Ralf A. Bailey, a Farmer, of Bashaw, and the land referred to in Receipt . 16732 is the Part S.W.¼ of Sec 11, Tp 44, Rge 23 West 4th, which land was purchased by Messers Vold and Havensborg.

I beg to inform you that the usual procedure in transferring School Lands in the records of the Department is to make out a Quit Claim Deed in duplicate, and forward both copies, accompanied by a registration fee of of 3.00 to the

School Lands Division,
Department of the Interior,
Ottawa, Ontario,

and if found in order, the same will be registered in the Department, and one copy of the Quit Claim Deed will be returned with registration endorsement recorded thereon.

The authority to deliver the contract to Mr. McKenna is not necessary, as there are no contracts or Agreements for Sale issued by the Department to purchasers of School Lands. All they receive is the official receipt given for the cash payment at the time of sale, and an official receipt for each payment made thereafter until the land is paid for in full, when Patent will be issued by the Crown.

A copy of this reply is today going forward to the Department at Ottawa, in order that they may expect to shortly receive an assignment from Messrs Vold and Havensborg to Mr. Francis J. McKenna.

Dear Sirs:-

. . . . . 6. . .

I am in receipt of your statement of the 10th ult., showing amount payable on the above land on November 5th.

I am sorry to say that I am unable to do much with this on account of the poor crop this year, but will be able to send you $50. on account as soon as I get some grain marketed.

I would like to clean this all up, as well as consolidate my other investments, and can do so by cutting out a portion I am on at the present and the one on which I live. I am at present negotiating for such a loan, on the assumption that you will accept payment in full of the balance owing on this land.

Please let me know at your earliest convenience if you will accept re-payment, as this seems to be the only way in which I can clear matters up.

Yours truly,

I beg to acknowledge the receipt of your letter of the 14th instant setting forth that you are unable to do much towards the reduction of your account in connection with the above land this year, but hope to be able to send about $50.00 as soon as you get your grain marketed.

You also represent that you think you could clean this up by taking out a mortgage and request the Department to advise you as to whether payment in full could not be accepted in connection with this quarter-section.

The Department is pleased to accept payment in full in connection with School Lands at any time and for your information I might state that the amounts owing as on the 30th instant in connection with this sale are as follows:-

Arrears of Principal.....	$ 63.45
Arrears of Interest	$178.09
Undue Principal.....	$779.10

If the above amounts are not received by the 30th instant the arrears of principal and interest bear interest at 7% and the undue principal at 6% from the 30th instant to the date of the receipt of the money in the Department.

In order to give you an opportunity of carrying out your intentions and making the necessary payment this sale will be protected until the 1st February, by which time it is hoped that you will be able to forward a sum sufficient to pay in full for the quarter-section.

Sir,

Re part S.W. 11-44-23-West 4th Meridian.

With reference to the letter from your department dated 14th September, 1905, File No. 9764, in connection with road plans No. 1076 and No. 9[illegible], Interior No. 11002 and No. 11020, affecting the above-mentioned quarter-section, in which it is set forth that the original reservation in sec. 11, of the road shown on plan No. 11020, may be abandoned with the exception of 0.15 of an acre, I beg to point out that the road to be abandoned does not appear to have been reserved in the Crown in the right of the Dominion. Will you, therefore, kindly forward here the usual notification of abandonment of the portion of the road shown on plan No. 11[illegible] which you no longer require for road purposes as this Department is withholding the issue of patent for this quarter-section pending the receipt thereof.

Your obedient servant,

In preparing to make Requisition for Patent for the above land, it is found that 1.85 acres of roadway as per Plan #11220, presumed to be abandoned in lieu of Plan #11062 has not apparently been revested in the Crown in the right of the Dominion.

Kindly advise action as soon as possible, in order that we may proceed with the Requisition for Patent.

In regard to my telegram of this date requesting you to have five acres on the south east corner of section 29, township 21, range 24, west of the 4th meridian, offered at the Onion Lake sale, I may say that a telegram was received to-day from Mr. W. We have been advised that the land will be offered if it can be inspected and valued in time, which is, however, doubtful, and Mr. Watson is being asked to the fact that he was notified by letter of the 29th September, in reply to his application, that the five acres would be put up at the Onion Lake sale, provided he advised the Department that in sufficient time that the municipality were prepared to acquire it, in order that the inspection might be made and the land valued.

Mr. Daly - Departmental Solicitor.

The Right of Way Agent of The Canadian National Railways has made application to the Department to purchase right-of-way through the South half of Section 2., Township 31, Range 3, West of the 4th meridian, which of course the Company can purchase by private sale under the provisions of the Railway Act.

We now have on file herewith a communication from the Manager of the Canadian National Railways Land and Townsite Department, requesting that the Company be allowed to purchase sufficient area to survey two blocks of land into town lots, together with the necessary roads pertaining to same and a two acre public reserve.

I am doubtful whether under the provisions of the Railway Act the Department would be justified in selling any portion of this quarter-section for the purpose of surveying same into town lots, and before communicating with the Manager of the Land and Townsite Department of the Railway, I would request that you be kind enough to furnish me with an expression of your views in regard thereto.

Sec 142, of the Railway Act, under which the Railway may, if required, authorize such taking, never Order in Council, "for the use of the Railway and works". I do not see how this can require Board's consent for commercial purposes under this section, which are not for "Railway" work.

Sir, - re part S.½ 1 - 32 - 7 W.4th M.

I beg to refer you to Departmental letter addressed to you under date of the 11th instant, relative to offering for sale of the 4th Meridian for sale at public auction, in order to afford your Company an opportunity of acquiring same for townsite purposes.

In regard thereto I might [illegible] Field who is in Ottawa, is acquainted with the value of [illegible] Land, is opposed to this matter, and apparently it is his intention to again take the matter up upon his return to Winnipeg.

Mr. Field at the time also submitted a blue print in connection with the area involved for townsite purposes, the South half of Section 1, Township 32, Range 7, West of the 4th Meridian, referred to above, stating that he intended to take up the matter of acquiring the area with the Dominion Land Surveyor, as this half-section apparently was part of the School Lands reserved at the time it was proven whether or not the Section below on to the School Lands Account.

The blue print handed in by Mr. Field to the undersigned of the reference, showing said Section, has now been submitted to the School Land Department, and in view of the fact that it has been found that the East half of Section 1, referred to, now belongs to the School Land Department, and in regard thereto I might state that it would appear that, if satisfactory to your Company, the Department might offer the area required in the half-Section also for sale at public auction, upon a report being made therefor, and the furnishing of a proper plan showing the area required in said quarter-section especially.

By a copy of this letter the Agent of Dominion Lands, Calgary, is being instructed to have an Inspector place a valuation on the South East quarter of Section 32, Township 31, Range 7, West of the 4th Meridian also place a valuation on the part West half of Section 1, Township 32, Range 7, West of the 4th Meridian for the purpose of sale.

Kindly keep [illegible] and, if so favourably inclined to the above plan, in order that it may be returned to Mr. Field.

Mr. Rolling

Re S.½ 29-31-2-W.4th M.

Application has been made by the Canadian National Railways for the necessary land for right-of-way purposes for the railway in the half-section referred to above.

In addition to this area the Company applies for sufficient area in the South West quarter of the Section to survey two blocks of land into town lots together with the necessary roads pertaining to same and a two acre public reserve.

The Company states that a standard block has dimensions of 270 x 300 feet.

A Homestead Inspector was requested to visit the land and place a valuation thereon for right-of-way purposes and also for Townsite purposes.

A report has now been received in which it is stated that the land is fairly level, unfit for agricultural purposes, that for Townsite purposes he values it at $20.00 and for ordinary right-of-way purposes at $10.00 per acre.

The Company has also applied for a portion of the West half of Section 1, Township 32, Range 7, West of the 4th Meridian for right-of-way and Townsite purposes but the Inspector's valuation on this latter parcel of land has not as yet been received.

I presume the Company might be advised of the valuation placed on the land and informed that if they will furnish the Department with a sketch showing the area which they wish offered for sale at public auction, that the question of having the land offered as a separate sale will receive consideration.

Your file 25672

With further reference to your application to acquire a portion of the land referred to above for railway right-of-way and other purposes in connection with the railway, as well as to acquire an additional area for townsite purposes, I may say that the lands have now been inspected and have been valued at the rate of $20.00 per acre.

Under the circumstances, the Department is prepared to sell to the Company the land required for railway right-of-way and other purposes in connection with the railway at that rate.

It has also been decided that the land which may be required for townsite purposes might be offered for sale at public auction at an upset price of $20.00 per acre, and in order that this phase of the question might receive further consideration, it is desired that you will file here a plan or sketch showing the portion which you desire offered for sale.

In connection with the part west half of Section 1, Township 32, Range 7, west of the 4th Meridian, I may say that the Inspector's valuation has not as yet been received in this connection, but so soon as the same is received here you will be further advised.

Dear Sir:

Re S.W. 29-31-2, West 4th, Your File 93813 S.L.

Referring further to your letter of the 16th ultimo, I am now attaching hereto the Company's cheque in favor of the Department of the Interior for $293.03, representing balance of consideration due for 18.18 acres purchased by Canadian National Realties Limited in this quarter section. You will note that this includes $2.15, being interest estimated to the 15th January, and I shall be pleased if you will have patent issued at the earliest possible date, advising me when you have submitted the same to the Land Titles Office for registration. I am attaching hereto description of the land which should be inserted in the Grant, and you might in the meantime kindly sign and return the accompanying voucher.

Yours truly,

Regional Counsel.

Sir,-

re N½ 33-31-3-W. 4th Mer.
& S½ 29-31-3-W. 4th Mer. Alta.

With reference to your letter of the 22nd ultimo, File T-816, in connection with parcels of land in the above-mentioned quarter sections, for which you desire the issue of patents in favour of the Canadian National Realties, Limited, and which have been purchased for townsite purposes, I beg to bring to your attention the departmental letter of the 24th December, 1925, particularly the request contained therein that plans of record in this Department under numbers 34056 and 34057 be returned to this Department when certified by the Registrar and to point out that these plans which show the outlines of the parcels referred to have not been returned to the Department, also that the descriptions of these lands furnished in your letters of the 7th January last are not satisfactory for the purpose of describing the lands in the patents as the lands are designated therein as parcels "A" and "B" as shown on the plans which have not been returned.

This Department has therefore no record from which a definite description of the lands can be obtained until the said plans are returned.

I may point out further that the plans filed by the Registrar, mentioned in your letter of the 14th inst. last, are probably plans of subdivision of those townsites and not the plans showing the outlines and areas of the parcels comprising the townsites which were returned to you under separate cover and mentioned in the departmental letter of the 24th December last mentioned above.

It is requested that you will take the necessary steps to have these plans which are required in this Department under numbers 34056 and 34057 returned to this Department at an early date that the patents for the lands comprising the townsites mentioned may be prepared and issued.

Your obedient servant,

Dear Sir:

re N.W. 33-31-3, West 4th, and S.W. 29-31-2, West 4th, Your file 9513 S.L.

I have for acknowledgment your letter of the 5th instant requesting the return of certified copies of plans covering townsite lands which have been recorded in your Department under Nos. 34056 and 34057.

As already advised, the two tracings of each of these plans which were returned to me by your office were submitted to the Land Titles Office for registration in conjunction with patents which were to have been issued some time ago. According to your letter of the 23rd October last two copies of the plan were retained, one for the Surveyor General's Branch of the Department of the Interior and the other for the School Lands Branch. Might I suggest that either of these copies be obtained by you and a satisfactory description for our patent prepared in accordance therewith, as it will be impossible for me to return a certified copy from the Land Titles Office to you as one is kept on file in that office and the other is for our records. If the Surveyor General's Branch and the School Lands Branch require Registrar's certificate on their tracings it will be necessary to forward the same to me, and in any event it seems to me that a blue print of the registered plans would serve the purpose of the different Departments as well as a linen tracing.

Yours truly,

Regional Counsel.

Sir,

Re W.V.P. 33-31-3-W.4th M. and S.V.P. 33-31-3-W.4th M. Alberta.

I beg to acknowledge the receipt of the letter of the 11th inst., file [illegible], relating to plans recorded in this Department under Nos. 34056 and 34057, and requesting that patents be issued for certain portions of the above-mentioned quarter sections shown thereon.

As pointed out in the letter mentioned, it was stated in the departmental letter of the 23rd October last that one copy of each plan was retained in the Surveyor General's Branch of this Department and one in the School Lands Branch of this Department, also two copies of each plan together with blue prints were returned to you under separate cover at the same time.

Subsequent to this action a letter from the Regional Counsel, Canadian National Railways, dated the 17th November last, was received by the Department requesting that the copies retained in this Department mentioned above be forwarded to him to be certified by the Registrar, and stating that when endorsed by the Registrar these plans would immediately be sent back to this Department.

In a letter to the Regional Counsel dated the 24th December last from the Surveyor General, it was set forth that four tracings were returned to him under separate cover by Canadian National Express, and he was requested to note that two of these tracings had been stamped and numbered on the back, one bearing number 34056 and another 34057.

From this correspondence it may be observed that all the four copies of each plan together with the blue prints were returned to the Regional Counsel, Canadian National Railways, Winnipeg, two copies of each plan with the blue prints on the 23rd October, 1925 and two copies of each plan on the 24th December, 1925.

Under the circumstances it is presumed that you will have the necessary steps taken to return plan No. 34056 and plan No. 34057 to this Department with the certificate of the Registrar endorsed thereon.

Sir,

Re plans of survey of parcels of land in S.W.¼ 29-31-2-W.4th M. and N.W.¼ 33-31-3-W.4th M.

I beg to acknowledge the receipt of your letter of the 6th instant, file T-816, in connection with four tracings each of survey of parcels A and D in the above-described lands. Will you be good enough to forward to the Land Titles Office for registration the said plans of survey of parcels A and D. The four tracings of each are being returned to you today under separate cover that you may have the certificate of the Registrar endorsed on the copies stamped on the back and numbered 34056 and 34057, and then return the plans here to issue the patents for parcels A and D.

This course of action is being followed as it is preferred to make reference to these plans in the descriptions in the patents by the numbers under which the said plans are recorded in this Department and at the Land Titles Office respectively, in accordance with the usual practice of this Department.

Memorandum: Mr. Collins -

Re Alberta [illegible] Coal Co.Ltd.

This Company is the registered owner of eight petroleum and natural gas leases on school lands which were issued during the months of September and November, 1926.

Under the provisions of the regulations the lessee is required to place drilling machinery upon the land within one year from the date of the lease and to commence drilling operations thereon within fifteen months from the date of the lease.

Application has now been made by James A. Carruthers, Barrister of Ottawa, on behalf of this Company for an extension of time of one year within which to install drilling machinery and commence operations. He states that the Company will undertake to pay the rental promptly and always to secure the Department that this extension is asked in good faith, with every intention of commencing work on the grounds covered by the leases as soon as possible, and that the reason for asking for the extra time is due to the fact that the machinery intended to be used is now in Prince Edward Island and cannot conveniently be transferred to the Province of Alberta within the prescribed time.

I recommend that the Company be granted an extension of time for a period of one year within which to install the necessary machinery on the land and commence drilling operations, this extension to commence from the second year of the term of each of the several leases, on the understanding of course that prompt payment be made of the rentals owing.

This Indenture

made in duplicate this

day of

one thousand nine hundred and

in the year of our Lord

BETWEEN

His Majesty King George the Fifth, represented herein by the Minister of the Interior of Canada, hereinafter called the Minister, of the first part,

AND

hereinafter called the lessee, of the second part

WHEREAS by order of the Governor General of Canada in Council bearing date the twenty-ninth day of April 1920, regulations were made for the disposal of petroleum and natural gas rights in School Lands the property of the Crown in the provinces of Manitoba, Saskatchewan and Alberta (a copy of which regulations is hereto annexed);

AND WHEREAS the lessee having applied for a lease under the said regulations of the petroleum and natural gas rights in the lands hereinafter described, the Minister has granted such application upon the terms and conditions herein contained.

NOW THEREFORE THIS INDENTURE WITNESSETH that in consideration of the rents and royalties hereinafter reserved and subject to the provisos, conditions, restrictions and stipulations hereinafter expressed and contained, His Majesty doth grant and demise unto the lessee, for the sole and only purpose of mining and operating for petroleum and natural gas,

ALL AND SINGULAR

TO HAVE AND TO HOLD the same unto the lessee for the term of twenty-one years to be computed from the day of A.D. 19 , renewable for a further term of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to show that during the term of the lease the lessee has complied fully with the conditions of such lease and with the provisions of the regulations under which it was granted, and with the provisions and regulations in force from time to time during the currency of the lease.

YIELDING AND PAYING therefor during the first year of the said term unto His Majesty the clear yearly rent or sum of fifty cents of lawful money of Canada for each and every acre of land comprised within the said lands, and for each subsequent year of such term the rent or sum of one dollar per acre, such rent being payable yearly in advance on the day of in each year of the said term, the first of which payments has been made on or before the execution of these presents; and also rendering and paying therefor unto His Majesty a royalty at such rate as may from time to time be prescribed by Order of the Governor General of Canada in Council on the sales of petroleum and natural gas products taken out of the said lands, and such rent and royalty to be free and clear of and from all rates and taxes and assessments and from all manner of deductions whatsoever except as hereinafter mentioned, such royalty to be collected in such manner as may be specified by the Minister.

PROVIDED ALWAYS that this demise is granted upon and subject to the following provisos, conditions, restrictions and stipulations, that is to say:—

1. That the lessee shall and will well and truly pay or cause to be paid to the Minister at Ottawa, the rent and royalty hereby reserved, and shall and will make all returns at the times and in the manner herein or in or under the said regulations prescribed.

2. That the lessee shall and will well, truly and faithfully observe, perform and abide by all the obligations, conditions, provisos and restrictions in or under the said regulations imposed upon lessees or upon the lessee, which said regulations are to be read and construed as if they were herein set forth.

3. That the lessee shall and will keep correct books of such kind, and in such form as may be prescribed by the Minister, showing the quantity of petroleum and natural gas taken out of the said lands, and whenever required so to do shall submit such books to the inspection of any officer or person appointed or authorized by the Minister to examine the same for the purpose of verifying the returns made by the lessee.

4. That the lessee shall and will, during the said term, make such provision for the disposal of the earth, rock, waste or refuse of the said lands that the same shall not be an inconvenience, nuisance or obstruction to any railway right of way, railway, pier, passage, lake, creek or place, or to any private, public or Crown lands, or conduct with or embarrass the operating of any other mines on the said lands, or in any manner whatsoever occasion any private or public damage, nuisance or inconvenience.

5. That the lessee shall and will at the end of each year of the term of the lease furnish the Minister with a statement, supported by affidavit, showing the number of days during the year that operations were carried on upon the said lands; the number of men employed upon such operations; the character of the work done; the depth attained; the total expenditure incurred; a detailed statement, also supported by affidavit, setting out fully the purpose for which such expenditure was incurred; the quantity of crude oil or natural gas obtained; the amount realized from the sale thereof, and all such further and other information as to the working and operations of any mines on the said lands as the Minister may from time to time notify the lessee he requires, it being understood that failure to furnish such yearly statements and affidavits will render the lessee subject to a fine of ten dollars for each day's delay in furnishing the same and to the cancellation of the lease by the Minister after a delay of three months.

6. That the lessee shall also make proper and reasonable compensation to any railway company for any damage caused to the right of way or station grounds of the railway or other property of the company upon the said lands.

7. That the lessee shall and will permit any inspector or other person duly authorized in that behalf, with all proper or necessary assistants, at all reasonable times during the said term, quietly to enter into and upon the said lands, mines and premises, and into all buildings erected thereon, and into any part thereof, and to survey and examine the state and condition thereof, so nevertheless that in so doing no unnecessary interference is caused with the carrying on of the mining work of the lessee; and shall and will by all means in his power aid and facilitate such inspector or other person in making such entry, survey and examination.

8. That within one year from the date hereof the lessee shall place upon the said lands such machinery and equipment suitable for carrying on prospecting operations as in the judgment of the Minister may be necessary, and shall within the same period furnish to the Minister an affidavit as to the character, quantity and value of such machinery and equipment and the date of its instalment upon the said lands.

9. That the lessee, before commencing boring operations shall notify the Minister in writing of intention, the approximate date of such commencement and in such notice shall furnish the following information, viz:—

(1) The particular point on the location at which operations are to be conducted.

(2) The number or other designation by which the well shall be known, which number or designation shall not be changed without the consent of the Minister.

(3) The size and weight of casing to be used.

(4) The kind of drilling rig to be employed.

(5) The name and post office address of the person in charge of such operations.

10. That the lessee shall commence boring operations upon the said lands within fifteen months from the date of these presents and shall continue such boring operations with reasonable diligence to the satisfaction of the Minister, with a view to the discovery of oil or natural gas, and that if the lessee does not commence boring operations within the said period of fifteen months, or if having commenced such operations he does not prosecute the same with reasonable diligence in the opinion of the Minister, or if the lessee ceases to carry on the same boring operations for a period of three months, it shall be lawful for the Minister in his discretion, upon giving three months' notice in writing under his hand, to cancel these presents and terminate the estate or term hereby demised, and thereupon these presents and everything therein contained and the said estate or term shall absolutely cease, determine and be void, without re-entry or any other act or any suit or legal proceedings to be brought or taken by His Majesty; provided that His Majesty shall nevertheless be entitled to recover from the lessee the rent then accrued or accruing, and that any right of action of His Majesty against the lessee in respect of any antecedent breach of any of the said covenants, provisos, stipulations or conditions shall not thereby be prejudiced, it being further provided, however, that if satisfactory evidence is furnished by the lessee that he has expended the sum of at least two thousand dollars in actual boring operations by recognized methods upon the said lands in any year of the said term such expenditure shall be accepted as compliance by the lessee with the condition of the said lease for the year during which such expenditure was incurred.

11. That if the said lands should prove to be [illegible] in paying quantities the lessee will pump and work the wells [illegible] and uninterruptedly with due vigour and skill, with good and sufficient machinery and appliances in accordance with the provisions of the said regulations and to the satisfaction of the Minister, so long as the said wells continue to yield oil in paying quantities.

12. That the lessee shall at all times take proper precautions to prevent the injurious access of water to the oil bearing formation, and that upon a well proving to be unproductive or ceasing to yield oil in paying quantity or being abandoned for any cause, the lessee shall be at liberty to withdraw the casing from the said well, but in order to prevent water gaining access to the oil-bearing formation the lessee shall [illegible] and effectively to the satisfaction of the Minister, case such well by filling it with sand, clay or other material which would have the effect of preventing water from gaining access thereto.

13. That the lessee, in case natural gas is discovered through boring operations on the said lands shall immediately take all reasonable and proper precautions to the satisfaction of the Minister, to prevent the waste of such natural gas and shall conduct its operations in such manner and by such method as shall enable him upon discovery to control and prevent the escape of such gas.

14. That the lessee, in case salt water is met with through operations on the said lands, shall immediately and effectively, to the satisfaction of the Minister, close the well at such a depth as shall prevent such salt water from gaining access to the oil-bearing formation.

15. That if it is not established to the satisfaction of the Minister that oil or natural gas, in paying quantity, has been discovered on the said lands these presents shall be subject to termination upon two years' notice in writing being given by the Minister to the lessee.

16. That the lessee shall and will during the said term, open, use and work any mines and works opened and carried on by him upon the said lands in such manner only as is usual and customary in skilful and proper mining operations of similar character when conducted by proprietors themselves on their own lands with good and sufficient machinery and appliances in accordance with the provisions of the said regulations to the satisfaction of the Minister, and when working the same shall keep and preserve the said mines and works from all avoidable injury and damage, and also the roads, ways, works, erections and fixtures thereon and thereon in good repair and condition, except such as to the matters and things last aforesaid as shall from time to time be considered to be unnecessary for the proper working of any such mine by any inspector or other person authorized by the Minister to inspect and report upon such matters and things but so that no casing placed in any bore shall be removed or impaired, and in such state and condition shall and will at the end or sooner determination of the said term deliver peaceable possession thereof and of the said lands to His Majesty.

17. That the lessee shall and will during the said term enclose and keep enclosed all abandoned openings or excavations made in connection with or for the purpose of mining operations on the said lands with fences or walls sufficient to prevent cattle and other animals having free access to such holes or works to be of a height and character satisfactory to the Minister or the inspector or other person duly authorized by him as aforesaid and to comply with any regulations or directions from time to time made or given by the Minister.

18. That in case the lessee desire to abandon a well he shall before doing so and before removing the rig derick or other operating structure therefrom and the casing or any part thereof from a well give the Minister thirty days' written notice of his intention so to do and shall use his best efforts in accordance with the most modern methods to shut off and prevent water from entering the oil-bearing strata encountered in such well or wells and before commencing the removal of the rig and other material as aforesaid permission of the Minister or such officer as he may designate for that purpose shall be necessary and when making the application to abandon such a well the lessee shall furnish a plan of the log of the well, and submit a declaration setting forth the following information:—

(1) The approximate date upon which the proposed abandonment or removal shall begin.
(2) The quantity and size of casing in the well.
(3) The quantity and size of casing proposed to be removed
(4) The depth at which water was encountered.
(5) The manner in which water has been or will be effectively shut off.
(6) The depth at which Natural Gas was encountered.
(7) Whether any gas will be wasted or permitted to escape from the well by reason of the abandonment.

and failure or neglect to comply in any respect with this regulation shall render this lease and any lease or leases with which the same may be grouped as provided by the said regulations liable to forfeiture at the option of the Minister.

19. That in case the said lands or any portion or portions thereof are subject to any terminable grant by lease or otherwise from the Crown the lessee shall not because of these presents, without the consent of the Minister in writing being first had and obtained, be entitled to entry upon the said lands or portion or portions thereof.

20. That if the rent hereby reserved or any part thereof shall be unpaid for thirty days after becoming payable, whether formally demanded or not, or if any covenant, proviso, stipulation or condition on the part of the lessee herein contained shall not be performed or observed, then and in any of the said cases it shall be lawful for the Minister in his discretion by notice in writing under his hand to cancel these presents and terminate the estate or term hereby demised, and thereupon these presents and everything therein contained and the said estate or term shall, from the time of the giving of such notice, absolutely cease, determine and be void without re-entry or any other act or any suit or legal proceedings to be brought or taken, provided that His Majesty shall nevertheless be entitled to recover from the lessee the rent then accrued or accruing, and moreover, that any right of action of His Majesty against the lessee in respect of any antecedent breach of any of the said covenants, provisos, stipulations or conditions, shall not thereby be prejudiced.

21. That within two months from the termination of this lease from any cause, if rent and royalty due thereunder shall have been paid, and all provisos, conditions, restrictions and stipulations hereby imposed upon the lessee shall have been duly observed and performed, the lessee may remove from the said lands all tools and machinery, buildings and erections which he may have placed thereon, but shall not remove or impair any of the casing which is necessary to the use and maintenance of the shafts or wells in any mine on the said lands, or any article, matter or thing the removal of which might cause such mine to cave in or give way, and that in default of removal within such period of two months all such tools and machinery, buildings and erections shall be absolutely forfeited and shall become the property of His Majesty.

22. That if in the opinion of the Minister, the said petroleum or its products or any portion thereof should at any time during this demise be required for the use of His Majesty's Canadian Navy, the Minister shall have a right of pre-exemption of all crude petroleum oil or its products gotten or won under this demise for such use as aforesaid, the price to be agreed on between the Minister and the lessee or in case of difference to be fixed by the Exchequer Court of Canada.

23. That, in consequence of insufficient survey or of any cause whatsoever the said demised premises are found to include a portion of the petroleum and natural gas rights demised to any other person under the regulations of any Order of the Governor General in Council, the lessee whose application was first recorded in accordance with the provisions of such regulations shall have priority.

24. That the lessee shall not assign, transfer or sublet the rights hereby granted or any part thereof without the consent thereto in writing of the Minister being first had and obtained.

25. That no waiver on behalf of His Majesty of any breach of any or either of the provisos, conditions, restrictions and stipulations herein contained, whether negative or positive in form, shall take effect or be binding upon him, unless the same be expressed in writing under the authority of the Minister, and any waiver so expressed shall extend only to the particular breach so waived and shall not limit or affect His Majesty's rights with respect to any other or future breach.

26. That no implied covenant or liability of any kind on His Majesty's part is created by the use of the words "demise" or "lease" herein, or by the use of any other word or words herein, or shall otherwise arise by reason of these presents or anything therein contained.

27. That any notice, demand or other communication which His Majesty or the Minister may require or desire to give or serve upon the lessee may be validly given or served by the Secretary or the Assistant Secretary of the Department of the Interior; and that any notice affecting the tenancy hereunder which the lessor may desire to serve upon the lessee, shall be sufficiently served on the lessee, if left addressed to him on the demised premises or posted to him addressed to his last known address, or if left at the said address. A notice sent by post shall be deemed to be given at the time when in the course of post it would be delivered at the address to which it is sent.

28. That where the context permits the expression "lessee" herein includes the lessee or lessees, as the case may be, and his or their executors, administrators and assigns, the expression "His Majesty" includes the successors and assigns of His Majesty, and the expression "Minister" includes the successors in office of the Minister of the Interior and the Deputy or Acting Deputy of the Minister of the Interior.

IN WITNESS WHEREOF the Deputy of the Minister of the Interior has hereunto set his hand and the seal of the Department of the Interior, and the lessee has hereunto set his hand and seal on the day and year first above written.

Ref. 280786 on 11558 (School Lands).

AT THE GOVERNMENT HOUSE AT OTTAWA,

THURSDAY, the 29th day of April, 1920.

PRESENT:

HIS EXCELLENCY THE ADMINISTRATOR IN COUNCIL

P.C. No. 926.

WHEREAS by Orders in Council, dated the 14th May, 1913, and the 7th April, 1914, Regulations were established for the issue of leases for the Petroleum and Natural Gas rights in School Lands in the provinces of Manitoba, Saskatchewan and Alberta, the Regulations being made to conform as nearly as the different conditions would permit with those governing the issue of leases of Dominion Lands for the same purpose;

AND WHEREAS the Minister of the Interior reports that several amendments have been made to the Regulations governing the leasing of Dominion Lands for Petroleum and Natural Gas purposes, and it is considered advisable to have the Regulations for the issue of leases on School Lands for this purpose still conform as nearly as possible with those governing the issue of leases on Dominion Lands;

THEREFORE His Excellency the Administrator in Council, on the recommendation of the Minister of the Interior is pleased to order and it is hereby ordered as follows:—

The Regulations for the issue of leases of the Petroleum and Natural Gas rights in School Lands in the provinces of Manitoba, Saskatchewan and Alberta, established by Orders in Council dated the 14th May, 1913, and the 7th April, 1914, are hereby rescinded and the accompanying Regulations are hereby made, established and substituted therefor.

To the Honourable
The Minister of the Interior.

Published in the *Canada Gazette* of 5th June, 1920, Vol. 53, No. 49, for the four consecutive weeks.

REGULATIONS for the leasing of the Petroleum and Natural Gas rights in School Lands in the provinces of Manitoba, Saskatchewan and Alberta, approved by Order in Council dated 29th April, 1920

"Minister" shall mean the Minister of the Interior of Canada

"Adjoining" lands shall be those which are not separated by a section or by any of the regular subdivisions into which the section may be divided

"Location" shall mean the tract described in a Petroleum and Natural Gas lease.

"Group" shall mean two or more of the locations described in Petroleum and Natural Gas leases, consolidated for purposes of operation

"Lessee" means any individual, company, corporation or municipality, the holder of a Petroleum and Natural Gas lease in good standing

"River" shall mean a stream of water the bed of which is an average width of 150 feet throughout the portion thereof on which the tract applied for fronts

1 The Petroleum and Natural Gas rights in School Lands the title to which is still in the Crown, in the provinces of Manitoba, Saskatchewan and Alberta, may be leased to applicants at a rental of fifty cents an acre for the first years, and for each subsequent year at a rental at the rate of one dollar per acre, payable yearly in advance. The term of the lease shall be twenty-one years, renewable for a further term of twenty-one years provided the lessee can furnish evidence satisfactory to the Minister to show that during the term of the lease he has complied fully with the conditions of such lease and with the provisions of the Regulations in force from time to time during the currency of the lease

2 The maximum area of a Petroleum and Natural Gas location shall comprise one full section, and no person shall be permitted to acquire a greater area except by assignment

Provided that a person who has been granted a lease for a location, and who subsequently abandons or assigns the same may, after the expiration of twelve months from the date of said lease, apply for an area not greater than that abandoned or assigned

Provided further, however, that such right shall not be granted unless all payments on account of rent or other liability to the Crown, due by such person, have been duly made, up to the date of the registration by the Department of the assignment of his right to such lease or up to the date upon which the notice of his abandonment of the same was received by the Department

Provided also that such right shall not be granted until the person has satisfied all claims of the Department on account of a lease or of leases recorded in his name and which have been cancelled for non-payment of rental or for any other cause.

3 The location applied for shall consist of a section of one or more legal sub-divisions or of even portions thereof, but the several parcels comprising the location shall be adjoining and the length of the tract shall not exceed three times its breadth.

4 Application for a lease of the Petroleum and Natural Gas rights on School Lands shall be filed by the applicant in person with the Agent of Dominion Lands for the district in which the rights applied for are situated, or with a Sub-agent for such district for transmission to the Agent, but priority of application shall be based upon the date of the receipt of such application in the office of the Agent of Dominion Lands for the district

5 The rental for the first year of the location applied for at the rate of fifty cents an acre per annum shall accompany the application filed in the office of the Agent of Dominion Lands for the district in which the rights applied for are situated, and no application for a lease of Petroleum and Natural Gas rights shall be accepted or recorded unless it is accompanied by the full amount of the rental for the first year at the above rate. The lease when issued in each case shall bear date of the day upon which it is so issued

9. The Minister may, in consideration of the expenditure to be incurred by a lessee in boring operations upon one or more of the locations included in a group, grant an extension of time within which to pay the rental for the second and third years of the term of the several leases so included and upon receipt of the evidence required by Section 5 of these Regulations, he may deduct from the rental, which became due at the beginning of the year in respect of the several locations grouped, the amount expended in actual boring operations on one or more of the locations, exclusive of the cost of machinery and casing. The balance of the rental due, if any, shall be paid at the same time as the evidence in regard to work done is submitted, as above required. Failure to submit such evidence or pay the balance of the rental due with interest, will render the several leases included in the group liable to cancellation.

10. Provided, however, that the Minister shall not require that the value of the machinery to be provided on any group of locations shall exceed the sum of ten thousand dollars ($10,000), nor shall he require that the expenditure incurred in boring operations thereon in any one year shall exceed the sum of two thousand dollars ($2,000) on each location included in the group.

Provided further that the Minister may, in his discretion, allow the grouping of School Land leases with Dominion Lands leases to meet the requirements of these Regulations relative to the installation of machinery and boring operations, but in all cases where boring operations have not been performed on one or more of the School Lands leases included in the group, the lessee shall be required to pay the annual rental on such School Lands lease or leases, as provided for in Section 5 of these Regulations.

The maximum area of the locations which may be included in one consolidation or group shall not exceed twenty square miles, nor shall the locations so included be separated one from the other by a greater distance than two miles.

11. The Minister may, upon application, grant a lessee during the second and third years of the term of the lease an extension of time within which to pay the rental and to install the prescribed machinery and equipment, and within which to commence actual boring operations upon the location, or upon a group of locations consolidated under the provisions of these Regulations; provided that evidence to the satisfaction of the Minister is furnished to show that an expenditure equal to that prescribed by these Regulations in respect of boring operations, is to be incurred in some other acceptable and necessary form of preliminary development, having for its object the discovery of Petroleum and Natural Gas, by which the interests of the district in which the locations are situated might be materially benefited. Upon receipt of evidence on or before the termination of the year, supported by affidavit and duly corroborated, that such expenditure has been incurred, and that the work done was of a character beneficial to the district, the Minister may deduct the amount of such expenditure from the amount due on account of the rental of the location or locations affected, in the manner prescribed in Section 5 of these Regulations. In case evidence is not furnished, or if furnished, is not acceptable to the Minister, the leases shall be subject to immediate cancellation, at the discretion of the Minister.

In case an extension of time is granted during the second and third years of the term of a lease within which to install machinery and commence boring operations on any location under the grouping provisions of these Regulations, then the provisions of Sections 6 and 7 of the Regulations shall apply to the fourth year of the term of the lease of such location.

12. If the expenditure incurred in boring operations on a location, or on a number of locations grouped under the provisions of these Regulations, has been accepted as satisfaction of the rental of such location or group for the second and third years of the term of the lease or of the leases affected, as provided for in Sections 5, 9 or 11 of these Regulations, the Minister may, in consideration of the further expenditure to be incurred in actual boring operations for the discovery of Petroleum or Natural Gas grant the lessee an extension of time within which to pay the rental for the fourth and for the fifth years, respectively, of such term, and if the lessee, before the end of the year for which the extension was granted submits satisfactory evidence

supported by affidavit, to show that during such year actual boring operations have been prosecuted with reasonable diligence upon the location or upon the group of locations, the amount expended in such boring operations, exclusive of the cost of machinery and casing pipe, as the discretion of the Minister, be deducted from the rental which became due at the beginning of the said year, provided that Petroleum or Natural Gas in paying quantity has not, in the opinion of the Minister, been discovered on the location or on the group of locations affected by such extension.

13. In case the surface rights of a Petroleum and Natural Gas location are covered by a timber license, grazing or coal mining lease, mining claims or other form of terminable grant the lease shall not authorize entry thereon without the permission of the Minister being first had and obtained, and such permission, if granted, shall be subject to such conditions for the protection of the rights of such lessee or licensee as it may be considered necessary to impose.

14. In case the surface rights of a Petroleum and Natural Gas location have been patented, or have been disposed of by the Crown under any Act or Regulation which contemplates the earning of patent for such surface rights, and the lessee of the Petroleum and Natural Gas rights cannot make an arrangement with the owner of the surface rights, or with his agent, or the occupant thereof, for entry upon the location, or for the acquisition of such interest in the surface rights as may be necessary for the efficient and economical operation of the rights acquired under the lease, he may, provided the mineral rights in the land affected are reserved thereto and the right to use and occupy such portion of the land as may be necessary for the efficient working of the minerals therein have been reserved to the Crown in the original grant of the surface rights, apply to the Minister for permission to submit the matter in dispute to arbitration. Upon receiving such permission in writing, it shall be lawful for the lessee to give notice to the owner, or his agent, or the occupant, to appoint an arbitrator within a period of sixty days from the date of such notice, to act with another arbitrator named by the lessee in order to determine what portion of the surface rights the lessee may reasonably acquire:—

(*a*) For the efficient and economical operation of the rights and privileges granted him under his lease,

(*b*) The exact position thereof, and

(*c*) The amount of compensation to which the owner or occupant shall be entitled.

15. The notice mentioned in this Section shall be according to a form to be obtained upon application to the Agent of Dominion Lands for the district in which the land in question is situated, and shall, when practicable, be personally served on the owner of such land, or his agent, if known, or the occupant thereof, and after reasonable efforts have been made to effect personal service without success then such notice shall be served by leaving it at, or sending it by registered mail, to the last known place of abode or address of the owner, agent or occupant, and by posting a copy of the same in the office of the Agent of Dominion Lands for the district in which the land in question is situate. Such notice shall be ten days if the owner, or his agent, resides in the district in which the land is situate, if out of the district and in the province or territory, twenty days, and if out of the province or territory, thirty days, before the expiration of the time limited in such notice. If the owner, or his agent, or the occupant of the land refuses or declines to appoint an arbitrator, or when, for any reason, no arbitrator is so appointed in the time limited therefor in the notice provided for by this Section, the Agent of Dominion Lands for the district in which the land in question is situate shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of such owner, agent or occupant, or that such owner, agent or occupant wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service, and that the notice was left at the last place of abode or known address of such owner, agent or occupant, as above provided, appoint an arbitrator on his behalf.

16. In case the two arbitrators cannot agree upon the award to be made they may, within a period of ten days from the date of the appointment of the second arbitrator, select a third arbitrator, and when such two arbitrators

cannot agree upon a third arbitrator, the Agent of Dominion Lands for the district in which the land in question is situate, shall forthwith select such third arbitrator.

17. All the arbitrators appointed under the authority of these Regulations shall be sworn before a justice of the peace to the impartial discharge of the duties assigned to them, and after due consideration of the rights of the owner and the needs of the lessee, they shall decide as to the particular portion of the surface rights which the latter may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the area thereof and the amount of compensation therefor to which the owner or occupant shall be entitled.

18. In making such valuation the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals therein or under.

19. The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the land is situate within twenty days from the date of the appointment of the last arbitrator. Upon the order of the Minister, the award of the arbitrators shall immediately be carried into effect.

20. The arbitrators shall be entitled to be paid a per diem allowance of $5.00 together with their necessary travelling and living expenses, while engaged in the arbitration, and the costs of such arbitration shall be in the discretion of the arbitrators.

21. The lessee shall at all times take reasonable measures to prevent the injurious access of water to the oil-bearing formation. Upon a well proving to be unproductive or ceasing to yield oil in paying quantity, or being abandoned for any cause, the lessee shall be at liberty to withdraw the casing from the said well, but in order to prevent water gaining access to the oil-bearing formation, the lessee shall immediately close the well by filling it with sand, clay or other material which may have the effect of preventing water from gaining access thereto.

In case Natural Gas is discovered through boring operations on a location, the lessee shall take all reasonable and proper precautions to prevent the waste of such Natural Gas, and his operations shall be so conducted as to enable him, immediately upon discovery to control and prevent the escape of such gas.

Should salt water be encountered through operations upon the location, the lessee shall immediately and effectively, to the satisfaction of the Minister, close the well at such a depth as may prevent such water from gaining access to the oil-bearing formation.

The Minister may from time to time, make such additional regulations as may appear to be necessary or expedient governing the manner in which boring operations shall be conducted, and the manner in which the wells shall be operated.

Failure on the part of the lessee to comply with the above requirements or to comply with such other requirements as the Minister may consider it necessary to impose in respect of boring and operating, will render the lease subject to cancellation in the discretion of the Minister.

22. In the event of Natural Gas being discovered through boring operations conducted on a Petroleum and Natural Gas location acquired under the provisions of the Regulations, or in the event of water being encountered through such operations, if the escape of such gas is not prevented, or if the flow of such water is not controlled, the Minister may take such effective means as may appear to him to be necessary or expedient in the public interest to control and prevent the escape of Natural Gas, or to close the well at such depth as may prevent the water from gaining access to any oil-bearing formation, or both, or to prevent water from gaining access to or escaping from such well, and to recover from the lessee of the location upon which the well was bored all costs and expenses incurred by the Crown in stopping the escape of Natural Gas, or the ingress or egress of water to or from the well, or in closing the well at such a depth as may prevent such water from gaining access to such oil-bearing formations. In taking such means for the control of the

gas or water, the Minister may appoint such agent or agents as he may deem necessary, and may authorize such agent or agents to enter upon the premises and perform the work, and for that purpose to take possession of and use any drilling rig, derrick, tools, machinery or any other appliances or equipment necessary for the performance of the work which may be upon the location or which may be the property of the lessee.

The lessee shall, before commencing boring operations on a location acquired under the provisions of the Regulations, notify the Minister in writing of his intention to commence such operations, and the approximate date, and such notification shall contain the following information:—

1. The particular point on the location at which operations are to be conducted.

2. The number or other designation by which the well shall be known, which number or designation shall not be changed without the consent of the Minister.

3. The size and weight of casing to be used.

4. The kind of drilling rig to be employed.

5. The name and post office address of the person in charge of such operations.

Failure or neglect on the part of the lessee to so notify the Minister of his intention to commence boring operations, or to furnish the information provided for, shall render the lease liable to cancellation, as well as any lease or leases with which the same may be grouped under the Regulations.

In case the lessee desires to abandon a well bored on a location acquired under the Regulations, he shall before abandoning the same and before removing the rig, derrick or other operating structure thereon, and before removing any part of the casing from the well, notify the Minister in writing of his intention so to do, and use every effort in accordance with approved methods to shut off and exclude all water from entering the oil-bearing strata which may have been encountered in the well. Before commencing the removal of the casing, rig, derrick or other operating structure, the lessee shall obtain written permission to do so from the Minister, or from such officer as the Minister may designate for that purpose. The lessee shall, when making application to abandon, furnish a plan of the log of the well, if he has not already done so, and submit a declaration containing the following information:—

1. The approximate date upon which the proposed abandonment or removal shall begin.

2. The quantity and size of casing in the well.

3. The quantity and size of casing proposed to be removed.

4. The depth at which water was encountered.

5. The manner in which water has been or will be effectively shut off.

6. The depth at which Natural Gas was encountered.

7. Whether any gas will be wasted or permitted to escape from the well by reason of the abandonment.

Failure or neglect on the part of the lessee to comply with the Regulation shall render the lease liable to cancellation, as well as any lease or leases with which the same may be grouped under the provisions of the Regulations.

23. The lessee may be permitted to relinquish at any time the whole or any portion of a location described in his lease, provided he has complied in every respect with the provisions of the Regulations, and that all payments on account of the rental or other liability to the Crown due in connection with

the lease, have been fully made, and provided the portion of the location which may be retained shall be of the prescribed shape, and shall not be of a less area than forty acres.

24. The lease shall in all cases include only the Oil and Natural Gas rights, which are the property of the Crown, but the lessee may, upon application, be granted a yearly lease at the rate of one dollar an acre per annum, payable yearly in advance, of whatever area of the available surface rights of the tract described in his Petroleum and Natural Gas lease the Minister may consider necessary for the efficient and economical working of the rights granted him.

25. If it is not established to the satisfaction of the Minister that Oil or Natural Gas in paying quantity has been discovered on the leasehold, the lease shall be subject to termination upon two years' notice in writing being given to the lessee by the Minister.

26. The boundaries beneath the surface of a location shall be vertical planes or lines in which their surface boundaries lie.

27. A fee of five dollars shall accompany each application for a lease, which fee shall be refunded if the rights applied for are not available, but not otherwise.

28. The lease shall be in such form as may be determined by the Minister of the Interior, in accordance with the provisions of these Regulations.

29. The lessee shall not assign, transfer or sublet the rights described in his lease or any part thereof, without the consent in writing of the Minister being first had and obtained.

30. The royalty on the products of any location acquired under the provisions of these Regulations shall be subject to the payment to the Crown of such royalty thereon as may from time to time be fixed by the Governor in Council, the royalty to be collected in such manner as may be specified by the Minister.

31. Any company acquiring by assignment or otherwise a lease under the provisions of these Regulations, shall be a company registered or licensed in Canada and having its principal place of business within His Majesty's Dominions.

32. The Minister may, at any time, assume absolute possession and control of any location acquired under the provisions of these Regulations, if in the opinion of the Government of Canada such action is considered necessary or advisable, together with all buildings, works, machinery and plant, upon the location or used in connection with the operation thereof, and he may cause the same to be operated and may retain the whole or any part of the output, in which event compensation shall be paid to the lessee for any loss or damage sustained by him by reason of the exercise of the powers conferred by this provision of the Regulations, the amount of the compensation, in case of dispute, to be fixed by a Judge of the Exchequer Court of Canada provided that the compensation in any such case shall not exceed the profit which the lessee would have earned in the working of the location and the disposal of the product thereof, had possession and control of the location and of the buildings, works, machinery and plant not been assumed.

33. If the location described in any lease under the provisions of these Regulations shall yield oil in paying quantity, the lessee shall pump and work the wells regularly and uninterruptedly with due vigour and skill, with good and sufficient machinery and appliances in accordance with the provisions of the Regulations and to the satisfaction of the Minister so long as the said wells continue to yield oil in remunerative quantity.

34. At the end of each year of the term of the lease, the lessee shall furnish a statement supported by affidavit showing the number of days during the year on which operations were carried on upon the location, the number of men so employed, the character of the work done, the depth attained, the total expenditure incurred, a detailed statement setting out fully the purpose for which each expenditure was incurred, the quantity of Crude Oil or Natural Gas obtained, and the amount realized from the sale thereof. Failure to furnish such yearly return will render the lessee subject to a fine of ten dollars a day for each day's delay in furnishing the sworn statement, and after three months default the lease shall be subject to cancellation.

35. These Regulations shall apply to all applications submitted on or after the first day of May, 1920.

The Alberta Gas & Fuel Co., Ltd.,

Date of leases - September 16, 1926.

Messrs. Johnstone, Aitchie & Mackvale, have returned the leases on behalf of the Alberta Gas & Fuel Co. Ltd., in order that same may be cancelled. The indebtedness owing in connection with the three leases amounts to over $4700.00. I would suggest that the three leases be cancelled in compliance with the request referred to.

Gentlemen,-

Re - Pet. & Nat. Gas Perth No. 3430 S.L.
Dated -- September 16, 1926.

With reference to the above mentioned Petroleum and Natural Gas Lease which is recorded in your name, I have to notify you that as the rental of the location described in this lease is in arrears, and you have already been notified, and since you have failed to comply with the provisions of the regulations governing same, such lease is hereby cancelled.

Yours very truly,

Deputy Minister.

November 11, 19[illegible]9.

Gentlemen,-

Re - Lot. [illegible] Cas North No. 3[illegible]
comprising Sec. 11-[illegible]- . 4th Mer.

I beg to draw your attention to departmental letter addressed to you on the eight instant, notifying you of cancellation of the above mentioned lease which was recorded in your name and which lease was duly cancelled in the records of the Department on the above mentioned date.

I might state that your indebtedness in connection with this lease on the date cancellation was carried out was as follows:-

Rental ..... 1[illegible]9.10
Interest ..... 1[illegible]6.00

The amount of rental shown above bears interest at seven per cent from the above mentioned date until the date payment is received in the Department, and it is desired that you will make the necessary remittance in order that the account might be closed.

By a copy of this communication the Mining Recorder at Lethbridge is being advised of cancellation of the lease and is authorized to make the petroleum and natural gas rights again available for disposition, in accordance with the regulations provided he is aware of no reason to the contrary.

Your obedient servant,

Sir, -

As a letter has been received from the Deputy Minister of Education for the province of Alberta, requesting that a parcel of land situated on the south east corner of School section 1, Township 32, Range 1, West of the 4th Meridian, be sold to the Board of Trustees for the purpose of a school site, I beg to say that the department will be glad to sell the Board of Trustees of the Sedulia School District No. [illegible], a parcel of land situated as above described for the purpose mentioned, the parcel not to exceed four acres at the minimum price fixed by the Act for such parcel, namely, $10.00 per acre.

It will, of course, be necessary to give a proper description of the parcel, but if, as is understood, it immediately adjoins the south east corner of the section it will be sufficient to give the dimensions of its sides.

Sir,

I beg to acknowledge the receipt of your letter of the 5th instant, in regard to the desire of the Trustees of Sedalia School District No.2858 to acquire a parcel of land, comprising two acres, on the South West corner of Section 1, Township 32, Range 6, West of the 4th Meridian, for a school site.

In regard to this I may say that Mr. Eric Goodwin was advised by letter of the 22nd of September last in reply to his of the 21st of August that, as the Deputy Minister of Education for the Province had endorsed the application of the Trustees, the Department would sell the two acres required for the school site to the Board at the minimum price fixed by the Dominion Lands Act for such sales, namely, $10.00 per acre, and I may now say that on receipt of this amount the sale will be carried out and patent issued in favour of the School District for the two acres in question.

It is understood from your letter that the parcel immediately adjoins the South West corner of the section and that the dimensions of the sides running North and South are 350 feet and those running East and West 250 feet.

BETWEEN

His Majesty King George the Fifth, represented herein by the Minister of the Interior of Canada, hereinafter called the Minister of the first part,

OF

Alexander Allan, of the City of Calgary, in the Province of Alberta, Broker,

hereinafter called the lessee of the second part.

WHEREAS by an Order of the Governor General of Canada in Council dated the Seventh day of April, in the year of Our Lord one thousand nine hundred and fourteen, regulations were made for the disposal of petroleum and natural gas rights in the lands which are the property of the Crown in the Province of Manitoba, Saskatchewan and Alberta.

AND WHEREAS the lessee having applied for a lease under the said regulations of the petroleum and natural gas rights in the lands hereinafter described, the Minister has granted such application upon the terms and conditions hereinafter mentioned.

NOW THEREFORE THIS INDENTURE WITNESSETH that in consideration of the rents and royalties hereinafter reserved and subject to the provisions, conditions, restrictions and stipulations hereinafter expressed and contained, His Majesty doth grant and demise unto the lessee, for the sole and only purpose of mining and operating for petroleum and natural gas, and of making pipe lines and all buildings, tanks, stations and structures thereon necessary and convenient to take care of the said products,

ALL AND SINGULAR that certain parcel or tract of land situate within the Province of Alberta, and more particularly described as follows:- Township 11, Township 31, Range 26, West of the 4th Meridian, containing by admeasurement 640 acres, more or less, and being designated Petroleum and Natural Gas Permit No. 1463 S. Sir,

Re- West ½ of 29--38--3-W.4th M.
South ½ of 11--41--3--W.4th M.

I beg to acknowledge receipt of your communication of the 21st ultimo, relative to your desire to purchase one of the above mentioned half-sections, and as you have noticed that neither of these lands are advertised for sale in the Province of Alberta this Fall, you wish to be advised if it would be possible to have one or both of these sections, put up for sale at some place convenient for you to go.

In reply I regret to inform you that it will not be possible to comply with your wishes, as the lists of school lands to be offered for sale have already been completed and the valuations placed thereon and it will not be possible to include either of these sections at this time.

As it appears that you are a returned soldier, I might state that you can by applying to the Secretary of the Soldier Settlement Board, and provided your application is accepted by them, purchase either of these half-sections through that Board, as by virtue of an amendment to the Soldier Settlement Act the Soldier Settlement Board are empowered to purchase school lands privately for returned soldiers.

If, therefore, you wish to take advantage of this opportunity of securing one of these half-sections you should file your application with the Secretary of the Soldier Settlement Board, furnishing that official with your regimental number and a full description of the land or lands you are interested in by section, township, range and meridian.

MEMORANDUM:

TO HIS EXCELLENCY

THE GOVERNOR-IN-COUNCIL

The Undersigned has the honour to report as follows:-

Application has been made by The Soldier Settlement Board of Canada to acquire by purchase the East half of section 11, Township 41, Range 3, West of the 4th Meridian, at a valuation of $4300.00, this being the valuation of the land as set forth by the arbitrators appointed for that purpose, and a certified copy of the arbitrators' award has been filed with the application.

Under the provisions of the Soldier Settlement Act, the Governor-in-Council may for each piece of land appoint two arbitrators, one thereof appointed by the Minister, and the other by the Government of the province concerned, shall in writing certify to the Minister as fair and reasonable, grant or convey to the Board any school lands held pursuant to the provisions of the Dominion Lands Act.

The Undersigned, therefore, recommends that he be authorized to sell to the Soldier Settlement Board of Canada the land referred to herein, at the arbitrators' valuation thereof.

Respectfully submitted,

Minister of the Interior.

SOLICITY:-

In the attached memorandum, Council is asked to authorize the sale of the South Half of Section 11, Township 41, Range 3, West of the 4th Meridian, to the Solicitor General of Canada, under the Territorial Lands Act, for the purpose of a Dominion Experimental Farm.

It is recommended that the Valuation of $ 400.00 per acre be approved for the purpose of this sale.

THE UNDERSIGNED hereby acknowledges to have purchased the W ½ S.E. ¼

of Section 11 Township 45 Range 26 W.

of the 4th Meridian, at the rate of $ 1.00 per acre,

upon the following terms and conditions as to payment, viz.:

One twentieth of the purchase money to be paid at the time of sale, and the balance in nineteen equal successive annual instalments, with interest at the rate of six per cent per annum to be paid with each instalment on the balance of the purchase money from time to time remaining unpaid, the first of the said nineteen instalments to become due and payable one year from the date of sale; provided that all instalments, or any portion of any instalment, in arrears, whether of principal or interest, shall bear interest at the rate of seven per cent per annum.

The sale is also subject to the following terms and conditions, viz.: —

1. The sale shall only convey the surface rights and shall be subject to the usual reservations in favour of the Crown.

2. The Department reserves the right to withdraw such areas as may be required by a railway company for right-of-way or other purposes of the railway, or by the Provincial Authorities for roadway purposes; provided application therefor was made prior to the date of sale.

3. The Department reserves the right to increase or decrease the area sold to conform with revised township plans of survey approved and confirmed by the Surveyor General, and the purchaser hereby agrees to make payment for any additional areas at such prices and upon such terms as may be prescribed by the Minister of the Interior.

4. The purchaser shall be required, before cutting, or allowing to be cut, any timber growing on the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a timber permit, and to pay therefor an office fee of $1.00, and dues as prescribed by the School Lands Timber Regulations; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

5. The purchaser shall be required, before removing any sand or gravel from the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a permit for the quantity of sand and gravel to be removed, and to pay therefor an office fee of $1.00, and dues at the rate of 25c. per cubic yard; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

6. The sale is subject to the right of any person or persons cultivating the land, or any portion thereof, to enter upon said land for the purpose of protecting the crop or other belongings, and to cut and remove the crop prior to the 31st December next following the date of sale.

7. The purchaser shall at time of sale, or upon demand of the Department, pay for any areas in summerfallow upon the land at date of sale, at a valuation placed thereon by an official of the Department.

8. The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at date of sale, and the purchaser shall not at any time prior to date of completion of payments remove, or cause to be removed from the land, any of said improvements without the consent of the Minister of the Interior being first obtained.

9. The purchaser shall insure and keep insured, to the satisfaction of the Minister of the Interior, all buildings upon the land at time of sale liable to destruction by fire.

10. The sale is subject to the right of persons, owning fencing or other improvements upon the land at time of sale, to enter upon the land and remove said improvements within the time allowed by the Department for the purpose.

11. Default in making payment, or failure to comply with the terms and conditions herein or hereby set out, shall, at the option of the Minister of the Interior, annul the sale and require the forfeiture of all payments made on account, together with all improvements upon the land.

12. The Department reserves the right to impose such further terms and conditions as may be announced at the time of sale.

This Indenture made the 12th day of February, A.D., 192 30.

BETWEEN HACK W. LYLE, in the Province of Alberta, of hereinafter called the party of the first part, and His Majesty King George the Fifth, represented herein by the Minister of the Interior for Canada, hereinafter called the party of the second part.

WHEREAS the party of the first part is the purchaser of the School lands hereinafter mentioned and surrendered or intended so to be and has expressed the desire to abandon the same, well knowing that by so doing he will lose all moneys paid by him on account of his purchase of the said lands and that the same will be forfeited to the party of the second part.

AND WHEREAS the party of the second part has agreed to comply with such desire and request of the party of the first part upon the execution by him of these presents.

NOW THIS INDENTURE WITNESSETH that the party of the first part in pursuance of the said agreement and in consideration of the sum of one dollar of lawful money of Canada now paid to him by the party of the second part, the receipt whereof is hereby acknowledged, doth hereby grant, release and surrender to His Majesty King George the Fifth, in the right of Canada, His Successors and Assigns, all his estate, right, title, interest, claim whatsoever of in and to the said lands, that is to say:—

[illegible]

in the province of Alberta, and of in and to any moneys paid by him on account of the purchase of the said lands.

TO HAVE AND TO HOLD unto His said Majesty (in the right of Canada) His Successors and Assigns to and for his and their sole and only use forever.

IN WITNESS WHEREOF the said parties hereto set their hands and seals.

Gentlemen,-

I beg to acknowledge receipt of your communication of the 13th instant enclosing Deeds of Surrender covering a number of quarter sections of School Lands recorded as sales in the name of Mack W. Lyle, and to advise you that the documents are receiving consideration and you will be further advised in regard thereto at an early date.

I might state that there had previously been filed in the Department a Quit Claim Deed from Mr. Lyle in favour of the Crown covering certain School Lands in his name, but as you have now filed separate Deeds of Surrender in respect to the quarter sections he wishes cancelled, action will be taken on the Deeds of Surrender, providing same are found satisfactory, and the Quit Claim Deed referred to will, at a later date, be returned to you.

Re Sec. 29 Tp. 27 Rge. 3 W. 4

Sir:

No. I beg to remind you that your Grazing Permit
the 18th of March 1930. for the land referred to above will expire on

Advice has recently been received from the Department that renewal Grazing Permits for the ensuing season may be issued on School Lands which have never been sold, providing application for renewal is made in the prescribed form on or before the 31st of March next accompanied by the ensuing year's rental at the rate of 4¢ per acre and an office fee of $1.00.

I am enclosing herewith a form on which to make application for a renewal permit on the above mentioned land should you so desire, which application should be duly filled in, sworn to, and returned to this office with the required rental and office fee without delay, and I would warn you that should you fail to apply for renewal on or before the above mentioned date, the land will thereafter become available to the first eligible applicant.

Your attention is drawn to the fact that under the present regulations an applicant for a Grazing or Cultivation Permit on School Lands must either file a receipt from the Municipality to show that all taxes owing by him against the land applied for have been paid or with other satisfactory evidence in this regard, and such receipt or evidence should accompany the application for renewal.

Re S.½ Sec. 29 Tp. 30 Rge. 7 W. 4

Sir:

I beg to remind you that your Grazing Permit No. 1175, for the land referred to above will expire on the 31st of March 1930.

Advice has recently been received from the Department that renewal Grazing permits for the ensuing season may be issued on School Lands which have never been sold, providing application for renewal is made in the prescribed form on or before the 31st of March next accompanied by the annual year's rental at the rate of 4¢ per acre and an office fee of $1.00.

I am enclosing herewith a form on which to make application for a renewal permit on the above mentioned land should you so desire, which application should be duly filled in, sworn to, and returned to this office with the required rental and office fee without delay, and I would warn you that should you fail to apply for renewal on or before the above mentioned date, the land will thereafter become available to the first eligible applicant.

Your attention is drawn to the fact that under the present regulations an applicant for a Grazing or Cultivation Permit on School Lands must either file a receipt from the Municipality to show that all taxes owing by him against the land applied for have been paid or with other satisfactory evidence in this regard, and such receipt or evidence should accompany the application for renewal.

The application to the School Lands Branch for the right of way through the North east quarter only of section 2, Township 12, Range 1, West of the 4th Meridian. Evidently the application by Mr. Taylor was wrong, as the spring is on the North West quarter.

Of course, as the Company only applies for temporary rights, it may be alright, but it certainly would spoil the sale of the balance of the quarter-section if the spring were permanently diverted of.

School Section it would appear to me not to come under the Irrigation Branch, and I should be glad to hear from you in regard to that point.

As the existence of this spring is a valuable asset for the School Lands Fund, and enhances the value of the quarter-section, I think it would be contrary to the interest of the School Lands Endowment to grant the Company permission to take water from the same.

If we put up this land at public auction the reservation of the spring for the Canadian Pacific Railway Company would be a serious bar to a successful sale. You might let me hear from you in regard to this.

MEMORANDUM:

Mr.Checkley. (File 96768 S.L.)

I have your memorandum of the 2nd instant, with an enclosure from Mr.M.J.Stapleton, of Brooks, Alta., relative to a spring on section 29, township 21, range 8, west of the 4th meridian.

Mr.Stapleton's letter of the 23rd March seems to have been addressed to me and to have been in reply to my letter of the 5th March. I have, however, received no reply from Mr.Stapleton unless the one which is filed in your branch was intended for me.

So far as this branch is concerned, the application of the C.P.R.Company for a water right from the spring on this section will not be granted until an inspection has been made, and possibly not even then, in view of the protests that have been received against the granting of the application. I will advise you when the inspector's report has been received.

0.2 second feet, so that there is not sufficient water in the spring for the purpose.

At the time of inspection the railway company were erecting a pumping plant at the site of the spring, but had not commenced any working operations. Mr.Stapleton, who went over the ground with me, states that he does not wish to apply for a license of any surplus water over and above what the Canadian Pacific Railway Company have applied for.

Mr.Stapleton has about 1100 head of stock grazing in the vicinity and this is the only spring they can water at on the lease south of the river.

If a pumping plant was erected at the spot, none of the range cattle would approach the spring. The other nearest spring is about 7 miles away on sec.5, 21, 9, west of the 4th meridian, on Mr.Kay's land. It is about one mile from the railway line. Mr. Kay is willing to sell the railway company a right of way over his land to the spring, and I understand that negotiations were opened up with the railway company, but that they fell through as they could not agree to the price asked for the right of way.

There is also a good spring on the N.E. of sec.21,20,9,west of the 4th mer., about 1½ miles south of the railway from which a good supply of water can be obtained.

Under the circumstances I cannot recommend that the applicatio of the railway company be granted owing to insufficiency of water.

Mr. Mackay.

In reply to your memorandum of the 7th instant requesting I would kindly advise you, what first to[illegible] the title to the fact that it was your file relating [illegible] in this branch. This accounts for my marginal note on your memorandum.

The settled practice of the department [illegible] there can be no objection to the administration of water rights under the Irrigation Act by the [illegible] purchasers of land upon which a portion of stream [illegible] but who acquire only title to the land a right to the entire flow [illegible] may more than be required [illegible] to the entire flow of the stream through [illegible] land. He does acquire, however, as a riparian owner, and under the provisions of Section 11 of the Irrigation Act, a right to such quantity of water as he may require for domestic and industrial purposes only. For this reason, the purchase of the quarter section referred to would not vest in the Canadian Pacific Railway Company exclusive title to the water in the spring on the land.

As I have said, this has been the settled practice of the department for a great many years, but as [illegible] arose as to the rights of the landowners to divert water from springs, streams, etc., [illegible] purposes, their rights were clearly defined by an amendment to Section 6 of the Act, which was passed at the last session of Parliament. I am attaching hereto a copy of [illegible] as amended.

MEMORANDUM:

Mr. Checkley,
School Lands Branch.

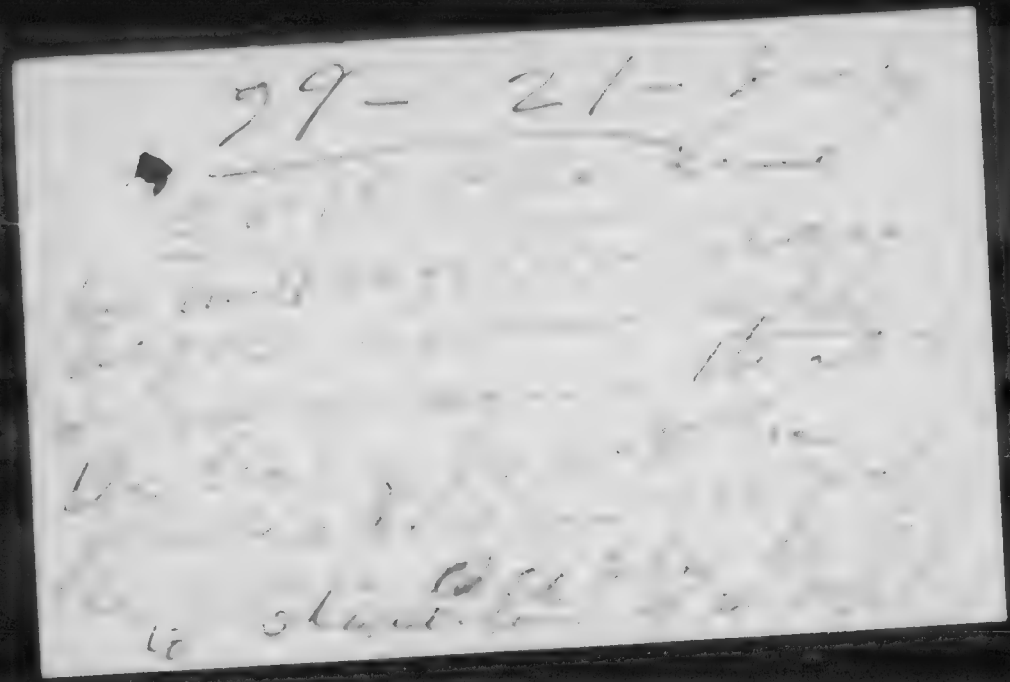

On the 15th May last the Canadian Pacific Railway Company were granted a temporary permit to divert water from a spring on the S.W.¼ 29-21-4-4- it being understood that the Company would be given the first opportunity at securing a permanent water supply should the quantity of water prove sufficient for all requirements. The temporary permit was subject to the following conditions:-

(1) The Company shall construct a suitable watering trough or reservoir of sufficient capacity, and supply the same with water sufficient for the domestic requirements of the public in that vicinity,- the capacity and location of such trough or reservoir to be determined by the Commissioner of Irrigation.

(2) This permit may be cancelled by the Minister of the Interior at any time should the supply of water in the above spring prove to be insufficient for the domestic and industrial requirements herein specified.

The Company have now applied for a permanent supply of water from the above source as it is essential to the successful operation of the railway line. The Company have pointed out that the temporary permit granted is not of much benefit to them as the plant cannot be used during the winter months without doing a lot of expensive work and the pipe line being of a temporary nature would freeze up.

It has now been ascertained that there is sufficient water in the above source to provide for the

Sir,

It is understood that the Canadian Pacific Railway Company have applied to the Irrigation Branch of this Department for permission to divert water from the spring on the North West quarter of Section 29, Township 21, Range 8, West of the 4th Meridian, and it is proposed to grant them the right to secure a permanent water supply from the spring on the land mentioned, subject to the usual conditions. It would in that case be necessary, however, for the Company to acquire the right of way for the pipe line for the conveyance of the water from this spring across this quarter section. So far no application for that purpose has been received here, and I beg to say that if you will file one here, with a proper plan of the right of way, the land will be inspected and valued and the authority of the Governor in Council sought to sell the land comprised in the right of way to the Company at the price determined by valuation.

Application has been made by the Canadian Pacific Railway Company for the right of way for a pipe line in connection with their water supply across the North West quarter of Section 29, Township 21, Range 8, West of the 4th Meridian. A valuation was made of the South half of the section in June last by Mr. Drew, which he placed at $18.00 per acre, and he may perhaps be able to place a valuation on the North West quarter, without making a special trip, from his knowledge of the section.

A plan of the right of way for the pipe line through the North West Quarter of Section 29 in question has been duly received.

I would, however, draw your attention to the fact that according to the plan the pipe line also crosses the South East Quarter of the section, the area given for each Quarter-section for the pipe line being 1.2[illegible] acres on the South West quarter and 1.[illegible]9 acres on the North West quarter.

I may say that the Commissioner of Irrigation at Calgary recently requested that all applications to the Department of the Interior for lands for water supply purposes should be made through him, it having been arranged that on completion and registration of our plans they would be forwarded direct to the Department by the Commissioner of Irrigation at Calgary, who would make formal application for purchase, or License of Occupation, as the case may be, of the lands affected. I do not know why the formal application was not sent you with the plans as it was clearly understood from the Commissioner at Calgary that that was what he would do.

Memorandum:

Mr. Drake, -

Mr. Bailey of your Branch saw me the other day in connection with the sale to The Canadian Pacific Railway Company of the right-of-way for a pipe line across the West half of section 27, Township 11, Range 1, West of the 5th Meridian and also for the site for a pump house in connection with the spring on the North West quarter which the Company require for their Holsberg water supply.

The sale was made subject to the condition that the Company must not fence in the right-of-way of the pipe line but must give free access to the purchaser of the land across said right-of-way, and I understand that the right granted to the Company by your Branch for the diversion of the necessary water from the spring is also subject to the condition that the Company shall provide a trough at the spring to furnish the purchaser of the land with the water necessary for his stock or for domestic purposes.

The Company agreed to these conditions by letter of the 7th inst., in which they state that they require the right to fence the pump house site.

Patent has not yet issued, however,

for

Frank S. Checkley

It might develop during a dry period that there would be only sufficient water in the spring to supply the company's demands. In such an event, if the company owned the land surrounding the spring, the owner of the balance of the N½ of section 29 would be shut out from, and deprived of, a supply of water from the said spring.

Will you please advise me if the right of way shown on the plan was granted to the C.P. Railway Company, would it include the entire spring site to the exclusion of all others; if it does, please have our inspector ascertain the feasibility of so laying out the right of way as not to give the company possession of the entire site of the spring. Also advise me of the matters referred to in my letter of the 25th ultimo.

Your obedient servant,

Superintendent of Irrigation.

Sir,-

OTTAWA, July 20, 1915.

With further reference to the application of the Canadian Pacific Railway Company to divert water from a spring on the NW¼ of section 29, township 21, range 8, west of the 4th meridian, for industrial purposes at Halsbury, I beg to say that the School Lands Branch contemplate the sale of right of way to the company as follows:

Pt. SW¼	sec. 29-21-8-4	1.225 acres for pipe line.
Pt. NW¼	" 29	1.472 acres for pipe line and pumphouse site.
Pt. NW¼	" 29	.518 acres for road right of way.

I am not sure that the pumphouse site as shown on the right of way plan includes the entire site of the spring but if it does [illegible] I am of the opinion the sale should not be made, as it would give to the Canadian Pacific Railway Company control of the lands surrounding the source of supply, and have the effect of depriving the balance of the quarter section of any domestic water rights on the said spring which it is now entitled to according to the provisions of section 6 of the Irrigation Act, even though we insist on the company constructing a public reservoir and supplying the same with water.

MEMORANDUM:

Mr.CHeckley.

I have your memorandum of the 14th instant hereunder, respecting the application of the Canadian Pacific Railway Company to purchase right of way over section 29, township 21, range 8, west of the 4th meridian, in connection with their water supply at Halsbury. I note that the sale of right of way has been made but that patent has not yet issued although the company is entitled to the same.

Dept of the Interior.
JUL 21 1915
SCHOOL LANDS.

I further note that the company wish to fence the pumphouse site although they are willing to allow any future owner of the NW¼ of section 29 free access across their pipe line right of way. I may say that when a right of way is granted by license of occupation all fencing of the same is strictly forbidden, but I presume when the land is sold outright the company can fence it at their own will.

I am not sure that the area shown pink on the right of way plan for the pumphouse site includes the entire site of the spring, but I imagine that it does. If the entire land surrounding the spring is sold to the company it would have the effect of shutting out from the spring all others and any future purchaser of the land would be seriously handicapped, even though we make it a condition in granting the

water license that the company construct a water trough or reservoir and supply the same with water for the use of the public.

I see no objection to selling the area of right of way applied for but it should be so laid out as not to include all of the land surrounding the spring.

With respect to the last paragraph of your memorandum I would say that a water license has not yet issued and will not for some time as the reservoir for the use of the public is, as constructed, not entirely satisfactory. No further action will therefore be taken towards the issue of a water license until this point has been satisfactorily settled. I would further point out that during a dry period it might develop that there was only sufficient water in this spring for the company's necessities and they might refuse to supply the public reservoir. If, in such an event, the company owned the surrounding land, the owner of the balance of the quarter section would be completely deprived of water from the said source. I would therefore suggest that you delay the issue of patent until the water license has issued and I have had a further report from the Commissioner of Irrigation.

the surplus water. But, if the land on which the spring is situated is sold to the company, then the positions would be reversed, viz: the company as owner of the land would be entitled to the first right to the water and the public would be entitled to the surplus. The company might decide to ship the water east or west to use at other points, or, for other reasons as pointed out in my memorandum of the 20th ultimo, there would be no surplus supply, and I doubt very much if we could then enforce the ~~se~~ conditions of the authorization.

In view of the above I think it would be advisable to sell to the company the portion of the right of way shown on their right of way plan as Parcel No.6 on the NW¼ of section 29. There is no objection, so far as this department is concerned, to the other Parcels of right of way on section 29 being sold to the company.

I am of the opinion that the interest of the Public and of the School Endowment Fund could best be protected as suggested by you, by the issue of a license of occupation in favour of the company covering Parcel No.6 of the right of way. There is a precedent for this in the case of the application of the town of Indian Head, where it is proposed to issue a license of occupation over a quarter section of school land covering right of way through a forest nursery station. I am not able to quote your file number but you will, no doubt, be able to look the matter up. I would be glad if you would advise me if this can be done.

Yours truly,

MEMORANDUM:

Mr.Checkley,
School Lands Branch.

In reply to your memorandum of the 19th instant, respecting the sale of right of way over the W½ of section 29, township 21, range 8, west of the 4th meridian, to the Canadian Pacific Railway Company, in connection with their water supply at Halsbury, I beg to say that a report has been received from the Commissioner of Irrigation in which he states that the pumphouse site shown on the right of way plan includes the entire site of the spring and that the well shown on the general and detail plans is constructed immediately over the spring. In his opinion it is therefore not feasible to lay out a right of way so that it will not include the whole source of supply.

The Commissioner is not satisfied with the reservoir constructed by the company for supplying water to the public at this point, and this matter is still under consideration with the company.

I would point out that when the right to divert water from this spring was granted to the company the Crown owned the land on which the spring is situated and was in a position to stipulate the conditions under which the right was granted. I refer to the special provisions of the authorization (see my memorandum of the 25th November last to you) which have the effect of guaranteeing to the public that their requirements will be satisfied first, and the company would be entitled to

interest to carry out the sale to the Company and issue patent, at any rate for the land required for the pump house, which includes the spring, and I think it would be advisable in the interests of the public and also of the School Lands Fund to notify the Canadian Pacific Railway Company that in view of the representations made to the Department and referred to above, it has been decided not to carry out the sale, but instead of selling the land to issue a License of Occupation to the Company therefor for a nominal rental.

There would be no objection to selling the right of way for the pipe line, but if we decide to issue a License of Occupation for the pump house site, it would be better to include the right of way of the pipe line in the same. I don't think we are obliged to carry out the sale as the Order in Council simply gave the Minister authority to do so, that is to say, it was merely permissive not mandatory. I however submit the matter for your consideration.

Frank Checkley

by the Company for supplying water to the public at this point, and the matter is still under consideration with the Company.

It is also pointed out that when the right to divert water from this spring was granted to the Company, the Crown owned the land on which this spring is situated and was in a position to see that the conditions under which the right was granted were carried out, and attention is drawn to the fact that the conditions under which the right to divert the water was granted had the effect of guaranteeing to the public that their requirements would be satisfied first, and that the Company would be entitled to the surplus water, while if the land on which the spring is situated is sold to the Company, the positions would be reversed, that is to say, the Company as owner of the land would be entitled to the first right to the water, and the public to the surplus only. The result of this would be that the Company might so use the water as to leave no surplus supply, and it is very doubtful if the special conditions under which the permit to divert the water is granted, could be enforced.

Under these circumstances it seems doubtful whether it would be in the public interest

The Company then applied to this Branch for permission to acquire the land necessary for the right of way or a pipe line to the spring and for a site for a pump house on the West half of Section 29, Township 21, Range 8 West ofthe 4th Meridian.

An Order in Council was duly passed authorizing the Minister to sell the land required for the right of way and pump house site at $8.00 per acre, the total area to be purchased be ng ~~[illegible]~~ 3.225 acres.

The purchase money has been duly paid but title has not yet issued.

It is now represented that it would not be in the public interest to sell and grant patent to the Company for the site required for the pump house as it appears from the report of the Commissioner of Irrigation that the pump house site as shewn on the right of way plan, includes the entire site of the spring, and that the well shewn on the general and detail plan is constructed immediately over the spring and in his opinion it would not be ~~advisable~~ feasible to lay out a right of way so that it would not include the whole source of supply.

The Commissioner adds that he is not satisfied with the reservoir constructed by

I see no reason why the grant to the Canadian Pacific Railway Company should not be by special letters-patent subject to compliance by the company with special conditions, one being that the public should have the first right to be supplied with water from the Spring in question, and the Company to have the right only to the surplus. Another condition could be the right of the Minister of the Interior for the time being to enter upon the land at any time he sees fit and if he ascertains that the company is not supplying the public with water as above specified that he may de and from the company immediate compliance with the condi - tions or a surrender to the Crown in the right of Canada of the land so granted; and that if

Gentlemen,

Referring to your letter of the 27th September last, I beg to say that the issue of patent to the Canadian Pacific Railway Company for the Hallsbury Water Supply, comprising the right-of-way for their pipe line, and also for a pumphouse site in the West half of Section 29, Township 21, Range 8 West of the 4th Meridian, has been held up owing to the fact that the Commissioner of Irrigation reports that he is not satisfied with the reservoir constructed by the Company for supplying water to the public from the spring, and also to the fact that it is pointed out by the Commissioner that the pump house parcel as applied for by the Company includes the entire site of the spring.

In this connection it is pointed out that when the right to divert water from this spring was granted to the Company, the Crown owned the land on ~~which~~ which this spring is situated, and was in a position to see that the conditions under which the right was granted, were carried out, and also that the condition under which the right

the public should have the first right to be supplied with water from the spring in question, the Company having the right only to the surplus, and another condition being that the Minister of the Interior should have the right to enter upon the land any time he might see fit, and if he then ascertained that the Company is not supplying the public with water as above specified, that he may demand from the Company an immediate compliance with the conditions or a surrender to the Crown in the right of Canada of the land so granted, and that if title to such land be not revested in the Crown in the right of Canada within a period of sixty days from the date of his demand, that the title of the Company should become null and void.

I have therefore to request that if in your opinion this would be the best method of safe-guarding the interests of the public under the circumstances, you will be good enough to have a draft form of patent prepared accordingly, and if not, that you will be good enough to advise the Department what steps should be taken.

reservoir as constructed, and it is pointed out that when the right to divert water from this spring was granted the Company, the Crown owned the land on which this spring is situated, and was thus in a position to see that the conditions under which such permit was granted were carried out, and attention is also drawn to the fact that the conditions under which the right to divert water was granted had the effect of guaranteeing to the public that their requirements would be satisfied first, and that the Company would be entitled to the surplus water only, while if the land on which the spring is situated is sold to the Company, the positions would be reversed, that is to say the Company as owner of the land would be entitled to the first right to the water and the public to the surplus only, with the result that the Company might so use the water as to leave no surplus supply, and it is very doubtful whether under such circumstances the special condition under which the permit to divert the water was granted could be enforced.

It is therefore suggested that a special patent should be issued in this case, containing special conditions, one being that the

The Company then applied to the School Lands Branch of the Department for permission to acquire the land necessary for the right-of-way of the pipe line to the spring and across the West half of Section 29, Township 21, Range 8 West of the 4th Meridian, and also for a parcel to be used for a site for a pumphouse, and an Order-in-Council was passed authorizing the Minister to sell the land required for the right-of-way and pump house site at $18.00 per acre, the total area to be sold comprising 3.225 acres.

The purchase has been completed, but the title has not yet been issued. The question is, however, now raised, whether it would be in the public interest to sell this land and grant title to the Company therefor, as it now appears from the report of the Commissioner of Irrigation, that the parcel of land selected as a site for the pumphouse, includes the entire spring, and that the well shown on the general and detailed plan is constructed immediately over the spring. The Commissioner of Irrigation also states in his report that he is not satisfied with the

Sir,

I beg to submit the following for your advice.

The Canadian Pacific Railway Company applied in the early part of the year 1914, for a temporary permit to divert water from a spring in the North West quarter of Section 29, Township 21, Range 8 West of the 4th Meridian, in connection with the construction of the Empress-Dasmane line, and a temporary permit for that purpose was granted by the Irrigation Branch of the Department for a period not extending beyond the 31st December, 1915.

The Company subsequently applied for a permanent water supply and this was granted by the Irrigation Branch on the condition that the Company would construct a suitable watering trough or reservoir of sufficient capacity to supply water sufficient for the requirements of the public in that vicinity, the capacity and location of such trough or reservoir to be determined by the Commissioner of Irrigation.

It was also provided that the permit might be cancelled at any time by the Minister should the supply of water in the spring prove to be insufficient for the requirements of the public.

Mr. Checkley.

In reply to your memorandum of the 26th ultimo, enclosing for my information a draft of the provisos prepared by the Department of Justice for insertion in a patent which the department proposes to issue in favour of the Canadian Pacific Railway Company for part of the NW¼ of section 29, township 21, range 8, west of the 4th meridian, I may say that I think the provisos referred to should afford sufficient protection to the public interest in connection with the water supply existing on this land. If, therefore, under these circumstances, you propose to sell the land I see no further objection.

I may point out, however, that a patent containing such provisos is practically identical with a license of occupation, the only difference that I can see being that in this case the company would be required to pay for the land, whereas, in the event of a license of occupation issuing, no payment would be required.

I fancy that it will be necessary, as soon as the sale is completed and before the water right is granted, for some one of the engineers of this branch to lay out a means of access for the public to the waters of the spring.

With reference to the application of the Canadian Pacific Railway Company to obtain right of way over the NW¼ of section 29, township 31, range 7, west of the 4th meridian in connection with their water supply scheme at Malsbury, I beg to advise you that Mr. W.L.Scott, Solicitor for the Company, called on me recently relative to this matter.

Mr. Scott informed me that the Company's right of way agent was not satisfied to take title to the right of way over the above quarter section if the conditions drafted by the Department of Justice were incorporated in such title. He pointed out that the special provision, as drafted by the Department of Justice, would permit the public coming from long distances to use the waters from the springs in question. While he agreed that the department was amply justified in endeavouring to protect the rights of the public in the immediate vicinity he thought that if the public rights were limited to the present or future owners of section 29 the department would perhaps

perhaps be going as far as the case would warrant. I am inclined to agree with this view and advised Mr. Scott to that effect.

Mr. Scott has requested that the issue of patent for the above land be delayed until he has had an opportunity of further discussing the matter with Mr. Patterson, the Company's Right of Way & Lease Agent. You will perhaps be willing to delay the issue of patent until a further communication is received from him.

I beg to call your attention to my memorandum of the 24th February last, respecting right of way over the NW¼ of section 29, township 21, range 8, west of the 4th meridian, in connection with the Canadian Pacific Railway Company's application for a water supply at Halsbury. Will you please advise me if you have received any further communication from Mr. W.L. Scott, the company's solicitor, respecting this matter.

OTTAWA, 9th May, 1916.

Mr. Bailey.

In reward to your memo. ~~memorandum~~ of the 3rd instant, a letter has been received from Messrs. Stewart, Scott, Maclaren & Kelley, suggesting that the conditions to be inserted in the patent to be issued to the Company for the pipe line across the West half of Section 29, Township 21, Range 8 West of the 4th Meridian, and the pump-house site on the North West Quarter, be further modified by limiting the public rights to the present or future owners of the North West Quarter on which the spring is situated, instead of to the whole Section. As far as I can see there is no objection to this modification being made, but I would like glad of have the views of the Irrigation Branch in reward thereto.

right to enter upon the land at any time he may see fit, and if it were then ascertained that the Company is not supplying the public with water as above specified, that he may demand from the Company an immediate compliance with the conditions, or a surrender to the Crown of the land so granted. The Department of Justice then prepared a certificate containing the conditions referred to, duly inserted in the patent, and these papers were then returned to Messrs. Ewart, Scott, Kaulbach & Walkey, the Solicitors of the Company in Ottawa. The Company's Solicitors then reported that the Company's Chief of Way agent was not satisfied with the provisions permitting the public in general to use the water from the spring, but suggested that the Company would accept the conditions if they were amended by limiting the public rights to the present or future owners of section 29. This the Department agreed to and the Company's Solicitors were so advised.

They now write, however, asking for a further modification by providing that the water rights should be limited to the present or future owners of the quarter-section of which the spring is situated, instead of the whole section.

I am not led to think that the condition might be modified as suggested without detriment to the public interest.

Frank Oliver

the matter was submitted to the Justice Department for their opinion as to whether a special patent might be issued containing a condition which would sufficiently protect the interests of the public in the water supply. The following provision was drafted by that Department:-

"Provided always and these presents are issued "subject to the following conditions, namely:-
"1. That the public shall have the first right to "take and use the waters of the spring in the lands "hereby granted, and the grantee, its successors "and assigns, shall have no right to take or use the "same, except the surplus remaining after the public "is supplied.
"2. That the public shall have at all times full and "free right of access to and from the said spring "over and across the said lands for the purpose "of taking and using the said waters.
"3. That it shall be lawful for the Minister of the Interior of Canada or any person thereunto authorized by him at all reasonable times to enter upon "the said lands and examine the condition thereof.
"4. And that if the grantee, its successors or "assigns shall at any time prevent or fail to allow "the public to have the first right to take and use "the said waters as hereinbefore mentioned, it shall "be lawful for the Minister of the Interior of Canada by writing under his hand to cancel these presents and upon such cancellation these presents "and the grant thereby made shall become and be "null and void and the said lands shall thereupon "become and be vested in us as of our former "estate and interest therein.

The Railway Company refused to accept a patent with this provision in it- claiming that the rights of the public should be limited to the ¼¼ of section 29 upon which the said spring was located. This is quite satisfactory to the School Lands Branch and the Irrigation Branch but I would be glad to have your opinion as to whether the following amendments to the above special provision will now meet the requirements of the case, viz.- the limitation of the rights of the public to the ¼¼ of section 29;

(1) In the 3rd line the word "public" should be changed to read "the owner, lessee or other legal occupant of the ¼¼ of section 29, township 21, range 8, west of the 4th meridian.

(2) The word "public" in lines 7,8 and 17 should be changed to read "said owner, lessee or other legal occupant".

Yes, if the right is to be limited to use of owner, lessee, or other legal occupant of NW¼ 29.

Mr. Rothwell.
Law Clerk.

The Canadian Pacific Railway has been granted a water right on a spring on the NW qr of section 19, township 11, range 8, west of the 4th meridian. A protest against the granting of this application was filed and the Department therefore decided to incorporate in the authorization for the construction of works and also the water license, when it is issued, the following special provision which would ensure protection to the rights of the public to the use of the waters of the said spring:-

Only?

(1) The Company shall construct a suitable watering trough or reservoir of sufficient capacity and supply the same with water sufficient for the domestic requirements of the public in that vicinity,- the capacity and location of such trough or reservoir to be determined by the Commissioner of Irrigation.
(2) This permit may be cancelled by the Minister of the Interior at any time should the supply of water in the above spring prove to be insufficient for the domestic and industrial requirements herein specified.

The Canadian Pacific Railway Company wishes to purchase the right of way from the School lands branch over the above quarter section- such right of way to include the entire site of the spring. It was pointed out to Mr. Cheekley that if this sale was made it would have the effect of granting to the Railway Company, as riparian owner, the first right to the water in the spring and that the Public, rights would become secondary. Accordingly

Mr. Checkley,
School Lands Branch.

In reply to your memorandum of the 9th instant respecting right of way over the NW¼ of section 29, township 21, range 8, west of the 4th meridian which it is proposed to grant to the Canadian Pacific Railway Company in connection with its industrial water supply scheme, at Walsbury, and with special reference to the [redacted] clause to be inserted in the patent limiting the rights of the public to the NW¼ of section 29.

I note that this is satisfactory to you and may say that the same will be satisfactory to this branch.

I submitted this matter to Mr. Rothwell respecting the change which it will be necessary to make in a special provision drafted by the Justice Department for insertion in the patent to the C.P.R.Co.

I am enclosing a copy of my memorandum and you will notice Mr. Rothwell's endorsation on the same.

Gentlemen,

I beg to refer you to your letter of the 20th April last, your file 3.537, in connection with the proposed purchase by the Company of the right of way and site for ~~pump~~ house on the ~~South West Quarter~~ West half of Section 29, Township 21, Range 8 West of the 4th Meridian, in which you request that a further modification be made in the special provisions to be inserted in the patent, so as to limit the rights of the public in the vicinity of the water supply, to the present or future owners of the quarter-section instead of the whole section.

In reply I beg to say that it has been decided to amend the condition referred to by inserting instead of the word "public", the words "the owners, lessees or other legal occupants of the North West Quarter of Section 29, Township 21, Range 8 West of the 4th Meridian". If this will be satisfactory to the Company, Patent will be issued accordingly.

Sir,-

Please see the requisition hereunder, dated 6th July, 1916, in connection with the purchase by the Canadian Pacific Railway Company of certain rights-of-way, etc., for its Calgary water supply.

I learn from the correspondence hereunder that the patent may now be issued for the crown reserve for the right-of-way for the pipe line and site for the pump house and the road diversion by substituting the wording of the draft furnished by the Justice Department as follows (that is in connection with the north west quarter):-

"First, In the said line, to wit: "public water" is changed to read "the owner, lessee or occupant" and the balance of the said (1st Quarter of said section.

Second, The word "public" in lines three, eight and nineteen are changed to read "the owner, lessee or occupant."

Sir,

In connection with the sale to the Canadian Pacific Railway Company, of the right-of-way for a pipe line and pump house site on the West ½ of Section 29, Township 21, Range 8, West of the 4th Meridian, it was decided that it would be necessary to insert special provisions in the patent to be issued for this land for the purpose of protecting the rights of the public to the use of the water in the spring on the North West ¼ of the Section, and you were accordingly requested to furnish a draft of the provisions to be inserted in the patent for this purpose.

You forwarded with your letter of the 22nd November last a draft of the provisions required, a copy of which I enclose herewith.

Encl.

In accordance with your suggestion, the proposed draft was submitted to the solicitors of the Canadian Pacific Railway Company.

The solicitors of the Company, however, declined to accept the patent with these provisions, claiming that the conditions should be amended so as

The Assistant Deputy Minister of Justice,

to limit the rights of the public in the vicinity to the water supply to the present or future owners of the quarter-section, the North West ¼, instead of the whole Section.

As there appears to be no objection to this being done, it was suggested that the conditions might be amended by leaving out in the third line of the draft the word "public" and substituting the words "the owner, lessee or other legal occupant of the North West ¼ of Section 29, Township 21, Range 8, West of the 4th Meridian" and for the word "public" in lines 7, 8 and 19 of the draft, to substitute the words "said owner, lessee or other legal occupant".

Will you kindly advise the Department whether there would be any objection to the proposed alteration of the draft, and if not, make the necessary changes therein.

Sir,- re-SALSBURY WATER SUPPLY IN W½ 29-21-8-W 4th

By referring to your letter of the 24th of June last you will see that the arrangement agreed to between the Company and the Department was that the word "public" should be eliminated from the conditions in the patent and the words "the owners, lessees or other legal occupants of the N. W. ¼ of section 29, township 21, range 8, West of the 4th Meridian" should be substituted. We wrote you on June 26th that this was satisfactory and the patent issued in November.

The Company has only just discovered that while the change agreed to was made in paragraph one of the proviso by inadvertence the same change was not made in paragraph four so that under the terms of the patent, the Company must allow the general public to take the water before it can supply itself. Sir,

Encl. File

I beg to send you herewith file of this Department No. 98768 S.L., covering the papers in relation to the issue of letters patent to the Canadian Pacific Railway for a portion of the W.½ of Section 29, Township 21, Range 8, West of the Fourth Meridian, and to invite your perusal of the letter of the 4th ultimo from Messrs. Ewart, Scott, Maclaren and Kelley, wherein it is pointed out that in the letters patent covering the land in question the substitution of the words "the owners, le sees, or other legal occupants of the N.W.¼ of Section 29, Township 21, Range 8, West of the 4th Meridian" for the word "public" has been made only in paragraph one of the proviso and not in paragraph four, and to request you to be good enough to cause the Department to be advised respecting the request of Messrs. Ewart, Scott, Maclaren and Kelley to have the patent re-called and altered in that respect.

I may add that the draft form from which the patent was prepared is shown, marked, on the file and in this connection, would call your attention to your letter of the 15th September last, reference No. 1629/15.

Ottawa 25th June, 1917.

Gentlemen,

With reference to your letter of the 5th ultimo, addressed to the Controller of the School Lands Branch, in relation to your request to have cancelled the letters patent of the 18th October last conveying a portion of the W.½ of Section 29, Township 21, Range 8, West of the Fourth Meridian, to the Canadian Pacific Railway, and to have new letters patent issued in which there shall be inserted in paragraph 4 of the proviso the words "owners, lessees, or other legal occupants of the W.½ of Section 29, Township 21, Range 8, West of the Fourth Meridian," in lieu of the word "public", I beg to inform you that there would appear to be no objection to this action being taken.

I may add, however, that the Registrar at Calgary, is being requested to advise the Department if it will be satisfactory to him if the said letters patent are cancelled on a certified copy thereof and a new patent issued, and upon receipt of a favourable reply, the necessary further action will be immediately taken.

Your obedient servant,

Controller.

Sir,

Replying to your letter of the 2nd instant - 93768 S.L. - as to the request made by the solicitors for the Canadian Pacific Railway Company to have the patent issued to that Company cancelled and to substitute another containing the corrections specified by them, I have the honour to state that I think it would be well to comply with the request as evidently clause 4 of the conditions in the patent was not altered in accordance with the arrangement with the Company. I do not see any objection to the course suggested if your Department has agreed to meet the wishes of the Company in the matter. Papers returned.

Re: [illegible]

On a certificate duly sent a new grant issued and I advise inform us that upon receipt of a favourable reply the necessary action would be immediately taken. We have not heard from you since receipt of this letter.

We trust that some way of correcting the patent will be found which will not entail a reconveyance by the Company. A reconveyance would mean the payment of registration fees on the reconveyance and again on the new title. If it is impossible to avoid this, we assume that these fees will be paid by the Department as the error was entirely due to a mistake in the Department. Moreover the Company has had to pay such expenses in quite a number of cases recently and the aggregate is considerable.

Dereliction of Lake Front -

On May 5th last we wrote Mr. Cheakley, Controller of School Lands pointing out that by inadvertence paragraph 4 of the patent previously sent the Company should allow the general public to take the water before it avails itself and that this was contrary to the agreement come to. The writer subsequently saw Mr. Cheakley personally and he acquiesced in this stipulation.

On the 7th of [illegible] we wrote him replying to his letter to Mr. Chatfield enquiring in the premises enclosed and advising that the Registrar at Calgary had been requested to advise the Department whether it would be satisfactory to him if the letters Patent [illegible]

11th May, 1928.

Gentlemen.

Re E.E. 29-44-21-W.4th M.

I beg to acknowledge the receipt of your letter of the 14th ultimo, enclosing a Quit Claim Deed in duplicate from Bert Butler in favour of Albin Lindholm covering the above described land. The document was accompanied by a postal note for $3.00 for which Receipt No. 19799 A. is enclosed showing that the amount was applied as the registration fee.

As the Deed referred to was found satisfactory, the same was registered in the Department on the 8th of May, 1928, under assignment No. 6867 and entry for this quarter section placed in the name of Albin Lindholm of New Norway, Alberta. One copy of the Deed will be found enclosed with Certificate of Registration endorsed thereon, the original being retained here for future reference should the occasion arise.

In reply to your request to be informed as to the amount required to pay in full for the land I would state that it will be necessary to remit here the following:-

Arrears of Principal.....$1285.09
Arrears of Interest.....$345.93
Undue Principal representing the 9th and 10th instalments.....$448.00

The total aforesaid bear interest at the rate of seven per cent and the undue principal at the rate of six per cent from the 30th of November, 1927. to the date that payment reaches the Department.

Sir,

Re N.E.¼ 29-44-21-W.4th M.

There has been received in the Department from the Imperial Bank of Canada at New Norway a draft for the sum of $476.10 to be credited to your account in connection with the above described land and for which amount I enclose Official Receipt 21061 showing $449.19 having been applied as Principal and $26.91 as Interest.

As this represents payment of the purchase price with Interest in full, Letters Patent will now issue in your favour with the least possible delay and you will be advised when to apply to the local registrar for Certificate of title.

Answering your own communication of the 11th ultimo, I beg to advise you that the mistake in your name mentioned in your communication was a clerical error made by the Accounts Branch of this Department and Letters Patent will issue in your correct name as shown on the receipt enclosed.

ENCL.

Your obedient servant,

Gentlemen:

With further reference to my Protest. I may say that I still maintain that the number of cattle given by J. B. Lamont is not right neither has Mrs Jos. Lamont. the Supposed Partner told me personally that Charlie had the School Land rented and offered me a fraction of the N.W. quarter on behalf of Charlie for certain concessions with which I would have no truck for refusing I had to put up about 40 rods fence. for six or eight Acres that portion South of the G. T. P. on the N. W. Quarter 11-43 1 W 4th but I dont want any of this land this year but I may next year though I am trying to sell twenty five head. And came close to it on the 20th inst: I have are more than me know of this Business but one party expects to apply for some of the land himself so I dont wish to [illegible] him into the [illegible]

All I ask is that the Permit applied for will be considered under the facts mentioned. I may say that Charlie (J.C.D. Smart) did all the fencing with exception of 40 Rods between Jos. D. Smart and myself.

Sir:

No. 18420 I beg to remind you that your Grazing Permit for the land referred to above will expire on the 31st of March 1930.

Department advice has recently been received from the season may be issued for School Lands which have never been sold, providing application for renewal is made in the prescribed form on or before the 31st of March next accompanied by the grazing year's rental at the rate of 4¢ per acre and in office fee of 1.00.

I am enclosing herewith a form on which to make application for a renewal permit on the above mentioned land should you so desire, which application should be duly filled in, signed and returned to this office with the required renewal fee, without delay, and I would advise you that should you fail to apply for renewal on or before the above mentioned date, the land will thereafter become available to the first eligible applicant.

Your attention is drawn to the fact that under the present regulations an applicant for a grazing or Cultivation Permit on School Lands must either file a receipt showing the land in question to be sold or with other satisfactory evidence in this regard, and such receipt or evidence should accompany the application for renewal.

Re S.E.¼ 29-34-3 W.5th M.

I beg to acknowledge the receipt of your letter of the 18th ultimo setting forth that your Community are desirous of acquiring a portion of the above land for the purpose of erecting a Community Hall and laying out a baseball ground.

You represent that the portion you desire to purchase lies between the school house and the East line, and you wish to be advised as to whether the same can be purchased and, if so, the price per acre.

It will not be possible for the Department to consider the application to purchase any portion of the above land owing to the fact that the said land, being School Land, can only, in accordance with the provisions of the Dominion Lands Act, be disposed of at public auction to the highest bidder.

I might state, however, for your information that under the provisions of an Order-in-Council dated June, 1922, applications for the leasing of School Lands as recreational grounds or as exhibition sites may be received and dealt with under the provisions of the Order-in-Council above referred to.

Applications of this nature, however, can only be received from a Municipality or an Agricultural Society, duly constituted under the laws of the Province in which the land is situated, and every application made by an Agricultural Society shall be recommended by the Municipality wherein the land applied for is situated and shall be approved by the Provincial Government.

Applications from a Municipality are also required to be approved by the Provincial Government.

The maximum area to be leased shall be eighty (80) acres and the rental to be charged shall be at the rate of $1.00 per annum.

OCT 14 1920 C.M.K.

I beg to refer you to a telegram addressed to you on the 6th July, last, notifying you that the Department had no objection to the form of lease under a portion of section 29, Township 48, Range 14, West of the 4th Meridian or fair rounds, subject to certain conditions.

I am now to inform you that it is the intention of the Department to offer this quarter-section for sale at Viking, Alberta, during the month of November next, and, if the authorities of the Town of Bruce are desirous of securing a portion of the land for agricultural purposes and fair grounds, it will be necessary for a representative to appear at the sale and make the necessary arrangements with the official in charge to put up a separate parcel in order to afford the authorities an opportunity of acquiring same by public auction, in which case the official in charge of the sale is being authorized by a copy of this letter to offer a separate parcel for this purpose.

The representative should see the official of the sale prior to the commencement thereof and come prepared to pay the first instalment of the purchase price and sign the necessary documents.

If a representative does not appear at the sale prepared to purchase the land, it will be sold without any reservation whatever for the above mentioned purposes.

DOMINION LANDS

Sir,-

I beg to acknowledge receipt, through the Agent of Dominion Lands at Lethbridge, of your communication of the 6th ultimo with reference to the desire of your School Board to exchange the present site on the North west quarter of Section 11, Township 1, Range 22, West of the 4th Meridian for a site in the North west corner of the North east quarter of Section 10, Township 1, Range 22, West of the 4th Meridian, and to advise you as the area in the North East quarter of Section 11, Township 1, Range 22, West of the 4th Meridian, which quarter is School Lands, was patented to the Macoe School District No.3049, (which is presumably now the Twin River School District No.3049) and, as the land of which you desire to secure the new site is not School Lands, it is regretted that the Department is not in a position to consider your request.

If you desire to exchange the present school site for another site on School Lands and will so advise the Department and furnish a description of the site, the matter can be considered, but, if you wish to acquire a site in the North East quarter of Section 10, Township 1, Range 22, West of the 4th Meridian, it will be necessary to take this matter up with the Dominion Lands Branch of this Department as the quarter section referred to is, presumably, Soldiers' Lands.

Sir:

I have your communication of recent date and note your desire to be informed as to whether you can obtain a lease on Section 11, Towns ip 1, Range 12, West of the 4th Meridian.

In this connection, I might advise you that said section is at present held under permit by Marion J. Rasmussen, which permit does not expire until the first of April, 1920, and I might here state that the permittee has the prior right of renewal, providing he comply with the regulations and makes application on or before the first of February next.

If you desire to obtain a lease on this land next season, I would suggest that you make your application to the Agent of Dominion Lands at Lethbridge after the first of January next, and to particularly state that you are a returned soldier and give particulars of your enlistment, as it is possible Mr. Rasmussen might not apply for a renewal next year, which event your application would then be considered.

Providing Mr. Rasmussen does apply for, and your application is also on file, some arrangements might be entered into between Mr. Rasmussen and yourself whereby he would reserve a portion of the section therein you could obtain a permit on that portion.

upon the following terms and conditions as to payment, viz.:—

One-tenth of the purchase money to be paid at the time of sale, and the balance in eighteen, equal, successive, annual instalments, with interest at the rate of six per cent per annum to be paid with each instalment on the balance of the purchase money from time to time remaining unpaid, the first of the said eighteen instalments to become due and payable one year from the date of sale; provided that all instalments, or any portion of any instalment, in arrears, whether of principal or interest, shall bear interest at the rate of seven per cent per annum.

The sale is also subject to the following terms and conditions, viz.:—

1. The sale shall only convey the surface rights and shall be subject to the usual reservations in favour of the Crown.

2. The Department reserves the right to withdraw such areas as may be required by a railway company for right of way or other purposes of the railway, or by the Provincial Authorities for roadway purposes; provided application therefor was made prior to the date of sale.

3. The Department reserves the right to increase or decrease the area sold to conform with revised township plans of survey approved and confirmed by the Surveyor General, and the purchaser hereby agrees to make payment for any additional areas at such prices and upon such terms as may be prescribed by the Minister of the Interior.

4. The purchaser shall be required, before cutting, or allowing to be cut, any timber growing on the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a timber permit, and to pay therefor an office fee of $1, and dues as prescribed by the School Lands Timber Regulations; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

5. The purchaser shall be required, before removing any sand or gravel from the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a permit for the quantity of sand and gravel to be removed, and to pay therefor an office fee of $1, and dues at the rate of 25 cents per cubic yard; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

6. The sale is subject to the right of any person or persons cultivating the land, or any portion thereof, to enter upon said land for the purpose of protecting the crop or other belongings, and to cut and remove the crop prior to the 31st December next following the date of sale.

7. The purchaser shall at time of sale, or upon demand of the Department, pay for any areas in summerfallow upon the land at date of sale, at a valuation placed thereon by an official of the Department.

8. The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at date of sale, and the purchaser shall not at any time prior to date of completion of payments remove, or cause to be removed from the land, any of said improvements, without the consent of the Minister of the Interior being first obtained.

9. The purchaser shall insure and keep insured, to the satisfaction of the Minister of the Interior, all buildings upon the land at time of sale liable to destruction by fire.

10. The sale is subject to the right of persons owning fencing or other improvements upon the land at time of sale, to enter upon the land and remove said improvements within the time allowed by the Department for the purpose.

11. Default in making payment or failure to comply with the terms and conditions herein or hereby set out, shall, at the option of the Minister of the Interior, annul the sale and all payments made on the said land, together with all improvements thereon, shall be forfeited to His Majesty. Such annulment and forfeiture shall be effective, if made by written notice under the hand of the Minister of the Department of the Interior, the Deputy Minister of the Department of the Interior, the Commissioner or Assistant Commissioner of Dominion Lands of the Department of the Interior or by such person or persons as may be acting in their behalf, and any notice thereof may be signed by any one of the above named officers.

Henry Sirrell - Del Bonita.

At the request of Mr. Henry Sirrell of Del Bonita, we enclose herewith a draft in your favor for $1,280.00, which please apply on his contract to purchase from your department the above described quarter section of land.

We understand that this will complete payment of this quarter section within a few dollars, and if you will be good enough to advise us the amount of the balance still owing, we will remit by return of mail.

Mr. Sirrell wishes to pay off his liability on this land in full, and we shall be glad if you will attend to the preparation of transfer in his favor in due course.

Your prompt advice as to the sum still owing will be appreciated.

The above Mr. was a resident of Medicine Hat District and died on December 22nd, 1928. He has been referred to this Company in their capacity of Public Administrator for the Judicial District.

It appears from your letter dated January 4th, 1929, relative to Section 11-1--S2--W4 that the deceased was interested in a Grazing Permit [illegible] with:-

Alfred E. Kersey, Bindloss, Alberta
Oscar M. Lattet, Del Bonita, Alberta

DOMINION LANDS ADMINISTRATION

22nd January, 1930.

Gentlemen:

I beg to acknowledge receipt of your communication of the 6th instant pointing out that Mr. Henry Sirrell died on the 22nd of December, 1929, and that his Estate has been referred to the Trusts and Guarantee Company Limited in their capacity of Public Administrator for the Judicial District and requesting, as it appears from information you obtained that Mr. Sirrell was interested in the grazing privileges covering Section 11--1--22 W. 4th Mer., should any business come up in connection with this matter, same should be taken up with the Trusts and Guarantee Company Limited.

On referring to the records in respect to the above land it is noted that the whole section is under sale, the North East and South West quarters standing in the name of Alfred E. Kersey, the North West quarter in the name of Einar M. Byttet, while the South East quarter is in the name of Henry Sirrell, and as a consequence no grazing permit covers said lands and the grazing permit to which you refer was for the season of 1928 and stood in the name of Marion Joseph Rasmussen.

As you represent Mr. Sirrell is now deceased, there should be filed in the Department at the earliest possible date, a copy of the Letters of Administration granted in connection with his Estate, duly certified as correct by the Clerk of the Court from which same issued and in the meantime any correspondence in connection with the South East quarter will be addressed to the Trusts and Guarantee Company Limited in accordance with your request.

Sir,

I beg to acknowledge the receipt of your letter on behalf of the Council of the Village of Lougheed, who, it appears, are desirous of purchasing two acres of land on the South East corner of the North East quarter of Section 29, Township 43, Range 11, West of the 4th Meridian, for cemetery purposes.

In reply I beg to say that as this section is School Land the Department has no power to sell any portion of it for cemetery purposes, except at public auction, as the Dominion Lands Act is most stringent on this point and leaves the Department no option in the matter.

If the Council so desires, however, and you will notify the Department to that effect, the two acres in question will be included as a separate parcel at the next auction sale of School Lands held in that locality so as to afford the Council an opportunity of acquiring it.

The sale would be subject to whatever upset price might be placed on the balance of the quarter section.

I beg to acknowledge the receipt of your letter in which you state that the Council of the Village of Lougheed have fenced off two acres of land on the South East corner of the North East quarter of Section 29, Township 43, Range 11, West of the 4th Meridian, and are using the same for a cemetery.

In reply I regret to say that the Department cannot grant permission to the Village to use the land in question for cemetery purposes until they have acquired the right to the same by purchase at public auction, as a number of similar applications for that purpose have been refused.

I may add, however, that a note has been made of your application to acquire this land so that when the next auction sale of School Lands is held in that vicinity this particular parcel may be put up separately in order to afford the Council an opportunity of acquiring it.

Sir,

With further reference to your application on behalf of the Council of the Village of Lougheed for a cemetery site of two acres in the North East ¼ of Section 29, Township 43, Range 11, West of the 4th Meridian, which you claim to have fenced off for that purpose, I now beg to advise you that this land will be offered for sale by public auction at Sedgewick, Alberta, on the 17th November next.

If the Village is still desirous, therefore, of obtaining a site in this land, kindly advise the Department without delay, giving a proper description of the area required by metes and bounds, in order that it may be offered separately at the sale.

As it is absolutely necessary that the list of the lands to be offered at this sale be placed in the hands of the printer without delay, I would request that you have this given your immediate attention.

The site will be offered, if desired, at the same price as that of the balance of the quarter-section, namely, $30.00 per acre.

Sir, -

I beg to acknowledge the receipt of your letter of the 29th ultimo with enclosure of a plan showing the location of a site required for cemetery purposes by the Town of Lougheed, Alberta. The plan shows that the site required is situated adjoining the South East corner of the North East quarter, running Northerly therefrom a distance of 217.8 feet; thence Westerly a distance of 400 feet; thence Southerly a distance of 217.8 feet; thence Easterly to point of beginning a distance of 400 feet, comprising an area of two acres.

Re your memorandum hereunder of the 20th instant.

No lease has been issued for the petroleum and natural gas rights in the portion of the island you refer to. An application has been received but it would appear that the Dominion Land Regulations will not apply to that portion of the island that appears to be School Lands. The application has not yet been finally dealt with, but it appears that the available portions of the island might be leased.

Sir,-

The sum of 48¢ has been transferred from the Dominion Lands Branch of the Department to this Branch, being the amount paid by you in support of your application on behalf of the Company for the grant of the Right-of-way for a Pipe Line across part of Island No. 6 in the South-East quarter of Section 13, Township 9, Range 26 West of the 4th Meridian, which is School Lands, and in reply to say that the Department is unable to make a free grant of any portion of a School Section, as the Dominion Lands Act expressly provides that School Lands shall be disposed of at public auction only.

If, however, it is satisfactory to the Company, the question of granting them a License of Occupation will be considered upon hearing from you that this would be acceptable.

Ref. 76275 on 71,447 M. L. & Y.

Certified Copy of a Report of the Committee of the Privy Council, approved by His Royal Highness the Governor General on the 4th April, 1912.

P. C. No. 784.

The Minister of the Interior submits, under date the 28th March, 1912, that the Canadian Western Natural Gas, Light, Heat and Power Company have acquired by assignment a number of leases under the regulations for the disposal of petroleum and natural gas rights, the property of the Crown, in the vicinity of Bow Island, Alberta; that they have incurred a very large expenditure in sinking wells and otherwise prospecting for petroleum and natural gas; that they have discovered a very considerable flow of gas; and that they contemplate piping this gas for the domestic supply of the towns and villages of Southern Alberta.

The Minister states that the company represent that it will be necessary for them to acquire under the provisions of their leases, rights of way for pipe lines and stations between the point of discovery and the several points at which this gas will be used; that it is of vital importance to them that they be permitted to promptly enter upon the lands described in their respective leases for the purpose of carrying on boring operations, as well as to enter upon those lands across which their pipe lines will be carried; and they ask for authority to enter upon such lands for the efficient and economical operation of the rights and privileges granted them under their leases, as well as for the laying of pipe lines and the erection of tanks and other structures necessary in connection with the disposal of the products of their location.

The title to the lands effected by the company's application is still in the Crown, but has, for the most part, been entered upon subject to the reservation to the Crown of the mines and minerals which may be found to exist within, upon, or under such lands, together with full power to work the same, and for that purpose to enter upon, and use, and occupy the said lands, or so much thereof and to such an extent as may be necessary for the effectual working of the said minerals.

In view of the scarcity of fuel in parts of the Province to be served from this discovery, the very large expenditure which the company have incurred and are incurring, and the great public benefit which will result from the distribution of this gas, the Minister recommends that the company be permitted, upon application, to enter upon the lands described in its respective leases for the purpose of prospecting for petroleum and natural gas, also to enter upon any other lands the title to which is still in the Crown, and in connection with which the mining rights have also been reserved to the Crown for the purpose of installing, constructing and maintaining such pipe lines, buildings, tanks, stations, *et cetera*, as are absolutely necessary in connection with the development of their location, and the disposal of the products thereof; and that the company shall also be permitted to acquire by lease or purchase any portion of such lands as may be necessary for the efficient and economical carrying out of any or all of its operations as aforesaid, provided the company shall make proper and reasonable compensation for the surface rights of such lands as it may require and acquire in this connection.

The

To the Honourable

The Minister of the Interior.

Published in the *Canada Gazette* of 11th May, 1912, Vol. 45, No. 46, for the fourth consecutive week.

The Minister further recommends that the company be authorized to make an arrangement with any occupant of the surface rights of any lands, as aforesaid, for the acquisition by lease or purchase of the surface rights of such lands for the purpose herein set out, and in case the company cannot make an arrangement with the occupant for lease or purchase, the Agent of Dominion Lands for the district shall be authorized to determine what shall be the fair yearly rental of such lands under a lease, or the fair market value thereof under purchase, the term "fair market value" to mean the price ruling at the time of acquisition for similar surface rights in the same locality without enhancement of value owing to the existence of mineral thereunder.

The company shall not be entitled to acquire for well drilling purposes, without the consent of the occupant, more than one acre of surface rights in any quarter-section leased to it under the provisions of the Petroleum and Natural Gas Regulations, and for pipe line and all other works in connection with its operations it shall not be entitled to acquire without the consent of the occupant more than a strip of surface rights one rod wide across any quarter-section.

The compensation in case of dispute to be fixed by the Minister of the Interior. Such compensation to be made to the Crown and refunded to the occupant upon his becoming entitled to a patent for the land so occupied.

The Committee submit the same for approval.

Clerk of the Privy Council.

Ottawa, 29th October, 1913.

MEMORANDUM:

I presume that your ruling on the Order in Council of the 4th April, 1912, on this file, simply means that the Company may be granted the right to construct a pipe line across School Lands, but that it does not give them the right to lease or purchase any portion of a School Section as we can, of course, only sell it at Public Auction under the Dominion Lands Act; nor can we very well issue a lease of the very small area covered by the right of way. I should think it would be sufficient if they have the right to construct the pipe line with the understanding that should the section or quarter-section be subsequently sold, the sale would be subject to the right of way of the pipe line.

In this connection I would call your attention to Mr. Rothwell's memo. "marked" on file 92779 herewith, and also to your ruling on my memo. in connection with it of the 29th October, 1913.

GEORGE THE FIFTH, &c., &c., &c.

To all to whom these presents shall come—Greeting:

WHEREAS the lands hereinafter mentioned are Dominion Lands within the meaning of the Dominion Lands Act, and are of the class designated in that Act and known as School Lands.

AND WHEREAS in and by a certain Order in Council bearing date the [redacted] day of [redacted] in the year of Our Lord one thousand nine hundred and [redacted] and made under and in pursuance of the regulations now in force relating to petroleum and natural gas, authority has been given to The Canadian Western Natural Gas, Light, Heat and Power Company, Limited, ... for the construction of a certain Pipe Line in which to convey natural gas across [redacted] for the construction in the Province of Alberta, as in the plan filed in connection therewith in the Department of the Interior at Ottawa is particularly described and shown.

AND WHEREAS the acquisition and possession of the rights and privileges hereinafter mentioned and intended to be hereby granted is necessary in order to the construction, maintenance and operation of the said Pipe Line.

NOW KNOW YE, that by these presents we do grant unto the said The Canadian Western Natural Gas, Light, Heat and Power Company, Limited, ... hereinafter called the grantee and its assigns, the full right and liberty to construct, maintain and operate in accordance with and for the purpose aforesaid and as described and shewn by the said plan a Pipe Line in which to convey natural gas across the [redacted] and also the full and free right and liberty to and for the grantee and its assigns and its or their agents and servants, and all and every person and persons for the benefit and advantage of the grantee or its assigns, from time to time, and at all times with workmen, horses, carts and other persons and things requisite to enter into and upon the said hereinbefore described quarter-section of land for the purpose of repairing and amending the said Pipe Line.

TO HAVE AND TO HOLD the rights and privileges hereby granted unto the grantee and its assigns afore-aid so long as the grantee or its assigns shall maintain and operate the said Pipe Line to the satisfaction of the Minister of the Interior for Canada, but no longer.

PROVIDED ALWAYS, and this grant is subject to the following conditions, namely:—

1.—That if the said Pipe Line shall not be constructed on or before two years from the date of these presents to the satisfaction of the said Minister, or if at any time after its construction as aforesaid the grantee or its assigns shall abandon the said Pipe Line or any part thereof or cease to maintain and operate the same or any part thereof for the purpose for which the right to maintain and operate the same is hereby granted then these presents and the grant hereby made, shall immediately become and be null and void

2.—And that the location of the said Pipe Line upon, over and across the said land, and the quantity of land required therefor, shall be subject to the approval and decision of the said Minister or his successor in office for the time being, or of such officer or person as he or his successor in office may nominate or appoint for that purpose, and such approval and decision shall be final.

3.—And that a declaration in writing under the hand of the said Minister or his successor in office that there has been a breach of condition or a forfeiture, hereunder, shall be final and conclusive to all intents and purposes whatsoever.

4.—And that the grantee, or its assigns, shall not erect or construct any fence or fences, on or along that portion of the said land occupied by the said Pipe Line.

Mr. Stafford,

Please see Mr. Colline' letter of the 22nd July last re exchange of that part of Island #6 in the South East ¼ of Section 13, Township 9, Range 26, West of the 4th Meridian, for other land.

Files 3747858 H.O. and 3747896 H.O. had been called for, but these seem to deal with the West ½ of Sec. 13-18-22-4, which was originally reserved to be selected in lieu of part of the island above but selection was rejected.

Should I have the South ½ of the North West ¼ of Sec. 7-61-15-4 mentioned in Mr. Colline' letter noted in register as "To be selected"?

~~There is no Island #6~~ the 7th Edition plan, confirmed 1918.

Also please see file 64924 re C.N.R. on Legal Subdivision 7 of Island #6. ~~s~~ sold 2.48 acres to them and requisition for patent was made 10th December, 1914, but patent never issued as the plan was not satisfactory. Later the C.N.R. filed a blue print showing 2.28 acres required but blue print also was not acceptable and no further plan has yet been filed.

The C.N.R. traverse on the Plan seems to be altogether as they advocate only 75 ft from centre line of R.R. to "corner pits" and they don't allow for Cabin or trail.

We cannot arrive at the net area of the island within C.N.R area and trail area unknown - but the said area was not taken into consideration when the land was patented ℄ in 1899 as 32 ac.

MEMORANDUM:

OTTAWA, 17th June, 1922.

Mr. Rollins,-

Re Island No. 6 in the ...4 11-9-26 W. 4th M.,
School Lands.

The parcel of land referred to is an island, and the remaining portion of the island is Dominion Lands; which lands are not being surveyed.

On the 2nd July, 1919, it was suggested that the Lands selected in lieu thereof be surrendered and other Dominion Lands selected in lieu thereof, which suggestion was approved by the Assistant Deputy Minister.

Subsequently, a selection of land was made to replace the land to be surrendered, but the selection was not completed satisfactorily, and a subsequent selection was made by Mr. Collins, being the South half of the North West quarter of Section 7, Township 61, Range 15, West of the 4th Meridian.

In making this selection, Mr. Collins stated that the 32 acres in the South East quarter of Section 13 first referred to has a valuation of $20.00 per acre, or a total of $640.00; that the 80 acres selected in lieu thereof has a valuation of $8.00 per acre--a total of $640.00--and it is considered that the latter parcel of land would make an equitable exchange for the former parcel.

The South half of the North West quarter of Section 7 is reported clear in the various branches of the Department, and I recommend that the Governor-General-in-Council be asked for authority to surrender the portion of Section 13 referred to and to select in lieu thereof the South half of the North West quarter of Section 7, Township 61, Range 15, West of the 4th Meridian.

Memorandum.

[illegible]

[illegible]

The Undersigned has the honour to report as follows:-

During the month of April 1925 that portion of Island No. 6 situated in the South West quarter of Section 13, Township 9, Range 26, West of the 4th Meridian was granted as School Lands in lieu of other lands surrendered.

The remaining portion of the aforesaid Island comprises Dominion Lands and as it is now the policy of the Department to dispose of Islands comprising Dominion Lands in lakes and rivers, it is considered advisable to surrender that portion of the Island comprising School Lands, and to select other Dominion Lands of equal value in lieu thereof.

Mr. F. C. Collins, Supervisor of School Lands, at Winnipeg, has placed a valuation on the land proposed to be surrendered, which comprises an area of approximately thirty-two acres at the rate of $20.00 per acre, or a total of $640.00.

Mr. Collins has selected in lieu of this parcel of land the South half of the North East quarter of Section 7, Township 61, Range 13, West of the 4th Meridian, which he values at $20.00 per acre, a total of $640.00.

The Undersigned, therefore, recommends that he be authorized to surrender from the School Endowment Fund that portion of Island No. 6 in the South East quarter of Section 13, Township 9, Range 26, West of the 4th Meridian, and to select in lieu thereof the South half of the North East quarter of Section 7, Township 61, Range 13, West of the 4th Meridian.

Respectfully submitted,

Minister of the Interior.

COMMISSIONER

[illegible]

MEMO.

In the attached Memorandum, Cornell is asked to authorize the surrender of that portion of Island No. 6 in the South East quarter of Section 13, Township 9, Range 26, West of the 4th Meridian, being School Land, and to select in lieu thereof the south half of the North west quarter of Section 7, Township 61, Range 15, West of the 4th Meridian.

The first mentioned parcel of land was patented as School Land during the Month of April, 1899, in lieu of a parcel of School Land previously surrendered. Since the land was Gazetted as School Land, the policy of the Department has been not to dispose of Dominion Lands comprising Islands in lakes and rivers, and as the remaining portion of this Island is Dominion Lands, it was considered advisable to surrender the School Land, so that no complication would arise in connection with the administration of the land comprising the full Island.

Mr. F.J. Collins, Supervisor of School Lands, at Winnipeg, has reported that the land to be surrendered and the land to be selected in lieu thereof in each case is of a valuation of $640.00, and that the exchange would be an equitable one.

Re: Fr. S.E.¼ 13-9-26 W. 4th Mer.

Would you kindly inform me if rental was ever collected by the Department of the Interior in connection with License of Occupation No. 236, issued on the 23rd of April, 1915, in favour of the Canadian Western Natural Gas, Light, Heat and Power Company, Limited, covering 0.16 of an acre, more or less, of the above mentioned quarter section.

No mention is made of rental in the certified copy of this License of Occupation forwarded to this Department along with your letter of the 13th of February, 1931, your file 103737 S.L.

If a rental charge is made, the forwarding of the transcription of the account will be appreciated in order that this matter may be dealt with accordingly.

You might also supply me with a copy of the certain Order in Council bearing date the 4th of April, 1912, under which authority License of Occupation No. 236 was issued along with a copy of the plan mentioned in the License upon which is shown 0.16 of an acre, more or less, in yellow.

This Indenture made, in duplicate, this

day of May---------- twenty-eighth in the year of our Lord one thousand nine hundred and fourteen.

BETWEEN

His Majesty King George the Fifth, represented herein by the Minister of the Interior of Canada, hereinafter called the Minister, of the first part

AND

Leonard H. Kennerley, of the City of Calgary, in the Province of Alberta, in the Dominion of Canada, broker.

hereinafter called the lessee of the second part.

WHEREAS by an Order in the Governor General of Canada in Council, dated the Seventh day of April in the year of Our Lord one thousand nine hundred and fourteen, regulations were made for the disposal of petroleum and natural gas rights in the lands which are the property of the Crown in the Provinces of Manitoba, Saskatchewan and Alberta.

AND WHEREAS the lessee having applied for a lease under the said regulations of the petroleum and natural gas rights in the lands hereinafter described, the Minister has granted such application upon the terms and conditions hereinafter contained.

NOW THEREFORE THIS INDENTURE WITNESSETH that, in consideration of the rents and royalties hereinafter reserved and subject to the provisos, conditions, restrictions and stipulations hereinafter expressed and contained, His Majesty doth grant and demise unto the lessee, for the sole and only purpose of mining and operating for petroleum and natural gas, and of laying pipe lines and of building tanks, stations and structures thereon necessary and convenient to take care of the said products,

ALL AND SINGULAR:

North Half of Section 11, Township 21, Range 1, West of the 5th Meridian, in the Province of Alberta, comprising an area of 320 acres, more or less, and designated Petroleum and Natural Gas Berth No. 424 3L.

TO HAVE AND TO HOLD the same unto the lessee for the term of twenty-one years, to be computed from the twenty-eighth day of May A.D. 1914, renewable for a further term of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to shew that during the term of the lease the lessee has complied fully with the conditions of such lease and with the provisions of the regulations under which it was granted, and with the provisions and regulations in force from time to time during the currency of the lease.

YIELDING AND PAYING therefor during the first year of the said term unto His Majesty the clear yearly rent or sum of twenty-five cents of lawful money of Canada for each and every acre of land comprised within the said lands, and for each subsequent year of such term the rent or sum of fifty cents per acre, such rent being payable yearly in advance on the twenty-eighth day of May in each year of the said term, the first of which payments has been made on or before the execution of these presents; and also rendering and paying therefor unto His Majesty a royalty at such rate as may from time to time be prescribed by Order of the Governor General of Canada in Council on natural gas products taken out of the said lands, and also such royalty on petroleum products taken out of the said lands from and after the year 1930 as the regulations then and thereafter in force may prescribe, and such rent and royalty to be free and clear of and from all rates and taxes and assessments and from all manner of deductions whatsoever except as hereinafter mentioned.

PROVIDED ALWAYS that this demise is granted upon and subject to the following provisos, conditions, restrictions and stipulations, that is to say:-

1. That the lessee shall and will well and truly pay or cause to be paid to the Minister at Ottawa, the rent and royalty hereby reserved, and shall and will make all returns at the times and in the manner herein or in or under the said regulations prescribed.

2. That the lessee shall and will well, truly and faithfully observe, perform and abide by all the obligations, conditions, provisos and restrictions in or under the said regulations imposed upon lessees or upon the lessee, which said regulations are to be read and construed as if they were herein set forth.

3. That the lessee shall and will keep correct books of such kind, and in such form as may be prescribed by the Minister, showing the quantity of petroleum and natural gas taken out of the said lands, and whenever required so to do shall submit such books to the inspection of any officer or person appointed or authorized by the Minister to examine the same for the purpose of verifying the returns made by the lessee.

4. That the lessee shall and will, during the said term, make such provision for the disposal of the earth, rock, waste or refuse of the said lands that the same shall not be an inconvenience, nuisance or obstruction to any railway right of way, roadway, pass, passage, river, creek, or place, or to any private, patent or Crown lands, or conflict with or embarass the operating of any other mines on the said lands, or in any manner whatsoever occasion any private or public damage, nuisance or inconvenience.

5. That the lessee shall and will at the end of each year of the term of the lease furnish the Minister with a statement, supported by affidavit, showing the number of days during the year that operations were carried on upon the said lands; the number of men employed upon such operations; the character of the work done; the depth attained; the total expenditure incurred; a detailed statement, also supported by affidavit, setting out fully the purpose for which such expenditure was incurred; the quantity of crude oil or natural gas obtained; the amount realized from the sale thereof, and all such further and other information as to the working and operations of any mines on the said lands as the Minister may from time to time notify the lessee he requires, it being understood that failure to furnish such yearly statements and affidavits will render the lessee subject to a fine of ten dollars for each day's delay in furnishing the same, and to the cancellation of the lease by the Minister after a delay of three months.

6. That the lessee shall also make proper and reasonable compensation to any railway company for any damage caused to the right of way or station grounds of the railway or other property of the company upon the said lands.

7. That the lessee shall and will permit any inspector or other person duly authorized in that behalf, with all proper or necessary assistants, at all reasonable times during the said term, quietly to enter into and upon the said lands, mines and premises; and into all buildings erected thereon, and into any part thereof, and to survey and examine the state and condition thereof, so nevertheless that in so doing no unnecessary interference is caused with the carrying on of the mining work of the lessee; and shall and will by all means in his power aid and facilitate such inspector or other person in making such entry, survey and examination.

8. That the lessee shall commence boring operations upon the said lands within fifteen months from the date of these presents and shall continue such boring operations with reasonable diligence to the satisfaction of the Minister, with a view to the discovery of oil or natural gas; and that if the lessee does not commence boring operations within the said period of fifteen months, or if having commenced such operations he does not prosecute the same with reasonable diligence in the opinion of the Minister, or if the lessee ceases to carry on the same boring operations for a period of three months, it shall be lawful for the Minister in his discretion, upon giving three months' notice in writing under his hand, to cancel these presents and terminate the estate or term hereby demised, and thereupon these presents and everything therein contained and the said estate or term shall absolutely cease, determine and be void, without re-entry or any other act or any suit or legal proceedings to be brought or taken by His Majesty; provided that His Majesty shall nevertheless be

entitled to recover from the lessee the rent then accrued or accruing, and that any right of action of His Majesty against the lessee in respect of any antecedent breach of any of the said covenants, provisos, stipulations or conditions shall not thereby be prejudiced, it being further provided, however, that if satisfactory evidence is furnished by the lessee that he has expended the sum of at least two thousand dollars in actual boring operations by recognized methods upon the said lands in any year of the said term such expenditure shall be accepted as compliance by the lessee with this condition of the said lease for the year during which such expenditure was incurred.

9. That the lessee shall at all times take reasonable measures to prevent the injurious access of water to the oil bearing formation, and that upon a well proving to be unproductive or ceasing to yield oil in paying quantity or being abandoned for any cause, the lessee shall be at liberty to withdraw the casing from the said well, but in order to prevent water gaining access to the oil bearing formation the lessee shall immediately and effectively to the satisfaction of the Minister, close such well by filling it with sand, clay or other material which would have the effect of preventing water from gaining access thereto.

10. That the lessee in case natural gas is discovered through boring operations on the said lands shall immediately take all reasonable and proper precautions to the satisfaction of the Minister to prevent the escape of such gas and shall continue to operate in such manner and by such method as shall enable him upon the order to control and prevent the escape of such gas.

11. That the lessee in case coal or other workable seams are met with through operations on the said lands shall immediately and effectively close the well at such a depth as shall prevent any loss of coal, to the satisfaction of the Minister, and shall not allow gas in paying quantity, if any has been discovered on the said lands, to escape from the oil bearing formation subject to communication upon two weeks' notice in writing being given by the Minister to the lessee.

12. That if it is not established to the satisfaction of the Minister that oil or natural gas in paying quantity has been discovered on the said lands these presents shall be void.

13. That the lessee shall and will during the said term, open, use and work any mines and works opened and carried on by him upon the said lands in such manner only as is usual and customary in skilful and proper mining operations of similar character when conducted by proprietors themselves on their own lands with good and sufficient machinery and appliances in accordance with the provisions of the said regulations to the satisfaction of the Minister, and when working the same shall keep and preserve the said mines and works, roads, ways, works, erections and fixtures thereon and thereon in good repair and condition, except such as the matters and things last aforesaid as shall from time to time be considered to be unnecessary for the proper working of any such mine by any inspector or other person authorized by the Minister to inspect and report upon such matters and things, but so that no casing placed in any mine shall be removed or unpinned, and in such state and condition shall and will at the end or sooner determination of the said term deliver peaceable possession thereof and of the said lands to His Majesty.

14. That the lessee shall and will during the said term erect and keep enclosed all abandoned openings or excavations made in connection with or for the purpose of mining operations on the said lands with fences or walls sufficient to prevent cattle and other animals falling therein, such fences or walls to be erected and maintained in such manner and to such height as may be directed or given by the Minister or by the inspector or other person duly authorized by him as aforesaid, and shall comply with any regulations or directions given from time to time in that behalf.

15. That in case the said lands or any portion or portions thereof are subject to any terminable grant by lease or otherwise from the Crown the lessee shall not by reason of these presents, without the consent of the Minister in writing being first had and obtained, be entitled to entry upon the said lands or portion or portions thereof.

16. That if the rent hereby reserved or any part thereof shall be unpaid for thirty days after becoming payable, whether formally demanded or not, or if any covenant proviso, stipulation or condition on the part of the lessee herein contained shall not be performed or observed, then and in any of the said cases (unless the right of entry hereby is in his discretion by notice in writing under his hand to cancel these presents and terminate the estate or term hereby demised, and thereupon these presents and everything thereon contained and the said estate or term shall, from the date of the giving of such notice, absolutely cease, determine and be void without resuming or any other act or any suit or legal proceedings to be brought or taken, provided that His Majesty shall nevertheless be entitled to recover from the lessee the rent then accrued or accruing, and moreover, that any right of action of His Majesty against the lessee in respect of any antecedent breach of any of the said covenants, provisos, stipulations or conditions shall not thereby be prejudiced.

17. That within two months from the termination of this lease from any cause, if all rent and royalty due thereunder shall have been paid, and all provisos, conditions, restrictions and stipulations hereby imposed upon the lessee shall have been duly observed and

IN WITNESS WHEREOF

SIGNED SEALED AND DELIVERED

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 7th day of April, 1914.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

Whereas Regulations for the issue of leases of the Petroleum and Natural Gas rights in School Lands in the Provinces of Manitoba, Saskatchewan and Alberta were established by Order in Council of the 14th May, 1913;

And whereas new regulations have since been established for the issue of leases of Dominion Lands for the same purpose and it is deemed desirable that the regulations for the issue of leases of School Lands for the said purpose should conform as nearly as the different conditions will permit with those governing the issue of leases of Dominion Lands for the same purpose,—

Therefore the Governor General in Council is pleased to order and it is hereby ordered as follows:—

The regulations for the issue of leases of the Petroleum and Natural Gas rights in School Lands, established by Order in Council of 14th May, 1913, are rescinded and the accompanying regulations are substituted therefor.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

REGULATIONS for the leasing of the petroleum and natural gas rights in School Lands in the Provinces of Manitoba, Saskatchewan and Alberta.

"Minister" shall mean the Minister of the Interior of Canada.

"Location" shall mean the tract described in a petroleum and natural gas lease.

"Group" shall mean two or more of the locations described in petroleum and natural gas leases, consolidated for purposes of operation.

"Lessee" means any individual, company, corporation or municipality the holder of a petroleum and natural gas lease in good standing.

"River" shall mean a stream of water the bed of which is an average width of 150 feet throughout the portion thereof on which the tract applied for fronts.

1. The petroleum and natural gas rights in School Lands, the title to which is still in the Crown, in the Provinces of Manitoba, Saskatchewan and Alberta, may be leased to applicants at a rental of twenty-five cents an acre for the first year, and for each subsequent year at rental at the rate of fifty cents per acre, payable yearly in advance. The term of the lease shall be twenty-one years, renewable for a term of twenty-one years, provided the lessee can furnish evidence satisfactory to the Minister to shew that during the term of the lease he has complied fully with the conditions of such lease, and with the provisions and regulations in force from time to time during the currency of the lease.

2. No applicant shall be allowed to lease the petroleum and natural gas rights under an area of more than 640 acres.

Provided that a person who has been granted a lease for a location, and who subsequently abandons or assigns the same, may, after the expiration of twelve months from the date of the said lease, apply for an area not greater than that abandoned or assigned;

Provided further, however, that such right shall not be granted unless all payments on account of rent or other liability to the Crown, due by such person, have been fully made, up to the date of the registration by the Department of the assignment of his right to such lease or up to the date upon which the notice of his abandonment of the same was received by the Department.

3. The location applied for shall consist of a section, or of one or more legal subdivisions, or of even portions thereof, but the several parcels comprising the location shall be adjoining.

4. Applications for a lease of the petroleum and natural gas rights on School Lands shall be filed by the applicant in person with the Agent of Dominion Lands for the district in which the rights applied for are situated, or with a sub-agent for such district for transmission to the Agent, but priority of application shall be based upon the date of the receipt of such application in the office of the Agent of Dominion Lands for the district.

5. The rental for the first year of the location applied for at the rate of twenty-five (25) cents an acre per annum, shall accompany the application filed in the office of the Agent of Dominion Lands for the district in which the rights applied for are situated, and no application for a lease of petroleum and natural gas rights shall be accepted or recorded unless it is accompanied by the full amount of the rental for the first year at the above rate. The lease, when issued, shall bear date from the day upon which the application was filed in the office of the Agent of Dominion Lands. If, during the term of the lease, the lessee shall fail to pay rental in advance for each subsequent year at the rate of fifty (50) cents an acre per annum within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister and to the immediate forfeiture of the rights which the lessee had in the said lease.

Provided that if the lessee, in consideration of the expenditure to be incurred by him in actual boring operations upon his leasehold, make application at or before the beginning of the second and third years, respectively, of the term of the lease, for an extension of time within which to pay the rental when due,

or becoming due, the Minister may grant such extension of time in writing, and if the lessee, before the end of the year in respect of which application was made, submits evidence to the Agent of Dominion Lands of the district in which the leasehold is situated, in the form of affidavits by himself and two reliable witnesses, that during such year actual boring operations have been prosecuted upon his leasehold, as required by Section 7 of these Regulations, the amount expended in such boring operations, exclusive of the cost of machinery and casing may be deducted from the rental which became due at the beginning of the said year. The balance of rental due, if any, shall be paid at the same time as the evidence in regard to work done is submitted, as above required. Failure to submit such evidence, or to pay the balance of rental due, will render the lease liable to cancellation, as hereinbefore provided.

6. The lessee shall, within one year from date of the lease, have upon the lands described therein such machinery and equipment suitable for carrying on prospecting operations as the Minister may consider necessary, and he shall within the same period furnish evidence, supported by affidavit, showing the character, quantity and value of the machinery so installed and the date of its installation. If the required machinery is not installed within the period specified, and if evidence of its installation is not furnished within the prescribed period, the lease shall be subject to cancellation in the discretion of the Minister.

Provided, however, that the Minister shall not require that the value of the machinery so installed shall exceed the sum of five thousand dollars.

7. The lessee shall commence boring operations on his leasehold within fifteen months of the date of his lease, and he shall continue such boring operations with reasonable diligence, to the satisfaction of the Minister, with a view to the discovery of oil or natural gas. If the lessee does not commence boring operations within the time prescribed, or if having commenced such operations he does not prosecute the same with reasonable diligence, to the satisfaction of the Minister, or if he ceases to carry on the same for a period of more than three months, the lease shall be subject to cancellation, in the discretion of the Minister, upon three months' notice to that effect being given to the lessee.

Provided, however, that if satisfactory evidence is furnished to show that the sum of at least two thousand dollars has been expended in actual boring operations, by recognized methods, upon the leasehold in any year, such expenditure shall be accepted as compliance with this provision for the year during which such expenditure was incurred.

8. The Minister may permit a lessee, who has acquired by assignment or otherwise, more than one petroleum and natural gas lease, to consolidate his operations and expenditure, and to instal machinery and equipment on one or more of the locations described in the leases affected.

Provided that such consolidation or grouping shall apply only to the second and third years of the term of the leases, and shall comprise only such leases as may at the time be included in such consolidation or grouping. Evidence of the installation of machinery on one or more of the locations included in a group shall be that prescribed by section 6 of these regulations. If the required machinery is not installed on one or more of the locations included in a group within the period specified and evidence of its installation furnished within the prescribed period, and if boring operations are not commenced and continued on such location or locations in the manner set out in section 7 of these regulations, the leases included in the group shall be subject to cancellation in the discretion of the Minister.

9. The Minister may, in consideration of the expenditure to be incurred by a lessee in boring operations upon one or more of the locations included in a group, grant an extension of time within which to pay the rental for the second and third years of the term of the several leases so included, and upon receipt of the evidence required by section 5 of these regulations, he may deduct from the rental which became due at the beginning of the year in respect of the several locations grouped, the amount expended in actual boring operations on one or more of the locations, exclusive of the cost of machinery and casing. The balance of the rental due, if any, shall be paid at the same time as the evidence in regard to work done is submitted, as above required. Failure to submit such evidence or to pay the balance of the rental due, with interest, will render the several leases included in the group liable to cancellation.

10. Provided, however, that the Minister shall not require that the value of the machinery to be installed on any group of locations shall exceed the sum of ten thousand dollars ($10,000), nor shall he require that the expenditure

incurred in boring operations thereon in any one year shall exceed the sum of two thousand dollars ($2,000) for each location included in the group. The locations included in any group shall not be separated one from the other by a greater distance than two miles.

11. In case the surface rights of a petroleum and natural gas location are covered by a timber license, grazing or coal mining lease, mining claims or other form of terminable grant the lease shall not authorize entry thereon, without the permission of the Minister being first had and obtained, and such permission, if granted, shall be subject to such conditions for the protection of the rights of such lessee or licensee as it may be considered necessary to impose.

12. In case the surface rights of a petroleum and natural gas location have been patented, or have been disposed of by the Crown under any act or regulation which contemplates the earning of patent for such surface rights, and the lessee of the petroleum and natural gas rights cannot make an arrangement with the owner of such surface rights, or with his agent, or the occupant thereof, for entry upon the location, or for the acquisition of such interest in the surface rights as may be necessary for the efficient and economical operation of the rights acquired under his lease, he may, provided the mineral rights in the land affected with access thereto and the right to use and occupy such portion of the land as may be necessary for the effectual working of the minerals thereon have been reserved to the Crown in the original grant of the surface rights, apply to the Minister for permission to submit the matter in dispute to arbitration. Upon receiving such permission in writing, it shall be lawful for the lessee to give notice to the owner, or his agent, or the occupant, to appoint an arbitrator within a period of sixty days from the date of such notice, to act with another arbitrator named by the lessee, in order to determine what portion of the surface rights the lessee may reasonably acquire,—

(*a*) For the efficient and economical operation of the rights and privileges granted him under his lease;

(*b*) The exact position thereof, and

(*c*) The amount of compensation to which the owner or occupant shall be entitled.

13. The notice mentioned in this section shall be according to a form to be obtained upon application to the Agent of Dominion Lands for the district in which the land in question is situated, and shall, when practicable, be personally served on the owner of such land, or his agent, if known, or the occupant thereof, and after reasonable efforts have been made to effect personal service without success, then such notice shall be served by leaving it at, or sending it by registered mail, to the last known place of abode or address of the owner, agent or occupant, and by posting a copy of the same in the office of the Agent of Dominion Lands for the district in which the land in question is situate. Such notice shall be ten days if the owner, or his agent, resides in the district in which the land is situate; if out of the district and if in the province or territory, twenty days, and if out of the province or territory, thirty days, before the expiration of the time limited in such notice. If the owner, or his agent, or the occupant of the land refuses or declines to appoint an arbitrator, or when, for any reason, no arbitrator is so appointed in the time limited therefor in the notice provided for by this section, the Agent of Dominion Lands for the district in which the land in question is situate shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of such owner, agent, or occupant, or that such owner, agent, or occupant wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service, and that the notice was left at the last place of abode or known address of such owner, agent or occupant, as above provided, appoint an arbitrator on his behalf.

14. In case the two arbitrators cannot agree upon the award to be made, they may, within a period of ten days from the date of the appointment of the second arbitrator, select a third arbitrator, and when such two arbitrators cannot agree upon a third arbitrator, the Agent of Dominion Lands for the district in which the land in question is situate, shall forthwith select such third arbitrator.

15. All the arbitrators appointed under the authority of these regulations shall be sworn before a justice of the peace to the impartial discharge of the duties assigned to them, and after due consideration of the rights of the owner and the needs of the lessee, they shall decide as to the particular portion of the surface rights which the latter may reasonably acquire for the efficient and

economical operation of the rights and privileges granted him under his lease, the area thereof and the amount of compensation therefor to which the owner or occupant shall be entitled.

16. In making such valuation the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals thereunder.

17. The award of any two such arbitrators made in writing shall be final, and shall be filed with the agent of Dominion Lands for the district in which the land is situated, within twenty days from the date of the appointment of the last arbitrator. Upon the order of the Minister the award of the arbitrators shall immediately be carried into effect.

18. The arbitrators shall be entitled to be paid a per diem allowance of $5.00 together with their necessary travelling and living expenses, while engaged in the arbitration, and the costs of such arbitration shall be in the discretion of the arbitrators.

19. The lessee shall at all times take reasonable measures to prevent the injurious access of water to the oil-bearing formation. Upon a well proving to be unproductive, or ceasing to yield oil in paying quantity, or being abandoned for any cause, the lessee shall be at liberty to withdraw the casing from the said well, but in order to prevent water gaining access to the oil-bearing formation, the lessee shall immediately close the well by filling it with sand, clay, or other material which may have the effect of preventing water from gaining access thereto.

In case natural gas is discovered through boring operations on a location, the lessee shall take all reasonable and proper precautions to prevent the waste of such natural gas, and his operations shall be so conducted as to enable him, immediately upon discovery, to control and prevent the escape of such gas.

Should salt water be encountered through operations upon the location, the lessee shall immediately and effectively, to the satisfaction of the Minister, close the well at such a depth as may prevent such water from gaining access to the oil-bearing formation.

The Minister may, from time to time, make such additional regulations as may appear to be necessary or expedient governing the manner in which boring operations shall be conducted, and the manner in which the wells shall be operated.

Failure on the part of the lessee to comply with the above requirements, or to comply with such other requirement as the Minister may consider it necessary to impose in respect of boring and operating, will render the lease subject to cancellation in the discretion of the Minister.

20. The lessee may be permitted to relinquish at any time the whole or any portion of the location described in his lease, provided he has complied in every respect with the provisions of the regulations, and that all payments on account of rental or other liability to the Crown, due in connection with the lease, have been fully made, and provided the portion of the location which may be retained shall be of the prescribed shape, and shall not be of a less area than forty acres.

21. The lease shall in all cases include only the oil and natural gas rights, which are the property of the Crown, but the lessee may, upon application, be granted a yearly lease at a rental of one dollar per acre per annum, payable yearly in advance, of whatever area of the available surface rights of the tract described in his petroleum and natural gas lease the Minister may consider necessary for the efficient and economical working of the rights granted him.

22. If it is not established to the satisfaction of the Minister that oil or natural gas in paying quantity has been discovered on the leasehold, the lease shall be subject to termination upon two years' notice in writing being given to the lessee by the Minister.

23. The boundaries beneath the surface of a location shall be vertical planes or lines in which their surface boundaries lie.

24. A fee of five dollars shall accompany each application for a lease, which will be refunded if the rights applied for are not available, but not otherwise.

25. The lease shall be in such form as may be determined by the Minister of the Interior, in accordance with the provisions of these Regulations.

26. The lessee shall not assign, transfer or sublet the rights described in his lease, or any part thereof, without the consent in writing of the Minister being first had and obtained.

27. No royalty shall be charged upon the sales of the petroleum acquired from the Crown under the provision of the Regulations up to the 1st day of January, 1930, but provision shall be made in the leases issued for such rights that after the above date the petroleum products of the location shall be subject to whatever regulations in respect of the payment of royalty may then or thereafter be made.

28. A royalty at such rate as may from time to time be specified by Order in Council may be levied and collected on the natural gas products.

29. At the end of each year of the term of the lease the lessee shall furnish a statement supported by affidavit, showing the number of days during the year that operations were carried on upon the location, the number of men so employed, the character of the work done; the depth attained; the total expenditure incurred; a detailed statement setting out fully the purpose for which such expenditure was incurred; the quantity of crude oil or natural gas obtained; and the amount realized from the sale thereof. Failure to furnish such yearly return will render the lessee subject to a fine of ten dollars a day for each day's delay in furnishing the sworn statement, and after three month's delay the lease shall be subject to cancellation.

30. Any company acquiring by assignment or otherwise a lease under the provisions of these regulations, shall at all times be and remain a British company, registered in Great Britain or Canada and having its principal place of business within His Majesty's Dominions, and the chairman of the said company and a majority of the directors shall at all times be British subjects, and the company shall not at any time be or become, directly or indirectly, controlled by foreigners or by a foreign corporation.

Any alteration in the memorandum of articles of association, or in the constitution of the company, or in the by-laws of the company, shall be reported to the Minister, provided that two months' previous notice of the intention to make any alteration which might conceivably affect the British character of the company shall be given in writing to the Minister, and if, in the opinion of the Minister the said alteration shall be contrary to the cardinal principle that the lessee company shall be and remain a British company under British control, the Minister may refuse his consent to such alteration.

If the company which may acquire a location under these regulations shall at any time cease to be a British company or shall become a corporation under foreign control, or shall assign any of the rights acquired under the lease without the consent in writing of the Minister being first had and obtained, the lease shall be subject to immediate cancellation in the discretion of the Minister.

31. The Minister may at any time assume absolute possession and control of any location acquired under the provisions of these regulations, if in the opinion of the Government of Canada such action is considered necessary or advisable, together with all buildings, works, machinery and plant, upon the location, or used in connection with the operation thereof, and he may cause the same to be operated and may retain the whole or any part of the output, in which event compensation shall be paid to the lessee for any loss or damage sustained by him by reason of the exercise of the powers conferred by this provision of the regulations, the amount of the compensation, in case of dispute, to be fixed by a Judge of the Exchequer Court of Canada provided that the compensation in any such case shall not exceed the profit which the lessee would have earned in the working of the location and the disposal of the products thereof, had possession and control of the location and of the buildings, works, machinery and plant not been assumed.

If the location described in any lease issued under the provisions of these regulations, shall yield oil in paying quantity, the lessee shall pump and work the wells faithfully and uninterruptedly with due vigour and skill, with good and sufficient machinery and appliances in accordance with the provisions of the regulations and to the satisfaction of the Minister, so long as the said wells continue to yield oil in remunerative quantity.

Sir,-

I beg to advise you that the Mining Recorder at Calgary has forwarded to this Department your application to acquire a lease of the petroleum and natural gas rights in the North East quarter of Section 11, Township 21, Range 1, West of the 5th Meridian, and he has reported payment by you of the usual application fee of $5.00 and rental amounting to $80.00.

I am enclosing herewith a lease, in duplicate, in your favour, of the rights referred to herein, which lease bears date of the 29th ultimo, comprises an area of 160 acres, and is designated Petroleum and Natural Gas Berth No. 3489 S.L.

The first year's rental in connection with this lease has been paid in full.

As this lease is of no force or effect until executed by this Department, it is desired that you will sign the lease, in duplicate, in the presence of a witness, and forward both copies here by return mail for execution.

Your obedient servant,

Secretary.

This Indenture

made in duplicate this **twenty-ninth** day of **December,** in the year of our Lord one thousand nine hundred and **twenty-six,**

BETWEEN

His Majesty King George the Fifth, represented herein by the Minister of the Interior of Canada, hereinafter called the Minister of the first part,

AND

John Francis Buller Kitson of the City of Kamloops in the Province of British Columbia, in the Dominion of Canada, Land Agent,

hereinafter called the lessee of the second part

WHEREAS by order of the Governor General of Canada in Council bearing date the twenty-ninth day of April 1920 regulations were made for the disposal of petroleum and natural gas rights in School Lands the property of the Crown in the provinces of Manitoba, Saskatchewan and Alberta (a copy of which regulations is hereto annexed)

AND WHEREAS the lessee having applied for a lease under the said regulations of the petroleum and natural gas rights in the lands hereinafter described, the Minister has granted such application upon the terms and conditions herein contained

NOW THEREFORE THIS INDENTURE WITNESSETH that in consideration of the rents and royalties hereinafter reserved and subject to the provisos, conditions, restrictions and stipulations hereinafter expressed and contained. His Majesty doth grant and demise unto the lessee, for the sole and only purpose of mining and operating for petroleum and natural gas

ALL AND SINGULAR **that certain parcel or tract of land situate lying and being in the Province of Alberta, and more particularly described as follows:-**

The North East quarter of Section 11, Township 21, Range 1, west of the 5th Meridian, comprising an area of 160 acres, more or less, and designated Petroleum and Natural Gas Berth No. 3489 S.L.

TO HAVE AND TO HOLD the said lands and premises for the period of twenty-one years to be computed from the **twenty-ninth** day of **December** A.D. 1926 subject nevertheless to the reservations, exceptions, restrictions and conditions expressed in the said regulations and to such further and other provisions as may be made by the Governor General in Council and to such regulations as may hereafter be made by the Governor General in Council during the term of the lease and with the provisions of the said regulations as to the effect of the lease

YIELDING AND PAYING therefor to His Majesty the following rents and royalties, that is to say, during the first year of the said term a rental of one dollar per acre, such rent being payable in advance on the **twenty-ninth** day of **December** in each year of the said term; during the second year of the said term a rental of two dollars per acre, such rent being payable in advance on the **twenty-ninth** day of **December** in each year of the said term; during the third year of the said term a rental of three dollars per acre, such rent being payable in advance on the **twenty-ninth** day of **December** in each year of the said term; during the fourth year of the said term a rental of four dollars per acre, such rent being payable in advance on the **twenty-ninth** day of **December** in each year of the said term; during the fifth year of the said term and each year thereafter during the remainder of the said term a rental of five dollars per acre, such rent being payable in advance on the **twenty-ninth** day of **December** in each year of the said term; and also rendering and paying thereafter before the expiration of the said term all royalty payments as have been made on or under the provisions of the said regulations, and also rendering and paying thereafter unto His Majesty such royalty at such rate or rates from time to time be prescribed by Order of the Governor General in Council on the sales of petroleum and natural gas products taken out of the said lands, and such rent and royalty to be free and clear of and from all taxes and assessments and from all manner of deductions whatsoever except as hereinafter mentioned, such royalty to be collected in such manner as may be specified by the Minister

PROVIDED ALWAYS that this demise is granted upon and subject to the following provisos, conditions, restrictions and stipulations, that is to say:—

1. That the lessee shall and will well and truly pay or cause to be paid to the Minister at Ottawa, the rent and royalty hereby reserved, and shall and will make all returns at the times and in the manner herein or in or under the said regulations prescribed.

2. That the lessee shall and will well, truly and faithfully observe, perform and abide by all the obligations, conditions, provisos and restrictions in or under the said regulations imposed upon lessees or upon the lessee, which said regulations are to be read and construed as if they were herein set forth.

3. That the lessee shall and will keep correct books of such kind, and in such form as may be prescribed by the Minister, showing the quantity of petroleum and natural gas taken out of the said lands, and whenever required so to do shall submit such books to the inspection of any officer or person appointed or authorized by the Minister to examine the same for the purpose of verifying the returns made by the lessee.

4. That the lessee shall and will, during the said term, make such provision for the disposal of the ore, rock, waste or refuse of the said lands that the same shall not be an inconvenience, nuisance or obstruction to any railway right of way, roadway, pass, passage, river, creek, or place, or to any private, public or Crown lands, or conflict with or embarrass the operating of any other mines on the said lands, or in any manner whatsoever occasion any private or public damage, nuisance or inconvenience.

5. That the lessee shall and will at the end of each year of the term of the lease furnish the Minister with a statement, supported by affidavit, showing the number of days during the year that operations were carried on upon the said lands; the number of men employed upon such operations; the character of the work done; the depth attained; the total expenditure incurred; a detailed statement, also supported by affidavit, setting out fully the purpose for which such expenditure was incurred; the quantity of crude oil or natural gas obtained; the amount realized from the sale thereof, and all such further and other information as to the working and operations of any mines on the said lands as the Minister may from time to time notify the lessee he requires, it being understood that failure to furnish such yearly statements and affidavits will render the lessee subject to a fine of ten dollars for each day's delay in furnishing the same and to the cancellation of the lease by the Minister after a delay of three months.

6. That the lessee shall also make proper and reasonable compensation to any railway company for any damage caused to the right of way or station grounds of the railway or other property of the company upon the said lands.

7. That the lessee shall and will permit any inspector or other person duly authorized in that behalf, with all proper or necessary assistants, at all reasonable times during the said term, quietly to enter into and upon the said lands, mines and premises, and into all buildings erected thereon, and into any part thereof, and to survey and examine the state and condition thereof, so nevertheless that in so doing no unnecessary interference is caused with the carrying on of the mining work of the lessee; and shall and will by all means in his power aid and facilitate such inspector or other person in making such entry, survey and examination.

8. That within one year from the date hereof the lessee shall place upon the said lands such machinery and equipment suitable for carrying on prospecting operations as in the judgment of the Minister may be necessary, and shall within the same period furnish to the Minister an affidavit as to the character, quantity and value of such machinery and equipment and the date of its instalment upon the said lands.

9. That the lessee before commencing boring operations shall notify the Minister in writing of intention, the approximate date of such commencement and in such notice shall furnish the following information, viz:—

(1) The particular point on the location at which operations are to be conducted.

(2) The number or other designation by which the well shall be known, which number or designation shall not be changed without the consent of the Minister.

(3) The size and weight of casing to be used.

(4) The kind of drilling rig to be employed.

(5) The name and post office address of the person in charge of such operations.

10. That the lessee shall commence boring operations upon the said lands within fifteen months from the date of these presents and shall continue such boring operations with reasonable diligence to the satisfaction of the Minister, with a view to the discovery of oil or natural gas; and that if the lessee does not commence boring operations within the said period of fifteen months, or if having commenced such operations he does not prosecute the same with reasonable diligence in the opinion of the Minister, or if the lessee ceases to carry on the same boring operations for a period of three months, it shall be lawful for the Minister in his discretion, upon giving three months' notice in writing under his hand, to cancel these presents and terminate the estate or term hereby demised, and thereupon these presents and everything therein contained and the said estate or term shall absolutely cease, determine and be void, without re-entry or any other act or any suit or legal proceedings to be brought or taken by His Majesty; provided that His Majesty shall nevertheless be entitled to recover from the lessee the rent then accrued or accruing, and that any right of action of His Majesty against the lessee in respect of any antecedent breach of any of the said covenants, provisos, stipulations or conditions shall not thereby be prejudiced; it being further provided, however, that if satisfactory evidence is furnished by the lessee that he has expended the sum of at least two thousand dollars in actual boring operations by recognized methods upon the said lands in any year of the said term such expenditure shall be accepted as compliance by the lessee with this condition of the said lease for the year during which such expenditure was incurred.

11. That if the said lands should prove to yield oil in paying quantities the lessee will pump and work the wells faithfully and uninterruptedly with due vigour and skill, with good and sufficient machinery and appliances, in accordance with the provisions of the said regulations and to the satisfaction of the Minister, so long as the said wells continue to yield oil in remunerative quantities.

12. That the lessee shall at all times take reasonable measures to prevent the injurious access of water to the oil bearing formation; and that upon a well proving to be unproductive or ceasing to yield oil in paying quantity or being abandoned for any cause, the lessee shall be at liberty to withdraw the casing from the said well, but in order to prevent water gaining access to the oil-bearing formation the lessee shall immediately and effectively to the satisfaction of the Minister, close such well by filling it with sand, clay or other material which would have the effect of preventing water from gaining access thereto.

13. That the lessee, in case natural gas is discovered through boring operations on the said lands shall immediately take all reasonable and proper precautions to the satisfaction of the Minister, to prevent the waste of such natural gas and shall conduct his operations in such manner and by such method as shall enable him upon discovery to control and prevent the escape of such gas.

14. That the lessee, in case salt water is met with through operations on the said lands, shall immediately and effectively, to the satisfaction of the Minister, close the well at such a depth as shall prevent such salt water from gaining access to the oil-bearing formation.

15. That if it is not established to the satisfaction of the Minister that oil or natural gas, in paying quantity, has been discovered on the said lands these presents shall be subject to termination upon two years' notice in writing being given by the Minister to the lessee.

16. That the lessee shall and will during the said term, open, use and work any mines and works opened and carried on by him upon the said lands in such manner only as is usual and customary in skilful and proper mining operations of similar character when conducted by proprietors themselves on their own lands with good and sufficient machinery and appliances in accordance with the provisions of the said regulations to the satisfaction of the Minister, and when working the same shall keep and preserve the said mines and works from all avoidable injury and damage, and also the roads, ways, works, erections and fixtures therein and thereon in good repair and condition, except such as the matters and things last aforesaid as shall from time to time be considered to be unnecessary for the proper working of any such mine by any inspector or other person, authorized by the Minister to inspect and report upon such matters and things but so that no casing placed in any mine shall be removed or impaired, and in such state and condition shall and will at the end or sooner determination of the said term deliver peaceable possession thereof and of the said lands to His Majesty.

17. That the lessee shall and will during the said term enclose and keep enclosed all abandoned openings or excavations made in connection with or for the purpose of mining operations on the said lands with fences or walls sufficient to prevent cattle and other animals falling thereinto, such fences or walls to be of a height and character satisfactory to the Minister or to the inspector or other person duly authorized by him as aforesaid, and to comply with any regulations or directions from time to time made or given by the Minister.

18. That in case the lessee desire to abandon a well he shall before doing so and before removing the rig derrick or other operating structure therefrom and the casing or any part thereof from a well give the Minister thirty days' written notice of his intention so to do and shall use his best efforts in accordance with the most modern methods to shut off and prevent water from entering the oil-bearing strata encountered in such well or wells and before commencing the removal of the rig and other material as aforesaid permission of the Minister or such officer as he may designate for that purpose shall be necessary and when making the application to abandon such a well the lessee shall furnish a plan of the log of the well, and submit a declaration setting forth the following information:—

(1) The approximate date upon which the proposed abandonment or removal shall begin
(2) The quantity and size of casing in the well.
(3) The quantity and size of casing proposed to be removed
(4) The depth at which water was encountered
(5) The manner in which water has been or will be effectively shut off
(6) The depth at which Natural Gas was encountered
(7) Whether any gas will be wasted or permitted to escape from the well by reason of the abandonment.

and failure or neglect to comply in any respect with this regulation shall render this lease and any lease or leases with which the same may be grouped as provided by the said regulations liable to forfeiture at the option of the Minister.

19. That in case the said lands or any portion or portions thereof are subject to any terminable grant by lease or otherwise from the Crown the lessee shall not because of these presents, without the consent of the Minister in writing being first had and obtained, be entitled to entry upon the said lands or portion or portions thereof.

20. That if the rent hereby reserved or any part thereof shall be unpaid for thirty days after becoming payable, whether formally demanded or not, or if any covenant, proviso, stipulation or condition on the part of the lessee herein contained shall not be performed or observed, then and in any of the said cases it shall be lawful for the Minister in his discretion by notice in writing under his hand to cancel these presents and terminate the estate or term hereby demised, and thereupon these presents and everything therein contained and the said estate or term shall, from the time of the giving of such notice, absolutely cease, determine and be void without re-entry or any other act or any suit or legal proceedings to be brought or taken, provided that His Majesty shall nevertheless be entitled to recover from the lessee the rent then accrued or accruing, and moreover, that any right of action of His Majesty against the lessee in respect of any antecedent breach of any of the said covenants, provisos, stipulations or conditions, shall not thereby be prejudiced.

21. That within two months from the termination of this lease from any cause, if rent and royalty due thereunder shall have been paid, and all provisos, conditions, restrictions and stipulations hereby imposed upon the lessee shall have been duly observed and performed, the lessee may remove from the said lands all tools and machinery, buildings and erections which he may have placed thereon, but shall not remove or unpack any of the casing which is necessary to the use and maintenance of the shafts or wells in, or, if none on the said lands, or any article, matter or thing the removal of which might cause such mine to cave in or give way, and that in default or without such permit or two months' all such tools and machinery, buildings and erections shall be absolutely forfeited and shall become the property of His Majesty.

22. That if in the opinion of the Minister the said petroleum or its products or any portion thereof should at any time during the demise be required for the use of His Majesty's Canadian Navy the Minister shall have a right of pre-exemption of all crude petroleum or of its products gotten or won under the demise for such use as aforesaid, the price to be agreed on between the Minister and the lessee or in case of difference to be fixed by the Exchequer Court of Canada.

23. That in consequence of such grant, survey or of any cause whatsoever the said demised premises are found to be not a portion of the petroleum and natural gas rights demised to any other person under the regulations of any Order of the Governor General in Council, the lessee whose application was first recorded in accordance with the provisions of such regulations shall have priority.

24. That the lessee shall not assign, transfer or sublet the rights hereby granted or any part thereof without the consent thereto in writing of the Minister being first had and obtained.

25. That no waiver on behalf of His Majesty of any breach of any or either of the provisos, conditions, restrictions and stipulations herein contained, whether negative or positive in form, shall take effect or be binding upon him, unless the same be expressed in writing under the authority of the Minister, and any waiver so expressed shall extend only to the particular breach so waived and shall not limit or affect His Majesty's rights with respect to any other or future breach.

26. That no implied covenant or liability of any kind on His Majesty's part is created by the use of the words "demise" or "lease" herein, or by the use of any other word or words herein, or shall otherwise arise by reason of these presents or anything therein contained.

27. That any notice, demand or other communication which His Majesty or the Minister may require or desire to give or serve upon the lessee may be validly given or served by the Secretary or the Assistant Secretary of the Department of the Interior, and that any notice affecting the tenancy hereunder which the lessor may desire to serve upon the lessee, shall be sufficiently served on the lessee, if left addressed to him on the demised premises or posted to him addressed to his last known address, or if left at the said address. A notice sent by post shall be deemed to be given at the time when in the course of post it would be delivered at the address to which it is sent.

28. That where the context permits the expression "lessee" herein includes the lessee, his heirs, executors, administrators and assigns, as the case may be, and the expression "His Majesty" includes His successors and assigns of His Majesty, and the expression "Minister" includes the successors in office of the Minister of the Department of the Interior and the Deputy or Acting Deputy of the Minister of the Interior.

IN WITNESS WHEREOF the Deputy of the Minister of the Interior has hereunto set his hand and the seal of the Department of the Interior, and the lessee has hereunto set his hand and seal on the day and year first above written.

LEASE OF

Petroleum & Natural Gas Rights
In School Lands

Ref. 280786 on 11558 (School Lands).

AT THE GOVERNMENT HOUSE AT OTTAWA.

THURSDAY, the 29th day of April, 1920.

PRESENT:

HIS EXCELLENCY THE ADMINISTRATOR IN COUNCIL

P.C. No. 926

WHEREAS by Orders in Council, dated the 14th May, 1913, and the 7th April, 1914, Regulations were established for the issue of leases for the Petroleum and Natural Gas rights in School Lands in the provinces of Manitoba, Saskatchewan and Alberta, the Regulations being made to conform as nearly as the different conditions would permit with those governing the issue of leases of Dominion Lands for the same purpose;

AND WHEREAS the Minister of the Interior reports that several amendments have been made to the Regulations governing the leasing of Dominion Lands for Petroleum and Natural Gas purposes, and it is considered advisable to have the Regulations for the issue of leases on School Lands for this purpose still conform as nearly as possible with those governing the issue of leases on Dominion Lands;

THEREFORE His Excellency the Administrator in Council, on the recommendation of the Minister of the Interior is pleased to order and it is hereby ordered as follows:—

The Regulations for the issue of leases of the Petroleum and Natural Gas rights in School Lands in the provinces of Manitoba, Saskatchewan and Alberta, established by Orders in Council dated the 14th May, 1913, and the 7th April, 1914, are hereby rescinded and the accompanying Regulations are hereby made, established and substituted therefor.

to the Honourable
The Minister of the Interior.

Published in the *Canada Gazette* of 5th June, 1920, Vol. 53, No. 49, for the fourth consecutive week.

REGULATIONS for the issuing of the Petroleum and Natural Gas rights in School Lands in the provinces of Manitoba, Saskatchewan and Alberta, approved by Order in Council, dated 20th April, 1920

"Minister" shall mean the Minister of the Interior of Canada.

"Adjoining" lands shall be those which are not separated by a section or by any of the regular subdivisions into which the section may be divided.

"Location" shall mean the tract described in a Petroleum and Natural Gas lease.

"Group" shall mean two or more of the locations described in Petroleum and Natural Gas leases consolidated for purposes of operation.

"Lessee" means any individual, syndicate, corporation or municipality the holder of a Petroleum and Natural Gas lease in good standing.

"River" shall mean a stream of water the bed of which is on an average width of 150 feet throughout the portion thereof on which the tract applied for fronts.

1. The Petroleum and Natural Gas rights in School Lands, the title to which is vested in the Crown in the provinces of Manitoba, Saskatchewan and Alberta, may be leased by public auction sale or by application to the Agent for the first year and for each subsequent year at a rental at the rate of one dollar per acre, payable yearly in advance. The term of the lease shall be twenty-one years renewable for a further term of twenty-one years, provided the lessee can furnish, to the satisfaction of the Minister, evidence that during the term of the lease to be completed he will comply with the conditions of such lease, and with the provisions of the Regulations in force from time to time during the currency of the lease.

2. The maximum area of a Petroleum and Natural Gas location shall comprise one section, and no person shall be permitted to acquire a greater area except by assignment.

Provided that a person who has been granted a lease for a location, and who subsequently abandons or assigns the same may, after the expiration of twelve months from the date of such lease, apply for an area not greater than that abandoned or assigned.

Provided further, however, that such right shall not be granted unless all payments on account of rent or other liability to the Crown, due by such person, have been duly made up to the date of the registration in the Department of the assignment of his right in said lease or up to the date upon which the notice of the abandonment of the same was received by the Department.

Provided also that such right shall not be granted until the person has satisfied all claims of the Department on account of actions or of issues recorded in his name and which have been entered for non-payment of rental or for any other cause.

3. The location applied for shall consist of a section, or one or more legal sub-divisions or of such portions thereof, but the several parcels comprising the location shall be adjoining and the length of the tract shall not exceed three times its breadth.

4. Application for a lease of the Petroleum and Natural Gas rights on School Lands shall be filed by the applicant in person with the Agent of Dominion Lands for the district in which the rights applied for are situated, or with a Sub-agent for such district for transmission to the Agent, but priority of application shall be based upon the date of the receipt of such application in the office of the Agent of Dominion Lands for the district.

5. The rental for the first year of each location applied for at the rate of fifty cents an acre per annum must accompany the application filed in the office of the Agent of Dominion Lands for the district in which the rights applied for are situated, and no application for a lease of Petroleum and Natural Gas rights shall be received, or entered unless it is accompanied by the full amount of the rental for the first year at the above rate. The lease when issued, in each case shall bear date as the day upon which it is so issued

or the date of the acceptance of the application, whichever may be the earlier. If, during the term of the lease, the lessee fails to pay rental in advance for each subsequent year the rate of one dollar an acre per annum within thirty days after the date on which the same became due, the lease shall be subject to cancellation in the discretion of the Minister and to the immediate forfeiture of the rights which the lessee had in the said lease.

Provided that if the lessee, in consideration of the expenditure to be incurred by him in actual boring operations upon his leasehold, makes application, at or before the beginning of the second and third years, respectively, of the term of the lease, for an extension of time within which to pay the rental when due, or becoming due, the Minister may grant such extension of time in writing, and if the lessee, before the end of the year in respect of which application was made, submits evidence to the Agent of Dominion Lands of the district in which the leasehold is situated, supported by affidavit, that during such year actual boring operations have been prosecuted upon his leasehold as required by Section 7 of these Regulations, the amount expended in such boring operations, exclusive of the cost of machinery and casing, may be deducted from the rental which becomes due at the beginning of the said year. The balance of rental due at that time shall be paid at the same time as the evidence in regard to work done is submitted as above required. Failure to submit such evidence, or to pay the balance of rental due, with interest, will render the lease liable to cancellation in the manner provided.

6. The lessee shall, within one year from the date of the lease, have upon the lands described therein such machinery and equipment suitable for carrying on prospecting operations as the Minister may consider necessary, and he shall within the same period furnish evidence, supported by affidavit, showing the character, quantity and value of the machinery so installed, the date of its installation and the particular parcel of land upon it was installed. If the required machinery is not installed within the period specified, and if evidence of its installation is not furnished within the prescribed period, the lease shall be subject to cancellation in the discretion of the Minister. Provided, however, that the Minister shall not require that the value of the machinery so installed on a location shall exceed the sum of five thousand dollars ($5,000).

7. The lessee shall commence boring operations on his leasehold within fifteen months of the date of his lease, and he shall continue such boring operations with reasonable diligence, to the satisfaction of the Minister with a view to the discovery of Oil or Natural Gas. If the lessee does not commence boring operations within the time prescribed, or if having commenced such operations he does not prosecute the same with reasonable diligence, to the satisfaction of the Minister, or if he ceases to carry on the same for a period of more than three months, the lease shall be subject to cancellation in the discretion of the Minister, upon three months' notice to this effect being given to the lessee. Provided, however, that if satisfactory evidence is furnished to show that the sum of at least two thousand dollars ($2,000) has been expended in actual boring operations by recognized methods, upon the leasehold in any year, such expenditure shall be accepted as compliance with this provision for the year during which such expenditure shall have been incurred.

8. The Minister may permit a lessee, who has acquired by assignment or otherwise, more than one Petroleum and Natural Gas lease, to consolidate his operations and expenditure, and to instal machinery and equipment on one or more of the locations described in the leases affected.

Provided that such consolidation or grouping shall apply only to the second and third years of the term of the leases, and shall comprise only such leases as may at the time be included in such consolidation or grouping. Evidence of the installation of machinery on one or more of the locations included in a group shall be that prescribed by Section 6 of these Regulations. If the required machinery is not installed on one or more of the locations included in a group within the period specified and evidence of its installation furnished within the prescribed period, and if boring operations are not commenced and continued on such section or sections in the manner set out in Section 7 of these Regulations, the leases included in the group shall be subject to cancellation in the discretion of the Minister.

9. The Minister may, in consideration of the expenditure to be incurred by a lessee in boring operations upon one or more of the locations included in a group, grant an extension of time within which to pay the rental and to install the prescribed machinery and equipment, and second and third years of the term of the several leases so included, and upon receipt of the evidence required by Section 5 of these Regulations, he may deduct from the rental which became due at the beginning of the year in respect of the several locations grouped, the amount expended in actual boring operations on one or more of the locations, exclusive of the cost of machinery and casing. The balance of the rental due, if any, shall be paid at the same time as the evidence in regard to work done is submitted, as above required. Failure to submit such evidence or pay the balance of the rental due, with interest, will render the several leases included in the group liable to cancellation.

10. Provided, however, that the Minister shall not require that the value of the machinery to be installed on any group of locations shall exceed the sum of ten thousand dollars ($10,000), nor shall he require that the expenditure incurred in boring operations thereon in any one year shall exceed the sum of two thousand dollars ($2,000) for each location included in the group.

Provided further that the Minister may, in his discretion, allow the grouping of School Land leases with Dominion Lands leases to meet the requirements of these Regulations relative to the installation of machinery and boring operations, but in all cases where boring operations have not been performed on one or more of the School Land leases included in the group, the lessee shall be required to pay the annual rental on said School Land lease or leases, as provided for in Clause 5 of these Regulations.

The maximum area of the locations which may be included in one consolidation or group shall not exceed twenty square miles, nor shall the locations so included be separated one from the other by a greater distance than two miles.

11. The Minister may, upon application, grant a lessee during the second and third years of the term of the lease an extension of time within which to pay the rental and to install the prescribed machinery and equipment, and within which to commence actual boring operations upon the location, or upon a group of locations consolidated under the provisions of these Regulations; provided that evidence to the satisfaction of the Minister is furnished to show that an expenditure equal to that prescribed by these Regulations in respect of boring operations, is to be incurred in some other acceptable and necessary form of preliminary development, having for its object the discovery of Petroleum and Natural Gas, by which the interests of the district in which the locations are situated might be materially benefited. Upon receipt of evidence on or before the termination of the year, supported by affidavit and duly corroborated, that such expenditure has been incurred, and that the work done was of a character beneficial to the district, the Minister may deduct the amount of such expenditure from the amount due on account of the rental of the location or locations affected, in the manner prescribed in Section 5 of these Regulations. In case evidence is not furnished, or if furnished, is not acceptable to the Minister, the leases shall be subject to immediate cancellation in the discretion of the Minister.

In case an extension of time is granted during the second and third years of the term of a lease within which to install machinery and commence boring operations on any location under the grouping provisions of these Regulations, then the provisions of Sections 6 and 7 of the Regulations shall apply to the fourth year of the term of the lease of such location.

12. If the expenditure incurred in boring operations on a location or on a number of locations, grouped under the provisions of these Regulations, has been accepted as satisfaction of the rental of such location or group for the second and third years of the term of the lease or of the leases affected as provided for in Sections 5, 9 or 11 of these Regulations, the Minister may, in consideration of the further expenditure to be incurred in actual boring operations for the discovery of Petroleum or Natural Gas grant the lessee an extension of time within which to pay the rental for the fourth and for the fifth years, respectively, of such term, and if the lessee, before the end of the year for which the extension was granted submits satisfactory evidence

supported by affidavit, to show that during such year actual boring operations have been prosecuted with reasonable diligence upon the location or upon the group of locations, the amount expended in such boring operations, exclusive of the cost of machinery and casing, may, in the discretion of the Minister, be deducted from the rental which became due at the beginning of the said year, provided that Petroleum or Natural Gas in paying quantity has not, in the opinion of the Minister, been discovered on the location or on the group of locations affected by such extension.

13. In case the surface rights of a Petroleum and Natural Gas location are covered by a timber license, grazing or coal mining lease, mining claims or other form of termanable grant the lessee shall not authorize entry thereon without the permission of the Minister being first had and obtained, and such permission, if granted, shall be subject to such conditions for the protection of the rights of such lessee or licensee as it may be considered necessary to impose.

14. In case the surface rights of a Petroleum and Natural Gas location have been patented, or have been disposed of by the Crown under any Act or Regulation which contemplates the earning of patent for such surface rights, and the lessee of the Petroleum and Natural Gas rights cannot make an arrangement with the owner of the surface rights, or with his agent, or the occupant thereof, for entry upon the location, or for the acquisition of such interest in the surface rights as may be necessary for the efficient and economical operation of the rights acquired under his lease, he may, provided the mineral rights in the land affected with access thereto and the right to use and occupy such portion of the land as may be necessary for the efficient working of the minerals therein have been reserved to the Crown in the original grant of the surface rights, apply to the Minister for permission to submit the matter in dispute to arbitration. Upon receiving such permission in writing, it shall be lawful for the lessee to give notice to the owner, or his agent, or the occupant, to appoint an arbitrator within a period of sixty days from the date of such notice, to act with another arbitrator named by the lessee in order to determine what portion of the surface rights the lessee may reasonably acquire:—

(*a*) For the efficient and economical operation of the rights and privileges granted him under his lease,

(*b*) The exact position thereof, and

(*c*) The amount of compensation to which the owner or occupant shall be entitled.

15. The notice mentioned in this Section shall be according to a form to be obtained upon application to the Agent of Dominion Lands for the district in which the land in question is situated, and shall, when practicable, be personally served on the owner of such land, or his agent, if known, or the occupant thereof, and after reasonable efforts have been made to effect personal service without success then such notice shall be served by leaving it at, or sending it by registered mail, to the last known place of abode or address of the owner, agent or occupant, and by posting a copy of the same in the office of the Agent of Dominion Lands for the district in which the land in question is situate. Such notice shall be ten days if the owner, or his agent, resides in the district in which the land is situate, if out of the district and in the province or territory, twenty days, and if out of the province or territory, thirty days, before the expiration of the time limited in such notice. If the owner, or his agent, or the occupant of the land refuses or declines to appoint an arbitrator, or when, for any reason, no arbitrator is so appointed in the time limited therefor in the notice provided for by this Section, the Agent of Dominion Lands for the district in which the land in question is situate shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of such owner, agent or occupant, or that such owner, agent or occupant wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service, and that the notice was left at the last place of abode or known address of such owner, agent or occupant, as above provided, appoint an arbitrator on his behalf.

16. In case the two arbitrators cannot agree upon the award to be made, they may, within a period of ten days from the date of the appointment of the second arbitrator, select a third arbitrator, and when such two arbitrators

cannot agree upon a third arbitrator, the Agent of Dominion Lands for the district in which the land in question is situate, shall not with select such third arbitrator.

17. All the arbitrators appointed under the authority of these Regulations shall be sworn before a justice of the peace to the impartial discharge of the duties assigned to them, and after due consideration of the rights of the owner and the needs of the lessee, they shall decide as to the particular portion of the surface rights which the latter may reasonably require for the efficient and economical operation of the rights and privileges granted him under his lease, the area thereof and the amount of compensation therefor or to which the owner or occupant shall be entitled.

18. In making such valuation the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals thereunder.

19. The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the land is situate within twenty days from the date of the appointment of the last arbitrator. Upon the order of the Minister, the award of the arbitrators shall immediately be carried into effect.

20. The arbitrators shall be entitled to be paid a per diem allowance of $5.00 together with their necessary travelling and living expenses, while engaged in the arbitration, and the costs of such arbitration shall be in the discretion of the arbitrators.

21. The lessee shall at all times take reasonable measures to prevent the injurious access of water to the oil-bearing formation. Upon a well proving to be unproductive or ceasing to yield oil in paying quantity, or being abandoned for any cause, the lessee shall be at liberty to withdraw the casing from the said well, but in order to prevent water gaining access to the oil-bearing formation, the lessee shall immediately close the well by filling it with sand, clay or other material which may have the effect of preventing water from gaining access thereto.

In case Natural Gas is discovered through boring operations on a location, the lessee shall take all reasonable and proper precautions to prevent the waste of such Natural Gas, and his operations shall be so conducted as to enable him, immediately upon discovery to control and prevent the escape of such gas.

Should salt water be encountered through operations upon the location, the lessee shall immediately and effectively, to the satisfaction of the Minister, close the well at such a depth as may prevent such water from gaining access to the oil bearing formation.

The Minister may from time to time, make such additional regulations as may appear to be necessary or expedient governing the manner in which boring operations shall be conducted, and the manner in which the wells shall be operated.

Failure on the part of the lessee to comply with the above requirements or to comply with such other requirements as the Minister may consider it necessary to impose in respect of boring and operating will render the lease subject to cancellation in the discretion of the Minister.

22. In the event of Natural Gas being discovered through boring operations conducted on a Petroleum and Natural Gas location acquired under the provisions of the Regulations, or in the event of water being encountered through such operations, if the escape of such gas is not prevented, or if the flow of such water is not controlled, the Minister may take such effective measures as may appear to him to be necessary or expedient in the public interest to control and prevent the escape of Natural Gas, or to close the well at such depth as may prevent the water from gaining access to any oil-bearing formation, or both, or to prevent water from gaining access to or escaping from such well, and to recover from the lessee of the location upon which the well was bored all costs and expenses incurred by the Crown in stopping the escape of Natural Gas, or the ingress or egress of water to or from the well, or in closing the well at such a depth as may prevent such water from gaining access to such oil-bearing formations. In taking such means for the control of the

gas or water, the Minister may appoint such agent or agents as he may deem necessary, and may authorize such agent or agents to enter upon the premises and perform the work, and for that purpose to take possession of and use any drilling rig, derrick, tools, machinery or any other appliances or equipment necessary for the performance of the work, which may be upon the location, or which may be the property of the lessee.

The lessee shall, before commencing boring operations on a location acquired under the provisions of the Regulations, notify the Minister in writing of his intention to commence such operations, and the approximate date, and such notification shall contain the following information:

1. The particular point on the location at which operations are to be conducted.

2. The number or other designation by which the well shall be known, which number or designation shall not be changed without the consent of the Minister.

3. The size and weight of casing to be used.

4. The kind of drilling rig to be employed.

5. The name and post office address of the person in charge of such operations.

Failure or neglect on the part of the lessee to so notify the Minister of his intention to commence boring operations or to furnish the information provided for, shall render the lease liable to cancellation as well as any lease or leases with which the same may be grouped under the Regulations.

In case the lessee desires to abandon a well bored on a location acquired under the Regulations, he shall before abandoning the same and before removing the rig, derrick or other operating structure thereon and before removing any part of the casing in the well, notify the Minister in writing of his intention so to do and use every effort in accordance with approved methods to seal off and exclude all water from entering the oil-bearing strata which may have been encountered in the well. Before commencing the removal of the casing, rig, derrick or other operating structure, the lessee shall obtain written permission to do so from the Minister, or from such officer as the Minister may designate for that purpose. The lessee shall, when making application to abandon, furnish a plan of the log of the well, if he has not already done so, and submit a declaration containing the following information:

1. The approximate date upon which the proposed abandonment or removal shall begin.

2. The quantity and size of casing in the well.

3. The quantity and size of casing proposed to be removed.

4. The depth at which water was encountered.

5. The manner in which water has been or will be effectively shut off.

6. The depth at which Natural Gas was encountered.

7. Whether any gas will be wasted or permitted to escape from the well by reason of the abandonment.

Failure or neglect on the part of the lessee to comply fully with the Regulations shall render the lease liable to cancellation, as well as any lease or leases with which the same may be grouped under the provisions of the Regulations.

23. The lessee may be permitted to relinquish at any time the whole or any portion of a location described in his lease, provided he has complied in every respect with the provisions of the Regulations and filed all payments on account of the rental or other liability to the Crown due in connection with

the lease, have been fully made, and provided the portion of the location which may be retained shall be of the prescribed shape, and shall not be of a less area than forty acres.

24. The lease shall in all cases include only the Oil and Natural Gas rights, which are the property of the Crown, but the lessee may, upon application, be granted a yearly lease at the rate of one dollar an acre per annum, payable yearly in advance, of whatever area of the available surface rights of the tract described in his Petroleum and Natural Gas lease the Minister may consider necessary for the efficient and economical working of the rights granted him.

25. If it is not established to the satisfaction of the Minister that Oil or Natural Gas in paying quantity has been discovered on the leasehold, the lease shall be subject to termination upon two years' notice in writing being given to the lessee by the Minister.

26. The boundaries beneath the surface of a location shall be vertical planes or lines in which their surface boundaries lie.

27. A fee of five dollars shall accompany each application for a lease, which will be refunded if the rights applied for are not available, but not otherwise.

28. The lease shall be in such form as may be determined by the Minister of the Interior in accordance with the provisions of these Regulations.

29. The lessee shall not assign, transfer or sublet the rights described in his lease, or any part thereof, without the consent in writing of the Minister being first had and obtained.

30. The sales of the products of any location acquired under the provisions of these Regulations shall be subject to the payment to the Crown of such royalty thereon as may from time to time be fixed by the Governor in Council, the royalty to be collected in such manner as may be specified by the Minister.

31. Any company acquiring by assignment or otherwise a lease under the provisions of these Regulations, shall be a company registered or licensed in Canada and having its principal place of business within His Majesty's Dominions.

32. The Minister may at any time assume absolute possession and control of any location acquired under the provisions of these Regulations, if in the opinion of the Government of Canada such action is considered necessary or advisable together with all buildings, works, machinery and plant, upon the location, or used in connection with the operation thereof, and he may cause the same to be operated and may retain the whole or any part of the output, in which event compensation shall be paid to the lessee for any loss or damage sustained by him by reason of the exercise of the powers conferred by this provision of the Regulations, the amount of the compensation, in case of dispute, to be fixed by a Judge of the Exchequer Court of Canada provided that the compensation in any such case shall not exceed the profit which the lessee would have earned in the working of the location and the disposal of the produce thereof, had possession and control of the location and of the buildings, works, machinery and plant not been assumed.

33. If the location described in any lease under the provisions of these Regulations shall yield oil in paying quantity, the lessee shall pump and work the wells regularly and uninterruptedly with due rigour and skill, with good and sufficient machinery and appliances in accordance with the provisions of the Regulations and to the satisfaction of the Minister, so long as the said wells continue to yield oil in remunerative quantity.

34. At the end of each year of the term of the lease, the lessee shall furnish a statement supported by affidavit showing the number of days during the year that operations were carried on upon the location; the number of men so employed; the character of the work done; the depth attained; the total expenditure incurred; a detailed statement setting out fully the purpose for which such expenditure was incurred; the quantity of Crude Oil or Natural Gas disposed of; and the amount realized from the sale thereof. Failure to furnish such yearly return will render the lessee subject to a fine of ten dollars a day for each day's delay in furnishing the sworn statement and after three months' delay the lease shall be subject to cancellation.

35. These Regulations shall apply to all applications submitted on or after the first day of May, 1920.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

I am in receipt of your letter of the 30th ultimo, in connection with the Petroleum and Natural Gas Leases referred to above, which leases are recorded here in the name of the Most Honourable, the Marquis of Anglesey.

Concerning the matter of moneys expended in drilling operations on Legal Subdivision 1 of Section 22, Township 21, Range 1, West of the 5th Meridian, I may say that this parcel of land does not form a portion of the School Endowment, [illegible] does it appear that the land is held under lease from this Department.

Under the provisions of the School Lands regulations, it is not possible to accept in satisfaction of rentals accruing on School Lands leases credits established in drilling operations on a Dominion Land lease, or on privately owned lands.

Under the circumstances, as the moneys expended in drilling operations in this case appear to have been expended on a privately owned location, it will not be possible to grant the lessee credit in connection with the above mentioned leases for any portion of such expenditures.

I might further add that unless it is the intention to conduct drilling operations on one of the School Lands leases referred to herein, it would seem that in order to retain the leases in good standing, it will be necessary to make payment of the outstanding rentals in cash.

Re the Marquis of Anglesey and Petroleum and Natural Gas Permits 3495, 3496, 3493, 3490, 3491, 3489, 3492 & 3494 S.L.

I am in receipt of your letter of the 7th instant, in connection with the leases referred to above, and note your inquiry concerning credits on account of drilling operations.

In reply, I beg to inform you that, under the provisions of the regulations pertaining to the disposal of petroleum and natural gas rights in School lands, it is not possible to grant a lessee credit in connection with moneys expended in drilling operations unless such moneys have been expended on the School lands leases affected, or on one of the said leases grouped with others for the purpose of consolidation.

Under the circumstances, you will observe that it is not possible to allow credits in connection with petroleum and natural gas leases on School lands for moneys expended in drilling operations on a Dominion Lands lease, or on privately owned lands.

In this regard, I beg to refer you to the latter portion of paragraph two of the Departmental letter to you of the 2nd idem.

The Marquis of Anglesey

With reference to the leases of the rights referred to above, I beg to advise that these leases are seriously in default, owing to non-payment of the annual rentals past due in connection therewith.

In connection with each of the leases, rental is past due for a period of two years, together with arrears of interest; and as it appears that drilling operations are not being conducted on any of the leases in question, it is desired that you will advise as to the intentions of His Lordship, the Marquis of Anglesey, in the matter of making payment of the indebtedness referred to.

If it is not the wish of the lessee to retain these leases, this Department should be advised of that fact and the leases returned here for cancellation.

Would you be good enough to let me hear from you in this regard at as early a date as possible.

Rentals in connection with the above mentioned leases are past due for a period of two years, amounting to $342.13 rental and interest.

The lessee has on several occasions been notified as to the necessity of liquidating the indebtedness and no reply has been received to the communications referred to.

On the 15th January last, the lessee's Agent, Mr. J.F.E. Pitson, Palliser Hotel, Calgary, was communicated with and it was pointed out that as it appeared that drilling operations were not being conducted on any of the leases in question, it was the wish of the Department that he advise as to the intentions of the lessee in the matter of making payment of the indebtedness referred to, and that if it were not the intention of the lessee to retain the leases, the Department should be advised to that effect and the leases returned for cancellation.

No reply was received to that communication and on the 4th March last the lessee was communicated with in regard to the matter and allowed a final period of thirty days from that date within which to make payment of the outstanding rentals, or show cause why cancellation of the leases should not be carried out. It was again asked that if it were not the intention of the lessee to retain the leases, the Department be advised so that further action could be taken.

It appears that the lessee in this case expended a

.....

cons[illegible]ble amount of money on a privately owned location.

A letter bearing date of the 21st January last was received in the Department from Messrs. Galbraith & Littleton, Limited, Investment Brokers, [illegible] Street, Calgary, Alberta, in which it was stated that the writer was dealing with the correspondence of Mr. J.H.S. Pitson, who was away in [illegible], and that the Departmental letter of the 16th January referred to had been forwarded to him in London, and it was asked that no drastic measures be taken until he had at least had time to reply.

As no reply has been received to the Departmental letters of the 16th January and the 4th March last and as the lessee, or his agent, had had ample time to reply to those communications, it is inferred that it is not the intention of those interested to retain the leases, in view of which fact, I recommend that cancellation of same be carried out.

N.½ of Sec. 11-21-1 W. 5 M.

I beg to draw your attention to departmental letter addressed to you on the 31st ultimo, notifying you of cancellation of the above mentioned lease, which was recorded in your books, and which lease was duly cancelled in the records of the Department on the above mentioned date.

I must state that your indebtedness in connection with this lease on the date cancellation was carried out was as follows:

Rental ——— $31.1[illegible]
Interest ——— [illegible]

The amount of rental above shown above bears interest at seven per cent from the above mentioned date until the date payment is received in the Department, and it is desired that the [illegible] make the necessary returns in order that the account might be closed.

By a copy of this communication the [illegible] Recorder at Calgary is hereby advised of cancellation of the lease, and is authorized to make the [illegible] and natural gas rights [illegible] for disposal as in accordance with the regulations, unless he is aware of no reason to the contrary.

DEPARTMENT OF THE INTERIOR

cancellation of the leases should not be carried out. In this communication the lessee was advised that failure to communicate with the Department would result in cancellation being carried out.

No reply was received to the communication referred to and under date of the 28th of April last we referred the matter to the Mining Lands Branch advising them that final notices had been forwarded the lessee in regard to cancellation and that it was understood that the lessee was engaged in drilling operations as a private enterprise on a Dominion Lands lease, or privately owned land in that district, and we requested the Mining Lands Branch to advise if they had any evidence as to drilling operations being conducted by the lessee and whether they were aware of any reason why cancellation of these leases should not be carried out.

In the meantime we received a communication from Messrs. Galbraith and Littleton, Ltd., of Calgary, Alberta, advising that Mr. Aitson had gone to England and that our letter dated the 16th of January had been forwarded to him there, and requesting that no drastic measures be taken until he had time to reply.

Under date of the 10th ultimo Mr. Lock of the Mining Lands Branch advised that The Most Honourable, The Marquis of Anglesey was the recorded owner of thirty-four petroleum and natural gas leases, comprising locations situated in Township 21, Range 29, West of the 4th Meridian, and that evidence had been submitted showing that a well had been drilled on Legal Subdivision 1 of Section 12, Township 21, Range 1, West of the 5th Meridian, a privately owned location, and that the expenditure was accepted in satisfaction of the rental for the second and third years of the term of the leases mentioned, and credit was granted on account of excess expenditure, which was sufficient to keep the leases in good standing for a number of years.

In this memorandum Mr. Lock pointed out that it would appear that it was not the intention to drill a further well and as the expenditure on the privately owned location could not be applied on account of the rental on School Lands berths, there was no reason why cancellation should not be carried out.

We, therefore, submitted a memorandum recommending cancellation of the leases, which was approved by Mr. Fitzsimons and under date of the 21st ultimo communications were addressed to the Most Honourable, The Marquis of Anglesey, c/o J.F.B. Aitson, Esq., Palliser Hotel, Calgary, Alberta, advising that the leases had been cancelled owing to non-payment of rental and interest owing and failure to comply with the provisions of the regulations.

Under date of the 14th instant further communications were addressed to the lessee, in care of Mr. Aitson, notifying

him.....

him of the amount of rental and interest owing as on the date of cancellation and requesting payment of same, and advising that by copies of said communications the Mining Recorder at Calgary was being notified to make the petroleum and natural gas rights available for further disposition in accordance with the regulations.

The communications addressed to the lessee, in care of Mr. Aitson, under date of the 21st ultimo, notifying him of cancellation, have apparently all been returned to the Department marked, "Unclaimed." However, in view of the fact that neither the lessee nor Mr. Aitson replied to the former communications notifying them of the intention of the Department to cancel the leases, and in view of the representations made by the Mining Lands Branch to the effect that no drilling operations were being carried on, I think the Department was justified in cancelling the leases and in making the rights available for further disposition, nor do I think the Department would be justified in withdrawing cancellation as suggested in the cablegram.

If, however, the Agent, down to date, has not posted the rights as available for disposition, we might wire him to withhold the posting until further advised, in order to afford the lessee an opportunity of applying for re-instatement of the rights we held in such cancelled leases and tender payment of the amount of rentals and interest owing as provided for in the regulations established under Order-in-Council P.C. 1211, bearing date of the 12th of July, 1928.

Referring to the attached lettergram addressed to the Minister by The Most Honourable, The Marquis of Anglesey, also to the letter addressed to the Deputy Minister by J.F. Littleton, bearing date of the 2nd instant, in regard to the cancellation of the above mentioned leases, I beg to report as follows:-

These leases on date of cancellation on the 21st ultimo stood in the name of The Most Honourable, The Marquis of Anglesey, and from correspondence on file, it would appear that Mr. J.F.B. Aitson of the Palliser Hotel, Calgary, Alberta, has been acting on his behalf.

Rental on each lease having been allowed to run in arrears for over two years, a communication was addressed to Mr. Aitson under date of the 16th of January last, notifying him that the leases were seriously in default, that rental was past due for a period of two years and that drilling operations were apparently not being conducted on any of the leases in question, therefore, the Department desired to be advised as to the intentions of the lessee in the matter of making payment of the indebtedness owing and also that if it was not the wish of the lessee to retain the leases, the Department should be advised of the fact in order that the leases might be cancelled.

As no reply was received to the communication the Department communicated direct with the lessee, in care of Mr. Aitson, Palliser Hotel, Calgary, Alberta, under date of the 4th of March last, granting a final period of thirty days within which to make payment of the outstanding indebtedness or show cause why

2nd July, 1930.

Re Petroleum and Natural Gas Berths Nos. 3462, 3489, 3490, 3491, 3492, 3493, 3494, 3495 and 3496 S.L.

Referring to memorandum of the 30th ultimo on file No. 92762, I might state that in my opinion the provisions of Order-in-Council of the 26th March, 1930, would not be applicable in these cases.

The leases do not appear to have been grouped with Dominion Lands leases for the purpose of meeting the requirements of the regulations prior to date of cancellation thereof; furthermore according to the Mining Lands Branch any expenditure incurred would appear to have been incurred on privately owned property and I do not think it is the intention to allow such expenditure in lieu of rentals on School Lands leases.

There is also the legal phase of the question, in case of reinstatement as provided for in the regulations established under Order-in-Council P.C. 1211, bearing date of the 14th July, 1920, as to whether any moneys standing to the credit of the lessee in the Department could be applied on account of rentals, in view of the fact that the leases have already been duly cancelled.

J.G. Martin, Esq.,
Commissioner of Dominion Lands,
O t t a w a .

Council dated the 14th day of July, 1928, and as shown on page 16 of said regulations hereunto.

A period of forty-five days from this date will be allowed the lessee within which to make application to have the leases re-instated and to pay the arrears of rental and interest owing thereon, failing which the Department will then take the necessary steps to have the petroleum and natural gas rights in the land affected made available for further entry under the regulations in this regard.

When these leases were cancelled as of the 31st day of May, 1930, there was owing on account of rental and interest as follows:

Parts	3482	- Rental -	$ 665.42	- Interest -	$ 68.30	
"	3489	- " -	261.10	- " -	20.45

Sirs:

Re: Petroleum and Natural Gas Permits -
3462, 3489, 3490, 3491, 3492, 3493,
3494, 3495 and 3496 S.E.

I beg to acknowledge receipt of your letter of the 2nd ultimo in regard to the leases comprising the above mentioned permits recorded in the name of The Most Honourable, The Marquis of Anglesey, and note your representations that there would appear to be a credit in the Department in the name of the lessee ample to protect said leases, and also to a cablegram received from the lessee from London, England, submitting that the drilling credits on petroleum lands be applied on account of the school lands leases and requesting that cancellation notices be withdrawn.

In reply I might state that after due consideration of the representations made, it has been decided that as the school lands leases referred to were not grouped with the petroleum leases prior to the date of cancellation of said leases for the purpose of consolidation, and furthermore as the credits established in connection with petroleum lands leases were for expenditure incurred in connection with drilling operations on privately owned property, the Department is not prepared to accept these credits in lieu of rentals owing on the school lands leases referred to above under the provisions of an Order-in-Council bearing date of the 26th. day of June, 1930.

In view of the representations made in your communication, the Agent of Dominion Lands at Calgary was instructed by wire to withhold the posting of the rights in the land comprised in the leases referred to as available for further disposition until further advised and as he has advised the Department that the rights have not as yet been posted, it would appear that the lessee might have said rights re-instated by making application to the Agent of Dominion Lands at Calgary and by paying up the arrears of rental and interest owing on said leases, as provided for under section 7 of the regulations approved by Order-in-Council.....

Re - Pet. & Nat. Gas Berth No. 3489 S.L.,
comprising
N.E.¼ of Sec. 11-21-1 W. 5 M.,

I beg to draw your attention to departmental letter addressed to you on the 21st ultimo, notifying you of cancellation of the above mentioned lease, which was recorded in your name, and which lease was duly cancelled in the records of the Department on the above mentioned date.

I might state that your indebtedness in connection with this lease on the date cancellation was carried out was as follows:

Rental ------ $261.10
Interest ---- 20.45.

The amount of rental shown above bears interest at seven per cent from the above mentioned date until the date payment is received in the Department, and it is desired that you will make the necessary remittance in order that the account might be closed.

By a copy of this communication the Mining Recorder at Calgary is being advised of cancellation of the lease, and is authorized to make the petroleum and natural gas rights again available for disposition in accordance with the regulations, provided he is aware of no reason to the contrary.

re Petroleum and Natural Gas Permits Nos. 3482, 3489, 3490, 3491, 3492, 3493, 3494, 3495 and 3496 S.L.

I beg to refer you to the Assistant Deputy Minister's memorandum of the 10th July last in regard to a cable received from Lord Anglesey in connection with the leases comprised in the above mentioned permits.

In regard to these cases the Agent of Dominion Lands at Calgary was requested by wire on the 10th June last to advise whether the rights had been posted for further entry, and if not to withdraw posting, pending further instructions.

The Agent advised under date of the 17th July that the rights had not been posted and that he would await further instructions.

Under date of the 11th July Mr. J.A. Littleton C/o Galbraith and Littleton, Calgary, who apparently were acting on behalf of the Most Honourable, the Marquis of Anglesey, the former lessee, was notified that the Department was not in a position to accept the expenditure incurred in connection with drilling operations on privately owned property in lieu of rentals in arrears on said leases. He was also advised that the Agent of Dominion Lands, Calgary, had been instructed to withhold the posting of the rights covered by these leases until further advised, and was also notified that the lessee might be re-instated in the rights by making application to the Agent of Dominion Lands, Calgary, and by paying the arrears of rental and rate set on the leases, as provided for under Section 7 of the Regulations, approved by Order-in-Council, dated the 14th July, 1908.

Mr. Littleton was also notified that a period of forty-five days from the date of the letter would be allowed the lessee within which to make payment to have the leases re-instated and to pay the arrears of rental and interest, failing which, the Department would take steps to have the Petroleum and Natural Gas rights in the lands affected made available for further entry under the regulations.

J.W. Martin, Esq.,
Commissioner of Dominion Lands,
O t t a w a .

The forty-five days have now expired and no further action appears to have been taken by Mr. Littleton on behalf of the lessee, and I submit the matter for your consideration and advice as to whether the Agent might now be notified to post the rights in these leases as available for further entry.

December 14, 1933.

Sir:-

I beg to acknowledge the receipt of your communication, dated the 11th October last, having reference to a School Lands grazing permit covering the South-West quarter of Section 29, Township 83, Range 4 West of the 6th Meridian, issued in your favour under date of the 24th June, 1930.

It is noted that you remitted the sum of $6.40, while the charges for the permit in question were $4.01 for rental, and $1.00 for permit fee, making a total of $5.01, leaving a credit balance of $1.39, which sum you now request be transferred to the Deputy Minister, Department of Municipal Affairs, Edmonton, Alberta, to be applied on your tax account for the year 1930.

In this connection I am to advise you that as the land involved was reserved for school purposes, and as all School Lands and moneys in connection therewith were transferred to the province of Alberta on the 1st October, 1930, your communication, together with a copy of the grazing permit in question, is being referred to the Department of Lands and Mines at Edmonton, Alberta, for further consideration.

One ... of the purchase money to be paid at the time of sale, and the balance in ... equal, successive ... instalments, with interest at the rate of six per cent per annum to be paid with each instalment on the balance of the purchase money from time to time remaining unpaid, the first of the said ... instalments to become due and payable one year from the date of sale; provided that all instalments or any portion of any instalment, in arrears, whether of principal or interest, shall bear interest at the rate of seven per cent per annum.

The sale is also subject to the following terms and conditions, viz.:

1. The sale shall only convey the surface rights and shall be subject to the usual reservations in favour of the Crown.

2. The Department reserves the right to withdraw such areas as may be required by a railway company for right of way or other purposes of the railway, or by the Provincial Authorities for roadway purposes, provided application therefor was made prior to the date of sale.

3. The Department reserves the right to increase or decrease the area said to conform with revised township plans or surveys approved and confirmed by the Surveyor General, and the purchaser hereby agrees to make payment for any additional areas at such prices and upon such terms as may be prescribed by the Minister of the Interior.

4. The purchaser shall be required, before cutting, or allowing to be cut, any timber growing on the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a permit for the purpose, and to pay therefor an office fee of $1, and dues as prescribed by the School Lands Timber Regulations; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

5. The purchaser shall be required, before removing any sand or gravel from the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a permit for the quantity of sand and gravel to be removed, and to pay therefor an office fee of $1, and dues at the rate of 25 cents per cubic yard; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

6. The sale is subject to the right of any person or persons cultivating the land, or any portion thereof, to enter upon said land for the purpose of protecting the crop or other belongings, and to cut and remove the crop prior to the 31st December next following the date of sale.

7. The purchaser shall at time of sale, or upon demand of the Department, pay for any areas in summerfallow upon the land at date of sale, at a valuation placed thereon by an official of the Department.

8. The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at date of sale, and the purchaser shall not at any time prior to date of completion of payments remove, or cause to be removed from the land, any of said improvements without the consent of the Minister of the Interior being first obtained.

9. The purchaser shall insure and keep insured, to the satisfaction of the Minister of the Interior, all buildings upon the land at date of sale liable to destruction by fire.

10. The sale is subject to the right of persons owning fencing or other improvements upon the land at date of sale to enter upon the land and remove said improvements within the time allowed by the Department for the purpose.

11. Default in making payment or failure to comply with the terms and conditions herein or hereby set out, shall, at the option of the Minister of the Interior, annul the sale and all payments made on the said land, together with all improvements thereon, shall be forfeited to His Majesty. Such annulment and forfeiture shall be effective if made by written notice under the hand of the Minister of the Department of the Interior, the Deputy Minister of the Department of the Interior, the Commissioner or Assistant Commissioner of Dominion Lands of the Department of the Interior or by such person or persons as may be acting in their behalf, and any notice thereof may be signed by any one of the above named officers.

THE UNDERSIGNED hereby acknowledges to have purchased the ..... of Section ..... Township ..... Range ..... W. of the ..... Meridian, at the rate of $ ..... per acre, upon the following terms and conditions as to payment, viz.:—

One-twentieth of the purchase money to be paid at the time of sale, and the balance in nineteen equal successive annual instalments, with interest at the rate of six per cent per annum to be paid with each instalment on the balance of the purchase money from time to time remaining unpaid, the first of the said nineteen instalments to become due and payable one year from the date of sale; provided that all instalments, or any portion of any instalment, in arrears, whether of principal or interest, shall bear interest at the rate of seven per cent per annum.

The sale is also subject to the following terms and conditions, viz.:—

1. The sale shall only convey the surface rights and shall be subject to the usual reservations in favour of the Crown.

2. The Department reserves the right to withdraw such areas as may be required by a railway company for right-of-way or other purposes of the railway, or by the Provincial Authorities for roadway purposes; provided application therefor was made prior to the date of sale.

3. The Department reserves the right to increase or decrease the area sold to conform with revised township plans of survey approved and confirmed by the Surveyor General, and the purchaser hereby agrees to make payment for any additional areas at such prices and upon such terms as may be prescribed by the Minister of the Interior.

4. The purchaser shall be required, before cutting, or allowing to be cut, any timber growing on the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a timber permit, and to pay therefor an office fee of $1.00, and dues as prescribed by the School Lands Timber Regulations; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

5. The purchaser shall be required, before removing any sand or gravel from the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a permit for the quantity of sand and gravel to be removed, and to pay therefor an office fee of $1.00, and dues at the rate of 25c. per cubic yard; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

6. The sale is subject to the right of any person or persons cultivating the land, or any portion thereof, to enter upon said land for the purpose of protecting the crop or other belongings, and to cut and remove the crop prior to the 31st December next following the date of sale.

7. The purchaser shall at time of sale, or upon demand of the Department, pay for any areas in summer-fallow upon the land at date of sale, at a valuation placed thereon by an official of the Department.

8. The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at date of sale, and the purchaser shall not at any time prior to date of completion of payments remove, or cause to be removed from the land, any of said improvements without the consent of the Minister of the Interior being first obtained.

9. The purchaser shall insure and keep insured, to the satisfaction of the Minister of the Interior, all buildings upon the land at time of sale liable to destruction by fire.

10. The sale is subject to the right of persons, owning fencing or other improvements upon the land at time of sale, to enter upon the land and remove said improvements within the time allowed by the Department for the purpose.

11. Default in making payment, or failure to comply with the terms and conditions herein or hereby set out, shall, at the option of the Minister of the Interior, annul the sale and require the forfeiture of all payments made on account, together with all improvements upon the land.

12. The Department reserves the right to impose such further terms and conditions as may be announced at the time of sale.

[illegible] e. 12-47-10 4th M.

I beg to acknowledge receipt, through the Supervisory Mining Engineer of this Department, of a copy of a letter of instruction to [illegible] in boring operations on L.S. 3 of Section 10, Township 46, Range 10, 4th Meridian, being a portion of the location described in Petroleum and Natural Gas Permit [illegible] and to advise you that on the strength of the evidence filed the Department has decided to grant further protection in connection with the leases of the rights covered to above for a period of [illegible] days from this date.

This protection is granted on the understanding that on or before the date the period of protection expires you will file evidence as to the actual drilling operations done together with a statement as to the expenditure incurred in connection with said drilling operations. The Department may be in a position to decide as to whether the expenditure incurred in said drilling operations can be applied on account of rental in connection with the leases referred to.

I might state that any expense incurred in drilling operations on school lands can only be applied on account of rental for the year or the term of the lease during which said expenditure was incurred and therefore it would not be possible to apply any expenditure on account of rental and interest outstanding other than for the year between the last [illegible] and the end of [illegible] and it will be necessary to make payment of the balance of the rental and interest [illegible] in lieu and the Department will expect this amount to be remitted with in the [illegible] days referred to.

Memorandum: The Commissioner of Dominion Lands.
Dominion Lands Administration.
Attention: Mr. J.W. Stafford,
School Lands Division.

Herewith returned are your S.L. files Nos. 474321, 107256 and 107573, relating to the petroleum and natural gas locations in which Mr. J.P. McDonald of Duluth, Minn., U.S.A. is interested and also to an expenditure of $21,499.73 represented to have been incurred between the 15th May and the 31st October of the current year on Legal Subdivision 5 of Section 29, Township 48, Range 20, West of the 4th Meridian.

I have removed from file two copies of Mr. McDonald's declaration and will report shortly as to the amount which it is considered the department would be justified in accepting in satisfaction of rental.

For your information I may add that during a recent tour of inspection in the Wainwright district, it was found that drilling had been suspended at Well No. 2 located on the area above described, pending the arrival of additional casings, but these were recently received and it was fully anticipated that operations would be resumed at an early date.

Mr. Rollins,-

Re Petroleum and Natural Gas Berths, as follows:-
3604 S.L. - Sec. 29, Tp. 46, Rge. 10 W. 4th Mer.
3603 S.L. - Sec. 11, Tp. 48, Rge. 10 W. 4th Mer.

The leases referred to above, which bear date of the 2nd June, 1927, are at the present time recorded in this Department in the name of James P. McDonald.

Evidence has been filed establishing that drilling operations have been conducted on Berth No. 3604 and that for the period between the 15th May and the 31st October last expenditures are shown to have been incurred to the extent of $21,499.73.

The statement of expenditures has been referred to the Supervisory Mining Engineer, who recommends that of the moneys shown to have been expended, the sum of $19,877.37 be allowed.

It is the wish of Mr. McDonald, the lessee, that of the expenditures referred to he be allowed credit in connection with Berths Nos. 3603 and 3604 and that any surplus credit be applied on account of Dominion Lands leases.

The two School Lands leases are contiguous for the purpose of consolidation, and, under the circumstances, I recommend that these two leases be grouped and that the lessee be credited in connection therewith for a sufficient amount to liquidate the second and third years' rentals and interest.

This Indenture made, in duplicate, this third day of July ——————————— in the year of our Lord one thousand nine hundred and fourteen.

RECEIVED
DEC 19 1914
DEPT. OF THE INT.

BETWEEN

His Majesty King George the Fifth, represented herein by the Minister of the Interior of Canada, hereinafter called the Minister, of the first part.

AND

Francis Austin Walker of the City of Fort Saskatchewan, in the Province of Alberta, in the Dominion of Canada, farmer,

hereinafter called the lessee, of the second part.

WHEREAS by an Order of the Governor General of Canada in Council, dated the Seventh day of April in the year of Our Lord one thousand nine hundred and fourteen, regulations were made for the disposal of petroleum and natural gas rights in the lands which are the property of the Crown in the Provinces of Manitoba, Saskatchewan and Alberta.

Note

AND WHEREAS the lessee having applied for a lease under the said regulations of the petroleum and natural gas rights in the lands hereinafter described, the Minister has granted such application upon the terms and conditions herein contained.

NOW THEREFORE THIS INDENTURE WITNESSETH that in consideration of the rents and royalties hereinafter reserved and subject to the provisos, conditions, restrictions and stipulations hereinafter expressed and contained, His Majesty doth grant and demise unto the lessee, for the sole and only purpose of mining and operating for petroleum and natural gas, and of laying pipe lines and of building tanks, stations and structures thereon necessary and convenient to take care of the said products,

ALL AND SINGULAR :

North Half of Legal Subdivision 13, of Section 11, Township 50, Range 12, West of the 4th Meridian, in the Province of Alberta, comprising an area of 20 acres, more or less, and designated Petroleum and Natural Gas Berth No. 1046 SL.

TO HAVE AND TO HOLD the same unto the lessee for the term of twenty-one years, to be computed from the third day of July A.D., 19 14 , renewable for a further term of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to shew that during the term of the lease the lessee has complied fully with the conditions of such lease and with the provisions of the regulations under which it was granted, and with the provisions and regulations in force from time to time during the currency of the lease.

YIELDING AND PAYING therefor during the first year of the said term unto His Majesty the clear yearly rent or sum of twenty-five cents of lawful money of Canada for each and every acre of land comprised within the said lands, and for each subsequent year of such term the rent or sum of fifty cents per acre, such rent being payable yearly in advance on the third day of July in each year of the said term, the first of which payments has been made on or before the execution of these presents, and also rendering and paying therefor unto His Majesty a royalty at such rate as may from time to time be prescribed by Order of the Governor General of Canada in Council on natural gas products taken out of the said lands, and also such royalty on petroleum products taken out of the said lands from and after the year 1930 as the regulations then and thereafter in force may prescribe, and such rent and royalty to be free and clear of and from all rates and taxes and assessments and from all manner of deductions whatsoever except as hereinafter mentioned.

PROVIDED ALWAYS that this demise is granted upon and subject to the following provisos, conditions, restrictions and stipulations, that is to say:—

1. That the lessee shall and will well and truly pay or cause to be paid to the Minister at Ottawa, the rent and royalty hereby reserved and shall and will make all returns at the times and in the manner herein or in or under the said regulations prescribed.

2. That the lessee shall and will well, truly and faithfully observe, perform and abide by all the obligations, conditions, provisos and restrictions in or under the said regulations imposed upon the lessee or upon the lessee, which said regulations are to be read and construed as if they were herein set forth.

3. That the lessee shall and will keep correct books of account and records, open as may at [illegible] Minister, showing [illegible] taken out of the said lands and correct returns [illegible] inspection of any officer [illegible] same of the lessee's [illegible]

4. That the lessee shall and will, during the said term, [illegible] disposition of the said lands, [illegible] [illegible] [illegible]

entitled to recover from the lessee the rent then accrued or accruing, and that any right of action of His Majesty against the lessee in respect of any antecedent breach of any of the said covenants, provisos, stipulations or conditions shall not thereby be prejudiced: it being further provided, however, that if satisfactory evidence is furnished by the lessee that he has expended the sum of at least two thousand dollars in actual boring operations by recognized methods upon the said lands in any year of the said term such expenditure shall be accepted as compliance by the lessee with this condition of the said lease for the year during which such expenditure was incurred.

9. That the lessee shall at all times take reasonable measures to prevent the injurious access of water to the oil bearing formation and that upon a well proving to be unproductive or ceasing to yield oil in paying quantity or being abandoned for any cause, the lessee shall be at liberty to withdraw the casing from the said well, but in order to prevent water gaining access to the oil bearing formation the lessee shall immediately and effectively to the satisfaction of the Minister, close such well by filling it with sand, clay or other material which would have the effect of preventing water from gaining access thereto.

10. That the lessee in case natural gas is discovered through boring operations on the said land shall immediately take all reasonable and proper precautions to the satisfaction of the Minister to prevent the waste of such natural gas and shall conduct his operations in such manner as to utilize such natural gas to the best advantage, and shall forthwith, upon discovery of such gas, prevent the escape of such gas.

11. That the lessee shall and will during the said term [illegible] abandoned openings or excavations made in connection with or for the purpose of mining operations on the said lands with fences or walls sufficient to prevent cattle and other animals falling into such openings or workings, and shall at all times when required to do so by the Minister or by the inspector or other person duly authorized by him in that behalf, and in accordance with any regulations of the Department in force from time to time, fence and cover the Minister.

15. That the said lands or any portion or portions thereof may be sold, leased or otherwise disposed of by the Minister, after the issuing of a patent therefor, subject to the rights of the lessee under this lease.

16. That the lessee may surrender this lease at any time during the said term upon giving to the Minister one month's notice in writing of his intention so to do, and thereupon shall be relieved from all obligations to perform any of the covenants, provisos, stipulations or conditions herein contained on the part of the lessee to be performed, save and except as to any breach thereof committed before the date of such surrender, and the lessee shall thereupon absolutely cease, determine and be void without any further act or deed on the part of the Minister or the lessee, but nothing herein contained shall relieve the lessee from the payment of all rent and royalty due hereunder up to the date of such surrender, and the lessee shall not be entitled to any compensation for any improvements made upon the said lands.

17. That within two months from the termination of this lease from any cause, if the rent and royalty due thereunder shall have been paid, and all provisos, conditions, restrictions and stipulations hereby imposed upon the lessee shall have been duly observed and

performed, the lessee may remove from the said lands all tools and machinery, buildings and erections which he may have placed thereon, but shall not remove or impair any of the casing which is necessary to the use and maintenance of the shafts or wells in any mine on the said lands, or any article, matter or thing the removal of which might cause such mine to cave in or give way, and that in default of removal within such period of two months all such tools and machinery, buildings and erections shall be absolutely forfeited and shall become the property of His Majesty.

18. That the Minister may at any time assume absolute possession and control of the said lands if in the opinion of the Governor General or Canada in Council such action is considered necessary or advisable, together with all buildings, works, machinery and plant upon the said lands and used in connection with the said operations thereon, and may cause the said operations to be continued under the direction of the Minister and may retain the whole or any part of the output in which event compensation shall be paid to the lessee for any loss or damage sustained by the lessee, by reason of the exercise by the Governor General of Canada or Council of the hereinabove mentioned powers, the amount of compensation in case of dispute to be fixed by a judge of the Exchequer Court of Canada, and not to exceed the profit which the lessee would have earned had the said operations been continued by him.

19. That if in the opinion of the Minister any person is interfering unduly with the efficient [illegible] or for any cause whatsoever the said lands are required to be kept a portion or the petroleum and natural gas rights disposed of in any other manner under the regulations or any Order in Council or the Governor General in Council, the lessee whose application was first recorded in accordance with the provisions of such regulations shall have priority.

20. That the lessee shall not assign, transfer or otherwise the rights hereby granted or any part thereof without the consent thereto in writing of the Minister being first had and obtained.

21. That no waiver on behalf of His Majesty of any breach of any or either of the provisos, conditions, restrictions and stipulations herein contained, whether negative or positive in form, shall take effect or be binding upon him, unless the same be expressed in writing under the authority of the Minister, and any waiver so expressed shall extend only to the particular breach so waived and shall not limit or affect His Majesty's rights with respect to any other or future breach.

22. That no implied covenant or liability of any kind on His Majesty's part is created by the use of the words "demise" or "lease" herein, or by the use of any other word or words herein, or shall otherwise arise by reason of these presents or anything therein contained.

23. That any notice, demand or other communication which His Majesty or the Minister may require or desire to give or serve upon the lessee may be validly given or served by the Secretary or the Assistant Secretary of the Department of the Interior, and that any notice affecting the tenancy hereunder which the lessee may desire to serve upon the lessor, shall be sufficiently served on the lessee, if addressed to him on the demised premises or posted to him addressed to his last known address, or if left at the said address A notice sent by post shall be deemed to be given at the time when in the course of post it would be delivered at the address to which it is sent.

24. That where the context permits the expression "lessee" herein includes the lessee or lessees and the same may be and his or their executors, administrators and assigns, the expression "His Majesty" includes the successors and assigns of His Majesty, and the expression "Minister" includes the [illegible] the Minister of the Interior and the Deputy or Acting Deputy of the Minister of the Interior

IN WITNESS WHEREOF the Deputy of the Minister of the Interior has hereunto set [illegible] and the seal of the Department of the Interior and the lessee has hereunto set his hand and seal on the day and year first above written

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 7th day of April, 1914.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

Whereas Regulations for the issue of leases of the Petroleum and Natural Gas rights in School Lands in the Provinces of Manitoba, Saskatchewan and Alberta were established by Order in Council of the 14th May, 1913;

And whereas new regulations have since been established for the issue of leases of Dominion Lands for the same purpose and it is deemed desirable that the regulations for the issue of leases of School Lands for the said purpose should conform as nearly as the different conditions will permit with those governing the issue of leases of Dominion Lands for the same purpose,—

Therefore the Governor General in Council is pleased to order and it is hereby ordered as follows:—

The regulations for the issue of leases of the Petroleum and Natural Gas rights in School Lands, established by Order in Council of 14th May, 1913, are rescinded and the accompanying regulations are substituted therefor.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

REGULATIONS for the leasing of the petroleum and natural gas rights in School Lands in the Provinces of Manitoba, Saskatchewan and Alberta.

"Minister" shall mean the Minister of the Interior of Canada.

"Location" shall mean the tract described in a petroleum and natural gas lease.

"Group" shall mean two or more of the locations described in petroleum and natural gas leases, consolidated for purposes of operation.

"Lessee" means any individual, company, corporation or municipality the holder of a petroleum and natural gas lease in good standing.

"River" shall mean a stream of water the bed of which is an average width of 150 feet throughout the portion thereof on which the tract applied for fronts.

1. The petroleum and natural gas rights in School Lands, the title to which is still in the Crown, in the Provinces of Manitoba, Saskatchewan and Alberta, may be leased to applicants at a rental of twenty-five cents an acre for the first year, and for each subsequent year at rental at the rate of fifty cents per acre, payable yearly in advance. The term of the lease shall be twenty-one years, renewable for a term of twenty-one years, provided the lessee can furnish evidence satisfactory to the Minister to shew that during the term of the lease he has complied fully with the conditions of such lease, and with the provisions and regulations in force from time to time during the currency of the lease.

2. No applicant shall be allowed to lease the petroleum and natural gas rights under an area of more than 640 acres.

Provided that a person who has been granted a lease for a location, and who subsequently abandons or assigns the same, may, after the expiration of twelve months from the date of the said lease, apply for an area not greater than that abandoned or assigned:

Provided further, however, that such right shall not be granted unless all payments on account of rent or other liability to the Crown, due by such person, have been fully made, up to the date of the registration by the Department of the assignment of his right to such lease or up to the date upon which the notice of his abandonment of the same was received by the Department.

3. The location applied for shall consist of a section, or of one or more legal subdivisions, or of even portions thereof, but the several parcels comprising the location shall be adjoining.

4. Applications for a lease of the petroleum and natural gas rights on School Lands shall be filed by the applicant in person with the Agent of Dominion Lands for the district in which the rights applied for are situated, or with a sub-agent for such district for transmission to the Agent, but priority of application shall be based upon the date of the receipt of such application in the office of the Agent of Dominion Lands for the district.

5. The rental for the first year of the location applied for at the rate of twenty-five (25) cents an acre per annum, shall accompany the application filed in the office of the Agent of Dominion Lands for the district in which the rights applied for are situated, and no application for a lease of petroleum and natural gas rights shall be accepted or recorded unless it is accompanied by the full amount of the rental for the first year at the above rate. The lease, when issued, shall bear date from the day upon which the application was filed in the office of the Agent of Dominion Lands. If, during the term of the lease, the lessee shall fail to pay rental in advance for each subsequent year at the rate of fifty (50) cents an acre per annum within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister and to the immediate forfeiture of the rights which the lessee had in the said lease.

Provided that if the lessee, in consideration of the expenditure to be incurred by him in actual boring operations upon his leasehold, make application at or before the beginning of the second and third years, respectively, of the term of the lease, for an extension of time within which to pay the rental when due,

or becoming due, the Minister may grant such extension of time in writing, and if the lessee, before the end of the year in respect of which application was made, submits evidence to the Agent of Dominion Lands of the district in which the leasehold is situated, in the form of affidavits by himself and two reliable witnesses, that during such year actual boring operations have been prosecuted upon his leasehold, as required by Section 7 of these Regulations, the amount expended in such boring operations, exclusive of the cost of machinery and casing may be deducted from the rental which became due at the beginning of the said year. The balance of rental due, if any, shall be paid at the same time as the evidence in regard to work done is submitted, as above required. Failure to submit such evidence, or to pay the balance of rental due, will render the lease liable to cancellation, as hereinbefore provided.

6. The lessee shall, within one year from date of the lease, have upon the lands described therein such machinery and equipment suitable for carrying on prospecting operations as the Minister may consider necessary, and he shall within the same period furnish evidence, supported by affidavit, showing the character, quantity and value of the machinery so installed and the date of its installation. If the required machinery is not installed within the period specified, and if evidence of its installation is not furnished within the prescribed period, the lease shall be subject to cancellation in the discretion of the Minister.

Provided, however, that the Minister shall not require that the value of the machinery so installed shall exceed the sum of five thousand dollars.

7. The lessee shall commence boring operations on his leasehold within fifteen months of the date of his lease, and he shall continue such boring operations with reasonable diligence, to the satisfaction of the Minister, with a view to the discovery of oil or natural gas. If the lessee does not commence boring operations within the time prescribed, or if having commenced such operations he does not prosecute the same with reasonable diligence, to the satisfaction of the Minister, or if he ceases to carry on the same for a period of more than three months, the lease shall be subject to cancellation, in the discretion of the Minister, upon three months' notice to that effect being given to the lessee.

Provided, however, that if satisfactory evidence is furnished to show that the sum of at least two thousand dollars has been expended in actual boring operations, by recognized methods, upon the leasehold in any year, such expenditure shall be accepted as compliance with this provision for the year during which such expenditure was incurred.

8. The Minister may permit a lessee, who has acquired by assignment or otherwise, more than one petroleum and natural gas lease, to consolidate his operations and expenditure, and to install machinery and equipment on one or more of the locations described in the leases affected.

Provided that such consolidation or grouping shall apply only to the second and third years of the term of the leases, and shall comprise only such leases as may at the time be included in such consolidation or grouping. Evidence of the installation of machinery on one or more of the locations included in a group shall be that prescribed by section 6 of these regulations. If the required machinery is not installed on one or more of the locations included in a group within the period specified and evidence of its installation furnished within the prescribed period, and if boring operations are not commenced and continued on such location or locations in the manner set out in section 7 of these regulations, the leases included in the group shall be subject to cancellation in the discretion of the Minister.

9. The Minister may, in consideration of the expenditure to be incurred by a lessee in boring operations upon one or more of the locations included in a group, grant an extension of time within which to pay the rental for the second and third years of the term of the several leases so included, and upon receipt of the evidence required by section 5 of these regulations, he may deduct from the rental which became due at the beginning of the year in respect of the several locations grouped, the amount expended in actual boring operations on one or more of the locations, exclusive of the cost of machinery and casing. The balance of the rental due, if any, shall be paid at the same time as the evidence in regard to work done is submitted, as above required. Failure to submit such evidence or to pay the balance of the rental due, with interest, will render the several leases included in the group liable to cancellation.

10. Provided, however, that the Minister shall not require that the value of the machinery to be installed on any group of locations shall exceed the sum of ten thousand dollars ($10,000), nor shall he require that the expenditure

incurred in boring operations thereon in any one year shall exceed the sum of two thousand dollars ($2,000) for each location included in the group. The locations included in any group shall not be separated one from the other by a greater distance than two miles.

11. In case the surface rights of a petroleum and natural gas location are covered by a timber license, grazing or coal mining lease, mining claims or other form of terminable grant the lessee shall not authorize entry thereon without the permission of the Minister being first had and obtained, and such permission, if granted, shall be subject to such conditions for the protection of the rights of such lessee or licensee as it may be considered necessary to impose.

12. In case the surface rights of a petroleum and natural gas location have been patented, or have been disposed of by the Crown under any act or regulation which contemplates the earning of patent for such surface rights, and the lessee of the petroleum and natural gas rights cannot make an arrangement with the owner of such surface rights, or with his agent, or the occupant thereof, for entry upon the location, or for the acquisition of such interest in the surface rights as may be necessary for the efficient and economical operation of the rights acquired under his lease, he may, provided the mineral rights in the land affected with access thereto and the right to use and occupy such portion of the land as may be necessary for the effectual working of the minerals thereon have been reserved to the Crown in the original grant of the surface rights, apply to the Minister for permission to submit the matter in dispute to arbitration. Upon receiving such permission in writing, it shall be lawful for the lessee to give notice to the owner, or his agent, or the occupant, to appoint an arbitrator within a period of sixty days from the date of such notice, to act with another arbitrator named by the lessee, in order to determine what portion of the surface rights the lessee may reasonably acquire,

(a) For the efficient and economical operation of the rights and privileges granted him under his lease;

(b) The exact position thereof, and

(c) The amount of compensation to which the owner or occupant shall be entitled.

13. The notice mentioned in this section shall be according to a form to be obtained upon application to the Agent of Dominion Lands for the district in which the land in question is situated, and shall, when practicable, be personally served on the owner of such land, or his agent, if known, or the occupant thereof, and after reasonable efforts have been made to effect personal service without success, then such notice shall be served by leaving it at, or sending it by registered mail, to the last known place of abode or address of the owner, agent or occupant, and by posting a copy of the same in the office of the Agent of Dominion Lands for the district in which the land in question is situate. Such notice shall be ten days if the owner, or his agent, resides in the district in which the land is situate; if out of the district and if in the province or territory, twenty days, and if out of the province or territory, thirty days, before the expiration of the time limited in such notice. If the owner, or his agent, or the occupant of the land refuses or declines to appoint an arbitrator, or when, for any reason, no arbitrator is so appointed in the time limited therefor in the notice provided for by this section, the Agent of Dominion Lands for the district in which the land in question is situate shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of such owner, agent, or occupant, or that such owner, agent, or occupant wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service, and that the notice was left at the last place of abode or known address of such owner, agent or occupant, as above provided, appoint an arbitrator on his behalf.

14. In case the two arbitrators cannot agree upon the award to be made, they may, within a period of ten days from the date of the appointment of the second arbitrator, select a third arbitrator, and when such two arbitrators cannot agree upon a third arbitrator, the Agent of Dominion Lands for the district in which the land in question is situate, shall forthwith select such third arbitrator.

15. All the arbitrators appointed under the authority of these regulations shall be sworn before a justice of the peace to the impartial discharge of the duties assigned to them, and after due consideration of the rights of the owner and the needs of the lessee, they shall decide as to the particular portion of the surface rights which the latter may reasonably acquire for the efficient and

economical operation of the rights and privileges granted him under his lease, the area thereof and the amount of compensation therefor to which the owner or occupant shall be entitled.

16. In making such valuation the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals thereunder.

17. The award of any two such arbitrators made in writing shall be final, and shall be filed with the agent of Dominion Lands for the district in which the land is situated, within twenty days from the date of the appointment of the last arbitrator. Upon the order of the Minister the award of the arbitrators shall immediately be carried into effect.

18. The arbitrators shall be entitled to be paid a per diem allowance of $5.00 together with their necessary travelling and living expenses, while engaged in the arbitration, and the costs of such arbitration shall be in the discretion of the arbitrators.

19. The lessee shall at all times take reasonable measures to prevent the injurious access of water to the oil bearing formation. Upon a well proving to be unproductive, or ceasing to yield oil in paying quantity, or being abandoned for any cause, the lessee shall be at liberty to withdraw the casing from the said well, but in order to prevent water gaining access to the oil bearing formation the lessee shall immediately close the well by filling it with sand, clay, or other material which may have the effect of preventing water from gaining access thereto.

In case natural gas is discovered through boring operations on a location the lessee shall take all reasonable and proper precautions to prevent the waste of such natural gas, and the operations shall be so conducted as to enable him immediately upon discovery, to control and prevent the escape of such gas.

Should salt water be encountered through operations upon the location, the lessee shall immediately and effectively, to the satisfaction of the Minister, close the well at such a depth as may prevent such water from gaining access to the oil bearing formation.

The Minister may, from time to time, make such additional regulations as may appear to be necessary or expedient governing the manner in which boring operations shall be conducted, and the manner in which the wells shall be operated.

Failure on the part of the lessee to comply with the above requirements, or to comply with such other requirement as the Minister may consider it necessary to impose in respect of boring and operating wells under the lease, subject to cancellation in the discretion of the Minister.

20. The lessee may be permitted to relinquish at any time the whole or any portion of the location described in the lease, provided he has complied in every respect with the provisions of the regulations, and that all payments on account of rental or other liability to the Crown, due in connection with the lease, have been duly made, and provided the portion of the location which is to be retained shall be of the prescribed shape, and shall not be of a less area than forty acres.

21. The lease shall in all cases include only the oil and natural gas rights which are the property of the Crown, but the lessee may, upon application, be granted a yearly lease at a rental of one dollar per acre per annum, payable yearly in advance, of whatever area of the available surface rights of the tract described in his petroleum and natural gas lease the Minister may consider necessary for the efficient and economical working of the rights granted him.

22. If it is not established to the satisfaction of the Minister that oil or natural gas in boring quantity has been discovered on the leasehold, the lease shall be subject to termination upon two years' notice in writing being given to the lessee by the Minister.

23. The boundaries beneath the surface of a location shall be vertical planes or lines in which their surface boundaries lie.

24. A fee of five dollars shall accompany each application for a lease, which will be refunded if the rights applied for are not available, but not otherwise.

25. The lease shall be in such form as may be determined by the Minister of the Interior, in accordance with the provisions of these Regulations.

26. The lessee shall not assign, transfer or sublet the rights described in his lease, or any part thereof, without the consent in writing of the Minister being first had and obtained.

27. No royalty shall be charged upon the sales of the petroleum acquired from the Crown under the provision of the Regulations up to the 1st day of January, 1930, but provision shall be made in the leases issued for such rights that after the above date the petroleum products of the location shall be subject to whatever regulations in respect of the payment of royalty may then or thereafter be made.

28. A royalty at such rates as may from time to time be specified by Order in Council may be levied and collected on the natural gas products.

29. At the end of each year of the term of the lease the lessee shall furnish a statement supported by affidavit, showing the number of days during the year that operations were carried on upon the location, the number of men so employed, the character of the work done, the depth attained, the total expenditure incurred, a detailed statement setting out fully the purpose for which such expenditure was incurred, the quantity of crude oil or natural gas obtained, and the amount realized from the sale thereof. Failure to furnish such yearly return will render the lessee subject to a fine of ten dollars a day for each day's delay in furnishing the sworn statement, and after three month's delay the lease shall be subject to cancellation.

30. Any company acquiring by assignment or otherwise a lease under the provisions of these regulations, shall at all times be and remain a British company, registered in Great Britain or Canada and having its principal place of business within His Majesty's Dominions, and the chairman of the said company and a majority of the directors shall at all times be British subjects, and the company shall not at any time be or become, directly or indirectly, controlled by foreigners or by a foreign corporation.

Any alteration in the memorandum of articles of association, or in the constitution of the company, or in the by-laws of the company, shall be reported to the Minister, provided that two months' previous notice of the intention to make any alteration which might conceivably affect the British character of the company shall be given in writing to the Minister, and if, in the opinion of the Minister the said alteration shall be contrary to the cardinal principle that the lessee company shall be and remain a British company under British control, the Minister may refuse his consent to such alteration.

If the company which may acquire a location under these regulations shall at any time cease to be a British company or shall become a corporation under foreign control, or shall assign any of the rights acquired under the lease without the consent in writing of the Minister being first had and obtained, the lease shall be subject to immediate cancellation in the discretion of the Minister.

31. The Minister may at any time assume absolute possession and control of any location acquired under the provisions of these regulations, if in the opinion of the Government of Canada such action is considered necessary or advisable, together with all buildings, works, machinery and plant, upon the location, or used in connection with the operation thereof, and he may cause the same to be operated and may retain the whole or any part of the output, in which event compensation shall be paid to the lessee for any loss or damage sustained by him by reason of the exercise of the powers conferred by this provision of the regulations, the amount of the compensation, in case of dispute, to be fixed by a Judge of the Exchequer Court of Canada; provided that the compensation in any such case shall not exceed the profit which the lessee would have earned in the working of the location and the disposal of the products thereof, had possession and control of the location and of the buildings, works, machinery and plant not been assumed.

If the location described in any lease issued under the provisions of these regulations, shall yield oil in paying quantity, the lessee shall pump and work the wells faithfully and uninterruptedly with due vigour and skill, with good and sufficient machinery and appliances in accordance with the provisions of the regulations and to the satisfaction of the Minister, so long as the said wells continue to yield oil in remunerative quantity.

Sir,

As the Department has inaugurated a policy of rigid enforcement of the regulations with regard to mining on School Lands, I would call your attention to the latter part of Clause (5) of the regulations governing the issue of petroleum and Natural Gas leases wherein it is stated that if, during the term of the lease, the lessee shall fail to pay rental in advance for each subsequent year at the rate of 50¢ an acre per annum within thirty days after the date upon which the same become due, the lease shall be subject to cancellation in the discretion of the Minister and to the immediate forfeiture of the rights which the lessee had in the said lease.-

I would remind you that your petroleum and Natural Gas Lease No. 1046 in the North half of Legal Subdivision 13, of section 11, Township 50, range 12, west of the 4th Meridian, is considerably in arrears, an amount of $50.00 being due on rental from the 3rd July, 1915, to the 3rd July, 1920, with interest thereon reckoned to the 3rd July, 1919, amounting to $4.86, to which must be added interest on the rental at the rate of 5% from the 3rd July, 1919, to the date the money is received here. Kindly inform the Department at once as to what you are prepared to do to reduce this indebtedness.

It will also be necessary in accordance with Clauses (6) and (7) of the regulations to furnish affidavits showing that machinery has been installed on this berth and boring operations carried on. In the absence of such evidence the lease is subject to cancellation.

If you are not heard from in connection with this matter before the expiration of thirty days from this date, steps will be taken to cancel your lease.

OTTAWA 22nd August, 1919.

Sir,

As the Department has inaugurated a policy of rigid enforcement of the regulations with regard to mining on School Lands, I would call your attention to the latter part of Clause (5) of the regulations governing the issue of Petroleum and Natural Gas leases wherein it is stated that "if, during the term of the lease, the lessee shall fail to pay rental in advance for each subsequent year at the rate of 50¢ an acre per annum within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister and to the immediate forfeiture of the rights which the lessee had in the said lease."

I would remind you that your Petroleum and Natural Gas Lease No. 1046 in the North half of Legal Subdivision 13, of Section 11, Township 50, Range 12, West of the 4th Meridian, is considerably in arrears, an amount of $50.00 being due on rental from the 3rd July, 1915, to the 3rd July, 1920, with interest thereon reckoned to the 3rd July, 1919, amounting to $4.86, to which must be added interest on the rental at the rate of 5% from the 3rd July, 1919, to the date the money is received here. Kindly inform the Department at once as to what you are prepared to do to reduce this indebtedness.

It will also be necessary in accordance with Clauses (6) and (7) of the regulations to furnish affidavits showing that machinery has been installed on this berth and boring operations carried on. In the absence of such evidence the lease is subject to cancellation.

If you are not heard from in connection with this matter before the expiration of thirty days from this date, steps will be taken to cancel your lease.

Sir,

I beg to draw your attention to the fact that in connection with Petroleum and Natural Gas Perth. No. 1046, covering the North half of Legal Subdivision 13 of Section 11, Township 50, Range 12, West of the 4th. Meridian, this lease was, owing to your enlistment for Active Service, protected for a period of six months after the termination of the late war, which period of protection expires on the 10th. of July next.

I am also to inform you that there is owing arrears of rental to the 3rd of July, 1920, amounting to $20.00, accrued interest to the 31st of August, 1919, amounting to $5.26, together with interest on the outstanding arrears at the rate of 7% from the 31st of August, 1919, to the date of the receipt of the money in the Department.

If you wish to retain this lease and keep it in good standing it will be necessary to remit to the Department on or before the 10th of July next the arrears of rental and interest owing, failing which the Department will be compelled to take action to cancel this lease for failure to comply with the regulations governing same and make the land available for other applications for mining rights.

Re Petroleum & Natural Gas Permit #1040.
E.1 L.S.D. 13 of Sec. 11-50-12-W. 4th M.

In June, 1914, a lease for the Petroleum & Natural Gas rights in the [illegible] was issued in favour of Francis Austin Walker of Fort [illegible] but since the lease was issued no payments whatever have been received on account of either rental or interest.

In view of the fact that the lessee was on active service, his interest in this lease was protected until six months after the final Declaration of Peace which term expired on the 10th of July last and in granting the extension the lessee was informed that unless a substantial payment was forthcoming on or before the 10th of July, the Department would be compelled to take steps to cancel the lease for non-fulfilment of Covenant.

As to response was received, Mr. [illegible] again written to on the 22nd of September and was allowed a further and final period of thirty days but as this last communication has elicited no response and as there are arrears of rental amounting to $20.00 and accrued interest amounting to $5.26 owing in connection with this lease, I recommend that the same be cancelled forthwith and that the account be closed in view of the fact that the lessee has been on active service.

On the 3rd of July, 1914, a lease issued in favour of Mr. Francis A. Walker of Fort Saskatchewan, Alberta, for the Petroleum and Natural Gas rights in the North ½ of Legal Subdivision 13 of Section 11, Township 50, Range 12, West of the 4th Meridian, which lease was duly cancelled on the 6th of November, 1920, for nonpayment of rental and the Petroleum and Natural Gas rights in this Legal Subdivision were posted in the office of the Mining Recorder at Edmonton as available for further entry.

An application has now been received from Mr. William H. Dyment for a lease of the Petroleum and Natural Gas rights in the North ½ of the Legal Subdivision and on consulting the latest township plan of survey, the land is shown as a water area.

Would you, therefore, be good enough to advise me what action is usually taken by your Branch in regard to applications of this nature.

Re your memorandum of the 4th instant, immediately hereunder, regarding applications to lease petroleum and natural gas rights in lands covered by water.

If an applicant files an application comprising land covered by water, it is the practice to consider such an application, but before a lease is issued, the Reclamation Service Branch is asked to report whether they have any objections to the application being granted.

If the applicant desires to exclude the area covered by water, such an application would also be considered.

MEMORANDUM:

A lease, bearing date of the 3rd of July, 1914, was issued in favour of Mr. Francis A. Walker, of Fort Saskatchewan, Alta., for the petroleum and natural gas rights in the North ½ of L.S. 13 of Section 11 -50--12 W. 4th Meridian, the lease being cancelled on the 6th day of November, 1920, for non-payment of rental.

In February last, the Mining Recorder at Edmonton received an application from Mr. William Howard Nyment for a petroleum and natural gas lease covering the same land, which was forwarded to the Department in the regular way, but on receipt of the application it was found by consulting the 3rd Edition plan, approved in November, 1914, that the land applied for was all under water.

I therefore submitted the matter to Mr. Cowatt of the Mining Lands & Yukon Branch, requesting that he advise me as to what action was taken by his Branch in regard to applications of this nature, and was advised that applications comprising land covered with water were accepted by his Branch, but, before a lease was issued, the Reclamation Service Branch was asked to report whether they had any objection to the application being granted. I therefore submitted the matter to Mr. Drake, who stated that in so far as his Branch was concerned there would be no objection to the issuing of a lease for the land applied for.

I then found that the section was reserved by Order-in-Council of the 13th of June, 1920, in connection with Birch Lake Bird Sanctuary, and referred the matter to Mr. Harkin requesting that he advise me whether there would be any objection by his Branch to the issue of a lease for the land, and he now informs me that as the area applied for is included in the Birch Lake Bird Sanctuary that he cannot recommend that the application be granted.

Does this mean the mineral rights also?

I presume, therefore, that the applicant should be notified that the Department is not in a position to issue a lease in his favour for the petroleum and natural gas rights in the land at the present time?

Commissioner of Dominion Lands,
OTTAWA, Canada.

Ref 03790 on M.B. 16

AT THE GOVERNMENT HOUSE AT OTTAWA.

TUESDAY, the 15th day of June, 1920.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

P.C. No. 1334

WHEREAS the Minister of the Interior reports as follows:—

After careful investigation it appears desirable to set aside certain areas in Alberta as Bird Sanctuaries, and for the purpose of furthering bird protection in Canada in accordance with the Migratory Birds Convention Act.

The Great Plains region of Canada comprises the most important breeding ground in North America for the wild water-fowl of the continent, which wild water fowl are of great value in providing recreation and food. Careful investigation has been made of the areas occupied by this valuable bird life in the Province of Alberta, by an eminent zoologist, and his report has been the basis for the selection as Bird Sanctuaries of the more important breeding areas. During the course of these investigations the Chief Game Officer of the Province was consulted as to the suitability of the areas selected as breeding grounds.

The cultivation of the land in this Province, the necessary drainage of lakes and marshes for development purposes, and the general settlement of the Province have seriously reduced the breeding area suitable for wild fowl, and for these reasons these birds must gradually decrease in number unless this decrease is checked by creating the most suitable areas Bird Sanctuaries.

The United States has created a series of many sanctuaries to protect these birds on their migration to the South and East, and has also set aside large areas, notably in the State of Louisiana, to protect them on their winter feeding ground. To complete the protection of this extremely valuable wild life it is most desirable that the chief breeding areas, which are mostly in Canada, be extended similar protection.

THEREFORE His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior and pursuant to the Migratory Birds Convention Act, being Chapter 18, 7-8 George V, as amended by Chapter 20, 9-10 George V, is pleased to order that the killing, capturing, taking, injuring or molesting of migratory game, migratory insectivorous or migratory non-game birds, or the taking, injuring, destruction or molestation of their nests or eggs, shall be and the same is hereby prohibited at all times, except as hereinafter provided, within the areas described in the attached schedule; which areas shall be known as Bird Sanctuaries. Schedule.

His Excellency the Governor General in Council on the same recommendation and subject to the provisions of the Migratory Birds Convention Act and Regulations made thereunder, is further pleased to allow the shooting of wild ducks and wild geese each year under permit from the Commissioner of Dominion Parks, in such portions of these Bird Sanctuaries, and during such time as the Minister of the Interior shall from time to time decide.

Memorandum.-

Mr. Greenway.

I do not think it would be advisable to issue a lease for petroleum and natural gas rights on any lands reserved for this purpose, inasmuch as we would have to allow the applicants access to the lands for development purposes.

In connection with the memorandum hereunder, I might also say that it would seem from the township plan the whole of the area applied for is submerged and it is not the practice of the Department to issue a lease for a totally submerged area.

(H.O. #107725 S.L.)

We beg to advise you that we are acting in our capacity as administrator of the above estate and we find among the papers an unsigned Petroleum and Natural Gas Lease #547 School Lands, covering the above mentioned land. We may now say that the widow of the deceased has requested us to write your Department and ascertain if it would be at all possible for you to refund the rental paid by the deceased, as she is not desirous of having same completed.

Trusting you will see your way clear to comply with our request, and on receipt of advice to that effect we shall return the said Lease, together with certified copy of Letters of Administration.

Canada.

Ottawa February 14th, 1911.

Memorandum:

The manager of the Trusts & Guarantee Company of Calgary writes on behalf of the widow of the late John Anilson.

Mr. Anilson applied for a lease of the S½ of the N.E. ¼ of the North half of Section 11, Township 28, Range 11, West of the 4th Meridian in the 4th Grazing District, and a lease was prepared and forwarded to him for signature on the 27th August.

Mr. Anilson is now informed that the lease was never signed or returned here.

The manager of the Trusts & Guarantee Company represents that the widow now claims the application for the lease cancelled and the amount paid as rental refunded.

In a somewhat similar case, that of the application of Messrs. Sharpe, Stapells, Elliott & Montague, on behalf of Mr. Charles Sharpe, in which a lease had been forwarded to Mr. Sharpe for signature, but had never been signed or returned here, the above application for the refund of the rental was made, Mr. Rothwell ruled that the applicant had no legal right to

Deputy Minister of the Interior,
Ottawa.

a refund of the first year's rental, and that he did not even consider it good policy to make such a refund. This was approved by you, and we advised the applicants accordingly.

You will notice that Mr. Rothwell simply states that the applicant has no legal right to the refund, but it is inferred from his ruling that the Department has the power to make a refund if it is considered proper to do so.

In the present instance the applicant is a widow, and possibly, under these circumstances, you may consider that an exception may be made and the money refunded. I submit the matter for your consideration.

Mr. Bothwell,

I gather from your memorandum, however, that the department is willing to make the payment if it is deemed proper to do so. See the Deputy Minister's note on the memorandum.

applicant and was, therefore, not valid, the Law Clerk of the Department was asked for an opinion as to whether under the circumstances there was any obligation on the part of the Department to refund the money. You will see from his opinion hereunder on file No. 90298, (marked) that he considers that the applicant for the lease has no legal ground for a refund and he questions even the policy of making such a refund.

In the present instance the circumstances are not quite the same, as the original applicant, Mr. Knudson, is now deceased and his widow is not now in a position to take advantage of the lease should it be issued.

In accordance with your recent ruling this is a case in which an Order in Council would be necessary before a refund could be made, but the Department would be glad to have an expression of your views in this case before asking Council for the necessary authority for the refund.

I enclose, herewith, files Nos. 90298 and 107725.

In a similar case on file No. 90298 hereunder Messrs. Re Refund to Estate John Knudson

Sir,

I have your letter of the 8th in reference to the claim of the widow of John Knudson for a refund of rental paid for a lease of petroleum and gas rights. The grounds on which refund is claimed are that since making application and paying rental of $80., the applicant has died and the widow is unable to take advantage of the lease.

Presumably your Department intend making this refund, but before asking for an Order in Council, would be glad to have my views on the case.

You quote a somewhat similar claim which was refused, but in that case the applicant abandoned the undertaking of his own option, and not because he was unable to prosecute it.

The granting of a refund to the Widow of John Knudson may be considered as an act of grace and not as justified by any statute or regulations.

If you secure an Order in Council authorizing the refund I shall pass your application.

I am returning the files received with your letter.

File No. 1 7725 A.L.

April 1st, 1915.

TO HIS ROYAL HIGHNESS

THE GOVERNOR GENERAL IN COUNCIL:

The Undersigned has the honour to report as follows:-

Application was made in June last by Mr. John Knudson for a lease of the petroleum and natural gas rights in the North half of section 11, Township 26, Range 11, West of the 4th Meridian, and the usual application fee and rental for the first year were paid at the time of his application.

The lease was duly prepared and forwarded to him for signature. Mr. Knudson, however, died before signing the lease, and the Manager of the Trusts & Guarantee Company Limited, Calgary, has since written to the Department representing that Mr. Knudson's widow wishes the application for the lease to be cancelled and the amount paid by the late Mr. Knudson as rental refunded, as she is unable to take advantage of such lease.

The Department is advised that there is no legal obligation to refund the amount paid as rental in such cases, and it is not the practice to refund moneys paid in this way, but the circumstances in this instance are sought t-

assume different, and it is possible that a matter of such the record might properly be made to the widow of the late John Knudson.

Under a recent ruling of the audit office in regard to applications of this nature for refunds, it is provided that the application must be sanctioned by a two-thirds vote and then submitted to the auditor general.

In view of the circumstances of this case the city council has been unable to secure a two thirds majority vote of the council for the payment of the refund, and in this connection it is requested that consideration be given to the matter of the payment of the refund to said Knudson.

The ordinance, therefore, recommended under the circumstances, with the file of the city documents in order to form evidence of the basis for said application will be by her behalf, submitted for the refund of the amount paid by said, money, etc.

INTERIOR -

The Board had under consideration a memorandum from the Minister of the Interior reporting that application was made in June, 1914 by Mr. John Knudson for a Lease of the Petroleum and Natural Gas rights in the North half of Section 11, Township 30, Range 11, West of the Fourth Meridian, and the usual application fee and rental for the first year were paid at the time of his application; that the lease was duly prepared and forwarded to him for signature; that Mr.Knudson, however, died before signing the lease, and the Manager of the Trusts and Guarantee Company Limited, Calgary has since written to the Department of the Interior, representing that Mr. Knudson's widow wishes the application for the lease to be cancelled and the amount paid by the late Mr.Knudson as rental refunded, as she is unable to take advantage of such lease; that the Department is advised that there is no legal obligation to refund the amount paid as rental in such cases, and it is not the practice to refund moneys paid

The Honourable
The Minister of the Interior.

paid in this way, but the circumstances in this instance are somewhat different, and it is considered that as a matter of grace the refund might properly be made to the widow of the late John Knudson.

The Minister, therefore, recommends that under the circumstances, and as the widow of the late John Knudson is unable to take advantage of the lease for which application was made by her husband, authority be granted for the refund of the amount paid as rental, namely, $30.00.

The Board concur in the above recommendation and submit the same for favourable consideration.

With reference to your letter of the 12th instant I am directed by the Minister to apply on behalf of the Provincial Government for free lease covering gas rights on the above mentioned land. Our Minister does not consider it wise to cancel our lease owing to the fact that the rights may be taken up by outsiders and drilling rigs set up on the Institution grounds, under which conditions it would be very difficult to control the mental patients. I would therefore, ask you to give this matter your careful consideration.

Memorandum:

Mr. Corry.

Re Petroleum and Natural Gas rights in South ½ of 19--41--5--4th Mer., L. L. Charlesworth.

Please see Mr. Charlesworth's memorandum of the 2nd instant and Mr. Rollins' endorsation thereon in reference to the above berth.

The Province of Alberta purchased this land for a hospital site, for the timber and subsequently were granted letters patent covering the surface rights.

The Petroleum and Natural Gas rights under the whole Section were leased to L. L. Charlesworth, Deputy Minister of Public Works, Province of Alberta. The current years rental commencing 4th July last is now due and payable.

The Province has a gas well located on the South West Quarter of this Section, which is used in connection with the operation of the hospital and they do not desire to go to further expense in drilling operations at the present time. They desire to retain the existing lease and request that they may be granted a free lease of this berth, and that it would not be desirable to issue the under-rights to outside parties as drilling operations would make it very difficult to control the rental returns.

In view of gas having been located on a portion of this berth, I would recommend the Province be allowed to relinquish that portion of the berth on which operations are not being carried on and that rental be charged for the balance and that the Province be advised that this Department will reserve the portion relinquished for that purpose; the Province to be held liable for all rentals accrued to date of relinquishment.

MEMORANDUM

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL

The Undersigned has the honour to report as follows:-

By Indenture bearing date of the 8th July, 1916, between His Majesty King George the Fifth, represented by the Minister of the Interior of Canada, of the first part, and L. C. Charlesworth, of the City of Edmonton, in the Province of Alberta, Deputy Minister of Public Works, of the second part, a lease was issued comprising the petroleum and natural gas rights in Section 29, Township 42, Range 25, West of the 4th Meridian, said lease being for a term of twenty-one years from the date thereof and being subject to certain stipulations, the payment of certain rentals and the performance of certain other covenants as set forth therein.

The surface rights of the land referred to herein are vested in His Majesty King George the Fifth, in the right of the Province of Alberta, and are used by the aforesaid Province for the purpose of a site of a hospital for the insane.

Drilling machinery was placed upon the land and drilling operations were carried on, but petroleum and natural gas were not found in merchantable quantities, although it has been reported that a sufficient flow of gas was secured to run the bake-ovens in the hospital.

In view of the facts set forth herein, the Government of the Province of Alberta has requested cancellation of the aforesaid lease, which request has been complied with, and has made application to acquire a lease of the natural gas rights underlying this land, free of all charges, in order that the present flow of gas might be utilized by the Province and in order to prevent outsiders from acquiring these rights and setting up drilling rigs upon the hospital grounds, under which latter conditions it would be very difficult to control the mental patients.

In view of the fact that the flow of gas referred to herein will be used for a public purpose,

and .....

and in view of the very peculiar situation of the gas rights referred to herein, in that they underlie the grounds upon which a hospital for the insane has been erected, the Undersigned recommends that he be authorized to issue a lease, free of all charges and rentals, in favour of His Majesty King George the Fifth, in the right of the Province of Alberta, of the natural gas rights underlying Section 29, Township 42, Range 25, West of the 4th Meridian, said lease to be for a term of twenty-one years from the date thereof.

Respectfully submitted,

Minister of the Interior.

SUMMARY:

In the attached memorandum, Council is asked to authorize the issue of a natural gas lease, free of charge, in favour of His Majesty King George the Fifth, in the right of the Province of Alberta, of the natural gas rights in Section 29, Township 42, Range 25, West of the 4th Meridian, for a period of twenty-one years.

The surface rights of this land are used for the site of a hospital for the insane at Ponoka and grounds in connection therewith.

The Province formerly held a lease of the petroleum and natural gas rights in this land, on which drilling operations were prosecuted and in which natural gas was discovered - not in paying quantities, but sufficient to run the bake-ovens in the hospital.

The Province asked that the lease be cancelled, which request was complied with, and that a free lease be issued in favour of the Province of the natural gas rights in this land.

and has made application to acquire a lease of the natural gas rights underlying this land, free of all charges, in order that the present flow of gas might be utilized by the Province and in order to prevent outsiders from acquiring these rights and setting up drilling rigs upon the hospital grounds, under which latter conditions it would be very difficult to control the mental patients.

In view of the fact that the flow of gas referred to herein will be used for a public purpose, and in view of the very peculiar situation of the gas rights referred to herein, in that they underlie the grounds upon which a hospital for the insane has been erected, the Minister recommends that he be authorized to issue a lease, free of all charges and rentals, in favour of His Majesty King George the Fifth, in the right of the Province of Alberta, of the natural gas rights underlying Section 29, township 42, range 25, west of the 4th meridian, said lease to be for a term of 21 years from the date thereof.

The Committee concur in the foregoing recommendation and submit the same for approval.

OTTAWA, March 10th, 1914.

Sir, -

I am forwarding herewith school lease file No. 107973 relating to a Petroleum and Natural Gas lease formerly held in the name of E. Charlesworth, Deputy Minister of Public Works, for the use of the Province of Alberta, which has been now cancelled.

The lease included the Petroleum and Natural Gas rights in and under all of section 32, township 42, range 13, west of the 4th Meridian, on the surface rights of which is located a hospital for the insane at Ponoka, Alberta.

Certain drilling operations were carried on in connection with this leasehold, and a small flow of gas was encountered, which, however, is not sufficient for commercial use, but sufficient to run the burners in the hospital.

The Province of Alberta has made application for a free lease of the natural gas rights underlying this land, and the Governor General in Council has authorized the issue of such a lease, and I forward herewith Order-in-Council P.C. 382 for reference.

Would you kindly draft a lease suitable to meet the requirements in this special case.

Sir,-

I have the honour to acknowledge the receipt of your letter of the 10th ultimo -10799SL- with which was submitted papers relating to the application of the Province of Alberta for a lease of the natural gas rights underlying the land referred to in your letter. It appears that the province is now the owner of the surface rights of these lands and it is therefore in a position to eject any trespasser that may attempt to occupy these lands. I presume that the minerals were reserved to His Majesty in the right of the Dominion as well as the right to work such minerals. All that is necessary, I should think, is an exclusive license to the Provincial Government to take the petroleum and natural gas in the lands for the term mentioned. While this license endures no third person can enter upon the lands to explore or search for the minerals referred to. I suggest that it will be sufficient if an Order in Council is passed giving the Provincial Government or His Majesty in the right of the province a right to take the minerals for the time arranged for.

The Undersigned has the honour to report as follows:-

Whereas by Order-in-Council approved by His Excellency the Governor General on the 27th February, 1923, being P. C. Memorandum.

I beg to refer you to your endorsation on Summary attached to memorandum to Council herewith - "Please insert a Clause rescinding the previous order".

In regard thereto let me say that while it is my desire to carry out fully instructions issued by the Commissioner's Office, in this case I do not think it either necessary or advisable to insert in the memorandum herewith a Clause as suggested.

An Order-in-Council bearing date of the 27th February 1923 gives the Minister authority to issue a lease in favour of the Province of Alberta for the Petroleum and Natural Gas rights in Section 24, Township 42, Range 25, West of the 4th Meridian free of charge and the Minister may use that authority or not as he desires.

As this Order-in-Council sets out fully the reason for granting the lease, I think it really should stand and not be rescinded, and that the Memorandum to Council herewith should be submitted in its present form, merely setting the land aside for the Province of Alberta for a period of twenty-one years without payment of any rental.

If, however, you do not concur in my views, kindly return the file and I will have the necessary Clause inserted rescinding the former Order.

MEMORANDUM:

Mr. Rollins

Re Sec. 20-61-15 W.4th M.

On the 15th of June last the Crown Timber Agent at Edmonton forwarded to the Department Timber Seizure No.232 against Mike Sawluk for 3,000 lineal feet of logs cut from the above described land and there was assessed on account of dues and expenses the sum of $27?.00.

In connection with this seizure Mr. Sawluk advised the Agent in his declaration dated the 18th of July last that in cutting logs for his building on his homestead on the North West quarter of 20-61-15 W.4th M. he was unable to follow the line correctly and after this line was properly run and cleared it was then that he found he had unintentionally cut approximately 510 lineal feet of logs from the above described land and was willing to pay single dues and expenses if permitted to do so between the 1st and the 15th of December 1929.

On receipt of this information the Agent requested a Homestead Inspector to again visit the land and make a further report as regards the timber cut in trespass.

The Inspector's report is now to hand and is to the effect that he made a check of the timber cut in the [illegible] and found that he has cut 99 spruce logs, approximately 3[illegible] lineal feet and he also found that it was possible that Mr. Sawluk has cut this timber unintentionally on the School Section. Mr. Sawluk was not home at the time of his visit but his neighbor has showed him where the timber has been cut. The Inspector recommends that Mr. Sawluk be charged single dues.

On receipt of this report the Agent advised Mr. Sawluk that if he would make payment of single dues the matter would apparently be satisfactory and under the circumstances you might advise me as to whether the Department approves of the Agent's action in this case.

MEMORANDUM:

MR. CLIFFORD

Re: Section 27--61--2 W. 4th M.

Timber Seizure #232 was made against Mike Sawluk for three thousand lineal feet of logs cut from the above land and dues and expenses amounting to $272.00 was assessed against Mr. Sawluk.

In view of representations made in connection with this Seizure, it was decided that if Mr. Sawluk would make payment of single dues, the Department would accept same as satisfactory and close the account.

On the 29th of October the Agent advised the Department that Mr. Sawluk had failed to make payment of single dues and expenses and he asked whether the timber should now be disposed of at public auction.

On the 19th ultimo the Agent at Edmonton was advised to dispose of the material under seizure by public auction.

A communication is now to hand from the Agent accompanied by a letter from Mr. Sawluk pointing out that he is unable to make payment of the amount owing under the Seizure referred to as he had very little crop this year but he expects to be able to get some money this winter when he will settle up his account.

As the Agent has already been advised to dispose of the material under seizure by public auction, kindly advise me, providing said Agent has not already disposed of the material as requested, as to whether the Department is prepared, in view of Mr. Sawluk's statement now to hand, to grant him a period of ninety days to make payment of the amount involved, or whether the Agent should be instructed, providing of course as already pointed out he has not already disposed of the timber, to dispose of same in accordance with the instructions issued him on the 19th ultimo.

Sir:

With reference to our conversation of today's date with regard to Timber Seizure No. 23[illegible] S.L., registered against Mr. Mike Sawluk, of Nestow, Alberta, covering 99 logs, approximately 3000 lineal feet, cut from section [illegible], Township 61, Range 25, West of the 4th Meridian, in trespass, I am to instruct you to call on Mr. Sawluk and, if you find that he is not prepared to make payment of single dues and expenses, $92.00, without further delay, you are to advertise the material for sale by public auction, according to the provisions of Section 38, Clause 2, of the timber regulations.

I enclose herewith four copies of the necessary posting notice, one copy of which is to be placed on the material under seizure, one copy at the nearest Post Office, and two copies to be returned to this office.

Please note that the sale must be advertised for fifteen days and that the upset price will be not less than seizure dues and expenses, which in this case amounts to $[illegible].00.

I may say that I am forwarding copy of this letter to Mr. Sawluk for his information.

Relative to Timber Seizure No. 232 S.L., covering 99 logs ~~and~~ 3000 lineal feet cut in trespass by Mike Sawluk on Section 29, Township 61, Range 25, West of the 4th Meridian, I beg to report that in accordance with your instructions I proceeded to the N.W. 20-61-25-W.4th, the location of the material under seizure, and offered the material for sale in accordance with Section 38, Clause 2 of the Timber Regulations.

There were in attendance at the sale, five people, and upon offering the material for sale no one present made a bid nor did anyone make an offer. The small attendance at the sale was in all probability due to extreme cold weather, and I will recommend that when Inspector Sullivan is again fit for duty and is in the vicinity of the N.W. 20-61-25-W.4th that he interview the settlers in the district and endeavour to receive an offer for the material.

In reply I beg to advise you that there would appear to be some error in the description of the land, as the material in question was supposed to be on Section 29, Township 61, Range 25, West of the 4th Meridian, and not the North-West ¼ of Section 20, as shown on your notice.

However, it is noted that Inspector Sullivan when next in the vicinity will interview the settlers in the district and endeavour to receive an offer for the material in question.

Sir:

I forward herewith a copy of a letter dated the 7th ultimo from Mr. M. Sawluk, of Nestow, Alberta, relative to some logs which seem to have been seized presumably on his unpatented homestead, the North West Quarter of Section 20, Township 61, Range 25, West of the 4th Meridian. Up to the present time I have not received a seizure form to cover this case and I would be obliged if you would kindly let me have further particulars as early as possible.

According to Mr. Sawluk's homestead file it would seem that under date of the 3rd of August last you instructed Mr. Inspector Sullivan to furnish a careful report as to the nature of the land comprising the homestead and he was to state whether or not Mr. Sawluk was in residence and also indicate what breaking, cultivation and improvements exist.

Re water power lease to the City of Medicine Hat, file 1[illegible]-112146.

With reference to the memorandum written in favour of the City of Medicine Hat, I would say that the reservation contained in the Dominion Lands Act, as regards coal and petroleum, is as follows:- Prices the available and unalienated coal and petroleum lands in the Province of Alberta, and in Saskatchewan and Manitoba, at $10 per acre; but the Crown, in granting any of these lands, may reserve to itself the right to work the same or any part thereof, or to authorize any person to work the same, upon such terms as may be agreed upon between such person and the Minister of the Interior, or as may be fixed by the Board of Arbitration hereinafter mentioned, and compensation for any damage caused by such working. Section 47, Chapter 54, 1908, provides that in the case of lands in the Province of Alberta, Saskatchewan or Manitoba, the Governor in Council may, at any time, withdraw from sale or lease any lands containing coal or petroleum, and may reserve the same for future disposal, or may dispose of the same subject to such reservations as he may deem expedient. Section 47, Chapter 4, 1908, provides that in the 4th Meridian, Township 11, Range 6, West of the 4th Meridian, Section 6, Township 11, Range 6, West of the 4th Meridian.

The reservation does not include petroleum rights nor rights to any other minerals.

Dear Mr. Greenfield,

I wrote you on the 21st December last with reference to the application of the city of Medicine Hat, for the reservation of the natural gas rights underlying the School Lands in the tract reserved for the City by Order in Council of the 7th November last, in Townships 12 and 13, Range 5, and Township 12 and the easterly two tiers of sections in Township 13, Range 6, West of the 4th Meridian, to which a reply was received that the Provincial Government had no objection to the reservation.

The Municipalities of Vegreville and Tofield have requested similar reservations and Orders in Council have been passed making reservations of natural gas rights underlying Dominion lands for these Municipalities. School lands have been excepted from the Order in Council and in the tracts reserved the following parcels of school lands are contained:

Tofield.

Re - Sec. 11-24-1-W.5th M.

Please see your memorandum of the 27th instant, on File 123276 G.L., herewith.

In view of the Agent's report that the land is situated within the limits of the City of Calgary, I approve your suggestion that before taking final action a report should be obtained from an Inspector as to location and character of the land. The report should also set forth whether there is any one in occupancy and value of any improvements there may be thereon, and also, any further information which it is considered should be brought to the attention of the Department in dealing with the case.

The Mining Recorder at Calgary has forwarded to the Department your application to [illegible] a lease covering the petroleum and natural gas rights in the [illegible] quarter of section 11, township 4, [illegible] range 1, east of the 4th meridian, and has reported properly [illegible] of the [illegible] application.

In this regard I beg to advise you that said-subdivision 1 of the section [illegible] from the wheat [illegible] to.

In so far as the petroleum and natural gas rights in the south east quarter of the section are [illegible], it would seem that these rights are available for disposition, but it is [illegible] that the section lies within the limit of the [illegible] city of Calgary, and it is not the practice to issue leases covering the petroleum and natural gas rights within the limits of [illegible] city, town or village.

The Mining Recorder at Calgary is being requested to furnish the Department with certain information in this regard, and upon receipt of his reply you will be further advised.

Re: Petroleum & Nat. Gas Rights in ec. 11-24-1 [illegible]t Mer.

In connection with the application submitted by [illegible] from Mr. Gilbert [illegible]. Respecting a lease of the rights referred to above I may say that [illegible]eral subdivision it was [illegible]ed from the school allotment in order that homestead entry might be granted thereon.

The mineral rights, including the petroleum and natural gas rights in the [illegible] half and south east quarter of this section have been disposed of and patented.

The petroleum and gas rights in the south [illegible]est quarter appear to be available for disposition, but it is understood that this quarter section lies within the limits of the City of Calgary, and it is not the practice of the Department to issue leases covering the petroleum and natural gas rights within the limits of an incorporated city, town or village.

Before finally dealing in this case it has been decided to request you to have a Homestead Inspector visit this quarter section and report as to the location and character of the land, whether there is any person in occupation, and the value of any improvements thereon. And also any further information which it is considered should be brought to the attention of the Department in the [illegible] of the case.

He might report definitely whether the land lies within the limits of the city of Calgary. If the quarter section has been subdivided and extensively built upon, it will only be necessary for the Inspector to report that fact.

Sir:

I beg to inform you that I am in receipt of a communication from the School Lands Branch requesting information in connection with the application made by Mr. Albert [illegible] to acquire portion of section 11, township 14, range 1, west of the 5th Meridian.

The Department advise that insofar as the quarter of the section which is concerned that the only portion available under these circumstances, is that which is situated within the limits of the City of Calgary it has been decided before finally disposing of the case to have a report furnished as to the location and character of the land, whether there is any person in occupation and the value of any improvements thereon, also any further information which it is considered should be important to the attention of the Department in dealing with the case.

In reporting you should state definitely if the land lies within the limits of the City of Calgary, and if it has been subdivided and extensively built upon.

I might state that the application referred to covers a small subdivision of the school reserve, which has been withdrawn from the location, and it is not likely that it will be available in view of the fact that the School Trustees have decided to apply for the rights in connection with this subdivision.

Please furnish a separate report in connection with this particular parcel of land.

His Worship Mayor Webster,
City of Calgary,
Calgary, Alta.

Dear Sir:

Re S. W. ¼ Section 11 and L. S. 12, Section 11.

I enclose over the signatures describing property we have that there are many buildings situated throughout Local Subdivision 12 as indicated by the red dots on the attached blue print. The Annex School is also situated in this Local subdivision. There are also some buildings in the S. W. ¼ of Sec., 11 viz. C.N.R., round house and yards, also the Union Iron Works. The balance of the said S. W. ¼ section is practically all owned by the City of Calgary.

Yours truly,

Department of the Interior

Calgary, [illegible], 1, 1923.

Sir:-

Referring to your letter of [illegible] 14th, 1923, re the application made by Mr. A. [illegible] Bennett to acquire a lease of the Petroleum and Natural Gas rights in a portion of Section 11, Township 24, Range 1, west of the 5th Meridian, I wish to say that I have gone into the matter with his Worship Mayor Webster and Commissioner Graves, and am enclosing a plan showing what is built on in Legal Subdivision 12 of the North West quarter of Section 11, Township 24, Range 1, west of the 5th Meridian, which is indicated by the red dots on the map.

You will note that the Parish School is on this Legal Subdivision. The Riverside Iron Works have also erected a large building on their property which takes in some 1 acres, which they have purchased from the City of Calgary. The Iron Works alone would cost perhaps, along with the machinery, some $[illegible],000. The land west of the block owned by the Iron Works on this Legal Subdivision is owned by the City of Calgary. There are no buildings on it whatsoever.

I am of the opinion that it would be bad business to grant a lease of the Oil and Gas rights on any portion of Legal Subdivision 12 of the North West quarter of Section 11, Township 24, Range 1, west of the 5th Meridian.

Sir:-

Referring to your instructions of the [illegible] in regard to the application made by Mr. A. T. Neit to acquire a lease of the petroleum and natural gas rights in the South west quarter of section 11, Township 21, Range 1, West of the 5th Meridian, I wish to say that I have gone into this matter very carefully also with Mr. Forsyth Grant Solicitor for Calgary Coal Commissioner Graves, and find that the land is within the City limits, and I am enclosing a plan of same. The City Power plant is situated on the part shaded in red on the enclosed plan and the C.P.R. buildings and Round House are on the part which is marked "C.P.R."

You will note from the plan that the Macleod Branch of the C.P.R. runs through this piece of land, and I can see no particular objection at the present time to granting a lease of the petroleum and natural gas rights in that part of this quarter section lying South and East of the C.P.R. right of way, as while it has been sub-divided, it is not being used for anything at the present time, but it might be a bad precedent for the Department to establish of allowing leases to drill for petroleum and natural gas within the City limits. The Hydro-Electric Power Line runs their line on the east side of this, and they have certain rights which they have obtained from the City.

so far as the surface is concerned.

I may say, for your information that the City of Calgary owns a great deal of the surface rights in these particular applications and the man getting the petroleum and natural Gas rights would have to deal with the City for any surface rights he might require.

I am also enclosing a letter from Mr. D. A. Crichton, the Superintendent of the City Land Department, in regard to the South West Quarter of Section 11, and L.S.D. 12, Section 11, Township 24, Range 1, west of the 4th Meridian.

The Inspector concludes by stating that
he thinks it would be best policy to grant a

particular objection at the present time
to granting a lease on the Petroleum

Mr. Rollins

On the 27th. of March, last Mr. A.E. Jemmett of Calgary applied for a lease of the available Petroleum and Natural Gas rights in Section 11, Township 24, Range 2, West of the 5th Meridian, which Section is located within the limits of the city of Calgary.

It was desired to have an Inspector report as to the merits of the application and to the organization of the surface rights of the land referred to.

Legal subdivision 12 of this Section was withdrawn from the School Endowment.

(Patented) The surface and mining rights of the remaining portion of the North East and the South East quarter of this Section, have been disposed of, leaving only the South West quarter to be dealt with by this Division.

Hereunder is a blue print showing the Section referred to with subdivisions thereof and this is accompanied by a letter from the Superintendent of the Order of the City Engineer.

In this communication it is pointed out that there are many oil rigs situated in legal subdivision 12 as indicated on the red dots on the blue print. The Ramsay School is also situated on this division.

It is stated that there are also many oil rigs on the South West Quarter as follows;-

"The C.P.R. runs East and West thru the centre from North."

The balance of the South West quarter is stated to be owned by the City of Calgary.

Mr. J.W. Dowler the reporter, states in connection with the legal subdivision as follows;-

"The Ramsay School is on this legal subdivision. The Riverside Iron Works have also erected a large building on their property which takes in some 10 acres which they purchased from the City of Calgary.

OTTAWA, 9th January, 1926.

Copy School Lands Branch.

Sir,

I beg to refer you to your letter dated the 31st ultimo, File [illegible], addressed to Mr. L. W. Herrett, of Calgary, dealing with an application which he made for a lease for a lease of the petroleum and natural gas rights under the south west quarter of section 11, township 24, range 1 west of the 5th Meridian.

The quarter section in question would appear to be included within the limits of the City of Calgary, and it is not the practice of the Department to grant a lease of petroleum and natural gas rights comprising lands included in an incorporated city, town or village, but you were asked to report respecting this application.

It is found upon further examination that the quarter section in question [illegible] school lands, and therefore, any further action taken respecting the issue of the petroleum and natural gas rights should be taken by the School Lands Branch, to which a copy of this communication is being sent.

Mr. John Bain, of Ottawa, has also been advised that the petroleum and natural gas rights which Mr. Herrett desires to acquire by lease are the property of the School Lands Branch.

Your obedient servant,

The Mining Recorder,
Calgary, Alberta.

Superintendent.

Dear Mr. Bain, 19th January, 1926.

You spoke to me the other day about the desire of Mr. [illegible] Bennett, of Calgary, to lease the petroleum and natural gas rights under the South west quarter of section 24, Township 24, Range 1, West of the 5th Meridian, and the North west quarter of Section 36, Township 23, Range 1, West of the 5th Meridian.

I have looked over the departmental files and find that both of these quarter-sections are within the limits of the City of Calgary.

The Department was advised by the Mining Recorder at Calgary that on the portion of the North west quarter of Section 36, lying to the east of the Bow River, there is located the Imperial Oil Refinery and this fact, we thought, should be sufficient objection to the granting of a petroleum and natural gas lease.

I might say, furthermore, that it is not the practice of the Department to grant a lease of the petroleum and natural gas rights comprising lands included in an incorporated city, town or village. Up to the present time the only disposition made of such rights was been to the city within whose incorporated boundaries the lands are situate.

From information on our files it would seem that there is situate on the South west quarter of Section 24, Township 24, Range 1, West of the 5th Meridian, the Canadian National Railway's round house and sheds, also the Union Iron Works, and that the balance of the quarter-section has been subdivided into building lots.

My dear Lougheed:

Moody has this day paid the balance due to the Government on Legal Subdivisions eleven, thirteen and fourteen, and also the South West quarter of Section eleven, Township twenty-four, Range one west of the fifth. He desires you to see the Department, and ask to have the patent sent to him forthwith, so that he can have the property laid out into lots and placed upon the market.

I wish you would call in and see Burgess, and try to put this thing through as soon as possible.

Dear Sir/-

I today received a notice sent on to me from Calgary of two payments amounting to $709.28 being due on L S 18 and L S 11 & 14 both on Section 11 Tp. 24 R 1 W of 5th. This payment is due on the 16th inst. and I would feel obliged if you would kindly let me know if it is necessary to pay this money at Ottawa, or will it be all right if I pay the money to your Agent at Calgary on or before the 16th inst. As there is not very much time, an early reply would be considered a favour.

Yours Truly

Sir

In your return of the 15th of May, 1891. reporting the amount of 2796.11 as the ~~Official~~ final payment on account of certain School Lands, you include the amount of $46.20 as the interest on the Principal of $972.00 from the 8th of July, 1890, to the date of payment, the 15th of May, 1891, on account of the final payment of the purchase money for Legal Subdivisions 11 and 14 of Section 11, Township 24, Range 1 West of the 5th Meridian

This amount is however $4.18 short of the full interest due to the date mentioned, and I am therefore to instruct you to collect this difference from Messrs. Moody and Ramsay at once,

Dear Sir/-

Your favour dated 17th inst. only received yesterday, it apparently must have been posted within two days after it was written.

It seems to me that it is utterly impossible to get anything done correctly at your Calgary Land Office; that certainly has been my experience with any transaction I have had with it.

From your figuring you appear to make the interest $88.61 How you arrive at that is more than I can tell, even allowing the dates and amounts of principal you give to be correct. From 8th July 1890 to 15th May 1890 (1891) is 311 days and interest on $1716. at six per cent for that length of time is $87.72 How you can make it any different I would like to know. I trust that through these mistakes (which are no fault either of Mr. Wady or myself) there will be no delay in the issuing of the patent. We are having the property surveyed into lots and are only waiting for

1.

266926

the issue of the patent to place the property on the market. You will see by this the importance that there should be no delay in the issuing of our title. The property in question is correctly recorded with the exception that my name is William Thomson Ramsay, not 'Thomas'.

Referring to my letter of yesterday re the payment of interest made by Cameron & myself while in Calgary a short time ago. I wish to say that although I was in Calgary a week I was not able to get the receipts before my departure, which has and will continue I fancy to be the means of giving me considerable annoyance and trouble for had I had the receipts I could have checked the interest and if there were any mistakes (which I am almost sure there are) could have found them. In connection with this I may also say that the first day I tendered the money to Mr.Rowe your agent he refused to take it on the ground that he had no authority, notwithstanding that I held the written authority from your Office which I presented to him and it was only after I had wired you that he would accept the money.

Sir,

Referring to your letters of the 27th ultimo and the 24th instant, enquiring whether the patents about to be issued for certain school lands west of the 5th Meridian should contain a reservation of the mines and minerals, the lands having been sold subsequent to the date of the Order in Council of 31st October, 1887, which requires a clause to be inserted in all patents from the Crown for lands in the North-West Territories situate west of the 3rd Meridian reserving the mines and minerals etc., and mentioning that the lands were ~~not~~ sold by public auction to the highest bidder and were not put up as mineral lands nor was any reservation mentioned in the advertisements or at the time of the sale, I have the honour to state that in view of the very sweeping and explicit terms of the Order in Council of the 31st October, 1887, I think that the clause reserving the minerals should be inserted in these patents. Dear Sir/-

Your favour of the 10th inst. in reply to my letter of 4th to hand.

Your letter is certainly far from satisfactory. It is now three months since Mr. Moody and myself paid for the part of Section 11 Tp. 24 R I West 5th referred to. What is the reason of the delay ? Is the amount paid you not correct ? It is a matter of very great importance to Mr. Moody and myself that we should have this Patent, and the delay in the issuing of it may cause considerable loss to us. I wrote the Assistant Secretary as far back as the 18th June urging upon him the importance of the immediate issuing of the Patent and stating my reasons. It however does not appear to have had the desired effect.

Be good enough to let me know as to this without delay that I may be saved the trouble of further correspondence.

Dear Sir/.

Your favour of the 13th inst. No. 240050 to hand. You certainly might have told me the reason for the delay in the issuing of the patent for that part of Section II before this, considering it is now more than three months since we paid for the land in question.

I most strongly and emphatically protest against any reservation in the patent for this land and refuse to accept it with any such reservation as you speak of. We bought the land in good faith and paid for it without the slightest idea that there would be any reserve whatever and it is only right and just that we should receive a patent title without the slightest reservation. It is a most important matter that we should have this patent atonce (as advised your Department a number of times) and unless I get a satisfactory answer from you regarding it by return of mail I shall be reluctantly obliged to have the matter brought before the House.

Trusting that you will not necessitate my taking this course.

CERTIFIED Copy of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Governor General in Council, on the 31st October, 1887.

P. C. No. 1070.

On a Memorandum dated 12th May, 1887, from the Minister of the Interior, recommending that a clause be inserted in all patents from the Crown for lands in the North West Territories, situate West of the Third Meridian, reserving to Her Majesty, Her Successors and Assigns forever, all mines and minerals which may be found to exist within, upon, or under such lands, together with full power to work the same, and for this purpose to enter upon, and use and occupy the said lands or so much thereof and to such an extent as may be necessary for the effectual working of the said minerals, or the mines, pits, seams and veins containing the same.

The Minister of Justice, to whom the foregoing Memorandum was referred, concurs in the recommendation, except in the case of patents for lands which have already been sold or disposed of for valuable consideration.

The Committee submit the same for Your Excellency's approval.

On a Report dated 2nd April, 1891, from the Minister of the Interior, stating that by Order in Council of the 31st October, 1887, it was provided that in patents for lands west of the 3rd Meridian, the ownership of Minerals and the power to work the same should be reserved to Her Majesty.

The Minister further states that under the provisions of this Order patents were issued to Mr. W. T. Ramsay, of Hamilton, for certain lots in the Government Town plot of Calgary.

The Minister further states that he is in receipt from Mr. Ramsay of a protest against the reservation which he discovers in his certificate of ownership.

The Minister, in view of the fact that nearly the whole of the Town site of Calgary was disposed of before the date of the Order in Council mentioned, and that the patents for the lots so disposed of do not contain the reservation to which Mr. Ramsay objects, recommends that so far as the Town site of Calgary is concerned the provisions of the Order in Council of the 31st October, 1887, be waived.

The Committee submit the above recommendation for Your Excellency's approval.

When may Mr. Moody and myself expect to receive the patent for that portion of Section II, which we paid for in full over four months ago? It is nothing less than an outrage the delay in this case, when we have repeatedly asked for it, and we will in all probability be put to considerable loss, to say nothing of the great annoyance and inconvenience that we have already sustained.

Dear Sir/-

Your telegram of the 7th inst. re the issuing of the Patent for portion of Section II was duly received.

I am at a loss to know why you did not reply to my letter of the 22nd ult. on the same subject instead of waiting till I wired you for confirmation which was of the greatest importance to Mr. Moody and myself. Be good enough to let me know if the Patent was issued without the Reservation Clause. Your prompt attention will be obliging.

Mr. Lyndwode Pereria,

Dear Sir/-

Your letter of the 12th inst. No 276567 to hand. I presume I should offer you my congratulations on your installment to office. How much time did you require me to give you to bring the matter referred to before the Privy Council? It is now nearly six months since we paid the Government for the land in question, and surely during all those months the matter might have been attended to. Had I been told distinctly that if I would allow your department time to bring the matter before the Privy Council the result might have been different I would have done my best to accommodate you, but almost from the first I was given to understand that if I did not care to take the Patent with the Reservation clause, I might do without it.

I was in the hope that after all the investigations etc. that were going on in the Interior Department, there might be some change in the management of it that would lead to its being run on a business basis, but it looks as if it was hopeless to expect any reform or improvement in the administration of the affairs.

Yours truly

I might say also, in case you may not be aware of the fact, that in February last I received some Patents for Town Lots on Section 16, Calgary, in which this Reservation clause was inserted; and after considerable correspondence with your Department they saw the fairness of my contention and issued fresh Patents without Reservation Clause. The very same arguments apply with equal force to the matter now under consideration.

Trusting I have made this matter quite clear to you, and with kind regards and thanks to you for taking the matter up,

Believe me,

Yours very sincerely

Dear Sir. Dewdney/-

I am in receipt of your favour of the 15th. inst.

I would be very much obliged if you would bring the matter of the Reservation Clause in the Patent, issued to Mr. Moody and myself, before the Council, as I feel sure when the matter is gone into you will all see that I should receive my deed without any Reservation Clause whatever. The facts of the case are as follows;-

In 1888 Mr. Moody and myself purchased, at a Public Auction, 120 acres of Section 11 T 24 R 1 West of 5th Mer. In the advertisement of the sale no mention was made of there being any reserve, nor at the time of the sale did we hear anything about it. We purchased this land in good faith and paid what at the time was considered a very high figure for it, and had we known there was to have been any reservation clause in our title, or that such a thing was contemplated we would most certainly not have purchased the land. The first intimation I had of there being any reservation was when I wrote to the Department last May asking them when we might expect our Patent, that they informed me of this.

The Hon.ble
The Minister of the Interior
Ottawa

Dear Sir, re Robt H. Moody.

Our client Mr. Moody became the purchaser of S.W. 1/4 sec. 11 Tp. 24 R. 1 W. of 5th Mer. at the sale of School lands held in Calgary on Thursday July 16th 1891. These lands were sold pursuant to advertisement as follows " The above described lands, being School Lands, will be sold in accordance with Dom.n Land Act 1889 governing the sale of School lands. Cl. 20 sub sec. 3 " viz: No mention was made in the advertisement or otherwise of coal or minerals.
The Patent, which has been sent to the Dep.t of the Int.r, is in terms of the Act, containing a reservation of coal and minerals generally viz:

We respectfully submit on behalf of our client that he is entitled to a patent free from any further reservation than of gold and silver mines.

The provs of the Act of 1889 are contained in the Revised Statutes - and for convenience

re refer to the Revised Statutes and amending acts —

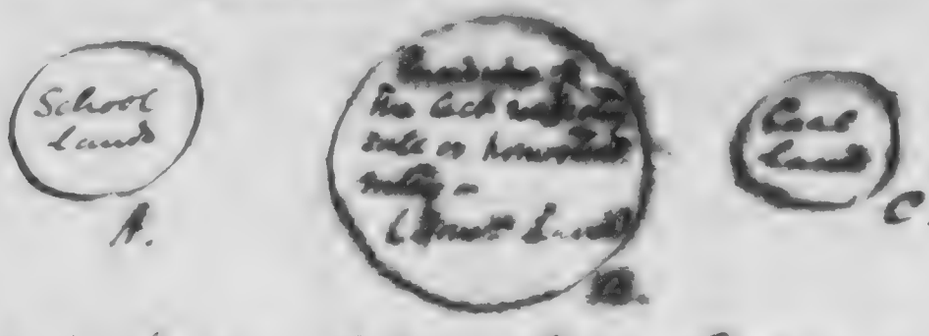

D.L.A. sec. 47: does not appear to me to cover this case at all — In the first place it evidently refers to land ascertained to contain coal and minerals — which are not, the subject of sale &c: but to be disposed of under regulations of the Govt in Council. &c: Now it is an actual fact that these lands have been sold under the provisions of the Act — and distinctly stated to be sold under the provs of the Act respecting Sale of School lands — not under any regulations respecting coal or mineral lands —

Secondly: The words "subject to the provisions of this Act respecting sale of homestead entry" must refer only only to sale of, or homestead entry, on "Dominion Lands" as distinguished from School lands — viz: to sec. 29 et seq. headed "Sale of Dominion Lands" — and secs 32 et seq. headed "Homestead" The distinction between "Dominion Lands" and "School Lands" is clearly drawn in sec. 25. By which

"School Lands" are withdrawn from the operation of the clauses of the Act relating to the "Sale of Dominion Lands". Therefore sec. 47 — in "the provisions of this Act respecting sale or homestead entry" cannot include School Lands. This may be illustrated by a Diagram Thus:—

That is to say both A & C are withdrawn from the operation of B. but sec. 47 does not withdraw C from the operation of A. and as a matter of fact the lands were sold under A. not under C.

Thirdly: Sec. 47 does not authorize a reservation in a patent — where a sale has actually been made — It is perfectly apparent that if the lands were coal or mineral lands they could not be sold at all, except

under regulations for disposal of coal & Mineral lands under Sec. 47, unless they come under Sec. 24. 25. & 28.

This question is made clear by considering Sec. 48. which shows that reservations Parliament contemplated being made in favour of Purchaser - and in connection with this Sec. we must refer to Council Orders in Council. Cap 97 Con. S. Form Order in C. 31st Oct. 1887.

Sec. 48 - seems to be applicable to this sale - for the position at the time of the purchase must be considered - reserves only gold and silver. Therefore so far as the Act is concerned one claims at the time of his purchase had the right to object, and actually bought the lands, and all they contained except gold and silver - The maxim 'Mentio unius exclusio alterius' applying - This is made clear on referring to Order in Council as to sale of lands in British Columbia (Sec 26) (See Dom. Statutes. 1888 p CXIII). And Sec. 72 D.L.A. relating to Timber Leases - which are expressly declared to be subject to

The regulations respecting coal and minerals and mining rights are thereby expressly reserved to the Crown - Parliament therefore could not have contemplated a reservation in grants of freehold (not disposed of under the regulations relating to coal and mineral lands) of other minerals than gold and silver -

Consequently if it be contended that the order in Council of 31st Oct. 1887 governed the sale in question, we submit that the same was in this respect ultra vires of the Govr in Council, as being inconsistent with, enlarging, and altering the statute, particularly as to sec. 48 D. Land Act.

We think our client clearly entitled to a Patent free from any reservation except of gold and silver mines, and we would respectfully ask that, if the Hon. the Minister, does not agree with our contention

Thirdly : Sec. 47 does not authorize a reservation in a patent- where a sale has actually been made- It is perfectly apparent that if the lands were coal or mineral lands they could not be sold at all, except under regulations for disposal of coal & mineral lands under Sec. 47, unless they come under Sec 23- 24-&25. This question is made clear by considering Sec. 48. which shews what reservation Parliament contemplated having made in Grants of Freehold? - and in connection with this Sec. we would refer to Consold. Orders in Council. Cap. 97 Sec. 8 ? From Order in C. 31st Octr. 1887.

Sec. 48,- so far as applicable to this sale- for the position at the time of the purchase must be considered- reserves only gold and silver. Therefore so far as the Act is concerned our client at the time of his purchase had the right to expect, and actually bought the lands and all they contained except gold and silver- the maxim " mentio ~~unius~~ *unius* exclusio alterius " applying - This is made clear by referring to Order in Council as to sale of lands in British Columbia (Sec. 26) (see Domn. When I wrote you on the 6th February last I hoped, and expected it would be the last time that I would ever have any further correspondence or dealings with your Department. I find however that I am again compelled to address you, for notwithstanding the fact that I was informed by your Department that a new certificate would be issued to Mr. Moody & myself without the Reservation Clause as to mines or minerals, I have recently heard from Mr. Moody that the new certificate contains some absurd clause as to the gold and silver being reserved to Her Majesty the Queen etc. I do not suppose that this clause will in any way injure the title, but I cannot for the life of me see what use there is in putting it in the certificate. Be good enough to let me know if a proper certificate can be issued to us without any reservation clause, as I was given to understand would be done.

CERTIFIED COPY OF A REPORT OF A COMMITTEE OF THE HONOURABLE THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, ON THE 27TH MAY, 1892.

P.C.1413.

On a Report dated 17th May, 1892, from the Minister of the Interior, stating that at the auction sale of School Lands held at Calgary, on the 16th July, 1889, sales were made to Messrs. R. H. Moody and W.T. Ramsay, Messrs. W. F. Orr and James Walker and Mr. T.S. Lee, for portions of Section 11, Township 24, Range 1 West of the 5th Meridian.

The Minister further states that patents were subsequently issued to Messrs. Moody and Ramsay for their respective portions of the Section, and that, there having been received from Mr. Ramsay a protest against the reservation of the right to the Minerals in the land in question, under the authority of the Order in Council of the 31st October, 1887, he was authorized by the Order in Council of the 8th December, 1891, to issue supplementary Letters Patent to Mr. Ramsay and Associate, covering the Minerals reserved in the certificate of title to their lands.

The Minister, in view of the fact that the sales to Messrs. Orr, Walker and Lee were made under circumstances exactly similar to those under which Messrs. Moody and Ramsay purchased from the Government, recommends that he be authorized to issue patents to Messrs. Orr, Walker and Lee without any Mineral reservation.

MEMORANDUM:

OTTAWA, 27th April, 1925.

Re Sec. 11--24--1 W. 5th M.

Application has been made by Albert W. Bennett of Calgary to acquire a lease of the available petroleum and natural gas rights in the section referred to above.

The records here indicate that Legal Subdivision 12 was surrendered from the School Endowment in order to permit of homestead entry being granted thereon.

The balance of the section, excepting the railway right-of-way, was disposed of by sale during the year 1889, and Letters Patent have now been issued in connection therewith.

The records here do not indicate whether it was the intention to include the mineral rights in the sales, but it appears that the purchasers of the North half and South East Quarter of the section represented to the Department that they had purchased both the surface and under-rights and, accordingly, supplementary Letters Patent were issued covering the under-rights, reserving the precious metals.

The records here do not indicate that Patent has ever been issued covering the under-rights of the South West Quarter of this section.

I observe, however, that an application was made by Walter Hallatt of Calgary, during the year 1915, to acquire a lease of the petroleum and natural gas rights in the South West Quarter, and this application was refused on the ground that Patent had been issued for both the surface and under-rights.

As the petroleum and natural gas rights in the South West Quarter of this section are available according to the records of this Division, please say whether, under the circumstances referred to above, there is any objection to a lease being issued.

I might point out that it is quite possible that the South West Quarter of this section is now within the limits of the City of Calgary, and it would, of course, be necessary to fully look into this phase of the matter before taking final action.

Commissioner of Dominion Lands,

Re: Petroleum & Gas Lease
[illegible] sec. 11-74-1 [illegible] W.

I am directed to inform you that [illegible] Lease No. [illegible], which has expired by effluxion of time, has been surrendered [illegible] and that [illegible] entry will not be granted thereon.

The mineral rights, including the petroleum and natural gas rights in the [illegible] quarter of the North half and South West quarter of this section have been disposed of and patented.

The petroleum and gas rights in the above quarter section belong to the Province, but it is understood that this quarter section lies within the limits of the city of [illegible]. and it is not the practice of the Department to issue leases covering the petroleum and natural gas rights within the limits of incorporated city, town or village.

Before finally closing this file it has been decided to request you to have [illegible] quarter visit this quarter section and report on the location and whether or not there have been any improvements placed thereon, and also any further information which it is considered should be known in the matter. [illegible] the amount of the improvements should be given in the report.

We might report officially whether the land lies within the limits of the city or not.

If the quarter section has been subdivided and extensively built upon, it will only be necessary for the Inspector to report that fact.

The Iron Works alone would cost perhaps, along with the machinery, some $50,000.00. The land west of the block [illegible] the Iron Works in this Legal Subdivision is owned by the city of Calgary. There are no buildings on it whatsoever."

The Inspector concludes by stating that he thinks it would be bad business to grant a lease of the oil and Gas rights on any portion of this Legal Subdivision.

Concerning the South West quarter of the Section the Inspector states;-

"I have gone into this matter very care fully with his Worship Mayor Webster and Commissioner Craven and find that the land is within the city limits. The City Power Plant is situated on the part marked in red on the plan and the C.N.R. buildings and Round House are on the part which is marked "C.N..."

The Macleod Branch of the C.P.R. runs through this parcel of land and the Inspector states that he can see no particular objection at the present time to granting a lease of the Petroleum and Natural Gas rights in that part of the quarter-section lying south and east of the C.P.R. right-of-way, as whilst it has been subdivided it is not being used for anything at the present time."

The Inspector points out it might be a bad precedent for the Department to establish in allowing anybody to drill for Petroleum and Natural Gas within the city limits. The Hydro-Electric Power Line have their line on the east side of this and they have certain rights which they have obtained from the city. The City of Calgary owns a great deal of the surface rights of these particular lands and the party acquiring a lease would have to deal with the city for any surface rights he might require.

In view of the fact that the surface rights of these lands are within the city limits and as the issue of a Petroleum and Natural Gas Lease gives the Lessee certain rights in acquiring surface areas for drilling operation and as the surface rights are undoubtedly controlled by numerous parties, also as an oil field has not as yet been developed in that vicinity, I hardly think the Department would be justified at this time in favourably considering the present application and I recommend that the application be refused.

Memorandum

Mr. Rollins

On the 27th of March, last Mr. A.W. Bennett of Calgary applied for a lease of the available Petroleum and Natural Gas rights in Section 11, Township 24, Range 1, West of the 5th Meridian, which Section is located within the limits of the city of Calgary.

It was decided to have an Inspector report on the merits of the application and as to the encumbration of the surface rights of the land referred to.

Legal subdivision 12 of this Section was surrendered from the School Endowment.

The surface and mining rights of the remaining portion of the North half and the South East quarter of this Section, have been disposed of, leaving only the South West quarter to be dealt with by this Division.

Hereunder is a blue print showing the Section referred to with Subdivision thereof and this is accompanied by a letter from the Superintendent of the office of the City Engineer.

In this communication it is pointed out that there are many buildings situated on Legal Subdivision 12 as indicated by the red dots on the blue print. The Ramsay School is also situated on this Division.

It is stated that there are also some buildings on the South West quarter as follows;-

"The C.N.R. round house and sheds also the Union Iron Works."

The balance of the South West quarter is stated to be owned by the city of Calgary.

Mr. G.H. Cloakey who reported, states in connection with the Legal Subdivision as follows;-

"The Ramsay School is on this legal Subdivision. The Riverside Iron Works have also erected a large building on their property which takes in some 10 acres which they purchased from the city of Calgary.

Sir:-

I beg to acknowledge the receipt of your letter of the 30th. ultimo, in regard to application of the Canadian Northern Railway Company for permission to acquire the land necessary for the right-of-way of a pipe line, being .225 acres in area, in the S.E.¼ of Sec 29, Tp 53, Rge 8 West of the 5th. Meridian, in which you ask if the valuation of $7.00 per acre which was placed on the land necessary for the right-of-way of the railway in this quarter section some considerable time ago, would be a proper valuation at which to sell the above mentioned land to the Company at the present time.

In reply I beg to say that I have taken up the matter with Inspector Drew, and I enclose herewith a copy of a report he has made in which he recommends that the valuation at which the .225 acres should be sold to the Company, shall be $10.00 per acre.

Sir,

I beg to acknowledge the receipt of your letter of the 7th instant, your file 1013 S.A.W., in regard to the land required by the Canadian Northern Railway Company in connection with their water supply in the South East quarter of Section 29, Township 53, Range 8 West of the 5th Meridian, and to say that this land has been inspected and valued at $10.00 per acre.

The Governor-in-Council will now be asked for the necessary authority to carry out the sale at the price mentioned and you will be further advised as soon as the Order is issued.

It will, however, be necessary for the Company to file here a proper plan of the right-of-way.

IMMIGRATION BRANCH SENT TO CANADA
JUN 2 1915
DEPUTY MINISTER'S OFFICE

SCHOOL LANDS
Department of the Interior

TO HIS ROYAL HIGHNESS,

THE GOVERNOR GENERAL IN COUNCIL:

The Undersigned has the honour to report as follows:-

Application has been made by the Canadian Northern Railway Company for permission to acquire .289 acres, in the South East quarter of Section 24, Township 53, Range 4 West of the 5th Meridian, in connection with tower water supply at that point.

It has been the practice of the Department to sell the land required in School Sections by Railway Companies for the right-of-way for a pipe line at a price determined by inspection and valuation and approved by the Governor-in-Council in the same way as lands are sold to Railway Companies for the right-of-way of the railway.

In the present instance the land required for the right-of-way of the pipe line in this quarter-section has been valued by Mr. J. F. Grew, Inspector of School Lands, at $10.00 per acre, and the Undersigned therefore recommends

recommends that he be authorized to sell to the Canadian Northern Railway Company, the .225 acres required for the right-of-way of a pipe line in the south west quarter of Section 19, Township 51, Range 8 West of the 5th Meridian, at the price mentioned, namely, $10.00 per acre.

Respectfully submitted,

The Committee of the Privy Council have had before them a report, dated 28th May, 1915, from the Minister of the Interior, submitting that, application has been made by the Canadian Northern Railway Company for permission to acquire .225 acres, in the South East Quarter of Section 29, Township 53, Range 8 West of the 5th Meridian, in connection with their water supply at that point.

The Minister states that it has been the practice of the Department of the Interior to sell the land required in School Sections by Railway Companies for the right of way of a pipe line at a price determined by inspection and valuation and approved by the Governor in Council in the same way as lands are sold to Railway Companies for the right of way of the railway.

The Minister recommends, as in the present instance the land required for the right of way of the pipe line in this quarter-section has been valued by Mr. J. P. Drew, Inspector of School Lands, at $10.00 per acre, that he be authorized to sell to the Canadian Northern Railway Company, the .225 acres required for the right of way of a pipe line in the South East quarter of Section 29, Township 53, Range 8 West of the 5th Meridian, at the price mentioned, namely, $10.00 per acre.

The Committee submit the same for approval.

Referring to your favor of the 1st inst. enclosing description proposed to be inserted in patent to be issued to the C.N.R. for right of way for pipe line across the Southeast quarter of Section 29--57--8 W.4th M., this has been checked by our Engineers, and they advise that it agrees with the plan of survey made by Mr. Wesles. There is one alteration which we would like made. In the proposed Title it is stated that the land being granted is to remain unfenced. The Company have agreed to this as far as the pipe line is concerned, but as the pump house has been built near the Blindman River, we should like to have the privilege of fencing the parcel lying immediately Adjacent to the pump house.

Referring to your communication dated 1st. instant re Mr. Lemesurier's letter of the 30th March, what the Company have to require is the allowance to fence in the portion of the land applied for around the pump house. This is the wide portion adjoining the river, or the plan of the envelope beneath.

I do not think there can be any objection to this, as the remainder of the land required for the pipe line will not be fenced in, but as Mr. Lemesurier points out, a plan will be required to accompany the grant, showing the portion to which the fence is to be erected and maintained.

As the letter of Land Patents involves a question of principle I have referred the matter to the Deputy Minister for consideration

re squatters on N. ½ 29-77-19-W. 5th. McLennan townsite referring to Inspector McMullen's notice to squatters to remove.

I have the honour to inform you in reference to the marginal noted subject, and in further reply to your telegram in reference to same, I instructed our Homestead Inspector, Mr. McMullen, to notify squatters to vacate the marginal named lands; this he informs me he has done.

I further asked him to furnish me with a list of names of the parties, and the approximate value of the buildings, situated on this half section.

I enclose herewith a list of these people and their occupation, as well as the approximate value of the buildings thereon.

I would respectfully draw your attention to the fact that it will be considerable hardship for these people to move off this property at present, and I would suggest that they be allowed to remain thereon until the 1st May. I might further state that this is the recommendation that my Homestead Inspector made to me in connection with this matter.

Should you require a written report from the Homestead Inspector, he would be pleased to furnish it to you at a later date when asked for.

Sir,

You wrote to the Department in April last in regard to your occupation of a portion of Section 2?, Township 77, Range 19 West of the 5th Meridian, stating that it was your intention to move to the Spirit River District about the end of May or the first of June, and you asked to be allowed to remain on the land in the meantime. In view of this the matter was allowed to remain in abeyance, but as more than two months has now elapsed since the date of your letter, I have to inform you that if you have not already moved your stock from the section mentioned, you should do so without further delay, as the Department cannot allow squatters to remain in occupation of School Lands.

Copy for A.D.L.Peace River. -For your special Attention

Sir,

I beg to acknowledge the receipt of your communication of the 31st ultimo, stating that you have been requested by a number of residents who have small dwelling houses on the south side of the track at McLellan, the station on the E.D. and B.C. about 30 miles from Peace River, to say that said buildings are on school sections which adjoin the station reserved.

In reply I am to inform you that school lands can only be disposed of by public auction to the highest bidder and it is strictly against the regulations of the Department to allow settlers to erect any buildings on school lands prior to date of sale.

The Agent of Dominion Lands at Peace River is, by a copy of this letter, being requested to have an Inspector investigate the matter and file a report, upon receipt of which you will be further advised.

The Homestead Inspector will call upon the interested residents in order that they may present their views on the matter.

Sir,

Le Sec. 29-77-19 W.5th M.

I am in receipt of a number of communications from you wherein you set forth that the parties with whom the Department communicated on the 2nd of May last as regards vacating the premises occupied by them which are located on the above land have not complied with the terms of the Departmental letter referred to.

If you have received reports from an official of the Department to the effect that the instructions of the 2nd of May have not been complied with you should forward the reports here for consideration, but if, on the other hand, no reports have been received you might have an inspector, when next in the vicinity, at the first favourable opportunity visit the land and furnish a report in regard to these cases.

12th December, 1922.

Memorandum: Re Sec. 29-77-19-W.5th Mer.

With reference to your memorandum herewith and attached correspondence relative to squatters on the above mentioned land, I beg to report as follows:-

In January 1915, on the strength of information received in the Department that certain parties were squatting on this section, the Agent of Dominion Lands at Grouard, Alberta, was advised by night lettergram to send an Inspector to warn the squatters off the land as squatting on School Lands was not permitted.

In reply the Agent notified the Department that he had instructed Homestead Inspector McMullen to notify the squatters to vacate and submitted a list of the parties who had squatted upon the land, with the value of the improvements they had placed thereon, and pointed out that it would be a hardship to remove the people at that time and suggested that they be allowed to remain on the land until the 1st of May following. On the 25th of March, 1915, the Agent of Dominion Lands was notified that the squatters would be allowed to remain on the land until the 1st of May, 1915, and that they should be notified to vacate by that date.

No further action was taken in regard to the removal of the squatters until December, 1918, when Mr. C. J. Robert, of Peace River, wrote the Department on behalf of a number of residents, stating that they had made valuable improvements and were desirous of purchasing a portion of the section, as the price of lots on the north side of the railway track, which belonged to the E.D. and B. C. Railway, and which forms a townsite, were prohibitive.

The Agent of Dominion Lands, Peace River, was therefore instructed to have an Inspector investigate and report, and the Inspector reported that the squatters were....

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
Ottawa.

were all employees of the E.D. and B. C. Railway who were not sure of steady employment and did not wish to purchase lots within the townsite.

On the strength of this report Mr. Robert was advised that the Department had decided not to molest the squatters at that time, and he was notified that they were not to erect any buildings on the land of a permanent nature, as they would be allowed no compensation in case the land was disposed of.

No further action was taken until March 1922 when School Lands Appraiser Drew reported on this section when he was making valuations for right of way purposes of the railway. In this report he showed twenty-five squatters on the land and stated that some of them had quite valuable improvements on said land, and on the strength of Appraiser Drew's report a recommendation was made in April 1922 that the squatters be granted a period of six months within which to remove their buildings etc., and the squatters were all notified accordingly.

These squatters apparently paid no attention to the notice sent them, as the Agent reported in November 1922 that a number of squatters were still on the land, and on the strength of this information the Agent was notified on the 24th ultimo to have an Inspector when again in the vicinity furnish the Department with a further report in regard to the cases, but as yet this report has not yet come to hand.

There may be no particular objection to allowing the squatters to remain on this section provided they erect such buildings as would be easily removed in case of a sale, and provided it is understood that they are not to be compensated by the Department for any buildings or other improvements when the land is sold.

The Railway Company, however, and I think rightly so, may take exception to the Department granting permission to the squatters to remain on the land, in view of the fact that they have sub-divided certain portions of their lands into town lots and are offering same for sale. As yet, however, the Railway Company has raised no particular objection, in so far as our records show.

Squatters on lands adjoining a townsite are, however, a hindrance to the town as they pay no taxes while they derive nearly all the benefits afforded by the town and which are paid for by the actual residents.

It seems to me, therefore, that the Department would hardly be justified in allowing the squatters to remain on this section for any extended period, and I think it would be advisable to have them notified that the Department will expect them to vacate within a year from this date, as by that time it will surely be definitely established whether the townsite of McLennan is to remain where it now is situated; furthermore I do not think there will be any sale of school lands in that district in the near future.

Dear Sir;-

We the undersigned residents of the village of McLennan wish to draw your attention to the situation in which we find ourselves here at McLennan.

As you are no doubt aware the Rail Way Company own the Townsite here and also all the surrounding lands except the School Section (29-7-19-5) and owing to the high price the lots were held at it was impossible for a large number of thier employes to purchase so they were compelled to erect or purchase shacks on the School Section and now Your department has notified us to vacate at once.

Already some of us have purchased lots on the Townsite but owing to the hard times just now are not able to build a house which would cost about Twelve or Fifteen Hundred Dollars and that in the face of the fact that the Railway Co. will give us no assurance that the terminal will remain here and as you

Sir,-

Re Sec. 29--77--19--W.5th Mer.

Referring to your letter of the 24th ultimo to the Honourable the Minister of the Interior, signed by yourself and other parties apparently squatting on the above mentioned section, I am directed to advise you that this Department administers School Lands as trustee for the School Lands Endowment Fund, and is therefore expected to derive for the fund as great a revenue as possible.

According to the provisions of the Dominion Lands Act School Lands can only be disposed of by public auction, and in order for the parties squatting on this land to obtain title thereto it will be necessary for them to await an auction sale of the land.

A sub-division of this section, or a portion thereof, will be made at an early date when the land no doubt will be offered for sale and the parties interested granted an opportunity of purchasing by public auction the lands upon which their improvements are located.

Would you be good enough to notify the interested parties who have signed this communication along with yourself of the decision of the Department.

Squatters on section 29-77-19-5
Your file 8-3

Referring to your memorandum of January 22 file 120063 S...., the papers do not indicate what portion of section 29 is occupied by the squatters, but as they are adjoining the townsite of McLennan there is no doubt that the subdivision to be made will require to conform to the provincial regulations for the subdivision of land in order that the plan may be approved for registration.

Steps will be taken to secure the information that will govern the lay out of the subdivision and unless unforeseen circumstances prevent, it is expected that the survey can be undertaken during May or June.

Dear Sir:

With reference to your memorandum of the 27th instant, and attached letter from Mr. A. C. Pietze concerning his desire to acquire one acre of the St. Boniface, in the section of a slaughter-house, I may say that all of the section referred to appears vacant in the records of the Department, but there are a large number of squatters thereon.

This parcel of land appears to adjoin the townsite of Edmonton, Alberta, which is on the Edmonton-Dunvegan and British Columbia Railway.

I observe from the plan attached to this letter that it is proposed to open at least a portion of the land subdivided for the purpose of lay or market for sale.

It would not be possible to dispose of an area of one acre for sale, except at public auction, and in view of the fact that other squatters have been given, or contemplate, residences and as a subdivision will be necessary before a title, I think it Mr. Pietze to acquire a large acre, especially for the purpose of erecting thereon a slaughter-house.

You will observe that Mr. Pietze does not state in his application for the section he desires to acquire this site.

Plan is returned herewith.

Yours respectfully submitted,

E. A. Dyer, Esq.,

Chief Clerk,

Department of the Interior.

MEMORANDUM:

Re. Squatters on sec. 29-77-19-5.
south of the railway.
File 128063 S.L.

Adverting to the decision to subdivide a portion of the above section for sale by auction to the squatters thereon, a survey has now been made to locate the improvements of the several squatters and to determine the topography of the ground in order that consideration might be given the design of the required subdivision.

The locality being immediately adjoining the town of McLennan a subdivision into town lots will doubtless be required in order to obtain the approval of the Provincial Department of Public Works before being registered.

In order to comply with provincial regulations a block not less than two acres will need to be reserved for the Department of Public Works.

The enclosed blue line print shows the position of the squatters' improvements and a proposed scheme of subdivision extended from that of the town. You will observe that the squatters are scattered over a considerable area and that if each one were offered the land upon which his improvements are located it would be necessary to lay out a very large number of lots in excess of the number of squatters. In any case several of the buildings would have to be moved off of the proposed streets onto the proposed lots as it would not be practicable to lay out streets and lots to conform to the present irregular arrangement of the buildings.

Mr. H. E. Pearson, D.L.S., who made the preliminary survey reports that the squatters are willing to move their buildings to conform to whatever subdivision may be laid down. As there are only 28 squatters in occupation the question arises how extensive a subdivision should be made at present. If lots are laid out clear across the quarter-section as indicated, the squatters will doubtless desire to purchase those lots nearest to their buildings and this

Contd.

would result in there being a large number of intervening unoccupied town lots for which there may be but little sale. Such a scattered occupation would greatly increase the cost of roadways, walks, drainage or other public services and might not be in the best interests of all concerned. It is possible that the future advantages of a concentrated occupation of a few blocks would more than offset the cost of moving. The reserve for the Department of Public Works will occupy the area of about 14 lots.

The matter is submitted for consideration of the area you desire to have set apart for townsite purposes at present. Please advise me whether you desire a more extensive subdivision than is shown on the blue print or whether you desire it to be confined to the number of blocks that will furnish more nearly the number of lots at present required.

Please give this matter your early attention as instructions for the survey will be dependent upon the extent of the survey to be made.

Assistant Surveyor General.

Dear Sirs,-

Section 29-77-19-W5th.Meridian.

The above described land lays adjacent to the McLennan townsite in McLennan School District. There are at present thirty residences on this school section. When assessing these people for school purposes we have only been able to assess them on their personal property and not anything on the ground space which they have built their residence on and fenced. There is not any property tax payer within the McLennan School District that does not pay a ground tax of at least one hundred and fifty dollars except these people will easily see that a person by squatting on the Dominion school land escapes paying a certain amount of taxes to the school district. This has been an inducement for a number of people to go on the Dominion school land and build their house instead of on the McLennan townsite. I would ask that you take steps to stop any more building on section 29,Tp77,Rge.19,W5th meridian and that the McLennan School District number 3382 be given authority to assess the present land holders for the ground space they occupy and if they fail to pay taxes on same that they be given notice to move off.The McLennan School District recommends that you give the authority to assess them on a valuation of three hundred dollars per residence . It is not our wish that they be given any notice at the present time to move off as we are well aware that this would work a hardship on these people.

Yours truly E.W.Bromley

Re--Section 29-77-19--W.5th M.

I beg to acknowledge receipt of your letter of the 5th instant, requesting that authority be granted to assess squatters on a portion of the above mentioned section on a valuation of $300.00 per residence.

In reply I might state that the question of collecting taxes on unpatented School Lands is one which involves a point of law and this Department is therefore not in position to grant authority to tax the squatters on this section.

This Department, however, has made it a point to avoid interfering with the laws of the Province in regard to the collection of taxes and it might be possible for your Municipality to arrange with the Deputy Minister of Municipal Affairs for the Province for some legislation or provision whereby these squatters might be taxed on the improvements.

Re pt. N.E.¼ 29--77--19 W.5th Mer.

Referring to memorandum hereunder from the Assistant Deputy Minister with communication from His Lordship Bishop Grouard applying for fifteen acres in the North West corner of the above mentioned quarter-section for church, rectory, hospital and convent site, I beg to state that this section is not within the boundaries of any sales to be held in the Peace River and Grande Prairies districts this year.

Under the amendment to the Dominion Lands Act, however, assented to on the 12th June, 1925, the Minister may sell School Lands required for right-of-way for any project or for reservoir, church, cemetery or hospital sites at a price to be fixed by an officer of the Department as the actual market value of the land, and upon such terms of payment as the Minister may prescribe, provided that the Government of the Province in which the land is situated expresses its approval of the sale and the price in each case.

Under this amendment I see no reason why we could not sell privately to the interested parties the areas desired in this quarter-section, provided, of course, the Provincial Authorities would approve of the sale.

I think, however, before requesting the approval of the Province we should have an inspection made of the land and a valuation placed thereon for the purpose of sale.

Memorandum.

Re pt. N.E.¼ 29--77--19 W.5th M.

Referring to request of Mr. McDougall of your Office for a report in regard to the application of His Lordship Bishop Grouard to acquire approximately fifteen acres in the North West corner of this quarter-section for the purpose of erecting thereon a church, rectory and convent, I might state that under the amendment to the Dominion Lands Act the Minister has authority, with the consent of the Provincial authorities, to sell areas of School Lands by private sale for the purpose mentioned, and I see no objection to favourably considering the application of Bishop Grouard, provided, of course, the Provincial authorities would consent to the sale.

From the inspector's report on file No. 128063 herewith, it would appear that there are several squatters on the area applied for. These squatters are on the land without the permission of the Department, and, in my opinion, should be instructed to remove their buildings with the least possible delay and that as the Department intends disposing of the land, it cannot in any way compensate them for any improvements which have been made.

A period of thirty or sixty days might be allowed the squatters within which to remove their improvements, and I would not recommend granting any compensation whatever for such areas as have been cultivated for garden purposes.

The squatters, according to the report, are Joseph Macaulay, Charlie Gooskeeper, G. Anderson and H.G. Hautebergue, who appear to be half-breeds, and who would receive their mail at McLennan, Alberta.

The inspector's report places a valuation on the land of $20.00 per acre, and if this is satisfactory to Bishop Grouard, and if the Provincial authorities will consent to the sale at this figure, I would recommend that the sale be carried out.

...

R.A. Gibson, Esq.,
Acting Deputy Minister,
Department of the Interior,
Ottawa.

As the land, however, is not in the form of a square, it would appear necessary for Bishop Grouard to furnish the Department with a proper plan of the area required, unless the Surveyor General could give us the area from the description contained in the inspector's report.

If the squatters fail to vacate the land and remove the improvements within the time allowed and if we dispose of same to Bishop Grouard, then in my opinion it would be up to him to take what action he deemed necessary to have them removed.

The matter of this description was referred to the Surveyor General and I would refer you to his memorandum of the 7th instant hereunder with sketch attached.

You will observe that the Surveyor General states that the inspector gives the starting point as the northwest corner of the quarter-section and describes the closing course as following the boundary of the right-of-way to the starting point. It is pointed out that such a course would not return to the starting point, but would intersect the north boundary of the quarter-section at an iron post marking the southwesterly corner of the station grounds, and another course of 33 feet more or less along the north boundary of the quarter-section would be required to complete the boundary.

The sketch submitted by the Surveyor General shows a tract commencing at the iron post referred to, but you will observe that the said tract does not face on a road allowance and the only access thereto would be from Third Street, which ends on the north boundary of this quarter-section.

It would seem in this case that the only entrance to the tract as shown on the sketch prepared by the Surveyor General would be from Third Street, and this entrance would be only 33 feet in width.

I would also point out that unless the proposed road shown on the sketch were established, a sale of the proposed church site, as shown on sketch, would ~~represent~~ a strip 33 feet wide of the vacant land

...

J.W. Martin, Esq.,
Acting Commissioner of Dominion Lands,
Ottawa.

along the west boundary of same.

It would seem, therefore, if the church authorities wish to acquire a tract somewhat similar to that shown on sketch, that the west boundary of this quarter-section should be adopted as the west boundary of the proposed church site.

Would you kindly ~~report~~ advise in this regard?

Dear Sir:-

I am advised that School Section located near the hamlet of McLennan, which is, I think, in Township 77, Range 19, West the 5th Meridian. I am not sure of the section number but it is the one that the railway track runs through, was put up for sale at the recent sale of School Lands and was not sold.

May I be advised, please, if this is the case and if the balance of the section, or any portion of it can be purchased by me.

Yours truly,

Thos. H. Brenner.

Sir,-

Re Sec. 29--77--19 W. 5th Mer.

With reference to your letter of the 29th January last, concerning the land referred to above, I beg to advise you that as this land is School land, the same could not be disposed of by sale, except at public auction.

This section of land was not offered for sale at any of the sales held in the Province of Alberta during last year.

I might add that under the provisions of the Dominion Lands Act, portions of the land could be disposed of by private sale in cases where the land is to be used for a public purpose, that is for Church sites, cemetery sites, or school sites, etc.

I regret that your communication was not replied to at an earlier date.

Sir,-

In further reference to your application to acquire a portion of the land referred to above for the purpose of a church site and other purposes in connection therewith, I beg to advise that an officer of this Department when reporting on this application, submitted a description of the land which you desire to secure and which is shown on sketch attached hereto, the boundaries being colored red.

You will observe that the area of the proposed Church site is 14.37 acres, but that the parcel of land applied for does not fall on a road allowance.

The matter of your application has been under consideration by this Department, and it has been decided that the west boundary of the west half quarter of this section should be adopted as the eastern boundary of the proposed Church site. This boundary you will observe is marked by the dotted line shown extending through the centre of Third street east in the townsite.

By adopting the said boundary as the eastern boundary of the church site, entrance to the church site would be provided over a width of thirty-three feet at the junction of Third street east.

Under the circumstances, would you kindly advise whether the site shown on the said sketch, if extended to the west boundary of this quarter-section, would be satisfactory in this case.

Your obedient servant,

Sir, - (ref. 4535)

Application has been made to the Department by His Lordship, Bishop E. Grouard, of Grouard, Alberta, to acquire an area of 14.19 acres, more or less, in the North East quarter of Section 29, Township 77, Range 19, West of the 5th Meridian, for a church, rectory, hospital and convent site as per the following description: -

"Commencing at a point on the northern boundary of the quarter-section marked by an iron post 33 feet westerly from the western boundary of the quarter-section, extending southerly a distance of 825 feet; thence easterly a distance of 825 feet; thence northerly a distance of 673.09 feet; thence westerly along the southern boundary of land acquired by the Edmonton, Dunvegan and British Columbia Railway for station grounds, a distance of 138.87 feet to point of beginning".

The land has been inspected by an officer of the Department and valued at $20.00 per acre and His Lordship has notified the Department that he is willing to acquire the land at this valuation.

Under Sub-section 4 of Section 38 of the Dominion Lands Act R.S. 1927, it is provided that the Minister of the Interior may sell school lands required as right-of-way for any project or for reservoir, church, cemetery or hospital sites, at a price to be fixed by an officer of the Department as the actual market value of the land, and upon such terms of payment as the Minister may prescribe, provided that the Government of the Province in which the land is situated expresses its approval of the sale and the price in each case.

Would you, therefore, be good enough to take this matter up with the Provincial authorities and advise at the earliest possible date whether they would consent to the sale of the above mentioned land at the valuation set out above, the land, no doubt, to be used for the purpose mentioned.

Being in the Seventy-seventh Township, in the Nineteenth Range, West of the Fifth Meridian, in the Province of Alberta, and composed of all that portion of the North West quarter of Section Twenty-nine of the said Township, as the said quarter section is shown upon a plan or plan of survey of the said Township, approved and confirmed at Ottawa on the 7th day of February, A.D. 1913, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior, which said portion may be more particularly described as follows:- Commencing at a point on the West boundary of the said quarter section distant eight hundred and twenty-five feet measured Southerly along the said West boundary from the North West corner of the said quarter section, thence Easterly parallel to the North boundary of the said quarter section, a distance of eight hundred and fifty-eight feet, thence Northerly parallel to the said West boundary to the point of intersection with the Southern limit of a surveyed road one chain in width in the said quarter section, as the said road is shown upon a plan of survey thereof, signed by E. B. Stairs, Dominion Land Surveyor, on the 25th day of October, A.D. 1928, and of record in the Department of the Interior under number 36560, a duplicate whereof is on record in the Land Titles Office for the North Alberta Land Registration District under plan number 1222 L.O., thence North westerly along the said Southern limit of the said road to its intersection with the said West boundary, thence Southerly along the said West boundary to the place of commencement, containing by admeasurement thirteen and forty-eight hundredths acres, more or less.

It is presumed that the road shown on plan No. 36560 should be reserved from the parcel to be disposed of and the description above has been made accordingly. If this reservation is not desired, a new description of the parcel will be prepared eliminating the said reservation.

Memorandum:

Re: Section 29--77--19 W. 5th Mer.
Your Reference #4174
"Special" Room No. 3.

Referring to the Acting Deputy Minister's memorandum of the 21st instant requesting a report as to the standing of the above mentioned Section and as to the likelihood of it being offered for sale during the coming summer, I beg to report as follows; the South half is clear in our records; the North West quarter, with the exception of 0.04 acres reserved for roadway, is also patented to the Edmonton, Dunvegan and British Columbia Railway Company for right-of-way and station grounds and 13.48 acres patented to the La Corporation Episcopale Catholique Romaine de Grouard, the balance of the quarter-section being clear.

Some years ago it was reported that there were several squatters on a portion of this Section and a request was made to have the land on which the squatters were located sub-divided, but no definite action was ever taken in regard thereto.

It would appear, however, that the majority of the squatters were located on the area patented to the La Corporation Episcopale Catholique Romaine de Grouard and when it was decided to offer this portion of the North East quarter for sale, the squatters located on the land, according to the Inspector's report, were notified that they must vacate and remove all improvements within thirty days of the ninth day of October, 1928.

There is little likelihood of this Section or any land in the district in which it is located being offered for sale during the coming summer in view of the proposed transfer of the Natural Resources.

Harvey Fitzsimons, Esq.,
Assistant Commissioner of Dominion Lands,
Ottawa, Canada.

The matter was again submitted for consideration in May, 1923, but in view of the fact that there was some talk at the time of removing the station from the Town of McLennan to another site, it was decided not to proceed further with the case, and the Assistant Surveyor General was notified to this effect.

In September, 1925, the Chairman of the McLennan School District advised that there were about thirty residences on this school section, and that in assessing the squatters for school purposes the Municipality was only able to assess them on their personal property and not anything on the ground space, and pointed out that in view of this the squatters on this school section were escaping the payment of taxes which the residents of the Town of McLennan were required to pay, and this was an inducement for a number of people to settle on the School land. A request was made to take steps to stop more building on this section.

In May, 1928, it appears that His Lordship Bishop Grouard applied to acquire about fifteen (15) acres in the North West corner of the North East quarter for church, rectory, hospital and convent site, and as the Department decided to sell this land by Private sale in accordance with the provisions of the Dominion Lands Act, several parties who were squatting on the land, according to the Inspector's report, were notified to remove any improvements they had placed upon the land within thirty days of the 9th of October, 1928.

In January, 1929, Mr. Thos. H. Bradner of McLennan made application to purchase the undisposed of portion of the section and was advised that it could not be disposed of by Private sale, and this appears to be the only application to purchase any portion of the land since the townsite proposition was called off in May, 1923.

re - Sec. 29--77--19 W.5th M.

Referring to the Assistant Deputy Minister's Memorandum of the 18th instant, and attached communication from Mr. Leon Giroux, in which the Assistant Deputy Minister wishes to be advised whether we have any demands for townsite lots within the above mentioned section, I beg to report as follows:-

On the 24th of November, 1922, a communication was addressed to the Minister, signed by a number of parties, setting out that as the Railway Company owned the Townsite of Aylesmer and all surrounding lands except the above mentioned section, and as, owing to the high price of the lots, it was impossible for a number of the employees of the Company to purchase said lots, they were compelled to erect buildings on this School section.

In view of this petition, the Deputy Minister instructed, under date of the 16th of December, 1922, that the interested parties should be advised that the Department would make a sub-division of this section, or a portion thereof, at an early date, when they would have an opportunity of acquiring lots by sale at Public auction.

Under date of the 30th of December, 1922, the matter was referred to the Surveyor General with the request that he arrange for a sub-division of this section. The survey was duly arranged for and under date of the 2nd of May, 1923, the Assistant Surveyor General submitted a plan of the sub-division, pointing out that it would doubtless be necessary to obtain the approval of the Provincial Department of Public Works before registering same.

Re Pt. N.E.¼ 2 --77--19 W.5th Mer.

Referring to the Acting Deputy Minister's memorandum of the 6th instant and attached communication addressed to the Minister by Honourable J.S. Brownlee in regard to the desire of the Town of Acleenman to acquire twenty acres in the above mentioned land for an agricultural ground, I might state that there would appear to be no objection to the Town of Acleenman purchasing this area under Sub-section 4 of Section 38 of the Dominion Lands Act which provides as follows:-

"Notwithstanding anything to the contrary in this Act, the Minister may sell school lands required as right-of-way for any project or for reservoir, church, cemetery or hospital sites, at a price to be fixed by an officer of the Department as the actual market value of the land, and upon such terms of payment as the Minister may prescribe, provided that the Government of the Province in which the land is situated expresses its approval of the sale and price in each case".

There has already been disposed of in this quarter-section 2.74 acres railway right-of-way; 1.80 acres railway right-of-way extension; 9.91 acres extension for station grounds and 4.07 acres reserved for roadway; also 13.48 acres patented to La Corporation Episcopale Catholique Romaine de Grouard.

There is nothing in Mr. Brownlee's letter giving a description of the area required, and I think we should have a proper description to show that this area does not interfere in any way with the area already disposed of before dealing further with the matter.

In the meantime we might instruct the Agent of Dominion Lands at Peace River to have an inspector visit the Town, interview the authorities, ascertain the location of the area desired and place a valuation thereon for the purpose of sale.

Re N.E.¼ 2---77--1[illegible] W.5th Mer.

Application has been made by the McLennan Board of Trade on behalf of the Town of McLennan, Alberta, to acquire approximately twenty acres in the above mentioned quarter-section to be used for fair grounds and landing field purposes.

The sale of this area to the Town has been approved by the Premier of Alberta, and I am, therefore, to request that you will immediately have an inspector make an inspection of the land required and place a valuation thereon for the purpose of sale to the Town.

The inspector should interview the authorities of the Town, also Mr. E.O. Rietze, Secretary Treasurer of the McLennan Board of Trade, and take into consideration any representations they may care to make. He should also secure from the authorities a description of the area required, which, if possible, should face on a road allowance, and should furnish the Department with a sketch showing the area, its location in the quarter-section and the dimensions thereof by metes and bounds and should see that it does not conflict with any areas already disposed of in the quarter-section.

There has already been sold, in addition to right-of-way and station grounds, an area of 13.48 acres to the Corporation Episcopale Catholique Romaine de Grouard.

Would you kindly see that an inspector give this matter immediate attention as the Town authorities are anxious to acquire the parcel with the least possible delay.

Sir,

Re N.W.¼ 29--48--25 W.4th M.

I beg to acknowledge receipt of your letter of the 9th ultimo enclosing an assignment, in duplicate, from Alex. Stepanko in favour of Mike Stepanko covering the above described land, together with Bank Money Orders for $119.80, and to enclose official receipt No. 19442 A. issued for the sum of $3.00 registration fee, and receipt No. 19441 A. for $116.80, being the balance of the remittance which has been applied to reduce the indebtedness in connection with the above land.

The assignment referred to, having been found satisfactory, was registered on the 29th ultimo under No. 8752, and the land recorded in the name of Mike Stepanko, and enclosed will be found one copy of the document with certificate of registration endorsed thereon.

In view of the remittance received the Department will protect Mr. Stepanko's interest until the fall of 1928 on the understanding a good payment will be made by that date.

In order that departmental records may be complete, and that there may be no delay in the issue of Letters Patent when the land has been paid for in full, it would be appreciated if you would have Mr. Mike Stepanko advise the Department as to his occupation.

Encls.

AT THE GOVERNMENT HOUSE AT OTTAWA.

FRIDAY, 1ST DAY OF SEPTEMBER, 1893.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

Whereas, by the Order in Council of the 12th September, 1892, Townships 1, Ranges 13, 14, 15 and 16, in part, West of the 4th Meridian, being that section of the country lying between the Milk River on the north and the International Boundary on the south, as far Westward as the Western State Counties on the east and the right of way of the Alberta Railway and Coal Company's line on the west, was declared to be permanent reserve, subject to certain quarantine purposes:

And whereas, it appears that it would tend greatly to prevent any mistake which might be made as to the western boundary of this permanent reservation if that line were made to run east or west of where the Alberta Railway and Coal Company's line crosses the Milk River and extending to the western shore of Red Creek were inserted in the Proclamation:

His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the lands shown green on the accompanying sketch plan, and to the east of where the said railway line crosses the Milk River and extending to the western shore of Red Creek, being portions of Townships 1 and 2, Ranges 13, 14 and 15, West of the 4th Meridian, shall be and the same are hereby included in the above described reservation for cattle quarantine purposes.

Sketch

And whereas, by the Order in Council of the 15th September, 1892, above referred to, Townships 1, Ranges 13, 14, 15, 16, and 2, in part, being that section of country lying between the north and south branches of the Milk River, in Fractional 1, was declared to be a permanent reservation for cattle quarantine purposes, and representations have been made that it is impossible for the men on quarantine duty to ascertain the exact boundary of this (the Macleod) reservation, which difficulty would be removed if all the land lying between the forks of the Milk River were included in the reservation:

His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that all the land lying between the forks of the Milk River, except existing timber boundaries, as shown green on the annexed sketch, and being portions of Townships 1 Ranges 13, 14, and 15, and Township 2, Range 13, West of the 4th Meridian, shall be and the same is hereby included in the last above described reservation accordingly.

OTTAWA. 23rd March, 1925.

MEMORANDUM:

Mr. Rollins,-

Re School lands in quarantine reserves

The following lands are reserved for quarantine purposes, as per Orders-in-Council opposite same:-

Sec. 11--1--15 W. 4th M. - O.-in-C. 19th September, 1921
Sec. 29--1--15 W. 4th M. - O.-in-C. 1st September, 1893
Pt. N.E. ¼ of
Sec. 35--1--16 W. 4th M. - O.-in-C. 1st September, 1893
Sec. 11--2--21 W. 4th M. - O.-in-C. 1st September, 1893.

The quarantine reserve in Township 1, Ranges 15 and 16 is still in use. In connection with the North East quarter of Section 35, Township 1, Range 16, I may say that when this land was selected as School land, the same was reported clear in the records of the Department and it was not until February, 1922, that this Division was advised of the fact that a portion of the land had been included in a quarantine reserve.

The quarantine reserve covers approximately 125 acres East of the railway. Had the land been reported as being reserved for quarantine purposes when the selection was being made, this Division would not have accepted this quarter-section as a selection.

Under the circumstances, I recommend that action be now taken to have Dominion lands of equal value selected in lieu of Sections 11 and 29 in Township 1, Range 15, West of the 4th Meridian, and all of the North East quarter of Section 35, Township 1, Range 16, West of the 4th Meridian, less right-of-way of the railway.

Concerning Section 11, Township 2, Range 21, West of the 4th Meridian, I may say that the use of this land as a quarantine station was abandoned some years ago, but I can find no record of the reservation, which was by Order-in-Council, having been cancelled; therefore, I recommend that the usual Order-in-Council be secured cancelling the reservation in so far as this section is concerned.

MEMORANDUM:

H.J. Hume, Esq.,
Deputy Commissioner of Dominion Lands.

re Sec. 11 and 29 in Tp. 1, Rge. 15
West of the 4th Mer.
re N.½ of Sec. 35, Tp. 1, Rge. 16
West of the 4th Mer.

All of sections 11 and 29 in Township 1, Range 15, are reserved for the purpose of a quarantine station. That portion of the North East quarter of Section 35, Township 1, Range 16, East of the railway, is also reserved for quarantine purposes.

When the latter quarter-section was selected for the School Endowment, no mention was made of the fact that the same had been reserved for the purpose of quarantine.

Under the circumstances, as this reserve is likely to be continued for a great number of years, the Commissioner's office has authorized the surrender from the School Endowment of sections 11 and 29 referred to and all of the North East quarter of Section 35, less right-of-way of the railway, and the selection of Dominion Lands of equal value in lieu thereof.

Would you kindly take the necessary action to have a suitable selection made in this case.

The Undersigned has the honour to report as follows:-

By authority of an Order-in-Council approved on the 1st September, 1893, being P.C. 2240, a quarantine reserve was established on certain lands within the Province of Alberta, including Section 11, Township 2, Range 21, West of the 4th Meridian.

The quarantine reserve referred to herein was abandoned a number of years ago and the lands are not now being used for quarantine purposes.

The Undersigned, therefore, recommends that in so far as Section 11, Township 2, Range 21, West of the 4th Meridian is concerned, the reserve for quarantine purposes created by Order-in-Council of the 1st September, 1893, be withdrawn and the land made available for other disposition in accordance with the regulations of this Department.

Respectfully submitted,

Minister of the Interior.

SUMMARY:

In the attached memorandum, Council is asked to withdraw the reservation for quarantine purposes covering Section 11, Township 2, Range 21, West of the 4th Meridian, created by Order-in-Council of the 1st September, 1893, being P. C. 2240, owing to the fact that the quarantine station in that district was abandoned a number of years ago and the balance of the lands originally reserved for quarantine purposes have been otherwise disposed of.

It is desired that the reservation of Section 11 referred to herein be cleared so that the land may be disposed of in accordance with the present regulations of this Department.

OTTAWA. 15th August, 1925.

Sir:

N.E. 35-1-16-W. 4th Mer.
Your Reference 6[illegible].

This parcel, as well as Section 11-1-15-W. 4th Mer., and Section 29-1-15-W.4th Mer., is School Land required for the purpose of a quarantine station and on the 23rd April last you were asked to arrange for a selection of other land to replace the above in the Endowment.

In the third paragraph of my letter you were informed it had been decided to surrender all of the N.E.¼ 35-1-16-W. 4th Meridian less right of way. In your instructions to the Inspector, however, you stated that the N.E.¼ 35-1-16-W. 4th Mer., (East of Railway only) was to be replaced and the Inspector in his recent report of the 30th June last refers only to that portion of this quarter-section East of the Railway.

The Department requires a report and valuation on the whole of the N.E.¼ 35-1-16-W. 4th Mer., both East and West of the Railway. Possibly, the land on the West side of the Railway is of equal value to the land on the East side of the Railway, i.e., $7.00 per acre. Kindly ask the Inspector to report in this regard, but he may be able to furnish this information from his field notes.

Approximately there are 117 acres in that portion of the quarter-section East of the Railway and 36.50 acres on the West side of the Railway. The Department requires a report and valuation on the 36.50 acres West of the Railway.

The Department wishes to have this selection for the School Endowment completed as soon as possible. Kindly remind the Inspector of the matter and secure the necessary information regarding the N.E.¼ 35-1-16-W.4th Mer., West of the Railway and have him attend to it with the least possible delay.

The Agent of Dominion Lands,

MEMORANDUM:

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL

The Undersigned has the honour to report as follows:-

By authority of an Order-in-Council approved on the 19th September, 1921, Section 11, Township 1, Range 15, West of the 4th Meridian, was reserved for quarantine purposes.

By authority of an Order-in-Council approved on the 1st September, 1893, Section 29, Township 1, Range 15, West of the 4th Meridian and part of the North East quarter of Section 35, Township 1, Range 16, West of the 4th Meridian were also reserved for a like purpose.

The lands referred to above are still being used as a quarantine reserve, and the indications are that this reserve will be continued for a considerable period.

As the lands referred to herein comprise a portion of the School Endowment Fund, it has been deemed advisable to surrender these lands and to select Dominion lands of equal value in lieu thereof

Under the provisions of the Dominion Lands Act, the Governor in Council may authorize the Minister to include in any block of land sold or to be sold to any person for the purpose of irrigation, or in any lands which have been or which may be set aside for the purpose of an Indian or other public reserve, or have been or may be reserved for any other purpose which the Minister considers to be in the public interest, lands which under the provisions of this Act are school lands, or lands which upon survey will become school lands; but no such block of lands so sold or to be sold for the purpose of irrigation, or lands so set aside and reserved or to be set aside and reserved for any of the purposes aforesaid, shall include school lands, or lands which upon survey shall become school lands, until other Dominion lands of equal value, as nearly as may be, have been selected in lieu thereof; and when other Dominion lands have been so selected and have been designated by the Minister as "school lands" they shall thereafter be and become school lands and be dealt with in the same manner as ordinary school lands are dealt with under the provisions of this Act.

In

In the present instance, the lands referred to have been inspected and are reported to have an estimated value of $12,554.50.

In lieu of the aforesaid lands, the following lands have been submitted as a tentative selection:-

N.½ & S.W.¼ of Sec. 1, Tp. 3, Rge. 17 West 4th Mer.
S.W.¼ of Sec. 9, Tp. 4, Rge. 12, West 4th Mer.
S.E.¼ of Sec.11, Tp. 2, Rge. 17, West 4th Mer.

which lands have been inspected and are reported to be, of an estimated value of $12,633.00.

As the School lands referred to and the Dominion lands also referred to herein are of equal area and value, as nearly as may be, the Undersigned recommends that he be authorized to surrender from the School Endowment Fund the School lands referred to herein and to select in lieu thereof the Dominion lands also referred to.

Respectfully submitted,

Minister of the Interior.

SUMMARY:

In the attached memorandum, Council is asked to authorize the surrender from the School Endowment of Sections 11 and 29, Township 1, Range 15, West of the 4th Meridian, and part North East quarter of Section 35, Township 1, Range 16, West of the 4th Meridian.

These lands form a portion of the School Endowment and were, by various Orders-in Council, set aside for the purpose of a quarantine reserve and are being used for that purpose.

The indications are that this quarantine reserve will be continued for a considerable number of years.

The School lands referred to have an estimated value of $12,554.50, and in lieu of these lands it is proposed to select and set aside as School lands the following:-

Sec. 1, Tp. 3, Rge. 17, West 4th Mer.
N.½ & S.W.¼ of Sec. 1, Tp. 2, Rge. 17, West 4th Mer.
S.E.¼ of Sec. 9, Tp. 4, Rge. 12, West 4th Mer.
S.E.¼ of Sec.11, Tp. 2, Rge. 17, West 4th Mer.

which lands are reported of an estimated value of $12,633.00.

As the lands to be surrendered and those to be selected in lieu thereof are of equal area and value, as nearly as may be, the exchange is recommended.

Memorandum;

Mr. Collins,-

re Mrs. Ferguson's memorandum of the 14th instant, enclosed.

I can find no reference in Order-in-Council of the 15th June, 1907, P. C. 1154, a printed copy of which appears hereunder, to the setting aside of any lands by the Governor-in-Council for the purpose of Pakowki Lake Bird Sanctuary.

If you will refer to this Order-in-Council, you will observe that my attention is drawn therein to the fact that the lands in the schedule are to be reserved for a bird sanctuary or other purpose.

It may have been the intention to set these lands aside, but I would point out that the Governor-in-Council has not, I think, in so far as these records reveal, authorized the reservation of these lands.

WER:HF

316095-131621-129682 S.L.

25th November, 1920.

Memorandum:

I beg to refer you to Order-in-Council of the 15th June, 1920, marked, hereunder, and to Mr. Stafford's memorandum of the 19th instant in regard thereto.

From a perusal of the Order-in-Council, you will find that Mr. Stafford's contention to the effect that the lands mentioned in the schedule attached to said Order-in-Council have not been reserved for a Bird Sanctuary or any other purpose, is correct.

It is no doubt the intention of the Parks Branch to have these lands reserved in connection with the Pakowki Lake Bird Sanctuary, but I fail to find where any authority has been granted for the reservation of School Lands; furthermore, in my opinion, the Order-in-Council, even though it made provision for reservation of the lands, would really not be effected, as it over-rides the Dominion Lands Act, of which Sub-section 2 of Section 39 provides in part as follows:

> "Notwithstanding anything in this Act, "the Governor in Council may authorize the "Minister to include in any block of land "sold or to be sold to any person for the "purpose of irrigation, or in any lands which "have been or which may be set aside for the "purpose of an Indian or other public reserve, "or have been or may be reserved for any other "purpose which the Minister considers to be in "the public interest, lands which under the "provisions of this Act are School Lands, or "lands which upon survey will become School "Lands; but no such block of lands so sold or "to be sold for the purpose of irrigation, or "lands so set aside and reserved or to be set "aside and reserved for any of the purposes "aforesaid, shall include School Lands, or "lands which upon survey shall became School "Lands, until other Dominion Lands of equal "value, as nearly as may be, have been selected "in

J. W. Greenway, Esq.,
Comaissioner of Dominion Lands,
Ottawa.

"in lieu thereof; and when other Dominion
"Lands have been so selected and have been
"designated by the Minister as 'School Lands'
"they shall thereafter be and become School
"Lands and be dealt with in the same manner
"as ordinary School Lands are dealt with under
"the provisions of this Act."

From this Section you will see that while the Governor-in-Council may authorize the Minister to set aside School Lands for any purpose which the Minister considers to be in the public interest, said lands shall not be set aside until other Dominion Lands of equal value as nearly as may be, have been selected in lieu thereof and designated by the Minister as School Lands.

I submit, therefore, that if the Pakowki Lake Bird Sanctuary is to be a permanent one, the School Lands Endowment is entitled to Dominion Lands in lieu of the School Lands to be reserved, and would request that you advise me whether the lands set out in the schedule hereunder are to be reserved for Bird Sanctuary purposes and whether we should proceed to have other lands selected in lieu thereof to reimburse the School Lands Fund.

I might point out that I do not think it advisable to make reservations of School Lands for Bird Sanctuary purposes without effecting an exchange for other lands, as the Parks Branch take exception to the disposal of any lands reserved for ~~this~~ purpose, therefore debarring the School Lands Fund from reaping the revenue that otherwise might be received from the issue of hay leases, grazing permits, etc.

I beg to refer you to my memorandum of the 14th November last hereunder relative to the selling value of school lands in connection with which lands fire insurance is necessary, and in regard to which it appears that you have not yet given a decision.

In lieu of my memorandum you will see a copy of an Order-in-Council approved by His Excellency the Governor General on the 25th February, 1[illegible], reserving the petroleum and natural gas rights in the lands within the Edmonton fire district.

I am not aware of this order being objected to in regard to the reservation of the petroleum and natural gas rights in so far as the school lands are concerned, and presume therefore that it is not the intention to include any school lands in this reserve.

DOMINION LANDS BRANCH

OTTAWA, 14th June, 1912.

Sir,-

Re Sec. 29-4-7-W.4th Mer.
Sec. 11-5-8-W.4th Mer.

The above described lands are required by the Parks Branch for inclusion in Pakowki Lake Bird Sanctuary, and on the 1st ultimo you were requested to have a selection made from available Dominion Lands in order that an exchange might be made for the School Lands required for bird sanctuary purposes, but through an error you were informed that Section 11, Township 4, Range 7, West of the 4th Meridian was required instead of Section 29, Township 4, Range 7, West of the 4th Meridian.

A report has now been received in respect to Section 11-4-7-W.4th and Section 11-5-8-W.4th Meridian, but before any action can be taken it will be necessary to have this matter again looked into and Section 29-4-7-W.4th Meridian inspected and valued and other land selected in lieu thereof.

I note in forwarding the report obtained from Appraiser Drew, that you state that the proposed exchange surrenders lands of an area of 1280 acres, and lands of an area of 2240 acres are selected in lieu thereof. This area, according to our records, is not correct as Section 11-5-7-W.4th Meridian only contains an area of 289.20 acres, whereas Section 11-4-7-W.4 was of course approximately 640 acres. Section 29-4-7-W.4th Meridian contains an area of 700 acres only, and in making his report the Appraiser should bear in mind the areas of these two fractional sections, and he should also report as to the nature and character of the School Lands to be surrendered and whether they are fit for agricultural purposes or only of a swampy, marshy nature.

It is desired that a very careful inspection shall be made in these cases and that the lands to be selected in lieu thereof be of as nearly equal value to the lands surrendered as possible.

As regards the selection of the lands described in your letter of the 5th instant, I might state that the Department does not feel disposed to favourably consider surrendering

Frank A. Collins, Esq.,
Supervisor of School Lands,
Winnipeg, Manitoba.

surrendering School lands of a value of $12.00 per acre and taking over lands in lieu thereof of a value of only $7.00 per acre.

Your obedient servant,

Assistant Secretary.

that most of the School Lands being surrendered are in districts where the land is by reason of other lands having been taken up and occupied in the near vicinity of more value than of any lands they can select, as the area from which they can now make their selection is limited and confined to the Northern portions of the provinces where lands are not so good and not nearly of so much value per acre as other lands.

Mr. Collins wishes to be advised further on the matter of selecting lands for exchange with School Lands in order to enable him to perform his duties in accordance with the decisions of the Department.

When I informed Mr. Collins to endeavour to select other lands in lieu of School Lands in as near equal value as possible I was mindful of the fact that if we continue to surrender School Lands of fairly good value and select other lands of a less value we are in my opinion dealing justly and fairly with the School Lands Endowment as we are accepting lands of an inferior quality and it will, therefore, be more difficult to dispose of the same and it will cost the Division more to do so and will not only cost more to sell the same, but until such time as lands are out of our control and patented we will always be under more expense as we have more area to handle which necessitates more advertising and, as stated, more expense all around.

I, therefore, submit, notwithstanding the fact that it may cost the Division in the first place more to have equal or as near equal as possible selection made, that the Division in the long run will be the gainer and we should insist that this action be carried out as nearly as possible and every reasonable effort made to have lands of an equal value selected in lieu of School Lands to be surrendered. If we do not do this we will find ourselves encumbered with a lot of lands classed as School Lands for which there will be no call and which will in all probability remain on our hands for some time and from which we will derive no revenue as they are, as a rule, outside of the districts which are reasonably settled and therefore we will have very little call for grazing privileges which is practically the only means we have of deriving revenue from unoccupied School Lands with the exception of a few cultivation permits and, of course, there are the mining rights but in considering the question of value of School Lands for exchange we are only as far as I am aware considering the value of lands in so far as the surface rights are concerned.

MEMORANDUM:-

Re The selecting other lands in lieu of School Lands which are to be surrendered.

In the present instant it was decided to surrender Section 29, Township 4, Range 7, West of the 4th Meridian and Section 11, Township 5, Range 8, West of the 4th Meridian to be included in the Pakowki Lake Bird Sanctuary, and instructions were issued to have other lands selected in lieu thereof.

Through an error Mr. Collins was advised that a selection was required in lieu of Section 11, Township 4, Range 7, West of the 4th Meridian and Section 11, Township 5, Range 8, West of the 4th Meridian.

Mr. Collins in due time reported as regards the selection and selected three and a half sections to compensate the Department for the two fractional sections to be surrendered.

It is of course necessary to again communicate with Mr. Collins and request him to make another selection in lieu of Section 29, Township 4, Range 7, West of the 4th Meridian instead of Section 11, Township 4, Range 7, West of the 4th Meridian and in communicating with him, in view of the fact that the lands to be surrendered were valued at $12.00 an acre and the lands selected only at $7.00, he was informed that it would be advisable to have lands selected of as nearly equal value as the land surrendered as the Department would not feel disposed to favourably consider surrendering School Lands at the value of $12.00 and take in lieu thereof lands only at the value of $7.00.

Apparently in making the selection the lands to be surrendered had been considered as containing an area of 640 acres for each section whereas in reality Section 11, Township 5, Range 8, West of the 4th Meridian only contains an area of 389.20 acres and Section 29, Township 4, Range 7, West of the 4th Meridian 300 acres and his attention was also drawn to this matter and he has now advised the Department that in future where the area of the land to be surrendered is not given the Agent will be requested to furnish the area before selection is made.

Mr. Collins has now communicated with the Department and points out that in order to select lands of an equal value to School Lands it will incur considerable more expense to the School Lands Division owing to the fact that....

In submitting the report Supervisor Collins points out that the lands selected are in a district in which there is not much development work at the present time, but which will eventually become a fairly good farming district, and states that the lands selected would be an equitable exchange for the lands to be surrendered at the present time.

The lands selected have been reported upon by the various Branches of the Department as available for exchange, and the Undersigned, therefore, begs to recommend that Section 29, Township 4, Range 7, West of the 4th Meridian and Section 11, Township 5, Range 8, west of the 4th Meridian be relinquished from the School Lands Endowment Fund in order that they may be reserved in connection with Pakowki Lake Bird Sanctuary, and in lieu thereof the following lands be set aside and designated as School Lands in accordance with Sub-section 2 of Section 39 of the Dominion Lands Act:-

All of Sec. 16-65-26-W. 4th Mer.

Memorandum:

To the Commissioner

The Honourable the Minister.

The Undersigned has the honour to report as follows:-

By Order-in-Council bearing date of the 15th day of June, 1920, it is ordered that the killing, capturing, taking, injuring or molesting of migratory game, migratory insectivorous or migratory non-game birds, or the taking, injuring, destruction or molestation of their nests or eggs, shall be prohibited, except as otherwise provided for, within certain areas described in the schedule attached to said Order-in-Council, which areas are to be known as Bird Sanctuaries.

Within the area described Makowki Lake Bird Sanctuary are situated Section 29, Township 4, Range 7, west of the 4th Meridian and Section 11, Township 5, Range 8, west of the 4th Meridian, which are School Lands, and in order that the School Lands Sections referred to might be relinquished from the School Lands Endowment Fund and retained for Bird Sanctuary purposes it was decided to set aside Dominion Lands of as nearly equal value as possible as School Lands in lieu thereof.

Mr. Frank A. Collins, Supervisor of School Lands, at Winnipeg, was therefore instructed to have an inspection made of the lands and a selection made from available Dominion Lands of an area sufficient to compensate the School Lands Endowment Fund for the relinquishment of the above mentioned sections.

A report from Appraiser Drew has now been filed by Supervisor Collins placing a valuation of $11.00 per acre on the lands to be relinquished, comprising an area of approximately 639.20 acres, and submitting the selection of the following lands in lieu thereof comprising an approximate area of 1123 acres, on which a valuation of $7.00 per acre has been placed:-

All of Sec. 10-65-26-W. 4th Mer.
S.E. ¼ Sec. 8-65-26-W. 4th Mer.
N.W. ¼ Sec. 8-65-26-W. 4th Mer.
S.W. ¼ Sec. 18-65- 1-W. 5th Mer.

Memorandum:

TO THE SECRETARY

THE Interdepartmental Committee.

The Undersigned has the honour to report as follows:-

By Order-in-Council bearing date of the 15th day of June, 1920, it is ordered that the killing, capturing, taking, injuring or molesting of migratory game, migratory insectivorous or migratory non-game birds, or the taking, injuring, destruction or molestation of their nests or eggs, shall be prohibited, except as otherwise provided for, within certain areas described in the schedule attached to said Order-in-Council, which areas are to be known as Bird Sanctuaries.

Within the area described [illegible] Bird Sanctuary are situated Section 29, Township 4, Range 7, west of the 4th Meridian and Section 11, Township 5, Range 6, west of the 4th Meridian, which are school lands, and in order that the school lands sections referred to might be relinquished from the School Lands Enhancement Fund and retained for Bird Sanctuary purposes it was decided to set aside Dominion Lands of as nearly equal value as possible as school lands in lieu thereof.

Mr. Frank A. Collins, supervisor of school lands, at Winnipeg, was therefore instructed to have an inspection made of the lands and a selection made from available Dominion lands of an area sufficient to compensate the school lands enhancement fund for the relinquishment of the above mentioned sections.

A report from Agassiz Bros has now been filed by Supervisor Collins placing a valuation of $11.00 per acre on the lands to be relinquished, comprising an area of approximately 699.20 acres, and submitting a selection of the following lands in lieu thereof comprising an approximate area of 1183 acres, to which a valuation of $7.00 per acre has been placed:-

All of Sec. 16-65-5-W. 4th Mer.
S.½ Sec. 8-65-26-W. 4th Mer.
S.½ Sec. 8-65-26-W. 4th Mer.
N.½ Sec. 16-66-1-W. 5th Mer.

In

In submitting the report Supervisor Collins points out that the lands selected are in a district in which there is not much development work at the present time, but which will eventually become a fairly good farming district, and states that the lands selected would be an equitable exchange for the lands to be surrendered at the present time.

The lands selected have been reported upon by the various Branches of the Department as available for exchange, and the Undersigned, therefore, begs to recommend that Section 29, Township 4, Range 7, West of the 4th Meridian and Section 11, Township 5, Range 8, West of the 4th Meridian be relinquished from the School Lands Endowment Fund in order that they may be reserved in connection with Pelowki Lake Bird Sanctuary, and in lieu thereof the following lands be set aside and designated as School Lands in accordance with Sub-section 2 of Section 79 of the Dominion Lands Act:-

All of Sec. 16-65-26-W. 4th Mer.
S.E. ¼ Sec. 8-67-26-W. 4th Mer.
N.E. ¼ Sec. 8-67-26-W. 4th Mer.

6. The sale is subject to the right of any person or persons cultivating the land, or any portion thereof, to enter upon said land for the purpose of protecting the crop or other belongings, and to cut and remove the crop prior to the 31st December next following the date of sale.

7. The purchaser shall at time of sale, or upon demand of the Department, pay for any areas in summerfallow upon the land at date of sale, at a valuation placed thereon by an official of the Department.

8. The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at date of sale, and the purchaser shall not at any time prior to date of completion of payments remove, or cause to be removed from the land, any of said improvements, without the consent of the Minister of the Interior being first obtained.

9. The purchaser shall insure and keep insured, to the satisfaction of the Minister of the Interior, all buildings upon the land at time of sale liable to destruction by fire.

10. The sale is subject to the right of persons, owning fencing or other improvements upon the land at time of sale, to enter upon the land and remove said improvements within the time allowed by the Department for the purpose.

11. Default in making payment or failure to comply with the terms and conditions herein or hereby set out, shall, at the option of the Minister of the Interior, annul the sale and all payments made on the said land, together with all improvements thereon, shall be forfeited to His Majesty. Such annulment and forfeiture shall be effective, if made by written notice under the hand of the Minister of the Department of the Interior, the Deputy Minister of the Department of the Interior, the Commissioner or Assistant Commissioner of Dominion Lands of the Department of the Interior or by such person or persons as may be acting in their behalf, and any notice thereof may be signed by any one of the above named officers.

12. The Department reserves the right to impose such further terms and conditions as may be announced at the time of sale.

THE UNDERSIGNED hereby acknowledges to have purchased the NE 1/4 ... of Section 16 ... Township 41 ... Range 2 ... W of the 4th ... Meridian, at the rate of $ ... per acre upon the following terms and conditions as to payment, viz.:—

One-tenth of the purchase money to be paid at the time of sale, and the balance in eighteen, equal, successive, annual instalments, with interest at the rate of six per cent per annum to be paid with each instalment on the balance of the purchase money from time to time remaining unpaid, the first of the said eighteen instalments to become due and payable one year from the date of sale; provided that all instalments, or any portion of any instalment in arrears, whether of principal or interest, shall bear interest at the rate of seven per cent per annum.

The sale is also subject to the following terms and conditions, viz.:—

1. The sale shall only convey the surface rights and shall be subject to the usual reservations in favour of the Crown.

2. The Department reserves the right to withdraw such areas as may be required by a railway company for right of way or other purposes of the railway, or by the Provincial Authorities for roadway purposes, provided application therefor was made prior to the date of sale.

3. The Department reserves the right to increase or decrease the area sold to conform with revised township plans of survey approved and confirmed by the Surveyor General, and the purchaser hereby agrees to make payment for any additional areas at such prices and upon such terms as may be prescribed by the Minister of the Interior.

4. The purchaser shall be required, before cutting, or allowing to be cut, any timber growing on the land except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a timber permit, and to pay therefor an office fee of $1, and dues as prescribed by the School Lands Timber Regulations; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

5. The purchaser shall be required before removing any sand or gravel from the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a permit for the quantity of sand and gravel to be removed, and to pay therefor an office fee of $1, and dues at the rate of 25 cents per cubic yard; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

6. The sale is subject to the right of any person or persons cultivating the land, or any portion thereof, to enter upon said land for the purpose of protecting the crop or other belongings, and to cut and remove the crop prior to the 31st December next following the date of sale.

7. The purchaser shall at time of sale, or upon demand of the Department, pay for any areas in summerfallow upon the land at date of sale, at a valuation placed thereon by an officer of the Department.

8. The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at date of sale, and the purchaser shall not at any time prior to date of completion of payments remove, or cause to be removed from the land, any of said improvements, without the consent of the Minister of the Interior being first obtained.

SENT

Sir,

Section 29-41-7-W.4th M.

I beg to acknowledge the receipt of your letter of the 11th instant, your File 3150 S.L., wherein you make certain enquiries as to whether the party holding the E½ of the above land under grazing permit in 1928 was ever advised that thirty days would be allowed to remove fencing after the land had been disposed of by sale.

The files relating to the E½ 29 have been transferred to the Province while the papers relating to the W½ are still with the Federal Authorities as the said half section had been patented prior to the transfer of the resources.

There is no record on the file relating to the W½ of any notification having been given the permittee as regards the removal of the fence on the E½.

It is noted, however, that the grazing permit for 1928 covered the whole section, and as the permittee was notified on the 28th July, 1928, in reference to the grazing permit and allowed thirty days to remove his fence from the W½, possibly, the said permittee might have considered this sufficient authority for the removal of the fence from the E½.

Yours very truly,

J. Lorne Turner,
Director.

3rd March, 1916.

Sir,

I beg to acknowledge the receipt of your letter of the 4th ultimo in regard to your desire to lease for grazing purposes either section 29, Township 48, Range 11, or section 29, Township 49, Range 12, both west of the 4th Meridian.

In reply I have to inform you that both of these sections are at the disposal of the Department.

Grazing leases of School Lands are, however, no longer issued, grazing permits having been substituted therefor.

These permits only cover one year expiring on the 1st April next following their issue. They are, however, renewable from year to year at the option of the Department provided that application for the renewal is made each year on or before the 1st February, accompanied by the rental for the next year at the rate of four cents per acre.

If a grazing permit on these terms would be satisfactory to you be good enough to file here your application on the enclosed form, with your declaration as to the number of stock you own and would graze on the land.

[illegible] for the L. [illegible] Director,

[illegible]

Sir, -

The Agent of Dominion Lands, Edmonton, has forwarded here your application for a Grazing Permit on the North West quarter of Section 27, Township 49, Range 11, West of the 4th Meridian, with your declaration as to the number of stock you own and would graze on the land, and that the required notices had been posted in four conspicuous places thereon. He has also reported payment by you of the sum of $6.4[illegible].

I would now inform you that there is a prior application to yours on file for a Grazing Permit on this quarter-section received from Mr. Tollak Hafso.

Mr. Hafso has been notified that the usual notice is being posted in the Post Office nearest the land for a period of thirty days, at the expiration of which time he will be further advised regarding the matter. It will therefore be impossible to consider your application until Mr. Hafso's has been finally dealt with, and should he fail to take out a Permit for the land your application will receive due consideration.

In the meantime the $6.4[illegible] standing to your credit will be retained here.

Sir, -

In September last you were advised that if you were desirous of taking out a Permit for the South West quarter of Section 32, Township 49, Range 11, West of the 4th Meridian for the year beginning the 1st April, 1918, you should communicate with the Agent of Dominion Lands immediately after the 1st January.

I would therefore now inform you that if you are desirous of taking out a Permit for the year beginning the 1st April you must file a satisfactory declaration on the enclosed form as to the number of stock you own and would graze on the land, and that the enclosed notices had been posted thereon, with the Agent of Dominion Lands at Edmonton, in order that he may note same in his records and submit to the Department for consideration.

Inc.

In the meantime the usual notice is being forwarded to the Postmasters at Viking and Bodino to be posted in their offices for a period of thirty days, at the expiration of which time if you will again communicate with the Department you will be further advised regarding the matter.

Your obedient servant,

Asst. Controller.

Nels Nafso, Esq.,

In several cases, the applicants have protested against the granting of grazing permits to other parties than themselves for the land applied for, and it has, therefore, been decided, before entertaining any of the applications, to have a Homestead Inspector visit the locality, call upon all the interested settlers and try to arrange an amicable settlement among the interested parties, in order, if possible, that each may be given a portion of the Section.

Will you, therefore, be good enough to instruct a Homestead Inspector to look into this matter and report at the earliest possible date.

The interested parties have been advised that no further action will be taken until this report is received.

OTTAWA, 10th April, 1918.

Sir,

On the 12th July, 1917, you forwarded here, on behalf of Mr. Nels Hafso, an application for a grazing permit on the South West ¼ of Section 19, Township 48, Range 11, West of the 4th Meridian, and one on behalf of Mr. Tallak Hafso for the North West ¼, and on the 21st July, you forwarded here an application from Mr. Peter Kjelland for the North East ¼.

These parties were advised that as the season was late, the Department had decided not to issue grazing permits for the balance of the year, but if they were desirous of taking out permits for the year beginning the 1st instant, they should apply to you around the 1st January, 1918.

On the 7th January, you forwarded here the application of Mr. A. C. Hamilton for a grazing permit on the North West ¼, and one from W. J. Speers for a grazing permit on the North East ¼, and later, another application was received from Mr. Tallak Hafso for the North West ¼, and one from Messrs. Men named Tallas Hafso, Nels Hafso, Peter Kjelland, Herman Kjelland, A.C.Hamilton and T. J. Speers have all applied for a part of the section. The three first named men applied late last year but were told it was too late in the season for applications to be considered. Early in January of this year, Messrs Hamilton and Speers enrolled, and a little later the other parties sent in their applications. You could see all these men, and also consult with the Field Inspector, Mr. T. McAuley in Camrose, who knows the land well, and report at your very earliest convenience.

COUNTERSIGNED:

Provincial School Lands Branch.

Deputy Minister of the Interior.

Regulations Governing the Disposal of School Lands for Grazing Purposes in the Provinces of Manitoba, Saskatchewan and Alberta

1. Grazing Permits may be issued on School Lands in the Provinces of Manitoba, Saskatchewan and Alberta, hereinafter for the purpose of this section referred to as the said Provinces, for the purpose of grazing cattle, horses, sheep and swine, for a period not exceeding twenty-one years, payment in advance at the rate of ten cents per acre per annum, the rate of rental, however, being subject to change at any time at the discretion of the Minister of the Interior.

2. Any person desiring to obtain a Grazing Permit on School Lands shall apply to the Agent or Dominion Lands for the District in which they are situated, or within the said Provinces to the Agent for such District, or to any Sub-Agent thereof, on the form prescribed for the purpose, which may be obtained from the Agent or Sub-Agent. Each application must be for the whole of a section, or for a number of sections, and must describe the land applied for by its proper number, and the number of the range and township in which it is situated, and must be accompanied by a deposit sufficient to cover the rental for the first year, and the fee for the permit, which must be in the form of a money order, or certified cheque, payable at par at the office of the Agent or Sub-Agent to whom the application is made.

3. Previous to application, the land must be inspected by the applicant, who must satisfy himself that the land is vacant, and not under lease or permit to any other person, and that it is fit for the purpose for which he desires to obtain a permit. He must also satisfy himself as to the boundaries of the land, and ascertain that the corner posts are properly planted, and that the lines are clearly cut and marked.

4. The application, when received by the Agent or Sub-Agent, will be numbered and registered in the order of its receipt, and a receipt will be given therefor. The Agent or Sub-Agent will then forward the application to the Department of the Interior, Ottawa, for approval, and will notify the applicant of the receipt thereof. No application will be considered complete until the fee for the permit has been paid, and the application has been approved by the Minister of the Interior. Applications will be dealt with in the order of their receipt, and if two or more applications for the same land are received by the same mail, priority will be given to the application bearing the earliest date. Applications will be received at any time during the year, but no permit will be issued for a longer period than the remainder of the year in which it is issued.

5. The Department will, as soon as possible after the receipt of the application, cause the land to be inspected by an Officer of the Department, and if the land is found to be vacant, and not under lease or permit to any other person, and the application is found to be in order, the permit will be issued, and forwarded to the Agent or Sub-Agent to whom the application was made, for delivery to the applicant. If the land is found to be under lease or permit to any other person, or if the application is found to be incorrect, the fee will be returned to the applicant, and the application cancelled. Applications will be dealt with in the order of their receipt, and if two or more applications for the same land are received by the same mail, priority will be given to the application bearing the earliest date. Applications will be received at any time during the year, but no permit will be issued for a longer period than the remainder of the year in which it is issued.

6. The permit shall contain a description of the land, and a statement of the number of cattle, horses, sheep and swine which the permittee is entitled to pasture thereon, and shall not be transferred without the consent of the Minister of the Interior, and any attempt to transfer the permit without such consent shall render it void, and the fee paid therefor shall be forfeited to the Crown. Any person desiring to transfer his permit must apply to the Agent or Sub-Agent for the necessary consent, and the application must be accompanied by the permit, which will be returned to the permittee if the transfer is approved. The fee for the transfer of a permit is $1.00.

7. The permittee shall not pasture any animals on the land described in the permit other than those mentioned in the permit, and shall not pasture any animals on the land before the date mentioned in the permit, nor after the expiration thereof, unless he has obtained a renewal of the permit. Any animals found trespassing on the land described in the permit may be impounded by the Agent or Sub-Agent, or by any person authorized by the Minister of the Interior, and dealt with according to law.

8. The permittee shall, upon application to the Agent or Dominion Lands for the District in which the land is situated, be entitled to a renewal of the permit for a further period of twenty-one years, at the rate of rental then in force, provided he has complied with the regulations, and has not been guilty of any breach of the conditions of the permit. Application for renewal must be made at least thirty days before the expiration of the permit, and must be accompanied by the permit, which will be returned to the permittee if the renewal is granted. The fee for the renewal of a permit is $1.00.

9. The permittee shall be required to plant on the land, at some one point, a number of trees not less than one hundred, and to keep the same in a healthy condition during the term of the permit, unless he is exempted from this requirement by the Minister.

10. The permittee shall have power to prevent any other person from cutting hay on the land described in the permit, but shall not have the right to cut hay for sale, or to dispose of the hay cut on the land, except to the owner of cattle, horses, sheep or swine pastured thereon under the permit.

11. The Department will not be responsible for any loss of cattle, horses, sheep or swine pastured on the land described in the permit, nor for any damage done to the permittee by any person, or by any cattle, horses, sheep or swine, and the permittee will not be entitled to any reduction in the rental on account of any such loss or damage.

12. The Department shall not be responsible for any loss of hay cut on the land described in the permit, nor for any damage done to the permittee by any person, or by any cattle, horses, sheep or swine, and the permittee will not be entitled to any reduction in the rental on account of any such loss or damage.

13. Should a portion of the land be withdrawn from the operation of the Grazing Permit, or should the permittee be prevented from pasturing thereon any of the animals mentioned in the permit, by the settlement thereon of persons who have obtained entry for homesteads, pre-emptions or purchase, or by the sale of the land, the permittee shall be entitled to a reduction in the rental proportionate to the number of acres withdrawn, or to the number of animals he is prevented from pasturing on the land, but no reduction will be allowed unless the case is reported to the Department within thirty days after the withdrawal of the land, or the settlement thereon of persons who have obtained entry for homesteads, pre-emptions or purchase, or within thirty days after the sale of the land.

14. The Department reserves the right to cancel any Grazing Permit at any time for the non-observance of the Regulations, but before cancelling the permit will give the permittee notice of its intention to cancel, and will allow him a reasonable time in which to remove his animals from the land.

SCHOOL LANDS GRAZING PERMIT

DEPARTMENT OF THE INTERIOR
CANADA

$ 16.00

Ottawa, 15th March 1921.

Permission is hereby granted to Peter Kjelland

of Viking, Alberta. P.O., under authority of an Order-in-Council dated the 15th December, 1919; and in consideration of the payment, in advance, of the sum of $ 16.00 the receipt of which is hereby acknowledged, to enter upon and use the south East quarter

(160 acres)

Section 29, Township 48

Range 11, West 4th Meridian, for the purpose of grazing stock thereon, from 1st April 1921, to the 1st April, 1922.

Application for renewal of this permit must without notice to the permittee, be made to the Agent of Dominion Lands for the district in which the land is situated on the prescribed form, accompanied by the rental for the ensuing year on or before the 1st February preceding the termination of the permit, otherwise the permittee's right to renewal shall cease.

Application forms will be furnished by the Agents of Dominion Lands, upon request.

This permit is also subject to the terms and conditions as stipulated in the regulations on the back hereof.

COUNTERSIGNED:

Controller School Lands Branch.

Deputy Minister of the Interior.

Regulations Governing the Disposal of School Lands for Grazing Purposes in the Provinces of Manitoba, Saskatchewan and Alberta

---

1.—Grazing Permits may be issued on School Lands in the Provinces of Manitoba, Saskatchewan, and Alberta, available for the purpose for one year or portion thereof, expiring on the first day of April following the date of issue, upon payment in advance at the rate of ten cents per acre per annum, the rate of rental, however, being subject to change at any time at the discretion of the Minister of the Interior.

2.—Application to acquire a Grazing Permit on School Lands shall be filed with the Agent of Dominion Lands for the District in which the lands are situated or with a Sub-Agent for such district for transmission to the Agent. The application shall be on the form prescribed for the purpose and shall be accompanied by receipt issued pursuant to Clause I of the Regulations, or at such other rate of rental as may be in effect at the time the application is received by the Agent.

3.—Priority of application shall be based upon the date of receipt of such application accompanied by the required rental in the office of the Agent of Dominion Lands for the District in which the land is situated.

4.—The acceptance by the Agent of Dominion Lands for the district in which the lands are situated of an application for a Grazing Permit on School Lands and of the rental accompanying same, shall not entitle the applicant to any right, title or interest in grazing privileges on the land applied for, but the application shall be transmitted to Head Office for consideration and the amount tendered as rental reported by the Agent to Head Office to the credit of the proper account. If approved, the Minister may at his discretion, cause to be issued to the applicant a Grazing Permit in such form as may be decided upon.

5.—The Permit shall become inoperative after the first day of April next succeeding the date of issue thereof, but the permittee shall, at the discretion of the Minister, have the right to a renewal permit year after year from the date of expiry of such permit upon such terms as the Minister shall determine as to the land to be included or otherwise, provided application for such renewal is filed on the prescribed form with the Agent of Dominion Lands for the district in which the land is situated on or before the first day of February next preceding the termination of the Permit, accompanied by the rental for [illegible] year, or other wise the permittee's right to renewal shall lapse.

6.—The permit shall, subject to the terms and conditions specified herein, vest in the holder thereof the right to enter upon and use the land for the purpose of grazing thereon his own stock to the exclusion of any other person, and he shall be entitled to enclose the land with a fence and to erect such necessary structures as shall be necessary for the protection of his stock.

7.—The permittee shall not erect any buildings on the land except such temporary structures as shall be necessary for the protection of his stock and shall not break or cultivate any of the land covered by the Permit.

8.—The permittee shall, upon application to the Agent of Dominion Lands for the district and upon payment of an office fee of fifty cents, be entitled to receive a Hay Permit to cut on the land whatever hay he may require for his own use, but not for barter or sale. The permittee may also acquire a Permit to cut hay on the land for the purpose of barter or sale upon payment to the Agent of Dominion Lands for the district of another fee of [illegible] cents and dues at the rate of [illegible] per ton on the quantity of hay to be cut for this purpose.

9.—The permittee shall be required to place on the land at least one head of stock for every twenty acres of land included in the Permit, and shall maintain the said stock thereon in that proportion, to the satisfaction of the Minister.

10.—The permittee shall not place upon the land any stock other than his own, nor shall he assign or transfer any interest in the Permit without the consent of the Minister of the Interior being first obtained.

11.—The Permit shall be subject to the control of the Minister to dispose of the land or any portion thereof by sale at public auction, or in any other manner as may be decided upon at any time during the term of said Permit, without notice to the permittee, or to withdraw all or any portion of the land which may be required for the purpose of any public highway, ferry or way, or other public purpose, or which may be required in connection with the development of a lease or grant of any mining or mineral rights in the remainder of or the purpose of prospecting or operating under mining rights.

12.—The Permit shall also be subject to the right of the Minister to issue Permits to cut and remove any timber which may be upon the land.

13.—Should all or any portion of the land be withdrawn from the operations of the Grazing Permit at any time during the currency of a Permit, the Permit shall become inoperative, so far as it relates to the portion withdrawn, and the permittee shall be entitled to receive such proportion of the rental paid as he may be entitled to, as the number of months [illegible] bears to the period for which the rental was paid. The permittee, however, shall not be entitled to a refund of any portion of the rental paid for the year in which the land was withdrawn, to the end of the year in which the Permit was issued. The permittee shall also be entitled to a reasonable time after the withdrawal of all or any portion of the land from the Permit within which to remove any buildings or other improvements he may have erected on said land.

14.—Should the permittee fail to comply with any of the conditions of the Permit, it shall, at the option of the Minister of the Interior, render the Permit, or part thereof, subject to cancellation at any time during its currency, and the [illegible] of all moneys paid thereon.

2.—Application for a Grazing Permit on School Lands shall be filed with the Agent of Dominion Lands for the District in which the lands are situated, or with a sub-Agent for such district for transmission to the Agent. The application shall be on the form prescribed for the purpose, and shall be accompanied by rental as set forth in Clause 1 of the Regulations, or at such other rate of rental as may be in effect at the time the application is received by the Agent.

3.—Priority of application shall be based upon the date of receipt of such application accompanied by the required rental in the office of the Agent of Dominion Lands for the District in which the land is situated.

4.—The acceptance by the Agent of Dominion Lands for the district in which the lands are situated of an application for a Grazing Permit on School Lands and of the rental accompanying same shall not entitle the applicant to any right, title or interest in grazing privileges on the land applied for, but the application shall be transmitted to Head Office for consideration and the amount tendered as rental reported by the Agent to Head Office in the returns in the usual manner when the Minister may at his discretion cause to be issued to the applicant a Grazing Permit in such form as may be decided upon.

5.—The Permit shall become inoperative after the first day of April next succeeding the date of issue thereof, but the permittee shall, at the discretion of the Minister, have the right to a renewal permit year after year from the date of expiry of such permit unless at such time as the Minister shall see fit to dispose of the land by sale or otherwise, provided application for such renewal is filed on the prescribed form with the Agent of Dominion Lands for the district in which the land is situated on or before the first day of February next preceding the termination of the Permit, accompanied by the ensuing year's rental, otherwise the permittee's right to renewal shall lapse.

6.—The permit shall, subject to the terms and conditions specified herein, vest in the holder thereof the right to enter upon and use the land for the purpose of grazing thereon his own stock to the exclusion of any other person, and he shall be entitled to enclose the land with a fence and to erect such temporary structures as shall be necessary for the protection of his stock.

7.—The permittee shall not erect any buildings on the land, except such temporary structures as shall be necessary for the protection of his stock, and shall not break or cultivate any of the land covered by the Permit.

8.—The permittee shall, upon application to the Agent of Dominion Lands for the district, and upon payment of an office fee of fifty cents, be entitled to secure a free Permit to cut on the land wherever hay may be any required for his own use, but not for barter or sale. The permittee may also acquire a Permit to cut hay on the land for the purpose of barter or sale upon payment to the Agent of Dominion Lands for the district of an office fee of fifty cents and dues at the rate of fifty cents per ton on the quantity of hay to be cut by the permittee.

9.—The permittee shall be required to place on the land at least one head of stock for every thirty acres of land included in the Permit, and shall maintain the said stock thereon in that proportion to the satisfaction of the Minister.

10.—The permittee shall not graze upon the land any stock other than his own, neither shall he assign or transfer any interest in the Permit without the consent of the Minister of the Interior, first obtained.

11.—The Permit shall be subject to the right of the Minister to dispose of the land or any portion thereof by sale, at public auction or in any other manner as may be decided upon at any time during the term of said Permit, without notice to the permittee or to withdraw all or any portion of the land which may be required for the purposes of a railway, railway right of way or other public purpose, or which may be required in connection with the development of a lease or grant of any mining or mineral rights thereunder or for the purpose of prospecting or operating such mining rights.

12.—The Permit shall also be subject to the right of the Minister to issue Permits to cut and remove any timber which may be on the land.

13.—Should all or any portion of the Land be withdrawn from the operation of the Grazing Permit at any time during its currency, such Permit shall be void to the extent of the land withdrawn, and the permittee's right thereon shall cease and determine. The permittee, however, shall be entitled to a refund equal to the rental paid in advance for the area so withdrawn, in the case of a withdrawal prior to the date upon which the land was withdrawn from the date of expiry of the Permit. The permittee shall also be entitled to a reasonable time after the withdrawal of all or any portion of the land from the Permit within which to remove any buildings or other improvements he may have erected on said land.

14.—Failure on the part of the permittee to observe any of the conditions of the Permit shall, at the option of the Minister, render the Permit subject to cancellation at any time during its currency, and the forfeiture of all moneys paid thereon.

Deputy Minister of the Interior

REGULATIONS GOVERNING THE DISPOSAL OF SCHOOL LANDS FOR GRAZING PURPOSES IN THE PROVINCES OF MANITOBA, SASKATCHEWAN AND ALBERTA

1. Grazing Permits may be issued on School Lands available for the purpose, in the Provinces of Manitoba, Saskatchewan and Alberta for one year, or portion thereof, upon payment in advance at the rate of one cent per acre per annum, the rate of rental, however, being subject to change at any time at the discretion of the Minister of the Interior. The permits shall, except in cases where granted for a portion of a year only, be operative from the first day of April of the year in which issued and shall expire on the thirty-first day of March following.

2. Application to acquire a Grazing Permit on School Lands shall be filed with the Agent of Dominion Lands for the District in which the lands are situated, or with a Sub-Agent for such district, for transmission to the Agent. The application shall be on the form prescribed for the purpose and shall be accompanied by a remittance in the form of Dominion Lands for the local rate of rental as may be in force.

3. Priority of application shall, at the option of the Minister, be based upon the date of receipt of such applications, accompanied by the required rental, in the office of the Agent of Dominion Lands for the District in which the land is situated.

4. The acceptance by the Agent of Dominion Lands for the district in which the lands are situated of any application for a Grazing Permit on School Lands and of the rental accompanying same, shall not entitle the applicant to any right, title or interest in grazing privileges on the land applied for, but the application shall be transmitted to Head Office for consideration and the amount tendered as rental reported to the Agent at Head Office in his returns in the usual manner when the Minister may, at his discretion, issue a Grazing Permit to the applicant at Grazing Privileges at such rental as may be decided upon.

5. The permittee shall, at the discretion of the Minister, have the right to a renewal permit year after year from the date of expiry of each permit upon such terms as the Minister shall see fit to dispossess the land or such other terms as may be provided, provided application for such renewal is filed in the prescribed form, with the Agent of Dominion Lands for the district in which the land is situated on or before the last day of February next preceding the termination of the Permit, accompanied by the grazing year's rental, otherwise the permittee's right to renewal shall cease.

6. The Agent of Dominion Lands shall not accept an application for grazing privileges on land held under grazing permit from any person other than the recorded permittee prior to the second day of February preceding the date of termination of the permit.

7. The permittee shall, subject to the terms and conditions specified herein, vest in the holder thereof the right to enter upon and use the land for the purpose of grazing thereon his own stock to the exclusion of any other person, and he shall be entitled to enclose the land with a fence and to erect such temporary structures as shall be necessary for the protection of his stock.

8. The permittee shall not erect any buildings on the land, except such temporary structures as shall be necessary for the protection of his stock, and shall not break or cultivate any of the land covered by the Permit.

9. The permittee shall, upon application to the Agent of Dominion Lands for the district, and upon payment of an office fee of fifty cents, be entitled to secure a free Permit to cut on the land whatever hay he may require for his own use, but not for barter or sale. The permittee may also acquire a Permit to cut hay on the land for the purpose of barter or sale upon payment to the Agent of Dominion Lands for the district of an office fee of fifty cents and dues at the rate of One Dollar per ton on the quantity of hay to be cut for such purpose.

10. The permittee shall be required to place upon the land at least one head of stock for every thirty acres of land included in the Permit, and shall maintain the said stock thereon in that proportion to the satisfaction of the Minister.

11. The permittee shall not graze upon the land any stock other than his own, neither shall he assign, transfer nor convey to the Permit without the consent of the Minister of the Interior being first obtained.

12. The Permit shall be subject to the right of the Minister to dispose of the land or any portion thereof by way of public competition or in any other manner as may be decided upon at any time during the term of such Permit without notice to the permittee, or to withdraw all or any portion of the land which may be required for the purpose of roadways, railway right of way or other public purpose, or which may be required in connection with the development of a lease or grant of any mineral rights thereunder or for any purpose in connection with the working of such mineral rights.

13. The Permit shall also be subject to the right of the Minister of the Interior to issue Permits to cut and remove any timber which may be upon the land.

14. Should all or any portion of the land be withdrawn from the operation of the Grazing Permit or any time during its currency, such Permit shall become inoperative in so far as it relates to the portion withdrawn, and the permittee might thereupon cease and determine. The permittee, however, shall be entitled to a refund based on the rental paid, for such part thereof as may be withdrawn, from the date upon which the land was withdrawn to the date of expiry of the Permit. The permittee shall also be entitled to a proportionate rebate after the withdrawal of all or any portion of the land from the Permit within which to remove any fencing or other improvements he may have erected on said land.

15. Failure on the part of the permittee to observe any of the conditions of the Permit, shall, at the discretion of the Minister of the Interior render the Permit subject to cancellation at any time during its currency, and the permittee shall forfeit all rights and privileges thereunder.

Deputy Minister of the Interior

REGULATIONS GOVERNING THE DISPOSAL OF SCHOOL LANDS FOR GRAZING PURPOSES IN THE PROVINCES OF MANITOBA, SASKATCHEWAN AND ALBERTA

1.—Grazing Permits may be issued on School Lands available for the purpose in the Provinces of Manitoba, Saskatchewan and Alberta for one unit or portion thereof, upon payment in advance at the rate of ten cents per acre per annum, the rate of rental, however, being subject to change at any time at the discretion of the Minister of the Interior. The permits, and except in cases where issued for a portion of a year only, be operative from the first day of April of the year in which issued and shall expire on the thirty-first day of March following.

2.—Application to acquire a Grazing Permit on School Lands shall be filed with the Agent of Dominion Lands for the District in which the lands are situated, or with a Sub-Agent for such district, for transmission to the Agent. The application shall be on the form prescribed for the purpose and shall be accompanied by rental as set forth in Clause 1 of the Regulations, or at such other rate of rental as may be in effect.

3.—Priority of application shall, at the option of the Minister, be based upon the date of receipt of such application, accompanied by the required rental, in the office of the Agent of Dominion Lands for the district in which the land is situated.

4.—The acceptance by the Agent of Dominion Lands for the district in which the lands are situated of an application for a Grazing Permit on School Lands and of the rental accompanying same, shall not entitle the applicant to any right, title or interest in grazing privileges on the land applied for, but the application shall be transmitted to Head Office for consideration and the amount tendered as rental reported by the Agent to Head Office in his returns in the usual manner, when the Minister may, at his discretion, cause to be issued to the applicant a Grazing Permit in such form as may be decided upon.

5.—The permittee shall, at the discretion of the Minister, have the right to a renewal permit year after year from the date of expiry of such permit until such time as the Minister shall see fit to dispose of the land by sale or otherwise, provided application for such renewal is filed on the prescribed form with the Agent of Dominion Lands for the district in which the land is situated on or before the first day of February next preceding the termination of the Permit, accompanied by the ensuing year's rental, otherwise the permittee's right to renewal shall lapse.

6.—The Agent of Dominion Lands shall not accept an application for grazing privileges on land held under grazing permit from any person other than the recorded permittee, prior to the second day of February preceding the date of termination of the permit.

7.—The permit shall, subject to the terms and conditions specified herein, vest in the holder thereof the right to enter upon and use the land for the purpose of grazing thereon his own stock to the exclusion of any other person, and he shall be entitled to enclose the land with a fence and to erect such temporary structures as shall be necessary for the protection of his stock.

8.—The permittee shall not erect any buildings on the land, except such temporary structures as shall be necessary for the protection of his stock, and shall not break or cultivate any of the land covered by the Permit.

9.—The permittee shall, upon application to the Agent of Dominion Lands for the district, and upon payment of an office fee of fifty cents, be entitled to secure a free Permit to cut on the land whatever hay he may require for his own use, but not for barter or sale. The permittee may also secure a Permit to cut hay on the land for the purpose of barter or sale upon payment to the Agent of Dominion Lands for the district of an office fee of fifty cents and dues at the rate of One Dollar per ton on the quantity of hay to be cut for this purpose.

10.—The permittee shall be required to place upon the land at least one head of stock for every thirty acres of land included in the Permit, and shall maintain the said stock thereon in that proportion to the satisfaction of the Minister.

11.—The permittee shall not graze upon the land any stock other than his own, neither shall he assign or transfer any interest in the Permit without the consent of the Minister of the Interior being first obtained.

12.—The Permit shall be subject to the right of the Minister to dispose of the land or any portion thereof by sale at public auction or in any other manner as may be decided upon at any time during the term of said Permit without notice to the permittee, or to withdraw all or any portion of the land which may be required for the purpose of a roadway, railway right of way or other public purpose, or which may be required in connection with the development of a lease or grant of any mining or mineral rights thereunder or for the purpose of prospecting or operating such mining rights.

13.—The Permit shall also be subject to the right of the Minister of the Interior to issue Permits to cut and remove any timber which may be upon the land.

14.—Should all or any portion of the land be withdrawn from the operation of the Grazing Permit at any time during its currency, such Permit shall become inoperative in so far as it relates to the portion withdrawn, and the permittee's right thereon shall cease and determine. The permittee, however, shall be entitled to a refund equal to the rental paid by him for the area so withdrawn, from the date upon which the land was withdrawn to the date of expiry of the Permit. The permittee shall also be entitled to a reasonable time after the withdrawal of all or any portion of the land from the Permit within which to remove any fencing or other improvements he may have erected on said land.

15.—Failure on the part of the permittee to observe any of the conditions of the Permit shall, at the option of the Minister of the Interior render the Permit subject to cancellation at any time during its currency and the forfeiture of all moneys paid thereon.

REGULATIONS GOVERNING THE DISPOSAL OF SCHOOL LANDS FOR GRAZING PURPOSES IN THE PROVINCES OF MANITOBA, SASKATCHEWAN AND ALBERTA.

1.—Grazing Permits may be issued on School Lands available for the purpose in the Provinces of Manitoba, Saskatchewan and Alberta for one year, or portion thereof, upon payment in advance at the rate of ten cents per acre per annum, the rate of rental to be varied from time to time at the discretion of the Minister of the Interior. The permits shall expire at the end of April in each year, be renewable from the first day of April of the year in which issued and shall expire on the thirty first day of March of the following.

2.—Application to secure a Grazing Permit on School Lands shall be filed with the Agent of Dominion Lands for the District in which the lands are situated, or with a Sub-Agent for such district, for transmission to the Agent. The application shall be on the form prescribed for the purpose and shall be accompanied by rental as set forth in Clause 1 of the Regulations, or at such other rate of rental as may be in effect.

3.—Priority of application shall, at the option of the Minister, be based upon the date of receipt of such application accompanied by the required rental in the office of the Agent of Dominion Lands for the district in which the land is situated.

4.—The acceptance by the Agent of Dominion Lands for the district in which the lands are situated of an application for a Grazing Permit on School Lands and of the rental accompanying same, shall not entitle the applicant to any right, title or interest in grazing privileges on the land applied for, but the application shall be transmitted to Head Office for consideration and the amount tendered as rental rejected by the Agent to Head Office in his returns in the usual manner, when the Minister may, at his discretion cause to be issued to the applicant a Grazing Permit as such form as may be decided upon.

5.—The permittee shall, at the discretion of the Minister, have the right to a renewal permit year after year from the date of expiry of such permit until such time as the Minister shall see fit to dispose of the land by sale or otherwise, provided application for such renewal is filed on the prescribed form with the Agent of Dominion Lands for the district in which the land is situated on or before the first day of February next preceding the termination of the Permit, accompanied by the ensuing year's rental, otherwise the permittee's right to renewal shall lapse.

6.—The Agent of Dominion Lands shall not accept an application for grazing privileges on land held under grazing permit from any person other than the recorded holder existing prior to the second day of February preceding the date of termination of the permit.

7.—The permit shall set out the terms and conditions governing the use of the land, and shall vest in the holder thereof the right to enter upon and use the land for the purpose of pasturing cattle, horses, sheep or swine, but not to the exclusion of any other person, and he shall be entitled to cultivate the land only to such extent as may be necessary to erect such temporary structures as shall be necessary for the protection of his stock.

8.—The permittee shall not erect any building on the land except such temporary structures as shall be necessary for the protection of his stock, and shall not break or cultivate more of the land covered by the Permit.

9.—The permittee shall, upon application to the Agent of Dominion Lands for the district and upon payment of an additional fee of fifty cents, be entitled to secure a free Permit to cut hay on the land which he may require for his own use, but not for barter or sale. The permittee may also secure a Permit to cut hay on the land for the purpose of barter or sale upon payment to the Agent of Dominion Lands for the district of an other fee of fifty cents and dues at the rate of One Dollar per ton on the quantity of hay to be cut for this purpose.

10.—The permittee shall be required to place upon the land at least one head of stock for every thirty acres of land included in the Permit, and shall maintain the said stock thereon, in that proportion to the satisfaction of the Minister.

11.—The permittee shall not graze upon the land any stock other than his own, neither shall he assign or transfer any interest in the Permit without the consent of the Minister of the Interior being first obtained.

12.—The Permit shall be subject to the right of the Minister to dispose of the land or any portion thereof by sale at public auction or in any other manner as may be decided upon at any time during the term of said Permit without notice to the permittee, or to withdraw all or any portion of the land which may be required for the purpose of a roadway, railway right of way or other public purpose, or which may be required in connection with the development of a lease or grant of any mines or mineral rights thereunder or for the purpose of prospecting or operating such mining rights.

13.—The Permit shall also be subject to the right of the Minister of the Interior to issue Permits to cut and remove any timber which may be upon the land.

14.—Should any or any portion of the land be withdrawn from the operation of the Grazing Permit at any time during its currency, such Permit shall become inoperative in so far as it relates to the portion withdrawn, and the permittee's right thereto shall cease and determine. The permittee, however, shall be entitled to a refund equal to the rental paid by him for the area so withdrawn from the date upon which the land was withdrawn to the date of expiry of the Permit. The permittee may also be entitled to a reasonable time after the withdrawal of all or any portion of the land from the Permit within which to remove any fencing or other improvements he may have erected on said land.

15.—Failure on the part of the permittee to observe any of the conditions of the Permit shall at the option of the Minister of the Interior render the Permit subject to cancellation at any time during the term, and the forfeiture of all moneys paid thereon.

N.B.—An Order in Council approved on the 20th August, 1921, provides that a fee of $1.00 shall be charged for the issue of a Grazing Permit and a similar fee for the issue of a Hay Permit.

N.B.—An Order in Council approved on the 15th December, 1922, provides that rental at the rate of ten cents per acre shall be charged for all Grazing Permits issued for one year or portion thereof expiring on the 31st March, 1924.

I beg to acknowledge the receipt of your letter of the 27th instant, stating that you have been taxed $16.56 in connection with the above land, which you hold under ~~suffrage~~ permit.

As your lease does not state anything concerning taxes, you request to be informed in this matter.

In reply I would inform you that as the question of taxes is a provincial affair, you should communicate with the Deputy Minister, Department of Municipal Affairs, at Edmonton, who will no doubt furnish you with the information you desire.

REGULATIONS GOVERNING THE DISPOSAL OF SCHOOL LANDS FOR GRAZING PURPOSES IN THE PROVINCES OF MANITOBA, SASKATCHEWAN AND ALBERTA.

1.—Grazing Permits may be issued on School Lands available for the purpose in the Provinces of Manitoba, Saskatchewan and Alberta for one year, or portion thereof, upon payment in advance at the rate of ten cents per acre per annum as rental; however, lands subject to competition may be disposed of at the discretion of the Minister at the highest rental tendered. The permit shall, except in cases where issued for portion of a year only, be operative from the first day of April of the year in which issued and shall expire on the thirty-first day of March following.

2.—Application to acquire a Grazing Permit on School Lands shall be filed with the Agent of Dominion Lands for the District in which the lands are situated, or with a Sub Agent for such district, for transmission to the Agent. The application shall be upon the form prescribed for the purpose and shall be accompanied by rental as set forth in Clause 1 or such higher amount at such other rate of rental as may be in effect.

3.—Priority of application shall be determined by the order in which the same are received at the Agency, but the rental shall, in the discretion of the Minister, be based upon the date of receipt of such application, as stamped by the Agent of Dominion Lands for the district in which the land is situated.

4.—The acceptance by the Agent of Dominion Lands for the district in which the lands are situated of an application for a Grazing Permit on School Lands and of the rental accompanying same, shall not entitle the applicant to any right, title or interest in grazing purposes on the land applied for, but the application shall be transmitted to Head Office for consideration and the amount tendered as rental deposited to the credit of the Agent to Head Office in his returns in the usual manner, when the Minister may, at his discretion, cause to be issued to the applicant a Grazing Permit in such form as may be decided upon.

5.—The permittee shall, at the discretion of the Minister, have the right to a renewal permit year after year from the date of expiry of such permit upon such terms as the Minister shall see fit to dispose of the land by sale or otherwise; provided application for such renewal is made at the prescribed rates with the Agent of Dominion Lands for the district in which the land is situated on or before the last day of February next preceding the termination of the current year accompanied by the necessary year's rental, otherwise the permittee right to renewal shall lapse.

6.—The Agent of Dominion Lands shall not accept applications for grazing privileges on land held under grazing permit from any person other than the holder thereof prior to the second day of February preceding the date of termination of the permit.

7.—The permit shall, subject to the terms and conditions thereof, vest in the holder thereof the right to enter upon and use the land for the purpose of pasturing cattle, horses and sheep of his own stock to the exclusion of all other person, and he shall be entitled to enclose the land with a lawful fence and to erect such temporary structures as shall be necessary for the purpose of pasturing his stock.

8.—The permittee shall not cut timber on the land except such as may be necessary for the construction of his fences and buildings, and shall not injure any of the land covered by the permit.

9.—The permittee shall, upon application to the Agent of Dominion Lands for the district and upon payment of an office fee of fifty cents, be entitled to cut one ton of hay per acre on the land he may require for his own use, but not for the purpose of sale. The permittee may also acquire a Permit to cut hay on the land for the purpose of barter or sale upon payment to the Agent of Dominion Lands for the district of an office fee of fifty cents and dues at the rate of One Dollar per ton on the quantity of hay to be cut for this purpose.

10.—The permittee shall be required to place upon the land at least one head of stock for every thirty acres of land included in the Permit and shall maintain the said stock thereon in that proportion to the satisfaction of the Minister.

11.—The permittee shall not graze upon the land any stock other than his own, neither shall he assign or transfer any interest in the Permit without the consent of the Minister of the Interior being first obtained.

12.—The Permit shall be subject to the right of the Minister of the Interior to dispose of the land or any portion thereof by sale at public auction or in any other manner as may be deemed expedient at any time during the term of said Permit without notice to the permittee, or to withdraw all or any portion of the land which may be required for the purpose of a roadway, railway right of way or other public purpose, or which may be required in connection with the development of a lease or grant of any mines or mineral rights thereunder or for the purpose of prospecting or working such mining rights.

13.—The Permit shall also be subject to the right of the Minister of the Interior to issue Permits to cut and remove any timber which may be upon the land.

14.—Should all or any portion of the land be withdrawn from the operation of the Grazing Permit at any time during its currency, such Permit shall become inoperative in so far as it relates to the portion withdrawn, and the permittee's right thereto shall cease and determine. The permittee, however, shall be entitled to a refund equal to the rental paid by him for the area so withdrawn, from the date upon which the land was withdrawn to the date of expiry of the Permit. The permittee shall also be entitled to a reasonable time after the withdrawal of all or any portion of the land from the Permit within which to remove any fencing or other improvements he may have erected on said land.

15.—Failure on the part of the permittee to observe any of the conditions of the Permit shall at the option of the Minister of the Interior render the Permit subject to cancellation at any time during its currency and the forfeiture of all moneys paid thereon.

N.B.—An Order in Council approved on the 20th August 1921 provides that a fee of $1 shall be charged for the issuance of Grazing Permits and a similar fee for the issuance of a Hay Permit.

N.B.—An Order in Council approved on the 18th December 1922 provides that rentals at the rate of ten cents per acre shall be charged for all Grazing Permits of four years issued for one year or portion thereof expiring on the 31st March 1934.

REGULATIONS GOVERNING THE DISPOSAL OF SCHOOL LANDS FOR GRAZING PURPOSES IN THE PROVINCES OF MANITOBA, SASKATCHEWAN AND ALBERTA.

1.—Grazing Permits may be issued on School Lands available for the purpose in the Provinces of Manitoba, Saskatchewan and Alberta for one year, or portion thereof, upon payment in advance at the rate of ten cents per acre per annum, the rate of rental, however, being subject to increase or reduction at the discretion of the Minister of the Interior. The permits shall, except in cases where issued for a portion of a year only, be operative from the first day of April of the year in which issued and shall expire on the thirty-first day of March following.

2.—Application to acquire a Grazing Permit on School Lands shall be filed with the Agent of Dominion Lands for the District in which the lands are situated, or with a Sub-Agent for such district for transmission to the Agent. The application shall be on the form prescribed for the purpose and shall be accompanied by the rental as set forth in Clause 1 of the Regulations or at such other rate of rental as may be in effect.

3.—Priority of application shall, at the option of the Minister, be based upon the date of receipt of such application, accompanied by the required rental, in the office of the Agent of Dominion Lands for the district in which the land is situated.

4.—The acceptance by the Agent of Dominion Lands for the district in which the lands are situated of an application for a Grazing Permit on School Lands and of the rental accompanying same, shall not entitle the applicant to any right, title or interest in grazing privileges on the land applied for, but the application shall be transmitted to Head Office for consideration and the amount tendered as rental retained by the Agent to Head Office in his returns in the usual manner, when the Minister may or his discretion cause to be issued to the applicant a Grazing Permit in such form as may be decided upon.

5.—The permittee shall, at the discretion of the Minister, have the right to a renewal permit year after year from the date of expiry of such permit until such time as the Minister shall see fit to dispose of the land by sale or otherwise, provided application for such renewal is filed as prescribed herein with the Agent of Dominion Lands for the district in which the land is situated on or before the last day of February next preceding the termination of the Permit, accompanied by the ensuing year's rental, otherwise the permittee's right to renewal shall lapse.

6.—The Agent of Dominion Lands shall not accept an application for grazing privileges on land held under grazing permit from any person other than the recorded permittee prior to the second day of February preceding the date of termination of the permit.

7.—The permit shall, subject to the terms and conditions contained herein, vest in the holder thereof the right to enter upon and use the land for the grazing of animals belonging to his own stock in the exclusion of any other person, and he shall be entitled to enclose the land with a fence and to erect such temporary structures as shall be necessary for the protection of his stock.

8.—The permittee shall not erect any buildings on the land except such temporary structures as shall be necessary for the protection of his stock, and shall not break or cultivate any of the land covered by the Permit.

9.—The permittee shall, upon application to the Agent of Dominion Lands for the district, and upon payment of an office fee of fifty cents, be entitled to use on a free Permit to cut on the land whatever hay he may require for his own use, but not for barter or sale. The permittee may also acquire a Permit to cut hay on the land for the purpose of barter or sale upon payment to the Agent of Dominion Lands for the district of an office fee of fifty cents and dues at the rate of One Dollar per ton on the quantity of hay to be cut for this purpose.

10.—The permittee shall be required to place upon the land at least one head of stock for every three acres of land included in the Permit, and shall maintain the said stock thereon in that proportion to the satisfaction of the Minister.

11.—The permittee shall not graze upon the land any stock other than his own, neither shall he assign or transfer any interest in the Permit without the consent of the Minister of the Interior being first obtained.

12.—The Permit shall be subject to the right of the Minister to dispose of the land or any portion thereof by sale at public auction or in any other manner as may be deemed expedient, at any time during the term of said Permit without notice to the permittee, or to withdraw all or any portion thereof from grazing which may be required for the purpose of a roadway, railway right of way or other public purpose, or which may be required in connection with the development of a lease or grant of any mining or mineral rights thereunder or for the purpose of prospecting or operating such mining rights.

13.—The Permit shall also be subject to the right of the Minister of the Interior to issue Permits to cut and remove any timber which may be upon the land.

14.—Should all or any portion of the land be withdrawn from the operation of the Grazing Permit at any time during its currency, such Permit shall become inoperative to that extent as it relates to the portion withdrawn, and the permittee's right thereto shall cease and determine. The permittee, however, shall be entitled to a refund equal to the rental paid by him for the area so withdrawn for the time from which the land was withdrawn to the date of expiry of the Permit. The permittee may, at any time after the withdrawal of all or any portion of the land from the Permit, remove any fencing or other improvements he may have erected on said land.

15.—Failure on the part of the permittee to observe any of the conditions of the Permit shall at the option of the Minister of the Interior render the Permit subject to cancellation at any time during its currency and the forfeiture of all moneys paid thereon.

N.B.—An Order in Council approved on the 20th August, 1921 provides that a fee of $1.00 shall be charged for the issue of a Grazing Permit and a similar fee for the issue of a Hay Permit.

N.B.—An Order in Council approved on the 18th December, 1922 provides that rentals at the rate of 15 cents per acre shall be charged for all Grazing Permits or renewals issued for one year or portion thereof expiring on the 31st March, 1924.

REGULATIONS GOVERNING THE DISPOSAL OF SCHOOL LANDS FOR GRAZING PURPOSES IN THE PROVINCES OF MANITOBA, SASKATCHEWAN AND ALBERTA

1.—Grazing Permits may be issued on School Lands, exclusive for the purpose, in the Provinces of Manitoba, Saskatchewan and Alberta for one year, or portion thereof, upon payment in advance at the rate of ten cents per acre per annum (the rate of rental, however, is subject to change at any time at the discretion of the Minister of the Interior). The permits are in some instances where issued for a portion of a year only, i.e., effective from the first day of April of the year in which issued and shall expire on the thirty-first day of March following.

2.—Application to acquire a Grazing Permit on School Lands shall be filed with the Agent of Dominion Lands for the District in which the lands are situated, or with a Sub-Agent for such district, for transmission to the Agent. The application shall be on the form prescribed for the purpose and shall be accompanied by rental as set forth in Clause 1 of the Regulations, or at such other rate of rental as may be recommended.

3.—Priority of application shall, in all cases, be based upon the date of receipt of such application, as determined by the records of the Minister, be based upon the date of receipt of district in which the land is situated.

4.—The acceptance by the Agent of Dominion Lands for the district in which the lands are situated of an application for a Grazing Permit on School Lands and of the rental accompanying same, shall not entitle the applicant to any right, title or interest in or to the lands applied for, but the application shall be transmitted to Head Office for consideration and if approved by the Minister, by the Agent to Head Office in his return in the prescribed manner, when the Minister may, at his discretion cause to be issued to the applicant a Grazing Permit in such form as may be decided upon.

5.—The permittee shall, at the commencement of the Minister, have the right to a renewal permit year from the date of expiry of such permit or of such renewal, if the Minister shall see fit to dispose of the land by sale or otherwise. Provided application for such renewal is filed on the prescribed form with the Agent of Dominion Lands for the district in which the land is situated on or before the first day of February next preceding the termination of the permit, accompanied by the rental, otherwise the permittee's right to renewal of all lapse.

6.—The Agent of Dominion Lands shall not accept an application for grazing privileges on land held under grazing permit from any person other than the holder thereof prior to the second day of February preceding the date of termination of the permit.

7.—The permit shall, subject to the terms and conditions thereof, vest in the holder thereof the right to enter upon and use the land for the purpose of grazing its own stock to the exclusion of any other person, and he shall be entitled to erect upon the land such temporary structures as shall be necessary for the proper use of the land with a fence and to erect such temporary structures as shall be necessary for the protection of his stock.

8.—The permittee shall not erect any buildings on the land, except such temporary structures as shall be necessary for the protection of his stock, and shall not break or cultivate any of the land covered by the Permit.

9.—The permittee shall, upon application to the Agent of Dominion Lands for the district and upon payment of an office fee of fifty cents, be entitled to secure a free Permit to cut on the land whatever hay he may require for his own use, but not for barter or sale. The permittee may also acquire a Permit to cut hay on the land for the purpose of barter or sale upon payment to the Agent of Dominion Lands for the district of an office fee of fifty cents and dues at the rate of One Dollar per ton on the quantity of hay to be cut for this purpose.

10.—The permittee shall be required to keep upon the land at least one head of stock for every three acres of land included in the Permit, and shall maintain the said stock thereon in that proportion to the satisfaction of the Minister.

11.—The permittee shall not store upon the land any stock other than his own, neither shall he assign or transfer any interest in the Permit without the consent of the Minister, the Interior being first obtained.

12.—The Permit shall be subject to the right of the Minister to dispose of the land or any portion thereof by sale at public auction or in any other manner as may be decided upon at any time during the term of said Permit without notice to the permittee, or to withdraw all or any portion of the land which may be required for the purpose of a townsite, railway right of way, or other public purpose, or which may be required in connection with the development of a homestead, sale of any mineral rights thereunder or for the purpose of preserving or protecting timber.

13.—The Permit shall not be assignable by the permittee without the consent of the Minister and shall not entitle the permittee to cut timber or remove any timber which may be upon the land.

14.—Should all or any portion of the land be withdrawn from the operation of the Grazing Permit at any time during its currency, such Permit shall become inoperative in so far as it relates to the portion withdrawn, and the permittee shall be entitled to a refund of the rental paid by him for the area so withdrawn, from the date upon which the land was withdrawn. The decision of the Minister shall be final and determine the permittee, however, shall be entitled to a refund of the rental paid by him for the area so withdrawn, from the date upon which the land was withdrawn. The decision of the Minister shall be final and determine the area so withdrawn. The permittee

REGULATIONS GOVERNING THE DISPOSAL OF SCHOOL LANDS FOR GRAZING PURPOSES IN THE PROVINCES OF MANITOBA, SASKATCHEWAN AND ALBERTA.

1.—Grazing Permits may be issued on School Lands for the purpose of the Province of Manitoba, Saskatchewan and Alberta, not over four, or portion thereof, upon payment in advance at the rate of ten cents per acre per annum, the rental to be computed on the basis of the number of acres mentioned in the Permit, being subject to cancellation at any time at the discretion of the Minister of the Interior. The permit may except in cases where issued for a portion of a year only, be considered from the first day of April of the year in which issued and shall expire on the thirty-first day of March following.

2.—Application to purchase a Grazing Permit on School Lands shall be lodged with the Agent of Dominion Lands for the District in which the land applied for is situated, or with a Sub-Agent for such district, for transmission to the Agent. The application shall be on the form prescribed for the purpose and shall be accompanied by rental as set forth in the Regulations or at such other rate of rental as may be in effect.

3.—Immediately on receipt of such application, the Agent shall, at the expense of the Applicant, be issued under the seal of his office a receipt for such application, and entered in the records kept, in the office of the Agent of Dominion Lands for the District in which the land is situated.

4.—The acceptance by the Agent of Dominion Lands for the district in which the lands are situated of an application for a Grazing Permit on School Lands and the receipt of the rental accompanying same, shall entitle the applicant to any right, title or interest in the lands, but merely the right to have the land applied for but the application shall be transmitted to Head Office for approval, which approval or otherwise will be notified by the Agent to Head Office in his records in the usual manner, when the Minister may at his discretion cause to be issued to the applicant a Grazing Permit in such form as may be decided upon.

5.—The permittee shall at the expiration of the Permit have a preferential right to a renewal permit year after year from the date of expiry of such Permit under such terms as the Minister may fix, but should the land be sold by sale or otherwise, provided application for such renewal is lodged by the permittee with the Agent of Dominion Lands for the district in which the land is situated on or before the first day of February next preceding the termination of the Permit, accompanied by the grazing rental, otherwise the permittee's right to renewal shall lapse.

6.—The Agent of Dominion Lands shall not accept an application for grazing privileges on land held under grazing permit from any person other than the holder of such permittee prior to the second day of February preceding the date of termination of the permit.

7.—The permit shall, subject to the terms and conditions specified herein, vest in the holder thereof the right to enter upon and use the land for the purpose of grazing cattle on his own stock to the exclusion of any other person, and he shall be entitled to enclose the Land with a fence and to erect such temporary structures as shall be necessary for the protection of his stock.

8.—The permittee shall not erect any buildings on the land, except such temporary structures as shall be necessary for the protection of his stock, and shall not break or cultivate any of the Land covered by the Permit.

9.—The permittee shall, upon application to the Agent of Dominion Lands for the district, and upon payment of an office fee of fifty cents, be entitled to secure a free Permit to cut on the land wherever hay may be found thereon, such quantity as he may require for his own use, but not for barter or sale. The permittee may also acquire a Permit to cut hay on the land for the purpose of barter or sale upon payment to the Agent of Dominion Lands for the district of an office fee of fifty cents, and dues at the rate of One Dollar per ton on the quantity of hay to be cut for this purpose.

10.—The permittee shall be required to keep upon the land at least one head of stock for every thirty acres of land included in the Permit, and shall confine to the said stock thereon in that proportion to the satisfaction of the Minister.

11.—The permittee shall not graze upon the land any stock other than his own, neither shall he assign or transfer any interest in the Permit without the consent of the Minister of the Interior being first obtained thereof by sale at public auction or such other manner as may be decided upon at any time during the term of said Permit without notice to the permittee, or to withdraw all or any portion of the land which may be required for the purpose of a railway, railway right of way or other public purpose, or which may be reported in connection with the disposition of a bona fide claim of any mining or mineral rights thereunder or for the purpose of preserving or protecting such rights or claims.

13.—The Permit shall give no right to the timber on the land, the right of the Minister of the Interior to issue Permits to cut and remove any timber which may be upon the land.

14.—Should all or any portion of the land be withdrawn from the operation of the Grazing Permit at any time during its currency, such Permit shall become inoperative in so far as it relates to the portion withdrawn, and the permittee's right thereto shall cease and determine. The permittee, however, shall be entitled to a refund equal to the rental paid by him for the area so withdrawn, from the date upon which the land was so withdrawn to the date of expiry of the Permit. The permittee may also be entitled to a refund at any time after the withdrawal of all or any portion of the land from the Permit which to remove any fencing or other improvements he may have erected on said land.

15.—Failure on the part of the permittee to observe any of the conditions of the Permit, shall at the option of the Minister of the Interior cancel the Permit without notice to the permittee, and the forfeiture of all moneys paid thereon.

N.B.—An amendment to Regulation approved on the 3rd August, 1923, provides that a fee of $1.00 shall be charged for the issue of a Grazing Permit, and a similar fee for the issue of a Hay Permit.

N.B.—By Order in Council approved on the 17th August, 1923, Clause 1 of the above regulations was amended by striking out the word "ten" in the third line thereof and substituting therefor the word "six".

REGULATIONS GOVERNING THE DISPOSAL OF SCHOOL LANDS FOR GRAZING PURPOSES IN THE PROVINCES OF MANITOBA, SASKATCHEWAN AND ALBERTA.

1.—Grazing Permits may be issued on School Lands available for the purpose in the Provinces of Manitoba, Saskatchewan and Alberta for terms not exceeding twenty-one years at an annual rental at the rate of ten cents per acre per annum, the rate of rental, however, being subject to change at any time at the discretion of the Minister of the Interior. The permits shall, except in cases where issued for a portion of a year only, be operative from the first day of April of the year in which issued and shall expire on the thirty-first day of March following.

2.—Application for a Grazing Permit on School Lands shall be made to the Agent of Dominion Lands for the District in which the lands are situated, or to a Sub-Agent for such District, for transmission to the Agent. The application shall be on the form prescribed for the purpose and shall be accompanied by rental as set forth in Clause 1 of the Regulations or at such other rate of rental as may be in force.

3.—Priority of application shall, at the option of the Minister, be based upon the date of receipt of such application, accompanied by the required rental, in the office of the Agent of Dominion Lands for the district in which the land is situated.

4.—The acceptance by the Agent of Dominion Lands for the district in which the lands are situated of an application for a Grazing Permit on School Lands and of the rental accompanying same shall not entitle the applicant to any right, title or interest in or to the said lands or the land included but that the application shall be transmitted to Head Office for consideration and the amount tendered as rental returned by the Agent to Head Office in his returns in the usual manner, when the Minister may, at his discretion, cause to be issued to the applicant a Grazing Permit in such form as may be decided upon.

5.—The permittee shall, at the discretion of the Minister, have the right to a renewal permit year after year from the date of expiry of such permit until such time as the Minister shall see fit to dispose of the land by sale or otherwise, provided application for such renewal is filed on the prescribed form with the Agent of Dominion Lands for the district in which the land is situated on or before the first day of February next preceding the termination of the Permit as originally issued, failing renewal of which the permittee shall forfeit his right to renewal shall cease.

6.—The Agent of Dominion Lands shall not accept an application for grazing privileges on land held under grazing permit from any person other than the holder thereof prior to the second day of February next preceding the date of termination of the permit.

7.—The permit shall not, nor shall anything herein contained, be construed to vest in the holder thereof the right to enter upon and use the land for the purpose of grazing thereon his own stock to the exclusion of any other person, and he shall be entitled to enclose the land with a fence and to erect such temporary structures as shall be necessary for the purposes of stock.

8.—The permittee shall not erect any buildings on the land, except such temporary structures as shall be necessary for the protection of his stock, and shall not break or cultivate any of the land covered by the Permit.

9.—The permittee shall, upon application to the Agent of Dominion Lands for the district and upon payment of an office fee of fifty cents, be entitled to acquire a free Permit to cut on the land whatever hay he may require for his own use, but not for barter or sale. The permittee may also acquire a Permit to cut hay on the land for the purpose of barter or sale upon payment to the Agent of Dominion Lands for the district of an office fee of fifty cents and dues at the rate of One Dollar per ton on the quantity of hay to be cut for this purpose.

10.—The permittee shall be required to keep upon the land at least one head of stock for every thirty acres of land included in the Permit, and shall increase the said stock thereon in that proportion to the satisfaction of the Minister.

11.—The permittee shall not graze upon the land any stock other than his own, nor shall he assign or transfer any interest in the Permit without the consent of the Minister of the Interior being first obtained.

12.—The Permit shall be subject to the right of the Minister to dispose of the land or any portion thereof by sale at public auction or in any other manner he may be directed to at any time during the term of said Permit without notice to the permittee, or to withdraw a lot any portion of the land which may be required for the purpose of a railway, railway station, town or other public purpose, or which may be required in connection with the development of a water power, or the removal of mineral rights thereunder or for the purpose of prospecting or operating mining claims.

13.—The Permit shall not be subject to the right of the Minister of the Interior to issue Permits to cut and remove any timber which may be upon the land.

14.—Should all or any portion of the land be withdrawn from the operation of the Grazing Permit at any time during its currency, such Permit shall become inoperative in so far as it relates to the portion withdrawn, and the permittee's right thereto shall cease and determine. The permittee, however, shall be entitled to a refund equal to the rental paid for the land so withdrawn, from the date upon which the land was withdrawn to the date of expiry of the Permit. The permittee shall also be entitled to a reasonable time after the withdrawal of all or any portion of the land from the Permit within which to remove any fencing or other improvements he may have erected on the said lands.

15.—Failure on the part of the permittee to comply with any of the conditions of the Permit shall, at the option of the Minister, render the Permit subject to cancellation at any time during its currency, and the forfeiture of all moneys paid thereon.

N.B.—An Order in Council was approved on the [illegible] 1921, providing that a fee of $1.00 shall be charged for the issue of a Grazing Permit, and a like charge to be levied for the issue of a Hay Permit.

Regulations Governing the Disposal of School Lands for Grazing Purposes in the Provinces of Manitoba, Saskatchewan and Alberta, Established under Authority of Order in Council of the 20th January, 1926.

---

1. Grazing permits may be issued on School Lands available for the purpose in the Provinces of Manitoba, Saskatchewan and Alberta.

2. Application to acquire a grazing permit on School Lands shall be filed on the prescribed form with the Agent of Dominion Lands for the District in which the land is situated, or with a Sub-agent for such District, for transmission to the Agent, and shall be accompanied by rental at the rate of four cents per acre per annum and an Office Fee of $1.00.

3. Priority of application shall, at the option of the Minister, be based upon the date of receipt of such application, accompanied by the required rental, in the Office of the Agent of Dominion Lands for the District in which the land is situated.

4. The acceptance by the Agent of Dominion Lands for the District in which the land is situated of an application for a grazing permit on School Lands and of the rental accompanying same, shall not entitle the applicant to any right, title or interest in grazing privileges on the land applied for, but the application shall be transmitted to Head Office for consideration and the amount tendered as rental reported by the Agent to Head Office in his returns in the usual manner, when the Minister may, at his discretion, cause to be issued to the applicant a grazing permit in such form as may be decided upon.

5. The permit shall be operative from the first day of April of the year for which issued, except in cases where issued for a portion of a year only, and shall terminate on the thirty-first day of March following the date of issue.

6. The permittee shall at the discretion of the Minister have prior right to a renewal permit from year to year until such time as the Minister decides to dispose of the land by sale or otherwise, provided application for such renewal is filed on the prescribed form, accompanied by the ensuing year's rentals and office fees with the Agent of Dominion Lands for the District in which the land is situated on or before the date of the termination of the permit. Failure to comply with the above provision shall require the permittee to forfeit all priority of right to a renewal permit and the grazing privileges shall be made available for other disposition.

7. The Agent of Dominion Lands shall not, unless authorized by the Department, accept an application for grazing privileges on land held under permit from any person other than the recorded permittee prior to the termination of existing permit.

8. The permit shall, subject to the terms and conditions specified herein, vest in the holder thereof, the right to enter upon and use the land for the purpose of grazing thereon his own stock to the exclusion of any other person, and he shall be entitled to enclose the land with a fence and to erect such temporary structures as shall be necessary for the protection of his stock.

9. The permittee shall not erect any buildings on the land, except such temporary structures as shall be necessary for the protection of his stock and shall not break or cultivate any of the land covered by the permit.

10. The permittee shall be entitled to cut and remove from the land whatever hay he may require for his own use, but not for barter or sale, but he shall not be entitled to cut or allow to be cut any hay for the purpose of barter or sale until he has acquired from the Agent of Dominion Lands of the District a hay permit, for which he shall be required to pay an Office fee of $1.00 and dues at the rate of $1.00 per ton on the quantity of hay to be cut for such purpose.

11. The permittee shall be required to place upon the land at least one head of stock for every thirty acres of land included in the permit, and shall maintain the said stock thereon in that proportion to the satisfaction of the Minister.

12. The permittee shall not graze, or allow to be grazed, on the land, any stock other than his own, neither shall he sublet, assign nor transfer any interest in the permit without the consent of the Minister being first obtained.

13. The permit shall be subject to the right of the Minister to dispose of the land or any portion thereof by sale at public auction or in any other manner as may be decided upon at any time during the term of said permit, without notice to the permittee, or to withdraw all or any portion of the land which may be required for the purpose of a roadway, railway right of way or other public purpose, or which may be required in connection with the development of a lease or grant of any mining or mineral rights thereunder or for the purpose of prospecting or operating such mining rights.

14. The permit shall be subject to the right of the Minister to issue permits to cut and remove any timber which may be upon the land.

15. The permit shall be subject to the right of the Minister to withdraw therefrom any portions of the land available for cultivation purposes, to issue cultivation permits for such portions and to grant the cultivation permittee access to the land for the purpose of carrying on operations.

16. Where fencing or other improvements placed upon the land are not the property of the permittee, the permit shall be subject to the right of the Minister to authorize the removal of such fencing or other improvements and entry upon the land for the said purpose.

17. Should all or any portion of the land be withdrawn from the operation of the grazing permit at any time during its currency, such permit shall become inoperative in so far as it relates to the portion withdrawn, and the permittee's right therein shall cease and determine. The permittee, however, shall be entitled to a refund equal to the rental paid by him for the area so withdrawn, from the date upon which the land was withdrawn to the date of expiry of the permit. The permittee shall also be entitled to a reasonable time after the withdrawal of all or any portion of the land from the permit within which to remove any fencing or other improvements he may have erected on said land.

18. Failure on the part of the permittee to observe any of the conditions of the permit, shall, at the option of the Minister of the Interior, render the permit subject to cancellation at any time during its currency, and the forfeiture of all moneys paid thereon.

Regulations Governing the Disposal of School Lands for Grazing Purposes in the Provinces of Manitoba, Saskatchewan and Alberta, Established under Authority of Order in Council of the 20th January, 1926.

---

1. Grazing permits may be issued on School Lands available for the purpose in the Provinces of Manitoba, Saskatchewan and Alberta.

2. Application to acquire a grazing permit on School Lands shall be filed on the prescribed form with the Agent of Dominion Lands for the District in which the land is situated, or with a Sub agent for such District, for transmission to the Agent, and shall be accompanied by rental at the rate of four cents per acre per annum and an Office Fee of $1.00.

3. Priority of application shall, at the option of the Minister, be based upon the date of receipt of such application, accompanied by the required rental, in the Office of the Agent of Dominion Lands for the District in which the land is situated.

4. The acceptance by the Agent of Dominion Lands for the District in which the land is situated of an application for a grazing permit on School Lands and of the rental accompanying same shall not entitle the applicant to any right, title or interest in grazing privileges on the land applied for, but the application shall be transmitted to Head Office for consideration and the amount tendered as rental reported by the Agent to Head Office in his returns in the usual manner, when the Minister may, at his discretion, cause to be issued to the applicant a grazing permit in such form as may be decided upon.

5. The permit shall be operative from the first day of April of the year for which issued, except in cases where issued for a portion of a year only, and shall terminate on the thirty-first day of March following the date of issue.

6. The permittee shall at the discretion of the Minister have prior right to a renewal permit from year to year until such time as the Minister decides to dispose of the land by sale or otherwise, provided application for such renewal is filed on the prescribed form, accompanied by the ensuing year's rentals and office fees with the Agent of Dominion Lands for the District in which the land is situated on or before the date of the termination of the permit. Failure to comply with the above provision shall require the permittee to forfeit all priority of right to a renewal permit and the grazing privileges shall be made available for other disposition.

7. The Agent of Dominion Lands shall not, unless authorized by the Department, accept an application for grazing privileges on land held under permit from any person other than the recorded permittee prior to the termination of existing permit.

8. The permit shall, subject to the terms and conditions specified herein, vest in the holder thereof the right to enter upon and use the land for the purpose of grazing thereon his own stock to the exclusion of any other person, and he shall be entitled to enclose the land with a fence and to erect such temporary structures as shall be necessary for the protection of his stock.

9. The permittee shall not erect any buildings on the land, except such temporary structures as shall be necessary for the protection of his stock and shall not break or cultivate any of the land covered by the permit.

10. The permittee shall be entitled to cut and remove from the land whatever hay he may require for his own use, but not for barter or sale, but he shall not be entitled to cut or allow to be cut any hay for the purpose of barter or sale until he has acquired from the Agent of Dominion Lands of the District a hay permit for which he shall be required to pay an Office fee of $1.00 and dues at the rate of $1.00 per ton on the quantity of hay to be cut for such purpose.

11. The permittee shall be required to place upon the land at least one head of stock for every thirty acres of land included in the permit, and shall maintain the said stock thereon in that proportion to the satisfaction of the Minister.

12. The permittee shall not graze, or allow to be grazed, on the land, any stock other than his own, neither shall he sublet, assign nor transfer any interest in the permit without the consent of the Minister being first obtained.

13. The permit shall be subject to the right of the Minister to dispose of the land or any portion thereof by sale at public auction or in any other manner as may be decided upon at any time during the term of said permit, without notice to the permittee, or to withdraw all or any portion of the land which may be required for the purpose of a roadway, railway right of way or other public purpose, or which may be required in connection with the development of a lease or grant of any mining or mineral rights thereunder or for the purpose of prospecting or operating such mining rights.

14. The permit shall be subject to the right of the Minister to issue permits to cut and remove any timber which may be upon the land.

15. The permit shall be subject to the right of the Minister to withdraw therefrom any portions of the land available for cultivation purposes, to issue cultivation permits for such portions and to grant the cultivation permittee access to the land for the purpose of carrying on operations.

16. Where fencing or other improvements placed upon the land are not the property of the permittee, the permit shall be subject to the right of the Minister to authorize the removal of such fencing or other improvements, and entry upon the land for the said purpose.

17. Should all or any portion of the land be withdrawn from the operation of the grazing permit at any time during its currency, such permit shall become inoperative in so far as it relates to the portion withdrawn, and the permittee's right therein shall cease and determine. The permittee, however, shall be entitled to a refund equal to the rental paid by him for the area so withdrawn, from the date upon which the land was withdrawn to the date of expiry of the permit. The permittee shall also be entitled to a reasonable time after the withdrawal of all or any portion of the land from the permit within which to remove any fencing or other improvements he may have erected on said land.

18. Failure on the part of the permittee to observe any of the conditions of the permit, shall, at the option of the Minister of the Interior, render the permit subject to cancellation at any time during its currency, and the forfeiture of all moneys paid thereon.

OTTAWA, 24th February, 1927.

Sir,-

In connection with grazing permit #992 issued by you on the 24th ultimo, your file #199977, in favour of Tallak Hafso covering the South West quarter of Section 29, Township 48, Range 11, West of the 4th Meridian I would point out that Mr. Hafso remitted when applying for a permit presumably the sum of $4.00 and as he had an overpayment of $2.88 in connection with last year's permit made a total of $7.40.

The area of this quarter section is 161 acres and the rental and office fee would amount to $7.44 and Mr. Hafso is therefore short 4 cents.

I would also point out in connection with permit #965 issued in favour of Wm. J. Speers covering the North East quarter of the same section that Mr. Speers remitted the sum of $5.77 which together with the sum of $1.52 to his credit in connection with last year's permit made a total of $7.29.

The area of this quarter section is 161 acres and the rental and office fee would amount to $7.44 and Mr. Speers therefore short in the sum of 15 cents.

Your obedient servant,

J. W. [illegible]

Sir;-

Re Sec. 29-48-11-W.4th M.

I am in receipt of your letter of the 6th instant stating that Mr. P. Thompson is desirous of purchasing the portion of the above described Section which is cut off by the road.

In reply I am to inform you that School Lands can only be disposed of at public auction making it necessary to wait until the Department holds an auction sale of School Lands in that vicinity, due notice of which is always given by poster and through the press beforehand.

Whenever it is contemplated holding a sale of School Lands in that vicinity, if Mr. Thompson will then take the matter up with the Department the question of offering the area desired by him as a separate parcel will then be given consideration.

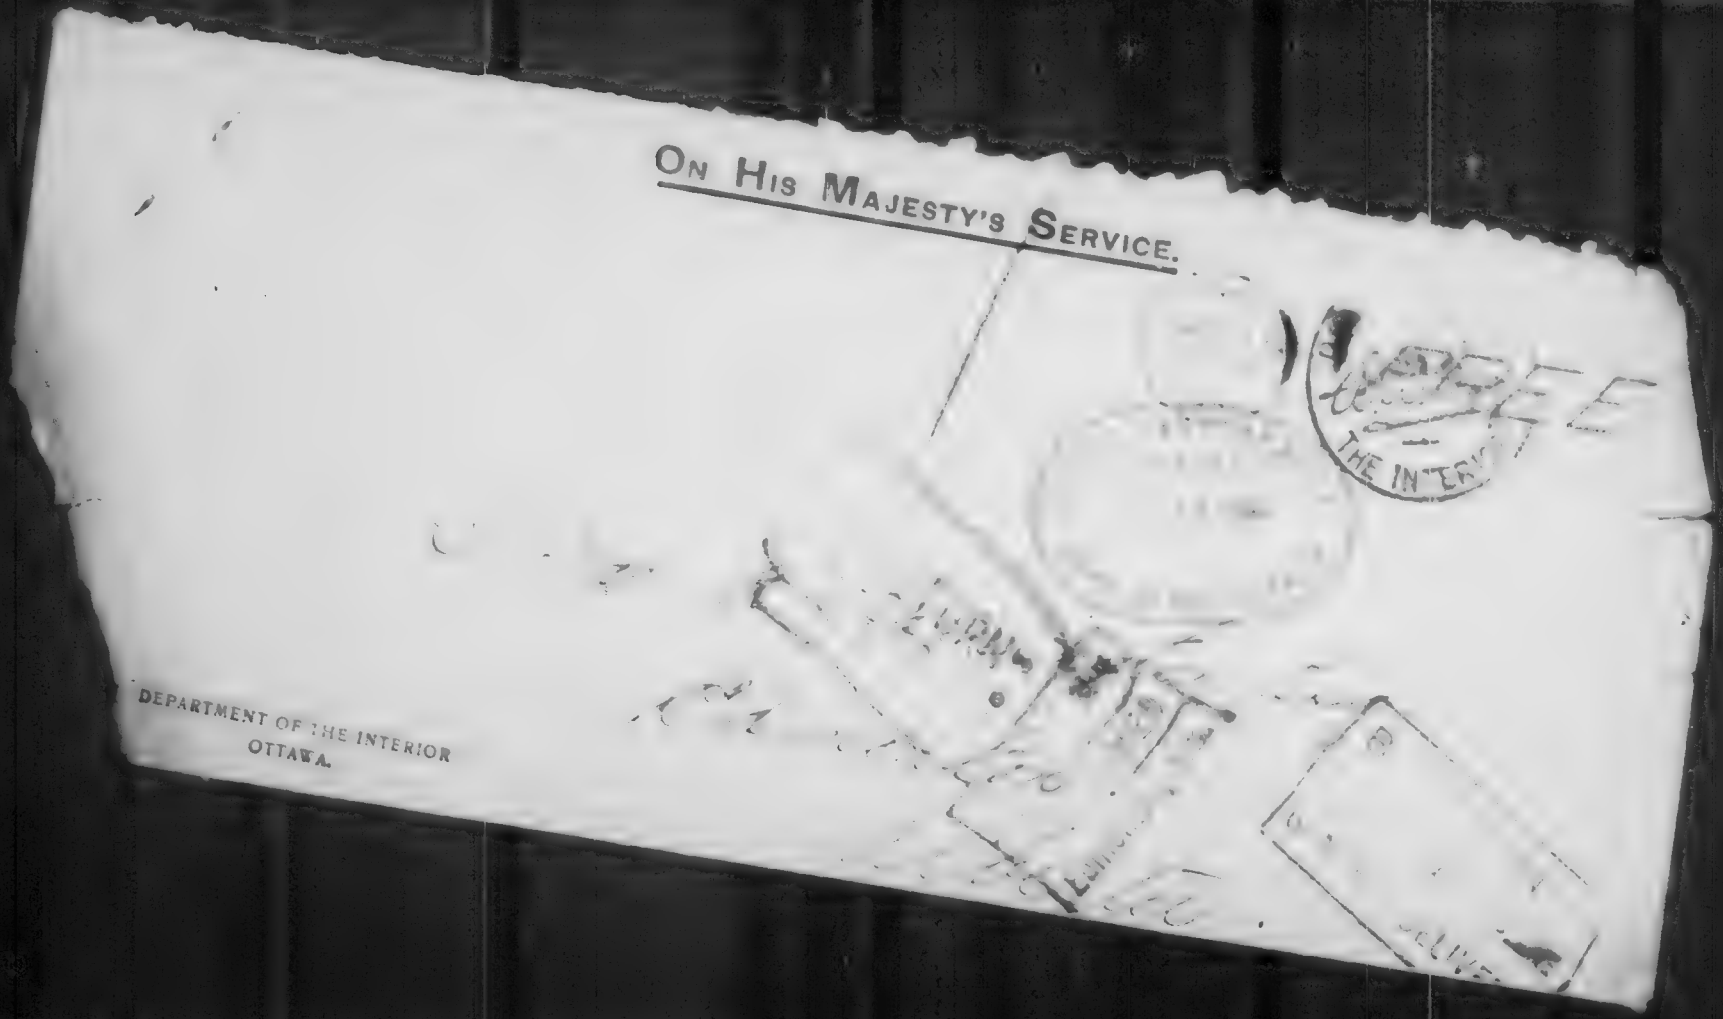

I might further add for Mr. Thompson's information that the whole of this Section is at the present time under Grazing Permit to different settlers.

OTTAWA, 3rd March, 1916.

Sir,

I beg to acknowledge the receipt of your letter of the 4th ultimo in regard to your desire to lease for grazing purposes either Section 29, Township 48, Range 11, or Section 29, Township 49, Range 12, both West of the 4th Meridian.

In reply I have to inform you that both of these sections are at the disposal of the Department.

Grazing leases of School Lands, are, however, no longer issued, grazing permits having been substituted therefor.

These permits only cover one year expiring on the 1st April next following their issue. They are, however, renewable from year to year at the option of the Department provided that application for the renewal is made each year on or before the 1st February, accompanied by the rental for the next year at the rate of four cents per acre.

If a grazing permit on these terms would be satisfactory to you be good enough to file here your application on the enclosed form, with your declaration as to the number of stock you own and would graze on the land.

THE UNDERSIGNED hereby acknowledges to have purchased the ...1/4...

of Section ...11... Township ...42... Range ...12... W.

of the ...4th... Meridian, at the rate of $ ...12.00... per acre, upon the following terms and conditions as to payment, viz.:—

One-twentieth of the purchase money to be paid at the time of sale, and the balance in nineteen equal successive annual instalments, with interest at the rate of six per cent per annum to be paid with each instalment on the balance of the purchase money from time to time remaining unpaid, the first of the said nineteen instalments to become due and payable one year from the date of sale; provided that all instalments, or any portion of any instalment, in arrears, whether of principal or interest, shall bear interest at the rate of seven per cent per annum.

The sale is also subject to the following terms and conditions, viz.:—

1. The sale shall only convey the surface rights and shall be subject to the usual reservations in favour of the Crown.

2. The Department reserves the right to withdraw such areas as may be required by a railway company for right-of-way or other purposes of the railway, or by the Provincial Authorities for roadway purposes: provided application therefor was made prior to the date of sale.

3. The Department reserves the right to increase or decrease the area sold to conform with revised township plans of survey approved and confirmed by the Surveyor General, and the purchaser hereby agrees to make payment for any additional areas at such prices and upon such terms as may be prescribed by the Minister of the Interior.

4. The purchaser shall be required, before cutting, or allowing to be cut, any timber growing on the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a timber permit, and to pay therefor an office fee of $1.00, and dues as prescribed by the School Lands Timber Regulations; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

5. The purchaser shall be required, before removing any sand or gravel from the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a permit for the quantity of sand and gravel to be removed, and to pay therefor an office fee of $1.00, and dues at the rate of 25c. per cubic yard; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

6. The sale is subject to the right of any person or persons cultivating the land, or any portion thereof, to enter upon said land for the purpose of protecting the crop or other belongings, and to cut and remove the crop prior to the 31st December next following the date of sale.

7. The purchaser shall at time of sale, or upon demand of the Department, pay for any areas in summerfallow upon the land at date of sale, at a valuation placed thereon by an official of the Department.

8. The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at date of sale, and the purchaser shall not at any time prior to date of completion of payments remove, or cause to be removed from the land, any of said improvements without the consent of the Minister of the Interior being first obtained.

9. The purchaser shall insure and keep insured, to the satisfaction of the Minister of the Interior, all buildings upon the land at time of sale liable to destruction by fire.

10. The sale is subject to the right of persons, owning fencing or other improvements upon the land at time of sale, to enter upon the land and remove said improvements within the time allowed by the Department for the purpose.

11. Default in making payment, or failure to comply with the terms and conditions herein or hereby set out, shall, at the option of the Minister of the Interior, annul the sale and require the forfeiture of all payments made on account, together with all improvements upon the land.

12. The Department reserves the right to impose such further terms and conditions as may be announced at the time of sale.

Sir, -

On May 9th you forwarded here a letter stating that you were enclosing an application from W.J. Anderson for a lease of the coal mining rights in the North half and South East quarter of Section 11, Township 29, Range 15, West of the 4th Meridian, and requesting payment of $5.00 application fee in connection therewith.

On the 24th July you reported payment by Mr. Anderson of $120.00 being first year's rental for a coal lease for Legal Subdivisions 10, 15 and 16 of this Section.

As the application form referred to in your letter of May 9th did not accompany same, nor has it yet been received in this Branch, it will be necessary for Mr. Anderson to file here a proper application for the portion of the section he now desires to rent before a lease can be issued in his favour.

Kindly take this matter up with Mr. Anderson and have him fill the application without delay.

PROVIDED ALWAYS that this demise is granted upon and subject to the following provisos, conditions, restrictions and stipulations, that is to say:

1. That the lessee will pay well and truly render true accounts to the Minister at Ottawa of the rent and royalty hereby reserved at the time and will make all returns at the times and in the manner prescribed by or under the said regulations.

2. That the lessee will well truly and faithfully observe, perform and abide by all the conditions, restrictions provisos and requirements in or under the said regulations respecting coal mining rights to be observed by and contained upon the said lessee.

3. That the lessee shall and will keep correct books of each and every and all sales that be made by the Minister showing the quantity of coal taken out of the said lands, and whenever required so to do shall produce such books to the inspection of any officer or person appointed or authorized by the Minister to examine the same for the purpose of verifying the returns made by the lessee.

4. That the lessee shall and will, during the said term, make such provision for the disposal of the earth, rock, waste or refuse of the said lands that the same shall not be an incumbrance, nuisance or obstruction to any railway right of way, roadway, pass, passage, river, creek or water, or to any private property or Crown lands or canals without or otherwise than by consent of the Minister, or to any manner whatsoever occasion any private or public damage, nuisance or inconvenience.

5. That the lessee shall and will during the said term, make and deliver to the Minister or to any officer or agent appointed or instructed by him to collect, obtain or receive the same, all such true and proper plans, sections, returns and statistics of the working and operations of any mines on the said lands, the truth and accuracy of which shall be verified by oath or solemn declaration of the lessee or his manager, agent or employee cognizant of the facts as the Minister shall from time to time direct.

6. That the lessee shall and will during the said term, make proper and reasonable compensation to the owner, occupier and lessee of any adjoining lands or of the surface rights of the said lands hereinbefore described, including lands of His Majesty, should He be such owner, occupier or lessee, in respect of any damage which may be sustained by any such owner, occupier or lessee by reason of the working by him of any mine on the said lands or the carrying on by him of any works connected with any such mine or for any operations under these presents, such compensation, in case the parties do not agree thereupon, to be determined, if such owner, occupier or lessee requires, by arbitration, one arbitrator to be named by him, one by the lessee and a third by the two so named, and the award of the three or of any two of them to be final.

7. That the lessee shall duly pay and reimburse compensation to any railway company for any damage caused to their property, if any, or serious diminution of the revenues of other property of the company upon the said lands, the amount of such compensation to be ascertained and settled in the manner provided by the said regulations with respect to disputes between parties in relation to the acquisition of surface rights.

8. That the lessee shall and will permit any inspector or other person duly authorized in that behalf, with all proper necessary assistants, at all reasonable times during the said term, quietly to enter into and upon the said lands, mines and premises, and into all buildings erected thereon, and into any part thereof, and to survey and examine the state and condition thereof, and for the purpose aforesaid to descend all pits and shafts,

and to enter and use all adits, tunnels, shafts, rises, wings, levels, galleries, drives, and excavations, and to use all roads, ways, engines, ropes, machinery, gear, appliances, materials and other things in and on the said land and mines which shall by him be deemed necessary, without making any compensation for the same, so nevertheless that in so doing no unnecessary interference is caused with the carrying on of the mining work of the lessee; and shall and will by all means in his power aid and facilitate such inspector or other person in making such entry, survey and examination.

9. That the lessee shall and will during the said term, open, use and work any mines and works opened and carried on by him upon the said lands in such manner only as is usual and customary in skilful and proper mining operations of similar character when conducted by proprietors themselves on their own lands, and when working the same shall keep and preserve the said mines and works from all avoidable injury and damage, and also the adits, tunnels, shafts, rises, wings, levels, drafts, water-courses, roads, ways, works, erections and fixtures therein and thereon in good repair and condition, except such of the matters and things last aforesaid as shall from time to time be considered by any inspector or other person authorized by the Minister to inspect and report upon such matters and things to be unnecessary for the proper working of any such mine; but so that no supports placed in any mine, or any timbers or frame-work necessary to the use and maintenance of shafts or other approaches thereto or tramways thereon shall be removed or unpaired, and such state and condition shall and will at the end or sooner determination of the said term deliver peaceable possession thereof unto the said lessor to His Majesty.

10. That the lessee shall and will during the said term cause and keep open all accustomed drainages or excavations made in connection with or for the purpose of coal mining operations on the said lands with frames of wells sufficient to prevent earth or other materials falling thereinto, such frames or walls to be of a height and character satisfactory to the Minister or to the inspector or other person duly authorized by him as aforesaid and to comply with any regulations or directions from time to time made or given by the Minister.

11. That no waiver on behalf of His Majesty of any breach or any of the provisions, conditions, restrictions and stipulations herein contained, whether negative or positive in terms, shall be effectual or binding unless the same shall be waived in writing under the authority of the Minister, and any waiver so expressed may extend to one breach only of the matter thereof waived and shall not limit or affect His Majesty's rights with respect to any other or future breach.

12. That no implied covenant or liability not herein contained shall be held to arise by the use of the word "demise" or "lease" herein, or by the use of any other word or words herein, or shall otherwise arise by reason of these presents or anything herein contained.

13. That any notice demand or other communication which His Majesty or the Minister may require or desire to give or serve upon the lessee may be signed or served by the Secretary or the Assistant Secretaries of the Department of the Interior, and that any notice affecting the tenancy hereby created which the lessee may desire to give upon the lessor shall be sufficiently served on the lessor if left addressed to him on the demised premises or posted to him addressed to his last known address or if left at the said address. A notice sent by post shall be deemed to be given at the time when in the ordinary course of post it would be delivered at the address to which it is sent.

14. That if the rent hereby reserved or any part thereof shall be unpaid for thirty days after becoming payable, whether formally demanded or not, or if any covenant, proviso, stipulation or condition on the part of the lessee herein contained shall not be performed or observed, then and in any of the said cases it shall be lawful for the Minister by notice in writing under his hand to cancel these presents and terminate the estate or term hereby demised, and thereupon these presents and everything thereby granted and the said estate or term shall, from the time of the giving of such notice, absolutely cease, determine and be void, without re-entry or any other act or thing, and the lessee hereby confesses to be brought or taken precedent that His Majesty shall thereupon be entitled to recover from the lessee the rent then accrued and remaining unpaid, and damages for any breach of the covenants, provisos, stipulations or conditions herein contained, and the lessee shall not be entitled to any compensation whatsoever in respect of any improvements made by the lessee or of any buildings or erections which the lessee may have erected thereon, but shall and will remove or impair or cut the supports, timbers or frame-works thereof which are necessary for the use and maintenance of the shafts or other approaches thereto or tramways thereon, and cause such mine to fall, cave in or give way, and that in default of removal within such period of six months all such tools and machinery, buildings and erections shall be absolutely forfeited and shall become and be the property of His Majesty.

In Witness the context pertains the word "lessee" herein includes the
executors, administrators
and assigns of the lessee; the expression "His Majesty" includes Successors and assigns of His Majesty; and the expression "Minister" includes the successors in office of the Minister of the Interior.

IN WITNESS WHEREOF the Deputy of the Minister of the Interior has caused to be set his hand and the seal of the Department of the Interior, and the Lessee has hereunto set his hand and seal the day and year first above written.

Ref. 17,635 on 15,734 School Lands.

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 20th day of December, 1907

P. C. No. 2810.

PRESENT

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL

Whereas by the Orders in Council of the 11th and 20th June, 1902, authority was given for the issue of leases of School Lands for coal mining purposes and under the Regulations established by the said Orders in Council the lease is to be issued for a period of twenty years, subject to a rental of thirty cents per acre, and a royalty of ten cents per ton;

And whereas Regulations have since been established by Order in Council of 9th May, 1907, for the issue of leases of Dominion Lands for coal mining purposes, and it is considered desirable that the Regulations governing the issue of leases of School Lands for coal mining purposes should conform as nearly as the different conditions will permit, with those governing the issue of leases of Dominion Lands for the same purpose;

Therefore His Excellency the Governor General in Council is pleased to order that the Regulations established by the Orders in Council of the 11th and 20th June, 1902, before referred to, shall be and the same are hereby rescinded and the following substituted therefor: –

7687

1. Leases of School Lands for coal mining purposes shall be for a period not exceeding twenty-one years.

2. Applications for such coal mining rights shall be filed with the Agent of Dominion Lands for the district in which the rights applied for are situated or with a Sub-agent for such district, for transmission by the Agent to the Department of the Interior, but priority of application shall be based upon the date of the receipt of such application in the office of the Agent of Dominion Lands for the district. The application shall contain a description by section, part of section, township and range of the tract applied for.

3. A fee of $5.00 shall accompany each application for a lease, which will be returned if the rights applied for are not available, but not otherwise.

4. The lessee shall pay a ground rent of the Land leased of $1.00 per acre, such rental to be paid yearly in advance.

5. The lessee shall in addition to the ground rent pay a royalty at the rate of five cents per ton of 2,000 pounds on the merchantable output of the mine and shall furnish the Agent of Dominion Lands for the district with sworn returns monthly, or at such times as the Minister of the Interior may direct, accounting for the full quantity of merchantable coal mined and pay the royalty thereon at the above rate.

6. Default in payment of the royalty, or in furnishing the returns as continued for thirty days after notice has been posted at the mine, or conspicuously on the property in respect to which it is demanded, by the Agent of Dominion Lands or by his direction, may be followed by cancellation of the lease, or the imposition of a fine in the discretion of the Minister of the Interior.

7. The lessee shall commence active operations on his leasehold within one year from the date upon which he may be notified by the proper officer of the Department of the Interior to do so, and shall produce from such operations the quantity of coal specified in the said notification. Such notification shall

To the Honourable
The Minister of the Interior.

Published in the *Canada Gazette* of 8th February, 1908, Vol. 41, No. 32, for the fourth consecutive week.

shall not be given until the expiration of at least one year from the date of the lease, and shall set out the quantity of coal which the lessee is required to mine and produce at the pit's mouth ready for shipment, which quantity, however, may be increased by notification from time to time, but in no case shall the maximum quantity required to be mined exceed ten tons per annum for each acre leased. In case operations are not commenced within the time specified in the notice, or if the required quantity of coal is not mined during each year, the lease shall be subject to cancellation in the discretion of the Minister.

8. Any attempt to defraud the Crown by withholding any part of the revenue thus provided for, by making false statements of the amount taken out, may, in the discretion of the Minister, be punished by fine, or by the cancellation of the lease in respect of which fraud or false statement has been committed or made. In respect of the facts as to such fraud or false statements or non-payment of royalty or failure to furnish returns, the decision of the Minister of the Interior shall be final.

9. The area leased for coal mining purposes to any one person shall not be more than 640 acres.

10. The boundaries beneath the surface of coal mining locations shall be the vertical planes or lines within which their surface boundaries lie.

11. The lessee shall not assign, transfer or sublet the rights described in his lease or any part thereof without the consent in writing of the Minister of the Interior being first had and obtained.

12. All leases of coal mining rights issued under these Regulations shall be subject to the provision that actual settlers shall be entitled to buy at the pit's mouth whatever coal they may require for their own use, but not for barter or sale, at a price not to exceed $1.75 per ton, and the lease issued for coal rights shall be made subject to such provision.

13. The lease shall be of the under-rights for coal mining purposes, but shall also upon application include such portion of the surface rights as the Minister may consider necessary for the efficient and economical working of the coal mining rights, provided always that such surface rights are disposed of and available for the purpose, rental to be paid for the portion of the surface rights so leased at the same rate as for the under-rights, that is to say, at the rate of $1.00 per acre.

14. When the lessee of coal mining rights of land cannot make an arrangement with the owner of the surface rights or his agent, or the occupant thereof, for the acquisition of such portion of the surface rights as may be necessary for the efficient and economical operation of the rights acquired under his lease, the area of the surface to be so acquired, its exact position or the amount of the compensation to be awarded, he may apply to the Minister of the Interior for permission to submit the matter in dispute to arbitration, and upon receiving such permission in writing it shall be lawful for him to give notice to the owner or the agent, or the occupant, to appoint an arbitrator to act with another arbitrator named by him, in order to determine the area and exact location of the portion of the surface rights to be acquired and to award the amount of the compensation therefor to which the owner or occupant of the surface rights shall be entitled. The notice mentioned in this section shall be according to a form to be obtained upon application to the Agent of Dominion Lands for the district in which the lands in question lie, and shall, when practicable, be personally served on such owner, or his agent if known, or occupant; and after reasonable efforts have been made to effect personal services without success, then such notice shall be served by leaving it at, or sending it by registered mail to the last known place of abode of the owner, agent or occupant, and by posting a copy in the office of the Agent of Dominion Lands for the district in which the land in question is situated. Such notice shall be served if the owner or agent resides in the district in which the land is situated, ten days; if out of the district and within the Province or Territory, thirty days before the expiration of the time limited in such notice. If the owner or agent or occupant refuses or declines to appoint an arbitrator, or when for any other reason no arbitrator is so appointed in the time limited therefor in the notice provided for by this section, the Agent of Dominion Lands for the district in which the lands in question lie shall, on being satisfied by affidavit that such notice has come to the knowledge of such owner, agent or occupant, or that such owner, agent or occupant wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service, and that the notice was left at the last place of abode of such owner, agent or occupant, appoint an arbitrator on his behalf.

15. All the arbitrators appointed under the authority of these regulations shall be sworn before a Justice of the Peace to the impartial discharge of the duties assigned them, and after due consideration of the rights of the owner and the needs of the lessee, they shall decide as to the particular portion of surface rights which the latter may reasonably require for the efficient and economical operation of the rights and privileges granted him under his lease and the area thereof, and they shall proceed to make a valuation of such portion.

16. In making such valuation the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals thereunder.

17. In case the arbitrators cannot agree they may elect a third arbitrator and when the two arbitrators cannot agree on the third arbitrator, the Agent of Dominion Lands for the district in which the lands in question lie shall select such third arbitrator.

18. The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the lands lie.

19. The arbitrators shall be entitled to be paid a per diem allowance of $5.00 together with their necessary travelling and living expenses while engaged in the arbitration, and the costs of such arbitration shall be borne in equal parts by the lessee and the owner of the surface rights.

20. The lease shall be in such form as may be determined by the Minister of the Interior in accordance with the provisions of these regulations.

21. Every lessee of coal mining rights which are not being operated shall furnish the Agent of Dominion Lands with a sworn statement to that effect at least once in each year.

Clerk of the Privy Council

OTTAWA, 18th December, 1916.

Sir,-

On the 30th October, a lease was issued in your favour for the coal mining rights under Legal subdivisions 10, 15 and 16 of Section 11, Township 29, Range 13, West of the 4th Meridian, and forwarded to you for signature with the request that when you had signed both copies in the presence of a witness, you would return them to the Department for execution by the Deputy Minister of the Interior, as they are of no force or effect without his signature and the seal of the Department attached thereto.

As the lease, in duplicate, has not yet been returned here, I would again call your attention to the matter and request that you have it forwarded without delay. If it is not returned within thirty days from this date, it will be necessary for the Department to require you to forfeit all interest therein and all moneys paid thereon, and again offer the land for further entry for the coal rights therein.

8. That the lessee shall and will permit any surveyor or other person duly authorized in that behalf, with all proper necessary assistants, at all reasonable times during the said term, quietly to enter into and upon the said lands, mines and premises, and into all buildings erected thereon, and into any part thereof, and to survey and examine the state and condition thereof, and for the purpose aforesaid to descend all pits and shafts,

and to enter and use all adits, tunnels, shafts, rises, wings, levels, galleries, drives, and excavations, and to use all roads, ways, engines, ropes, machinery, gear [illegible] materials and other things in and on the said land and mines which shall by him be deemed necessary, without making any compensation for the same, so nevertheless that in so doing no unnecessary interference is caused with the carrying on of the mining work of the lessee; and shall and will by all means in **his** power aid and facilitate such inspector or other person in making such entry, survey and examination.

9. That the lessee shall and will during the said term, open, use and work any mines and works opened and carried on by him upon the said lands in such manner only as is usual and customary in skilful and proper mining operations of similar character when conducted by proprietors themselves on their own lands, and when working the same shall keep and preserve the said mines and works from all avoidable injury and damage, and also the adits, tunnels, shafts, rises, wings, levels, drafts, water-courses, roads, ways, works, erections and fixtures therein and thereon in good repair and condition, except such of the matters and things last aforesaid as shall from time to time be considered by any inspector or other person authorized by the Minister to inspect and report upon such matters and things to be unnecessary for the proper working of any such mine, but so that no supports placed in any mine, or any timbers or frame work necessary to the use and maintenance of shafts or other approaches thereto or tramways thereon shall be removed or impaired, and in such state and condition shall and will at the end or sooner determination of the said term deliver peaceable possession thereof and of the said Lands to His Majesty.

10. That the lessee shall and will during the said term carefully and keep open and clear all abandoned openings or excavations made in connection with or for the purpose of coal mining purposes on the said lands with banks or walls sufficient to prevent cattle or other animals falling therein, and fences or walls to be of a height and character satisfactory to the Minister or to the inspector or other person duly authorized by him as aforesaid and to comply with any regulations or directions from time to time made or given by the Minister.

11. That no waiver on behalf of His Majesty of any breach of any or either of the provisions, conditions, restrictions and stipulations herein contained whether negative or positive in terms, shall be effectual or binding upon Him unless the same is expressed in writing under the authority of the Minister, and any waiver so expressed shall extend only to the particular breach so waived and shall not limit or affect His Majesty with respect to any other or future breach.

12. That no implied covenant of any kind on His Majesty's part is to be created by the use of the words "demise" or "lease" herein or by the use of any other words or words herein or shall otherwise arise by reason of these presents or anything herein contained.

13. That any notice, demand or other communication which His Majesty or the Minister may require or desire to give or serve upon the lessee must be validly given or served by the Secretary or the Assistant Secretary of the Department of the Interior, and that any notice affecting the tenancy hereunder which the lessee may desire to serve upon the lessor, shall be sufficiently served on the lessor if left addressed to him on the demised premises or posted to him at the last known address of which he has given notice. A notice sent by post shall be deemed to be given at the time when in the course of post it would be delivered at the address to which it is sent.

14. That if the said yearly rent or any part thereof shall be unpaid for thirty days after becoming payable, whether lawfully demanded or not, or if any covenant, proviso, stipulation or condition on the part of the lessee herein contained shall not be performed or observed, then and in any of the said cases it shall be lawful for the Minister by notice in writing under his hand to cancel these presents and terminate the estate or term hereby demised and thereupon these presents and everything thereby contained and the said estate or term shall from the time of the giving of such notice absolutely cease, determine and be void without re-entry or any other act or any suit or legal proceedings to be brought or taken, provided that His Majesty shall nevertheless be entitled to recover, by distress, action or otherwise, all rent, taxes, and moneys which may be in arrear at the time of such determination, and moreover that any right of action of His Majesty against the lessee in respect of any antecedent breach of any of the said covenants, provisos, stipulations or conditions shall not thereby be prejudiced.

15. That [illegible] lessee [illegible] lessee [illegible] and [illegible] lessee [illegible] restrictions and [illegible] herein [illegible] and performing the same [illegible] buildings and erections which **he** may have placed thereon, but shall not remove or injure any of the supports, timbers or frame works [illegible] use and maintenance of the shafts or other approaches to any mine on the said lands or any tramways or bridges thereon or any articles, matter or thing the removal of which might cause such mine to fall, cave in or give way, and that in default of removal within such period of six months all such tools and machinery, buildings and erections shall be absolutely forfeited and shall become and be the property of His Majesty.

Ref. 17,635 on 15,734 School Lands

AT THE GOVERNMENT HOUSE AT OTTAWA.

P. C. No. 2810.

1117

Friday, the 20th day of December, 1907.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

Whereas by the Orders in Council of the 11th and 20th June, 1902, authority was given for the issue of leases of School Lands for coal mining purposes and under the Regulations established by the said Orders in Council the lease is to be issued for a period of twenty years, subject to a rental of thirty cents per acre, and a royalty of ten cents per ton;

And whereas Regulations have since been established by Order in Council of 9th May, 1907, for the issue of leases of Dominion Lands for coal mining purposes, and it is considered desirable that the Regulations governing the issue of leases of School Lands for coal mining purposes should conform as nearly as the different conditions will permit, with those governing the issue of leases of Dominion Lands for the same purpose;

7687

Therefore His Excellency the Governor General in Council is pleased to order that the Regulations established by the Orders in Council of the 11th and 20th June, 1902, before referred to, shall be and the same are hereby rescinded and the following substituted therefor:—

1. Leases of School Lands for coal mining purposes shall be for a period not exceeding twenty-one years.

2. Applications for such coal mining rights shall be filed with the Agent of Dominion Lands for the district in which the rights applied for are situated or with a Sub-agent for such district, for transmission by the Agent to the Department of the Interior, but priority of application shall be based upon the date of the receipt of such application in the office of the Agent of Dominion Lands for the district. The application shall contain a description by section, part of section, township and range of the tract applied for.

3. A fee of $5.00 shall accompany each application for a lease, which will be returned if the rights applied for are not available, but not otherwise.

4. The lessee shall pay a ground rent of the land leased of $1.00 per acre, such rental to be paid yearly in advance.

5. The lessee shall in addition to the ground rent pay a royalty at the rate of five cents per ton of 2,240 pounds on the merchantable output of the mine and shall furnish the Agent of Dominion Lands for the district with sworn returns monthly, or at such times as the Minister of the Interior may direct, accounting for the full quantity of merchantable coal mined and pay the royalty thereon at the above rate.

6. Default in payment of the royalty, or in furnishing the returns, if continued for thirty days after notice has been posted at the mine, or conspicuously on the property in respect to which it is demanded, by the Agent of Dominion Lands or by his direction, may be followed by cancellation of the lease, or the imposition of a fine in the discretion of the Minister of the Interior.

7. The lessee shall commence active operations on his leasehold within one year from the date upon which he may be notified by the proper officer of the Department of the Interior to do so, and shall produce from such operations the quantity of coal specified in the said notification. Such notification shall

To the Honourable
The Minister of the Interior

Published in the *Canada Gazette* of 8th February, 1908, Vol. 41, No. 32, for the fourth consecutive week.

shall not be given until the expiration of at least one year from the date of the lease, and shall set out the quantity of coal which the lessee is required to mine and produce at the pit's mouth ready for shipment, which quantity, however, may be increased by notification from time to time, but in no case shall the maximum quantity required to be mined exceed ten tons per annum for each acre leased. In case operations are not commenced within the time specified in the notice, or if the required quantity of coal is not mined during each year, the lease shall be subject to cancellation in the discretion of the Minister.

8. Any attempt to defraud the Crown by withholding any part of the revenue thus provided for, by making false statements of the amount taken out, may, in the discretion of the Minister, be punished by fine, or by the cancellation of the lease in respect of which fraud or false statement has been committed or made. In respect of the facts as to such fraud or false statements or non-payment of royalty or failure to furnish returns, the decision of the Minister of the Interior shall be final.

9. The area leased for coal mining purposes to any one person shall not be more than 640 acres.

10. The boundaries beneath the surface of coal mining locations shall be the vertical planes or lines within which their surface boundaries lie.

11. The lessee shall not assign, transfer or sublet the rights described in his lease or any part thereof without the consent in writing of the Minister of the Interior being first had and obtained.

12. All leases of coal mining rights issued under these Regulations shall be subject to the provision that actual settlers shall be entitled to buy at the pit's mouth whatever coal they may require for their own use, but not for barter or sale, at a price not to exceed $1 75 per ton, and the lease issued for coal rights shall be made subject to such provision.

13. The lease shall be of the under-rights for coal mining purposes, but shall also upon application include such portion of the surface rights as the Minister may consider necessary for the efficient and economical working of the coal mining rights, provided always that such surface rights are undisposed of and available for the purpose, rental to be paid for the portion of the surface rights so leased at the same rate as for the under-rights, that is to say, at the rate of $1 00 per acre.

14. When the lessee of coal mining rights of land cannot make an arrangement with the owner of the surface rights or his agent, or the occupant thereof, for the acquisition of such portion of the surface rights as may be necessary for the efficient and economical operation of the rights acquired under his lease, the area of the surface to be so acquired, its exact position or the amount of the compensation to be awarded, he may apply to the Minister of the Interior for permission to submit the matter in dispute to arbitration, and upon receiving such permission in writing it shall be lawful for him to give notice to the owner or the agent, or the occupant, to appoint an arbitrator to act with another arbitrator named by him, in order to determine the area and exact location of the portion of the surface rights to be acquired and to award the amount of the compensation therefor to which the owner or occupant of the surface rights shall be entitled. The notice mentioned in this section shall be according to a form to be obtained upon application to the Agent of Dominion Lands for the district in which the lands in question lie, and shall, when practicable, be personally served on such owner, or his agent if known, or occupant; and after reasonable efforts have been made to effect personal services without success, then such notice shall be served by leaving it at, or sending it by registered mail to the last known place of abode of the owner, agent or occupant, and by posting a copy in the office of the Agent of Dominion Lands for the district in which the land in question is situated. Such notice shall be served if the owner or agent resides in the district in which the land is situated, ten days; if out of the district and within the Province or Territory, twenty days, and if out of the Province or Territory, thirty days before the expiration of the time limited in such notice. If the owner or agent or occupant refuses or declines to appoint an arbitrator, or when for any other reason no arbitrator is so appointed in the time limited therefor in the notice provided for by this section, the Agent of Dominion Lands for the district in which the lands in question lie shall, on being satisfied by affidavit that such notice has come to the knowledge of such owner, agent or occupant, or that such owner, agent or occupant wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service, and that the notice was left at the last place of abode of such owner, agent or occupant, appoint an arbitrator on his behalf.

15.

15. All the arbitrators appointed under the authority of these regulations shall be sworn before a Justice of the Peace to the impartial discharge of the duties assigned them, and after due consideration of the rights of the owner and the needs of the lessee, they shall decide as to the particular portion of surface rights which the latter may reasonably require for the efficient and economical operation of the rights and privileges granted him under his lease and the area thereof, and they shall proceed to make a valuation of such portion.

16. In making such valuation the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals thereunder.

17. In case the arbitrators cannot agree they may elect a third arbitrator and when the two arbitrators cannot agree on the third arbitrator, the Agent of Dominion Lands for the district in which the lands in question lie shall select such third arbitrator.

18. The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the lands lie.

19. The arbitrators shall be entitled to be paid a per diem allowance of $5.00 together with their necessary travelling and living expenses while engaged in the arbitration, and the costs of such arbitration shall be borne in equal parts by the lessee and the owner of the surface rights.

20. The lease shall be in such form as may be determined by the Minister of the Interior in accordance with the provisions of these regulations.

21. Every lessee of coal mining rights which are not being operated shall furnish the Agent of Dominion Lands with a sworn statement to that effect at least once in each year.

Clerk of the Privy Council

MEMORANDUM:

Re Coal Permit No. 168 S.L.
Lots 11, 12 ... 27 ... sec. 11-33-13 W. 4th M.

The lease in this case was issued on the 1st August, 1916, and rental in connection therewith has been paid to the 1st instant.

Returns have been filed to the 31st March last, showing no operations as having been carried out on this property.

The lessee was notified of the necessity of remitting the rental - $120.00 - for the period from the 1st August, 1921, to the 1st August, 1922, and we now return the lease and ask that the same be cancelled.

As rental in this connection has been paid to the 1st instant, I recommend that cancellation of the lease be carried out as at that date.

DEPT. OF RESOURCES AND ENVIRONMENT

Notice is hereby given that application for, or a lease of the coal mining rights under the following lands, that is to say:

L.S. 10, 15 and 16 in Sec. 21, Twp. 22, Rge. 15, West of the 4th Mer.

has been cancelled in the records of the Department of the Interior, but such coal mining rights will not again become available for application or for staking (as the case may be) until nine o'clock a.m. on Friday the 23rd day of December 19 21

Application for a lease of the rights in question shall be made in person to the Agent of Dominion Lands for the district, or to a sub agent for such district, but priority of application shall be based upon the date of the receipt of the application in the office of the Agent.

A fee of $5.00 shall accompany the application, and payment of the rental for the first year at the rate of $1.00 an acre must be made to the Agent within thirty days from the date of filing the application.

If the above tract, or any portion thereof, was formerly leased for coal mining purposes, any person making application for a lease thereof shall be required to furnish a sworn statement that he has made a personal examination of the area applied for, and to set out in detail the extent and value of the development which has been done and the improvements which have been placed on the land, also whether any of the said mining rights, or any portion thereof.

If deemed advisable, after an inspection has been made by an officer of the Department, the value of the work done and of the improvements made on the land may be collected from the applicant for a lease of the said rights.

upon the following terms and conditions as to payment, viz.:—

One-tenth of the purchase money to be paid at the time of sale, and the balance in eighteen, equal, successive, annual instalments, with interest at the rate of six per cent per annum to be paid with each instalment on the balance of the purchase money from time to time remaining unpaid, the first of the said eighteen instalments to become due and payable one year from the date of sale; provided that all instalments, or any portion of any instalment, in arrears, whether of principal or interest, shall bear interest at the rate of seven per cent per annum.

The sale is also subject to the following terms and conditions, viz.: —

1. The sale shall only convey the surface rights and shall be subject to the usual reservations in favour of the Crown.

2. The Department reserves the right to withdraw such areas as may be required by a railway company for right of way or other purposes of the railway, or by the Provincial Authorities for roadway purposes; provided application therefor was made prior to the date of sale.

3. The Department reserves the right to increase or decrease the area sold to conform with revised township plans of survey approved and confirmed by the Surveyor General, and the purchaser hereby agrees to make payment for any additional areas at such prices and upon such terms as may be prescribed by the Minister of the Interior.

4. The purchaser shall be required, before cutting, or allowing to be cut, any timber growing on the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a timber permit, and to pay therefor an office fee of $1, and dues as prescribed by the School Lands Timber Regulations; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

5. The purchaser shall be required, before removing any sand or gravel from the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a permit for the quantity of sand and gravel to be removed, and to pay therefor an office fee of $1, and dues at the rate of 25 cents per cubic yard; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

6. The sale is subject to the right of any person or persons cultivating the land, or any portion thereof, to enter upon said land for the purpose of protecting the crop or other belongings, and to cut and remove the crop prior to the 31st December next following the date of sale.

7. The purchaser shall at time of sale, or upon demand of the Department, pay for any areas in summerfallow upon the land at date of sale, at a valuation placed thereon by an official of the Department.

8. The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at date of sale, and the purchaser shall not at any time prior to date of completion of payments remove, or cause to be removed from the land, any of said improvements, without the consent of the Minister of the Interior being first obtained.

9. The purchaser shall insure and keep insured, to the satisfaction of the Minister of the Interior, all buildings upon the land at time of sale liable to destruction by fire.

10. The sale is subject to the right of persons, owning fencing or other improvements upon the land at time of sale, to enter upon the land and remove said improvements within the time allowed by the Department for the purpose.

11. Default in making payment or failure to comply with the terms and conditions herein or hereby set out, shall, at the option of the Minister of the Interior, annul the sale and all payments made on the said land, together with all improvements thereon, shall be forfeited to His Majesty. Such annulment and forfeiture shall be effective, if made by written notice under the hand of the Minister of the Department of the Interior, the Deputy Minister of the Department of the Interior, the Commissioner or Assistant Commissioner of Dominion Lands of the Department of the Interior or by such person or persons as may be acting in their behalf, and any notice thereof may be signed by any one of the above named officers.

12. The Department reserves the right to impose such further terms and conditions as may be announced at the time of sale.

MEMORANDUM.....Mr. Checkle,
School Lands Branch.

In order that the very important work of forest protection within the Bow River Forest Reserve may be facilitated, it is desired by this branch to secure a right of way across section 2, township 2, range ~~3~~, west of 5th meridian, for a telephone line which it is proposed to build northward from Morley Station on the Canadian Pacific Railway.

This line, if constructed, would follow somewhat closely the main waggon road running northward from Morley, first across the Stony Indian Reserve and thence through this school section described. In view of the great assistance which this telephone line would certainly give in the work of fire patrol and fire fighting, I would ask that a right of way for same be granted across the school section referred to; such grant, in case the land were later disposed of, to protect us in the continued enjoyment of the said right of way.

Sir,

In requesting this Branch to reserve right of way for telephone line through the East ½ of Section 29, Township 26, Range 7, West of the 5th Meridian, the Forestry Branch of this Department advised us that the telephone line would follow closely the old Morley Trail. I can find no notation in our records of this trail nor has a plan been filed under that name.

Memorandum:

Mr. J.W. Stafford,
School Lands Branch,
Carling Building.

With reference to your memorandum of the 5th ultimo, file 150667, respecting our right-of-way reservation over the east half of Section 29, Township 26, Range 7, west of the 5th Meridian, I beg to state that several years ago we took up with the Province the question of having this road surveyed, and although they saw the advisability of taking such action, they were not in a position to go ahead with it at that time, due to the scarcity of survey crews for work of this character. At the same time, however, they did carry on a somewhat similar project for us, and I do not anticipate that we will have much difficulty in having the procedure repeated.

The matter is being taken up fully with our District Inspector at Calgary and it is hoped that he will be able to make satisfactory arrangements with the provincial Department of Public Works. In the meantime I would be glad if you could hold the right-of-way for the road and telephone line across the section referred to definitely under reservation in the records of your Branch.

In reply to your memorandum of the 24th ultimo, your file 180607, relating to the East half of Section 29, Township 26, Range 7, West of the 5th Meridian, through which a road and telephone line used by this Service extend, I may say that we took the matter up with the District Forest Inspector at Calgary, and he in turn communicated with the Department of Public Works at Edmonton. The District Inspector, under date of the 8th September last, advised me as follows:

"This matter was taken up with the Department of Public Works of this province, and the survey of these roads was placed on the schedule of work for the current year to be undertaken as soon as a surveyor was available in the vicinity. We did not follow up the question any further during the season, and were simply waiting for action on the part of the Department of Public Works of the province. We have no knowledge of a survey being made, nor have we had any further word from the Department.

I am, however, writing today to the Acting Deputy Minister asking him if anything has been done in the direction of the survey. I will advise you further in connection with this matter as soon as I hear from him."

The District Forest Inspector in his letter of the 29th ultimo has advised me that a reply had been received from the Director of Surveys at Edmonton and the following is an extract from the Director's letter:--

"I have to advise you that whilst these matters have been noted for attention by our District Surveyor and Engineer he has not yet been able to look into same. You will realize when I inform you that we have only two surveyors working throughout the

OTTAWA, 25th August, 1916.

Sir,

I beg to acknowledge the receipt of your letter in regard to School Section 29, Township 83, Range 21, West of the 5th Meridian, and in reply to say that while it is contemplated offering two small parcels of the West ½ of the Section for sale at public auction, no date has yet been fixed for the holding of such sale.

In regard to the Fractional West ½, containing 247.50 acres, I may say that if your client will file here an application on the enclosed form, on or about the 1st December, the question of issuing a grazing permit in his favour for the year beginning the 1st April, 1917, will be considered, although no promise can be given that a permit will be issued.

The upset price to be placed on that portion of the Fractional North West ¼, which it is contemplated offering for sale, comprising 10.80 acres if $50.00 per acre, while that on the South West ¼, comprising 9.70 acres, is $125.00 per acre.

The Commissioner,
R.N.W.M.Police,

Sir:

I have the honour to attach herewith small plan of Police Reserve and part of school section required as an addition to the reserve.

The one part marked on plan comprising 9.70 acres is in the S.W.¼ of 29 and the part marked 6 is in the S.E.¼ of the same Section, namely, 29.

The 6 acres is only an estimate but it is about correct, both these pieces are between the railway and the river and are part of school section of which the Police Reserve forms a part.

The pieces of land mentioned above are for the most part in the hill and form a good grazing land, and therefore a very desirable addition to our reserve.

When the Canada Central Railway went into Peace River, it cut through the Police Reserve on the East side, and my estimate is that 15 acres at the least were thereby cut off the original reserve.

All the part cut off by the Railway was good pasture land and the pieces mentioned would render the reserve much more suitable to our needs, and would add considerably to the value of the Reserve as a pasture for our horses when not in use.

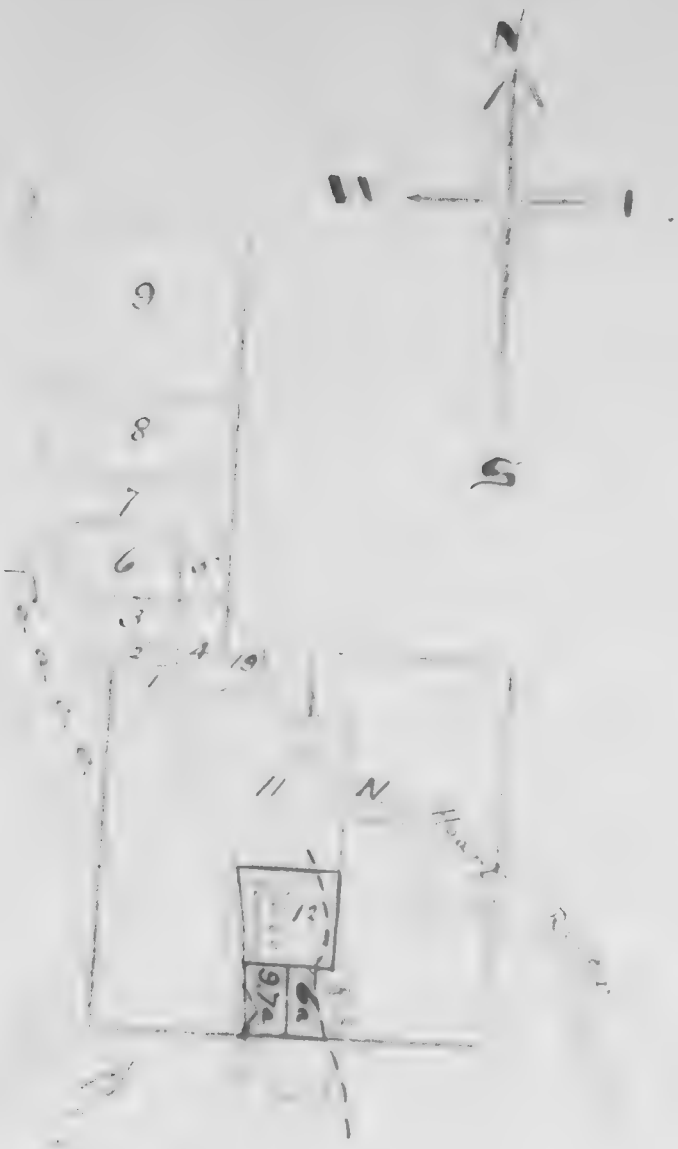

The parcels mentioned above have been applied for by Mr M.K. Upton on grazing lease, but the application has not as yet been granted by Ottawa.

Sir,

By Order in Council of the 25th April, 1912, Lot No.12 at Peace River Landing was reserved by your Department for the use of the R.N.W.M.Police, containing 39.50 acres more or less. See letter from the Controller, Land Patents Branch, Department of the Interior, dated 26th July, 1915, File No.2150373.

A new Mounted Police barracks has recently been erected on the above mentioned lot and I enclose herewith for your perusal correspondence received from the Commissioner of this Force, requesting that permission be granted for the police to use portions of the S.W.¼ and S.E.¼ of 29, adjoining the police reserve at Peace River, comprising about 15.7 acres in all and being part of the school section there, for pasturage purposes. See rough sketch attached.

I shall therefore be glad if you will kindly inform me if it would be possible for your Department to grant the Commissioner's request in this respect, with leave to temporarily fence the portions concerned.

Dr. Rollins,-

Please see my memorandum of memorandum of the 21st ultimo, and the Commissioner's observation thereon.

The area of the land available for reservation to the Mounted Police was referred to in that memorandum as 9.7 acres, while in reality it now requires that it be as 9.31 acres.

I presume that, notwithstanding the discrepancy in the area, there would still be no objection to the reservation of this land, by Order-in-Council, for the Royal Canadian Mounted Police.

TO HIS EXCELLENCY

THE ... V ...-... -IN-COUNCIL

The Undersigned has the honour to report as follows:-

A reservation was made in favour of the Royal Canadian Mounted Police of that portion of the South Half of Section 29, Township 83, Range 21, West of the 5th Meridian lying between the Peace river and the Canada Central railway, said parcel of land comprising an area of 1[illegible].31 acres.

The land referred to herein is used by the Royal Canadian Mounted Police for the purpose of a pasture in connection with a Mounted Police barracks erected on Lot No. 12 adjoining.

On the 8th November last, the Comptroller of the Royal Canadian Mounted Police was asked to advise the Department whether the reservation referred to was still required, and a reply has been received to the effect that the land is still required for pasture purposes and that it was desired that the reservation be continued.

The Undersigned, therefore, recommends that, as this small parcel of land is required by the Royal Canadian Mounted Police in connection with the barracks established on Lot 12 adjoining, the same be set aside and reserved for police purposes during the pleasure of the Minister.

Respectfully submitted,

Minister of the Interior.

SUMMARY:

In the attached memorandum, Council is asked to authorize the reservation in favour of the Royal Canadian Mounted Police of that portion of the south half of Section 29, Township [illegible], Range 21, west of the 4th Meridian lying between the Rideau river and the Canada Central railway, said parcel of land comprising an area of 14.61 acres, for pasturage purposes, during the pleasure of the Minister.

Re Sec. 29-83-21 W. 5th Mer.

With reference to your communication of the 4th instant, your file 3088, referring me to our letter of the 18th June, 1917, and asking if an area of 15.70 acres was still reserved for the Royal North West Mounted Police, I beg to say that on the 26th March last you were advised as per the enclosed. The area of 16.31 acres comprises the former reservation of Legal Subdivision 2 between the railway and Block 12 in the South East ¼ and part of the South West ¼, lying outside of Block 12, Peace River Settlement, being a total of 17.40 acres, less 1.09 acres reserved for road, leaving a net area of 16.31 acres still reserved for the purposes of the Royal North West Mounted Police.

Lease River, Alta., Aug. 31st, 1921.

Dominion Lands Office,
Ottawa, Ont.

Dear Sirs,

I am looking for a location to establish a Poultry Farm in the Lease River Country, and would like to know if it would be possible to lease a few acres of Section [illegible] in Township 44, Range 11, W. 5. This section adjoins the town of Lease River, but the majority of it is in the valley of the Hart River, & is of no use from an agricultural point of view, while there are a few acres on it sufficient for the object I have in view.

Failing this location would there be any possibility of securing the island known as Bailey Island in the Lease River, located about Section 6, Township 44, Range 11, W. 5.

These locations are the nearest to railway facilities that I can get, without purchasing at too high a figure to suit my proposition.

Thanking you for an early reply

Sincerely yours,

Walter F. Gardiner

Sir,-

The Agent of Dominion Lands at Peace River submits here a copy of your letter of the 2nd ultimo requesting to be advised whether it would be possible for you to lease a few acres in Section 29, Township 83, Range 21, West of the 5th Meridian on which to establish a poultry farm.

In reply I beg to inform you that before your application can be taken under consideration it will be necessary for you to supply the Department with a description of the land you wish to lease, as certain portions thereof are already disposed of.

The portion of the South half of the section lying between Peace River and the Canada Central Railway, comprising an area about 16.31 acres, has been reserved for the Royal Canadian Mounted Police. The Fractional North East ¼ is held under grazing permit by Mr. William Green of Peace River, while the Town of Peace River has made application to have the Fractional Legal Subdivision 14 reserved for a public park.

With the exception of these portions and those disposed of for railway right-of-way, road purposes, etc., the balance of the section would appear to be available for disposition.

Memorandum.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The Undersigned has the honour to report as follows:-

Whereas by Order-in-Council P.C. 84-715, dated 11th March 1921 a reservation was made in favour of the Royal Canadian Mounted Police of that portion of the south half of section 29, Township 83, Range 21, West of the 5th Meridian, lying between the Peace River and the Canada Central Railway, and comprising an area of 16.31 acres for the purpose of a pasture in connection with the Mounted Police Barracks erected on Lot No. 12 adjoining, during the pleasure of the Minister, and whereas the Commissioner of the Royal Canadian Mounted Police has now expressed a desire to relinquish the area reserved under the provisions of said Order-in-Council, the Undersigned begs to recommend that said Order-in-Council be now rescinded and the land referred to therein made available for other disposition.

Respectfully submitted,

Minister of the Interior.

SUMMARY.

The attached Memorandum to Council requests authority to rescind Order-in-Council P.C. 81-725, bearing date of the 11th March, 1981, reserving 6.31 acres in the South half of Section 24, Township 83, Range 21, West of the 5th Meridian for the Royal Canadian Mounted Police.

P.C.1976.

Certified copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 17 [illegible] 1924

39242

The Committee of the Privy Council have had before them a report, dated 23rd October, 1924, from the Minister of the Interior, submitting that by Order in Council of the 11th March, 1921, (P.C. 89,725) a reservation, during the pleasure of the Minister of the Interior, was made in favour of the Royal Canadian Mounted Police of that portion of the south half of section 29, township 83, range 21, west of the 6th meridian, lying between the Peace River and the Canada Central Railway, and comprising an area of 15·31 acres, for the purpose of a pasture in connection with the Mounted Police Barracks erected on Lot No.12 adjoining.

As the Commissioner of the Royal Canadian Mounted Police has now expressed a desire to relinquish the said area, the Minister recommends that the said Order in Council be rescinded and the land referred to therein made available for other disposition.

The Committee concur in the foregoing and submit the same for Your Excellency's approval.

Memorandum:

Re: Section 29--77--19 W. 5th Mer.
Your Reference #4174
"Special" Room No. 3.

Referring to the Acting Deputy Minister's memorandum of the 21st instant requesting a report as to the standing of the above mentioned Section and as to the likelihood of it being offered for sale during the coming summer, I beg to report as follows; the South half is clear in our records; the North West quarter, with the exception of 0.04 acres reserved for roadway, is also clear; in the North East quarter small areas have been patented to the Edmonton, Dunvegan and British Columbia Railway Company for right-of-way and station grounds and 13.48 acres patented to the La Corporation Episcopale Catholique Romaine de Grouard, the balance of the quarter-section being clear.

Some years ago it was reported that there were several squatters on a portion of this Section and a request was made to have the land on which the squatters were located sub-divided, but no definite action was ever taken in regard thereto.

It would appear, however, that the majority of the squatters were located on the area patented to the La Corporation Episcopale Catholique Romaine de Grouard and when it was decided to offer this portion of the North East quarter for sale, the squatters located on the land, according to the Inspector's report, were notified that they must vacate and remove all improvements within thirty days of the ninth day of October, 1928.

There is little likelihood of this Section or any land in the district in which it is located being offered for sale during the coming summer in view of the proposed transfer of the Natural Resources.

Harvey Fitzsimons, Esq.,
Assistant Commissioner of Dominion Lands,
Ottawa, Canada.

The matter was again submitted for consideration in May, 1923, but in view of the fact that there was some talk at the time of removing the station from the Town of McLennan to another site, it was decided not to proceed further with the case, and the Assistant Surveyor General was notified to this effect.

In September, 1925, the Chairman of the McLennan School District advised that there were about thirty residences on this school section, and that in assessing the squatters for school purposes the Municipality was only able to assess them on their personal property and not anything on the ground space, and pointed out that in view of this the squatters on this school section were escaping the payment of taxes which the residents of the Town of McLennan were required to pay, and this was an inducement for a number of people to settle on the School land. A request was made to take steps to stop more building on this section.

In May, 1928, it appears that His Lordship Bishop Grouard applied to acquire about fifteen (15) acres in the North West corner of the North East quarter for church, rectory, hospital and convent site, and as the Department decided to sell this land by private sale in accordance with the provisions of the Dominion Lands Act, several parties who were squatting on the land, according to the Inspector's report, were notified to remove any improvements they had placed upon the land within thirty days of the 9th of October, 1928.

In January, 1929, Mr. Thos. H. Gardner of McLennan made application to purchase the unalienated portion of the section and was advised that it could not be disposed of by private sale, and this appears to be the only application to purchase any portion of the land since the townsite proposition was called off in May, 1923.

Memorandum:

Re - Sec. 29--77--19 W.5th M.

Referring to the Assistant Deputy Minister's memorandum of the 18th instant, and attached communication from Mr. Leon Giroux, in which the Assistant Deputy Minister wishes to be advised whether we have any demands for townsite lots within the above mentioned section, I beg to report as follows:-

On the 24th of November, 1922, a communication was addressed to the Minister, signed by a number of parties, setting out that as the Railway Company owned the townsite of McLennan and all surrounding lands except the above mentioned section, and as, owing to the high price of the lots, it was impossible for a number of the employees of the Company to purchase said lots, they were compelled to erect buildings on this School section.

In view of this petition, the Deputy Minister instructed, under date of the 16th of December, 1922, that the interested parties should be advised that the Department would make a sub-division of this section, or a portion thereof, at an early date, when they would have an opportunity of acquiring lots by sale at public auction.

Under date of the 30th of December, 1922, the matter was referred to the Surveyor General with the request that he arrange for a sub-division of this section. The survey was duly arranged for and under date of the 22nd of May, 1923, the Assistant Surveyor General submitted a plan of the sub-division, pointing out that it would doubtless be necessary to obtain the approval of the Provincial Department of Public Works before registering same.

Memorandum.

Re Pt. N.E.¼ 2 --77--19 W.5th Mer.

Referring to the Acting Deputy Minister's memorandum of the 6th instant and attached communication addressed to the Minister by Honourable J.E. Brownlee in regard to the desire of the Town of McLennan to acquire twenty acres in the above mentioned land for an agricultural ground, I might state that there would appear to be no objection to the Town of McLennan purchasing this area under sub-section 4 of Section 38 of the Dominion Lands Act which provides as follows:-

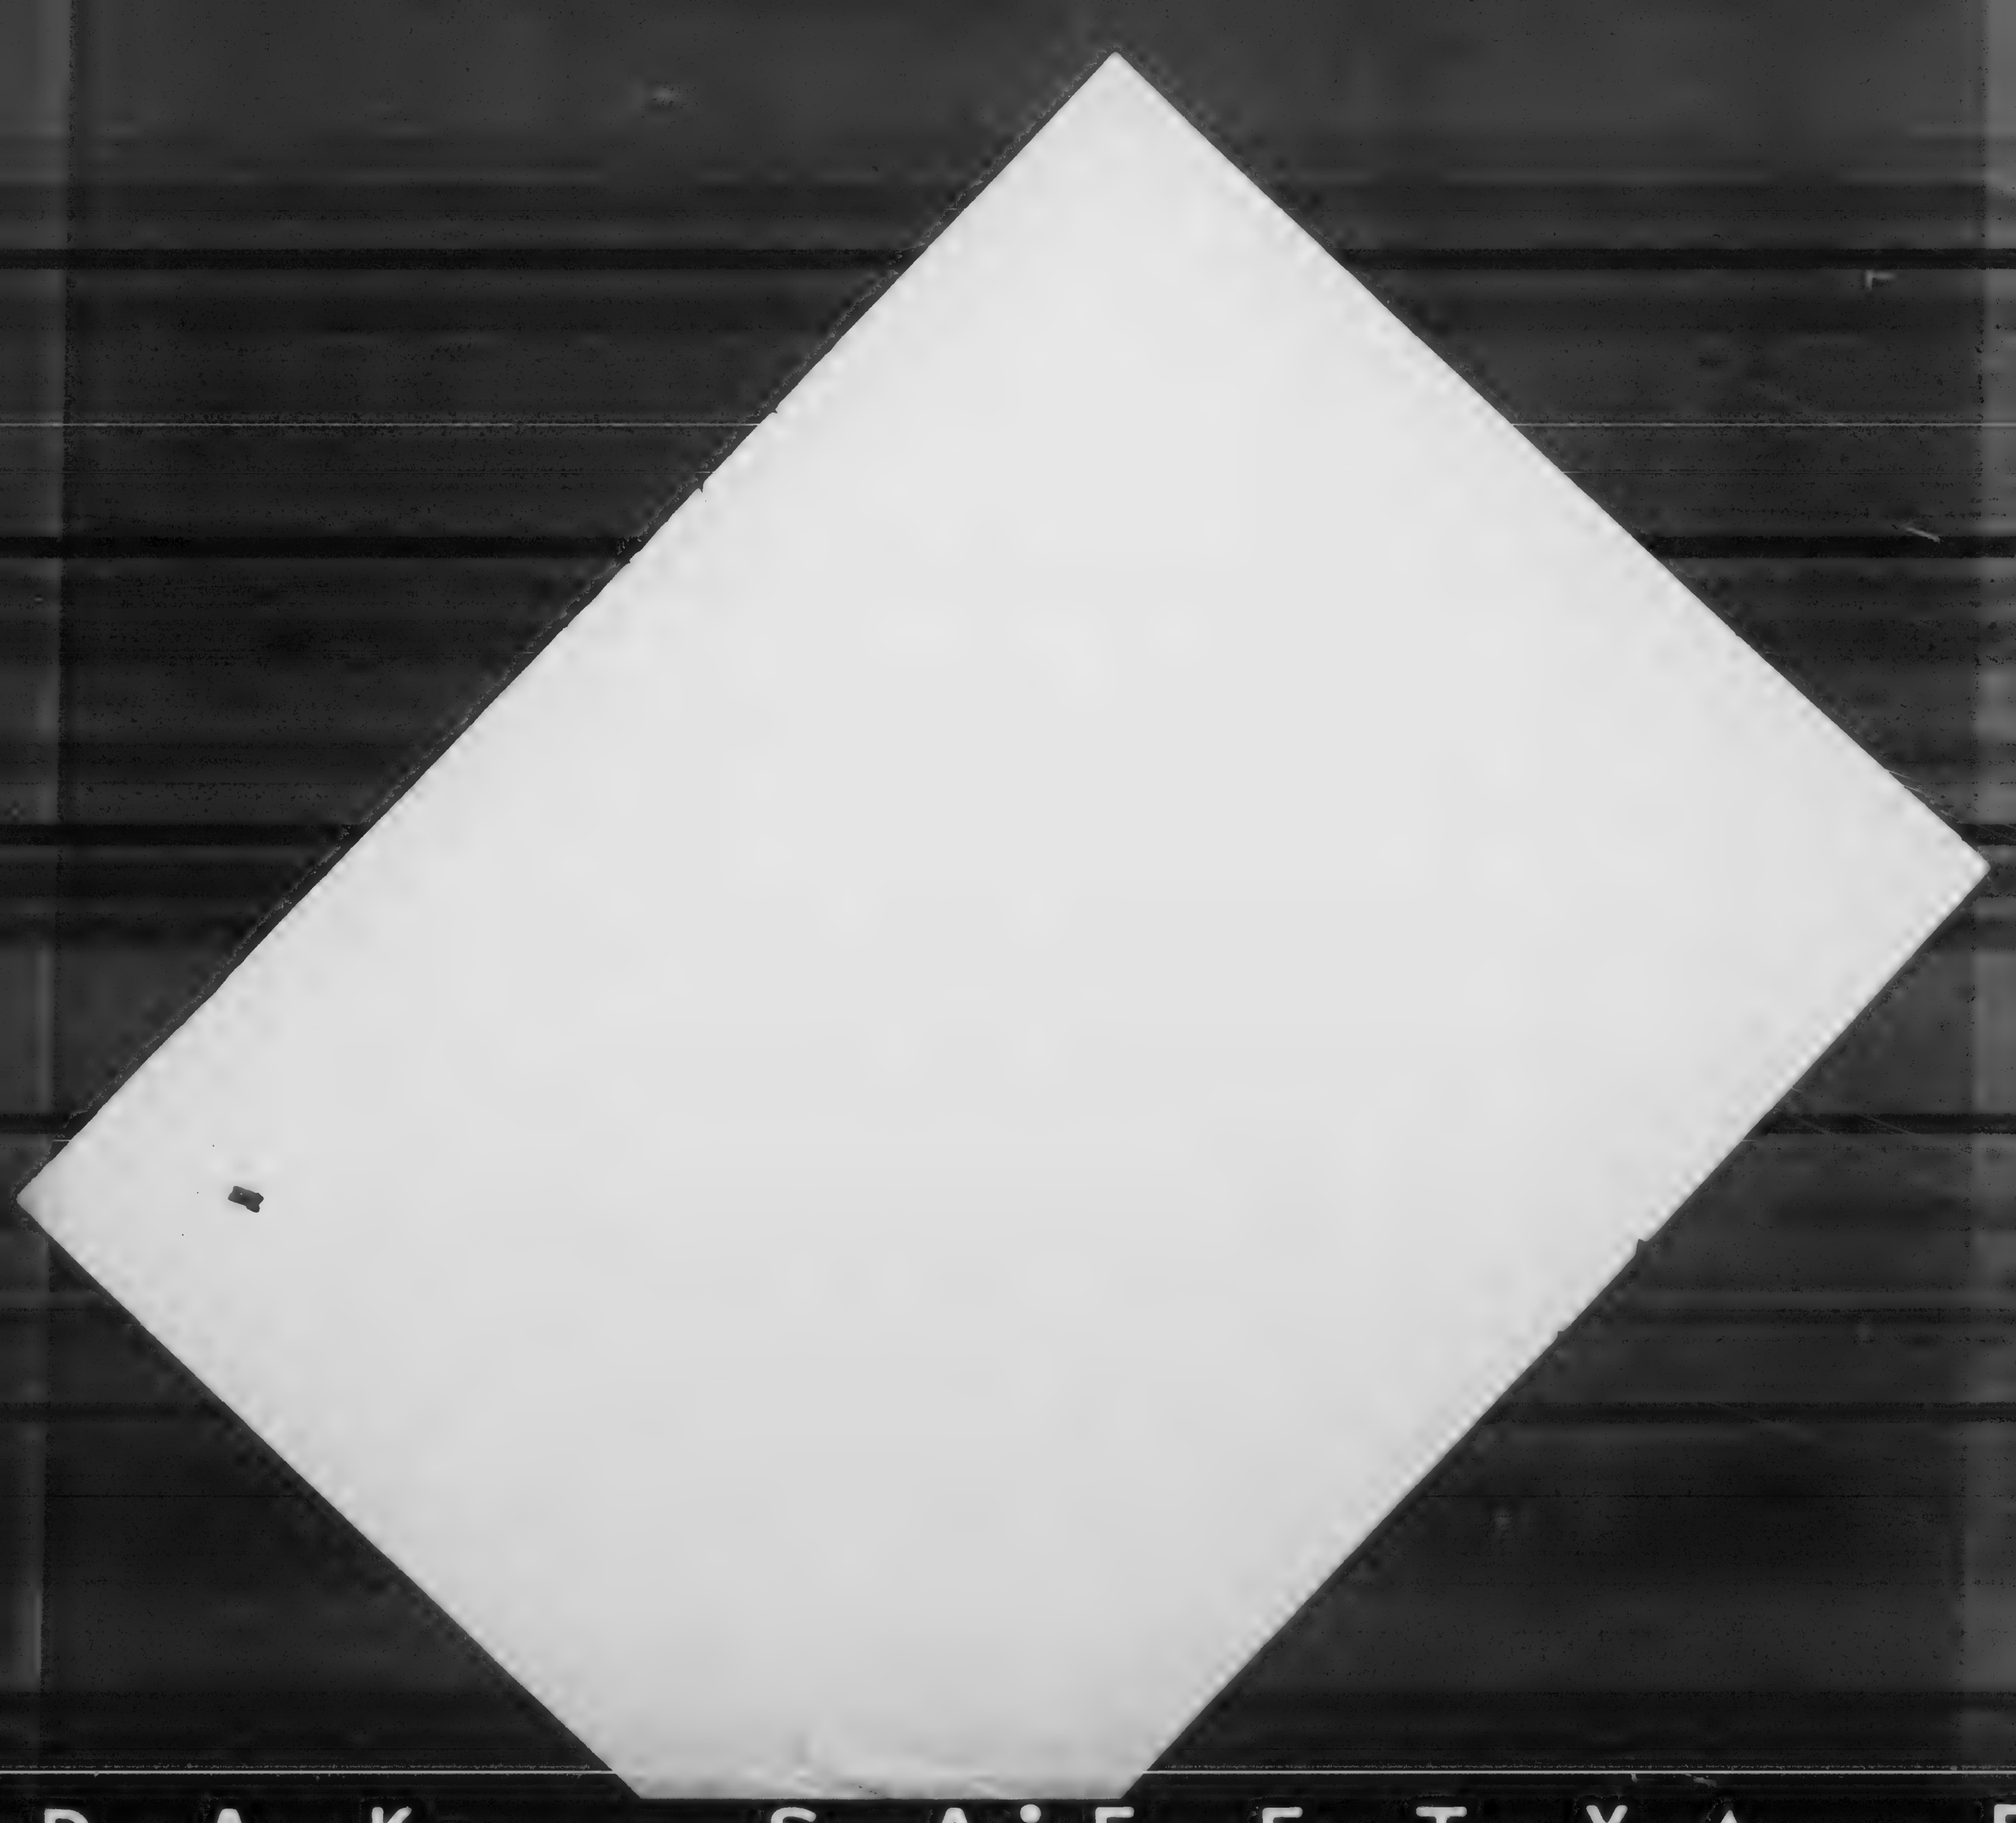

"Notwithstanding anything to the contrary in this Act, the Minister may sell school lands required as right-of-way for any project or for reservoir, church, cemetery or hospital sites, at a price to be fixed by an officer of the Department as the actual market value of the land, and upon such terms of payment as the Minister may prescribe, provided that the Government of the Province in which the land is situated expresses its approval of the sale and price in each case".

There has already been disposed of in this quarter-section 2.74 acres railway right-of-way; 1.80 acres railway right-of-way extension; 9.91 acres extension for station grounds and 4.07 acres reserved for roadway; also 13.46 acres patented to La Corporation Episcopale Catholique Romaine de Grouard.

There is nothing in Mr. Brownlee's letter giving a description of the area required, and I think we should have a proper description to show that this area does not interfere in any way with the area already disposed of before dealing further with the matter.

In the meantime we might instruct the Agent of Dominion Lands at Peace River to have an inspector visit the Town, interview the authorities, ascertain the location of the area desired and place a valuation thereon for the purpose of sale.

In this connection, I may say that Premier Brownlee has written me intimating that the Provincial Government would have no objection to a sale of the twenty acres to the town, and a Homestead Inspector is being instructed to interview the town authorities in order to secure a description of the parcel applied for and place a valuation thereon for the purpose of sale, under the provisions of Sub-Section 4 of Section 38 of the Dominion Lands Act.

Dear Premier Brownlee,

I have your letter of the 1st instant in which you state that the Provincial Government would have no objection to the sale of 4 only acres in the North East quarter of Section 29, Township 77, Range 19, West of the 5th Meridian, to the town of McLennan for exhibition ground purposes.

Provision is made in the Dominion Lands Act for the sale privately of school lands required for public purposes, and there would seem to be no reason why a sale of a portion of this quarter-section should not be made to the town of McLennan.

A Homestead Inspector is being instructed to visit the town in order to secure a description of the parcel applied for and to place a valuation thereon for the purpose of sale.

Re N.E.¼ 23--77--19 W.5th Mer.

Application has been made by the McLennan Board of Trade on behalf of the Town of McLennan, Alberta, to acquire approximately twenty acres in the above mentioned quarter-section to be used for fair grounds and landing field purposes.

The sale of this area to the Town has been approved by the Premier of Alberta, and I am, therefore, to request that you will immediately have an inspector make an inspection of the land required and place a valuation thereon for the purpose of sale to the Town.

The inspector should interview the authorities of the Town, also Mr. E.O. Rietze, Secretary Treasurer of the McLennan Board of Trade, and take into consideration any representations they may care to make. He should also secure from the authorities a description of the area required, which, if possible, should face on a road allowance, and should furnish the Department with a sketch showing the area, its location in the quarter-section and the dimensions thereof by metes and bounds and should see that it does not conflict with any areas already disposed of in the quarter-section.

MAY 19 1930

There has already been sold, in addition to right-of-way and station grounds, an area of 13.48 acres to La Corporation Episcopale Catholique Romaine de Grouard.

Would you kindly see that an inspector gives this matter immediate attention as the Town authorities are anxious to acquire the parcel with the least possible delay.

Dear Sir,

At the last meeting of the Board of Trade a petition was presented by the Board of Trade to have the road from the Chain Lakes to McLennan and from there to the Smith Road in Township 84 Range 21 West 5th Meridian a Provincial Road and thereby eligible for a Provincial Grant. The Board is asking you how it would be in the form of a Grant if this road could be made for the benefit of the community and it is a local matter for the Government to see. I will not make any difference to the Council as when the Province has granted a Grant for roads it is done as soon as possible

Dear Mr. Mietze,-

In the Minister's absence from the City I am acknowledging the receipt of your letter of the 30th ultimo, with respect to the desire of the Bowmanville Board of Trade to secure forty acres of the South East Quarter of Section 25, Township 77, Range 19, West of the 5th Meridian as an aviation field and exhibition ground. It seems that you wrote the Minister on the 5th April last asking for twenty acres of the North East Quarter of Section 25 for a similar purpose and you were advised on the 5th May that as the Provincial Government had no objection to the sale, an Inspector was being instructed to interview the Town authorities in order to secure a description of the parcel desired and to place a valuation thereon for the purpose of a sale.

With respect to your request that the land be donated in the form of a grant for the benefit of the Town of Bowmanville I regret that the provisions of the Dominion Lands Act make such action impossible and the very best that could be done would be to sell the land at an Inspector's valuation.

The Agent of Dominion Lands, Fence River, is being advised of the additional area required in order that the field officer may be in possession of full information when making the inspection. When the report is received you will be written further.

TO THE SECRETARY

THE C[illegible] [illegible] BOARD.

The Undersigned has the honour to report as follows:-

At an auction sale of [illegible] held at Carmangay, Alberta, on the [illegible]th July, 1910, Mr. Fred [illegible]ner of Vetwood, Alberta, purchased the North half of section 11, Township 11, Range 20, West of the 4th Meridian, the North East quarter at the rate of $23.[illegible] per acre, and the North West quarter at the rate of $16.[illegible] per acre, in accordance with the terms and conditions pertaining to the sale of school lands at public auction.

On the ninth instalment coming due and payable on the [illegible]th July, 1914, the following amounts were still owing:-

N.E.¼ - Principal.....$1484.00
Interest 777.07

N.W.¼ - Principal.....1787.50
Interest 935.93

The purchaser having failed to keep his indebtedness within reasonable bounds or to acknowledge the receipt of the annual statements of account and numerous letters addressed to him, demanding payment of the arrears, the Agent of Dominion Lands at Lethbridge was instructed in August 1914 to have an Inspector make an inspection of the lands and report as to the improvements thereon.

In a report furnished by Inspector Wilcox it is stated that the improvements consist of [illegible] valued at $[illegible].00; [illegible] miles of fencing, $100.00, and [illegible] acres under cultivation, $120.00. The Inspector further stated that at the time of making his report the lands were not being cultivated, and he therefore suggested that the sales be cancelled.

In view of the statements contained in the report, the Department communicated with the purchaser under date of the [illegible]th October, 1914.

.....

granting him a final period of thirty days from that date within which to make a substantial payment or to show good and sufficient reason why cancellation of the sale should not be carried out.

He failed to acknowledge the communication and as it would appear to be his intention to forfeit all interest in the lands, the Undersigned begs to recommend that the sales comprising the North West and North West quarters of Section 11, Township 14, Range 20, West of the 4th Meridian, recorded in the name of Fred Wagner, be duly cancelled, owing to default in making payment as provided for in the agreements duly signed by him at the time of sale.

Respectfully submitted,

MEMORANDUM.

Mr. Rollins,
School Lands Branch.

With reference to your enquiry respecting the right of way reserved for The Southern Alberta Land Company's works over sections 25 and 29, township 14, range 20, west of the 4th meridian, which I understand are to be offered for sale at public auction, I beg to say that section 29 is required for reservoir purposes and, as almost the entire section will be submerged, I would suggest that this section be withdrawn from sale.

With reference to section 25 I may say that the reservation over the NW¼ of this section may now be withdrawn as according to the plans submitted by Mr. Hays it is not affected. The reservation over the S. ½ however should stand. There will be no objection to disposing of S. ½ of section 25 subject to The Southern Alberta Land Company's right of way which, according to the blue print enclosed herewith, covers 16.79 acres in the SW¼ and 10.14 acres in the SE¼.

For your information I may say that a license of occupation will be issued covering this right of way and that a special clause will be inserted in the same covering the construction of bridges over the canal, where required (Special clause as follows:-

That

"That the grantee, his heirs or assigns, shall "when required by the Minister of the Interior con- "struct such bridge or bridges as may in the Minister's "opinion be necessary to provide a means of crossing "the ditch or works hereinbefore referred to in "connection with the use of the land by the owner "or occupant.

MEMORANDUM.

Mr. Rollins,
School Lands Branch.

With reference to your enquiry respecting the right of way reserved for The Southern Alberta Land Company's works over sections 25 and 29, township 14, range 20, west of the 4th meridian, which I understand are to be offered for sale at public auction, I beg to say that section 29 is required for reservoir purposes and, as almost the entire section will be submerged, I would suggest that this section be withdrawn from sale.

With reference to section 25 I may say that the reservation over the NW¼ of this section may now be withdrawn as according to the plans submitted by Mr. Hays it is not affected. The reservation over the S. ½ however should stand. There will be no objection to disposing of S. ½ of section 25 subject to The Southern Alberta Land Company's right of way which, according to the blue print enclosed herewith, covers 16.79 acres in the SW¼ and 10.14 acres in the SE¼.

For your information I may say that a license of occupation will be issued covering this right of way and that a special clause will be inserted in the same covering the construction of bridges over the canal, where required (Special clause as follows:-

That

"That the grantee, his heirs or assigns, shall "when required by the Minister of the Interior con- "struct such bridge or bridges as may in the Minister's "opinion be necessary to provide a means of crossing "the ditch or works hereinbefore referred to in "connection with the use of the land by the owner "or occupant.

Gentlemen,-

I beg to acknowledge the receipt of your letter of the 23rd ultimo, with enclosure of assignment in duplicate from John T. Moderquist to Ira Ray Teskey of the South half of the North-East quarter of Section 29, Township 11, Range 22 West of the 4th Meridian, and from John T. Moderquist to Joseph Wray Teskey of the North half of the North-East quarter of the said section, together with Citizenship Declarations and $285.27 in connection therewith.

In reply I would inform you that it is contrary to the practice of the Department to accept assignments for an area less than that purchased at the time of the sale, but in this case it has been decided to make an exception, and the assignments in question have been duly registered in the books of the Department, and the entry for the South half of the North-East quarter now stands in the name of Ira Ray Teskey, and the entry for the North half of the North-East quarter now stands in the name of Joseph Wray Teskey, Farmers, of Carmangay, Alberta.

I return, herewith, one copy of each assignment, with the certificate of registration endorsed thereon.

I also enclose receipt to date for $281.27 on account of the purchase of this land.

This leaves a balance of $839.00 principal outstanding on each parcel, or $1679.00 on the two.

The registration fee for each assignment amounts to $2.00, and a receipt for $4.00 will be issued and mailed to your address in the course of a day or so.

Sir:

Re S.E. 11-15-21-W.4th M.

I beg to inform you that the rules covering the above land, which was returned in the Department in your name, are hereby cancelled on the strength of an Order-in-Council dated the 27th ult. owing to default in making payment as provided for in the agreement duly signed at the time of sale.

Original letter sent to the Manager, [illegible] Bank, [illegible]

You are, therefore, relieved of all responsibility in connection therewith in so far as this department is concerned. You are required to forfeit all moneys paid on account as well as any improvements which may have been placed on the land.

The Agent of Dominion Lands at Lethbridge is by copy of this letter being advised as regards the cancellation and informed that he is now at liberty to accept and deal with, in the manner as provided by the regulations, any applications he may receive for the grazing or cultivation privileges.

Your obedient servant,

Secretary.

of the.....Meridian, at the rate of $.....per acre,

upon the following terms and conditions as to payment, viz :-

One-tenth of the purchase money to be paid at the time of sale, and the balance in eighteen, equal, successive, annual instalments, with interest at the rate of six per cent per annum to be paid with each instalment on the balance of the purchase money from time to time remaining unpaid, the first of the said eighteen instalments to become due and payable one year from the date of sale; provided that all instalments, or any portion of any instalment, in arrears, whether of principal or interest, shall bear interest at the rate of seven per cent per annum.

The sale is also subject to the following terms and conditions, viz.-

1. The sale shall only convey the surface rights and shall be subject to the usual reservations in favour of the Crown.

2. The Department reserves the right to withdraw such areas as may be required by a railway company for right of way or other purposes of the railway, or by the Provincial Authorities for roadway purposes, provided application therefor was made prior to the date of sale.

3. The Department reserves the right to increase or decrease the area sold to conform with revised township plans of survey approved and confirmed by the Surveyor General, and the purchaser hereby agrees to make payment for any additional areas at such prices and upon such terms as may be prescribed by the Minister of the Interior.

4. The purchaser shall be required, before cutting, or allowing to be cut, any timber growing on the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a timber permit, and to pay therefor an office fee of $1, and dues as prescribed by the School Lands Timber Regulations; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

5. The purchaser shall be required, before removing any sand or gravel from the land, except for his own use, to acquire from the Agent of Dominion Lands for the district in which the land is situated a permit for the quantity of sand and gravel to be removed, and to pay therefor an office fee of $1, and dues at the rate of 25 cents per cubic yard; provided that the amount of dues paid shall be applied on account of the indebtedness against the land.

6. The sale is subject to the right of any person or persons cultivating the land, or any portion thereof, to enter upon said land for the purpose of protecting the crop or other belongings, and to cut and remove the crop prior to the 31st December next following the date of sale.

7. The purchaser shall at time of sale, or upon demand of the Department, pay for any areas in summerfallow upon the land at date of sale, at a valuation placed thereon by an official of the Department.

8. The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at date of sale, and the purchaser shall not at any time prior to date of completion of payments remove, or cause to be removed from the land, any of said improvements, without the consent of the Minister of the Interior being first obtained.

9. The purchaser shall insure and keep insured, to the satisfaction of the Minister of the Interior, all buildings upon the land at time of sale liable to destruction by fire.

10. The sale is subject to the right of persons, owning fencing or other improvements upon the land at time of sale, to enter upon the land and remove said improvements within the time allowed by the Department for the purpose.

11. Default in making payment or failure to comply with the terms and conditions herein or hereby set out, shall, at the option of the Minister of the Interior, annul the sale and all payments made on the said land, together with all improvements thereon, shall be forfeited to His Majesty. Such annulment and forfeiture shall be effective, if made by written notice under the hand of the Minister of the Department of the Interior, the Deputy Minister of the Department of the Interior, the Commissioner or Assistant Commissioner of Dominion Lands of the Department of the Interior or by such person or persons as may be acting in their behalf, and any notice thereof may be signed by any one of the above named officers.

TO WIT.	)	IN THE MATTER OF Sale # 4028 covering N.E.II - 13 - 24 West 4th. Meridian to Phil Low, purchaser.

I, Phil Low of Carmangay in the Province of Alberta, farmer, do solemnly declare:-

1. That I am the purchaser of the above mentioned School Land from the Department of the Interior, Canada, and as such have personal knowledge of the matters and facts herein deposed to.

2. That my payments on account of purchase of said land are in arrears for the reason that in 1918 I was unable to make the payment due in said year owing to the drought prevailing in this District, wherefore I obtained only sufficient crop to furnish seed grain for the year 1919, and in the last named year I had no crop again owing to drought.

3. That owing to crop conditions in the said years I have been obliged to borrow from the Bank for current expenses, and in the spring of 1920 will be compelled to borrow further in order to pay for the cost of seed grain and labour putting in the crop for that year.

4. That I am entirely dependent upon grain crops for my living and have no other means of income or other resources out of which to pay the above mentioned arrears.

5. I make this declaration for the purpose of inducing the School Lands Division of the Dominion Lands Branch of the Department of the Interior to extend the time for payment of all arrears under their sale # 4028 above mentioned until the fall of 1920, and not for the purpose of delaying or embarassing the Department in any manner whatsoever.

AND I MAKE this solemn declaration conscientiously believing the same to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Gentlemen:

Re: S.½ & N.W.¼ 29-14-25 W. 4th M.

I beg to acknowledge receipt of your communication of the 6th ultimo, your file 25745, enclosing a cheque for the sum of $4.00 as registration fee in connection with the assignment filed covering the above described land, and to enclose you official receipt #22148 for the amount in question.

As the assignment referred to was found satisfactory, same was registered on the 31st ultimo under #9421 and the land recorded as sales in the name of George Lane and Company Limited.

As only one copy of the document was filed, same is being retained in the Department for future reference, should such an occasion arise, but this letter will be sufficient authority to show the land as recorded in the name of George Lane and Company Limited.

The land referred to, having previously been paid for in full, the necessary action will now be taken with a view to having Letters Patent prepared in favour of George Lane and Company Limited and said Patent on completion will be forwarded to the Registrar for the district wherein the land is located, and both yourselves and the registered owners will be advised as to when to apply for title.

Gentlemen:

Re: S.½ & N.W.¼ 29-14-25 W. 4th M.

I beg to acknowledge receipt of your communication of the 6th ultimo, your file 25745, enclosing a cheque for the sum of $4.00 as registration fee in connection with the assignment filed covering the above described land, and to enclose you official receipt #88148 for the amount in question.

As the assignment referred to was found satisfactory, same was registered on the 21st ultimo under #9421 and the land recorded as sales in the name of George Lane and Company Limited.

As only one copy of the document was filed, same is being retained in the Department for future reference, should such an occasion arise, but this letter will be sufficient authority to show the land as recorded in the name of George Lane and Company Limited.

The land referred to, having previously been paid for in full, the necessary action will now be taken with a view to having Letters Patent prepared in favour of George Lane and Company Limited and said patent on completion will be forwarded to the Registrar for the district wherein the land is located, and both yourselves and the registered owners will be advised as to when to apply for title.

Your obedient servant.

Sir,

Re: Section 31--16--W. 4th M.

Owing to the unsatisfactory condition of the interest in connection with the sales to you of the above lands, and as the Department desires you every opportunity of perfecting your interest in these transactions, which you stated to me, it was unable, after receiving a report from a Dominion Inspector on the improvements to undertake negotiations pending the settlement of interest.

Please note, therefore, that the sales to you of these four quarter-sections are hereby cancelled, in accordance with an Order-in-Council dated the 4th May, 1925, the lands have reverted to the Crown and all payments made on account, as well as any improvements which might be on the land, have been forfeited.

Your obedient servant,

J. M. ROBERTSON,

Secretary.

In the meantime failed to keep his improvements within reasonable bounds or to acknowledge receipt of the annual statements of account which were regularly mailed to him, and the several letters addressed to him demanding payment of the arrears, the Agent of Dominion Lands at Lethbridge, Mr. Instructed on the 30th August, 1924, to have an Inspector make an investigation of the lands and report as to the improvements thereon.

In a report so made by Inspector Dixon it is stated that there are no improvements located on the land and suggests that the sale be cancelled.

In view of the statements contained in the Inspector's report the Department recommends with the purchaser under date of the 14th October, 1924, granting him a final period of thirty days from that date within which to make a substantial payment on account or to have executed and filed in the Department Deeds of Surrender in favour of the Crown.

.....

if he fails to relinquish his interest in the lands.

The protestor has failed to communicate with the Department relative to the matter, and as it would appear that it is not the intention to further protect his interest, the Undersigned has to recommend that the following described lands, viz: Lot 1, Lot 2, North East and North West quarters of Section 36, Township 18, Range 20, West of the 4th Meridian, restored in the name of Jens L. Grimm be duly cancelled, owing to default in making payment as provided for in the Act, and to be disposed of by him at the time prescribed.

Respectfully submitted,

Commissioner of the Interior.

[illegible].

In the attached Memorandum, Council is asked to authorize cancellation of the sales in the name of Lars A. Botrim covering the South West, South East, North East and North West quarters of Section 35, Township 16, Range 20, West of the 4th Meridian.
